

Privacy Policy of www.italcoat.com

This Application collects some Personal Data from its Users.

Owner and Data Controller

Italcoat S.r.l.
Via Appia - Km 192,358
81052 Pignataro Maggiore (CE) - Italy

Owner contact email: marketing@laminazione sottile.com

Types of Data collected

Among the types of Personal Data that this Application collects, by itself or through third parties, there are: Cookies; Usage Data; email address; first name; last name; company name; country; state; website; phone number; field of activity; username.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Application.

Unless specified otherwise, all Data requested by this Application is mandatory and failure to provide this Data may make it impossible for this Application to provide its services. In cases where this Application specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies - or of other tracking tools - by this Application or by the owners of third-party services used by this Application serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through this Application.

Mode and place of processing the Data

Methods of processing

The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Application (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Analytics, Displaying content from external platforms, SPAM protection, Tag Management, Managing contacts and sending messages, Interaction with data collection platforms and other third parties, Contacting the User, Interaction with external social networks and platforms, Content commenting, Infrastructure monitoring, Hosting and backend infrastructure, Platform services and hosting, Registration and authentication and Registration and authentication provided directly by this Application.

For specific information about the Personal Data used for each purpose, the User may refer to the section "Detailed information on the processing of Personal Data".

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Analytics

The services contained in this section enable the Owner to monitor and analyze web traffic and can be used to keep track of User behavior.

Google Analytics (Google Inc.)

Google Analytics is a web analysis service provided by Google Inc. ("Google"). Google utilizes the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualize and personalize the ads of its own advertising network.

Personal Data processed: Cookies; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#).

Wordpress Stats (Automattic Inc.)

Wordpress Stats is an analytics service provided by Automattic Inc.

Personal Data processed: Cookies; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Google Analytics 4 (Google LLC)

Google Analytics 4 is a web analysis service provided by Google LLC ("Google"). Google utilizes the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualize and personalize the ads of its own advertising network.

In Google Analytics 4, IP addresses are used at collection time and then discarded before Data is logged in any data center or server. Users can learn more by consulting [Google's official documentation](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#).

Contacting the User

Mailing list or newsletter (this Application)

By registering on the mailing list or for the newsletter, the User's email address will be added to the contact list of those who may receive email messages containing information of commercial or promotional nature concerning this Application. Your email address might also be added to this list as a result of signing up to this Application or after making a purchase.

Personal Data processed: company name; country; email address; first name; last name; state; Usage Data; website.

Contact form (this Application)

By filling in the contact form with their Data, the User authorizes this Application to use these details to reply

to requests for information, quotes or any other kind of request as indicated by the form's header.

Personal Data processed: company name; country; email address; field of activity; first name; last name; phone number; state; website.

Content commenting

Content commenting services allow Users to make and publish their comments on the contents of this Application.

Depending on the settings chosen by the Owner, Users may also leave anonymous comments. If there is an email address among the Personal Data provided by the User, it may be used to send notifications of comments on the same content. Users are responsible for the content of their own comments.

If a content commenting service provided by third parties is installed, it may still collect web traffic data for the pages where the comment service is installed, even when Users do not use the content commenting service.

Comment system managed directly (this Application)

This Application has its own internal content comment system.

Personal Data processed: email address; username.

Displaying content from external platforms

This type of service allows you to view content hosted on external platforms directly from the pages of this Application and interact with them.

This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

Google Fonts (Google Inc.)

Google Fonts is a typeface visualization service provided by Google Inc. that allows this Application to incorporate content of this kind on its pages.

Personal Data processed: Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: United States - [Privacy Policy](#).

Google Maps widget (Google Inc.)

Google Maps is a maps visualization service provided by Google Inc. that allows this Application to incorporate content of this kind on its pages.

Personal Data processed: Cookies; Usage Data.

Place of processing: United States - [Privacy Policy](#).

YouTube video widget (Google Ireland Limited)

YouTube is a video content visualization service provided by Google Ireland Limited that allows this Application to incorporate content of this kind on its pages.

Personal Data processed: Cookies; Usage Data.

Place of processing: Ireland - [Privacy Policy](#).

Hosting and backend infrastructure

This type of service has the purpose of hosting Data and files that enable this Application to run and be distributed as well as to provide a ready-made infrastructure to run specific features or parts of this Application.

Some services among those listed below, if any, may work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

SiteGround Hosting (SiteGround Spain S.L.)

SiteGround Hosting is a hosting service provided by SiteGround Spain S.L.

Personal Data processed: Cookies; Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: Spain - [Privacy Policy](#).

Infrastructure monitoring

This type of service allows this Application to monitor the use and behavior of its components so its performance, operation, maintenance and troubleshooting can be improved.

Which Personal Data are processed depends on the characteristics and mode of implementation of these services, whose function is to filter the activities of this Application.

Uptime Robot (Buzpark Bilisim Tarim Urunleri Sanayi Tic. Ltd. Sti.)

Uptime Robot is a monitoring service provided by Buzpark Bilisim Tarim Urunleri Sanayi Tic. Ltd. Sti.

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: Turkey - [Privacy Policy](#).

Interaction with data collection platforms and other third parties

This type of service allows Users to interact with data collection platforms or other services directly from the pages of this Application for the purpose of saving and reusing data.

If one of these services is installed, it may collect browsing and Usage Data in the pages where it is installed, even if the Users do not actively use the service.

Mailchimp widget (The Rocket Science Group LLC)

The Mailchimp widget is a service for interacting with the Mailchimp email address management and message sending service provided by The Rocket Science Group LLC.

Personal Data processed: Cookies; email address; first name; last name; Usage Data.

Place of processing: United States - [Privacy Policy](#).

Interaction with external social networks and platforms

This type of service allows interaction with social networks or other external platforms directly from the pages of this Application.

The interaction and information obtained through this Application are always subject to the User's privacy settings for each social network.

This type of service might still collect traffic data for the pages where the service is installed, even when Users do not use it.

It is recommended to log out from the respective services in order to make sure that the processed data on this Application isn't being connected back to the User's profile.

Google+ +1 button and social widgets (Google Inc.)

The Google+ +1 button and social widgets are services allowing interaction with the Google+ social network provided by Google Inc.

Personal Data processed: Cookies; Usage Data.

Place of processing: United States - [Privacy Policy](#).

LinkedIn button and social widgets (LinkedIn Corporation)

The LinkedIn button and social widgets are services allowing interaction with the LinkedIn social network provided by LinkedIn Corporation.

Personal Data processed: Cookies; Usage Data.

Place of processing: United States - [Privacy Policy](#).

Facebook Like button and social widgets (Facebook, Inc.)

The Facebook Like button and social widgets are services allowing interaction with the Facebook social

network provided by Facebook, Inc.

Personal Data processed: Cookies; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Twitter Tweet button and social widgets (X Corp.)

The Twitter Tweet button and social widgets are services allowing interaction with the Twitter social network provided by Twitter, Inc.

Personal Data processed: Cookies; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Managing contacts and sending messages

This type of service makes it possible to manage a database of email contacts, phone contacts or any other contact information to communicate with the User.

These services may also collect data concerning the date and time when the message was viewed by the User, as well as when the User interacted with it, such as by clicking on links included in the message.

Mailchimp (The Rocket Science Group, LLC.)

Mailchimp is an email address management and message sending service provided by The Rocket Science Group, LLC.

Personal Data processed: company name; country; email address; first name; last name; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Platform services and hosting

These services have the purpose of hosting and running key components of this Application, therefore allowing the provision of this Application from within a unified platform. Such platforms provide a wide range of tools to the Owner – e.g. analytics, user registration, commenting, database management, e-commerce, payment processing – that imply the collection and handling of Personal Data.

Some of these services work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

WordPress.com (Automattic Inc.)

WordPress.com is a platform provided by Automattic Inc. that allows the Owner to build, run and host this Application.

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#).

Registration and authentication

By registering or authenticating, Users allow this Application to identify them and give them access to dedicated services.

Depending on what is described below, third parties may provide registration and authentication services. In this case, this Application will be able to access some Data, stored by these third-party services, for registration or identification purposes.

Some of the services listed below may also collect Personal Data for targeting and profiling purposes; to find out more, please refer to the description of each service.

WordPress.com Single Sign On (Automattic Inc.)

WordPress.com Single Sign On is a registration and authentication service provided by Automattic Inc. and is connected to the WordPress.com network.

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#).

Registration and authentication provided directly by this Application

By registering or authenticating, Users allow this Application to identify them and give them access to dedicated services. The Personal Data is collected and stored for registration or identification purposes only. The Data collected are only those necessary for the provision of the service requested by the Users.

Direct registration (this Application)

The User registers by filling out the registration form and providing the Personal Data directly to this Application.

Personal Data processed: Trackers; Usage Data.

SPAM protection

This type of service analyzes the traffic of this Application, potentially containing Users' Personal Data, with the purpose of filtering it from parts of traffic, messages and content that are recognized as SPAM.

Google reCAPTCHA (Google Inc.)

Google reCAPTCHA is a SPAM protection service provided by Google Inc. The use of reCAPTCHA is subject to the Google [privacy policy](#) and [terms of use](#).

Personal Data processed: Cookies; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Tag Management

This type of service helps the Owner to manage the tags or scripts needed on this Application in a centralized fashion.

This results in the Users' Data flowing through these services, potentially resulting in the retention of this Data.

Google Tag Manager (Google LLC)

Google Tag Manager is a tag management service provided by Google LLC.

Personal Data processed: Usage Data.

Place of processing: United States – [Privacy Policy](#).

Cookie Policy

This Application uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

Additional information about Data collection and processing

Legal action

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of this Application or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, this Application may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

System logs and maintenance

For operation and maintenance purposes, this Application and any third-party services may collect files that record interaction with this Application (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

Changes to this privacy policy

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Application and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

Definitions and legal references

Personal Data (or Data)

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

Usage Data

Information collected automatically through this Application (or third-party services employed in this Application), which can include: the IP addresses or domain names of the computers utilized by the Users who use this Application, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilized to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilized by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

User

The individual using this Application who, unless otherwise specified, coincides with the Data Subject.

Data Subject

The natural person to whom the Personal Data refers.

Data Processor (or Processor)

The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

Data Controller (or Owner)

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of this Application. The Data Controller, unless otherwise specified, is the Owner of this Application.

This Application

The means by which the Personal Data of the User is collected and processed.

Service

The service provided by this Application as described in the relative terms (if available) and on this site/application.

European Union (or EU)

Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

Cookie

Cookies are Trackers consisting of small sets of data stored in the User's browser.

Tracker

Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the User's device.

Legal information

This privacy policy relates solely to this Application, if not stated otherwise within this document.

Latest update: August 23, 2023
