## Types of Data collected

Among the types of Personal Data that this Website collects, by itself or through third parties, there are: Tracker; Usage Data; first name; last name; phone number; VAT Number; company name; physical address; country; state; email address; ZIP/Postal code; city; name; billing address; answers to questions; clicks; keypress events; motion sensor events; mouse movements; scroll position; touch events; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example); Approximate location permission (non-continuous); payment info; geographic position; house number.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Website. Unless specified otherwise, all Data requested by this Website is mandatory and failure to provide this Data may make it impossible for this Website to provide its services. In cases where this Website specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools — by this Website or by the owners of third-party services used by this Website serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through this Website.

## Mode and place of processing the Data

### Methods of processing

The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Website (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

### Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

### Retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

## The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Analytics, Contacting the User, Managing data collection and online surveys, Displaying content from external platforms, Tag Management, Remarketing and behavioral targeting, SPAM protection, Collection of privacy-related preferences, Advertising, Device permissions for Personal Data access, Handling payments, Hosting and backend infrastructure, Location-based interactions, Registration and authentication provided directly by this Website, Traffic optimization and distribution and Content commenting.

For specific information about the Personal Data used for each purpose, the User may refer to the section “Detailed information on the processing of Personal Data”.

## Device permissions for Personal Data access

Depending on the User's specific device, this Website may request certain permissions that allow it to access the User's device Data as described below.

By default, these permissions must be granted by the User before the respective information can be accessed. Once the permission has been given, it can be revoked by the User at any time. In order to revoke these permissions, Users may refer to the device settings or contact the Owner for support at the contact details provided in the present document. The exact procedure for controlling app permissions may be dependent on the User's device and software.

Please note that the revoking of such permissions might impact the proper functioning of this Website.

If User grants any of the permissions listed below, the respective Personal Data may be processed (i.e accessed to, modified or removed) by this Website.

### Approximate location permission (non-continuous)

Used for accessing the User's approximate device location. This Website may collect, use, and share User location Data in order to provide location-based services.

The geographic location of the User is determined in a manner that isn't continuous. This means that it is impossible for this Website to derive the approximate position of the User on a continuous basis.

## Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

### Advertising

This type of service allows User Data to be utilized for advertising communication purposes. These communications are displayed in the form of banners and other advertisements on this Website, possibly based on User interests.

This does not mean that all Personal Data are used for this purpose. Information and conditions of use are shown below. Some of the services listed below may use Trackers for identifying Users, behavioral retargeting i.e. displaying ads tailored to the User's interests and behavior, or to measure ads performance. For more information, please check the privacy policies of the relevant services.

Services of this kind usually offer the possibility to opt out of such tracking. In addition to any opt-out feature offered by any of the services below, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section "How to opt-out of interest-based advertising" in this document.

### Google Ads conversion tracking (Google LLC)

Google Ads conversion tracking is an analytics service provided by Google LLC that connects data from the Google Ads advertising network with actions performed on this Website.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

### Analytics

The services contained in this section enable the Owner to monitor and analyze web traffic and can be used to keep track of User behavior.

### **Google Analytics (Google Ireland Limited)**

Google Analytics is a web analysis service provided by Google Ireland Limited (“Google”). Google utilizes the Data collected to track and examine the use of this Website, to prepare reports on its activities and share them with other Google services. Google may use the Data collected to contextualize and personalize the ads of its own advertising network.

Personal Data processed: Tracker; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

### **Google Analytics with anonymized IP (Google Ireland Limited)**

Google Analytics is a web analysis service provided by Google Ireland Limited (“Google”). Google utilizes the Data collected to track and examine the use of this Website, to prepare reports on its activities and share them with other Google services. Google may use the Data collected to contextualize and personalize the ads of its own advertising network. This integration of Google Analytics anonymizes your IP address. It works by shortening Users' IP addresses within member states of the European Union or in other contracting states to the Agreement on the European Economic Area. Only in exceptional cases will the complete IP address be sent to a Google server and shortened within the US.

Personal Data processed: Tracker; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

### **Google Analytics Advertising Reporting Features (Google LLC)**

Google Analytics on this Website has Advertising Reporting Features activated, which collects additional information from the DoubleClick cookie (web activity) and from device advertising IDs (app activity). It allows the Owner to analyze specific behavior and interests Data (traffic Data and Users' ads interaction Data) and, if enabled, demographic Data (information about the age and gender).

Users can opt out of Google's use of cookies by visiting Google's [Ads Settings](#).

Personal Data processed: Tracker; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example); various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#).

### **Google Analytics Demographics and Interests reports (Google LLC)**

Google Analytics Demographics and Interests reports is a Google Advertising Reporting feature that makes available demographic and interests Data inside Google Analytics for this Website (demographics means age and gender Data).

Users can opt out of Google's use of cookies by visiting Google's [Ads Settings](#).

Personal Data processed: Tracker; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example).

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#).

### **Collection of privacy-related preferences**

This type of service allows this Website to collect and store Users' preferences related to the collection, use, and processing of their personal information, as requested by the applicable privacy legislation.

### **iubenda Privacy Controls and Cookie Solution (iubenda srl)**

The iubenda Privacy Controls and Cookie Solution allows the Owner to collect and store Users' preferences related to the processing of personal information, and in particular to the use of Cookies and other Trackers on this Website.

Personal Data processed: Tracker.

Place of processing: Italy – [Privacy Policy](#).

### **Contacting the User**

#### **Contact form (this Website)**

By filling in the contact form with their Data, the User authorizes this Website to use these details to reply to requests for information, quotes or any other kind of request as indicated by the form's header.

Personal Data processed: city; company name; country; email address; first name; last name; phone number; physical address; state; VAT Number; ZIP/Postal code.

## **Content commenting**

Content commenting services allow Users to make and publish their comments on the contents of this Website. Depending on the settings chosen by the Owner, Users may also leave anonymous comments. If there is an email address among the Personal Data provided by the User, it may be used to send notifications of comments on the same content. Users are responsible for the content of their own comments.

If a content commenting service provided by third parties is installed, it may still collect web traffic data for the pages where the comment service is installed, even when Users do not use the content commenting service.

### **Comment system managed directly (this Website)**

This Website has its own internal content comment system.

Personal Data processed: email address; first name; last name; phone number; Trackers.

## **Device permissions for Personal Data access**

This Website requests certain permissions from Users that allow it to access the User's device Data as described below.

### **Device permissions for Personal Data access (this Website)**

This Website requests certain permissions from Users that allow it to access the User's device Data as summarized here and described within this document.

Personal Data processed: Approximate location permission (non-continuous).

## **Displaying content from external platforms**

This type of service allows you to view content hosted on external platforms directly from the pages of this Website and interact with them.

This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

### **Google Maps widget (Google Ireland Limited)**

Google Maps is a maps visualization service provided by Google Ireland Limited that allows this Website to incorporate content of this kind on its pages.

Personal Data processed: Tracker; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

### **Font Awesome (Fonticons, Inc. )**

Font Awesome is a typeface visualization service provided by Fonticons, Inc. that allows this Website to incorporate content of this kind on its pages.

Personal Data processed: Tracker; Usage Data.

Place of processing: United States – [Privacy Policy](#).

### **Google Fonts (Google LLC)**

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

## **Handling payments**

Unless otherwise specified, this Website processes any payments by credit card, bank transfer or other means via external payment service providers. In general and unless where otherwise stated, Users are requested to provide their payment details and personal information directly to such payment service providers. This Website isn't involved in the collection and processing of such information: instead, it will only receive a notification by the relevant payment service provider as to whether payment has been successfully completed.

### **Payment by bank transfer (this Website)**

In the event that the chosen payment method is a direct bank transfer to the current account indicated by this Website, the Owner will collect the payment details of the User, i. e. the current account number of the sender, the SWIFT code, the bank and the name of the sender. Such data will be collected and processed exclusively within the transaction and for billing purposes only.

Personal Data processed: company name; first name; last name; payment info; physical address.

## **Hosting and backend infrastructure**

This type of service has the purpose of hosting Data and files that enable this Website to run and be distributed as well as to provide a ready-made infrastructure to run specific features or parts of this Website.

Some services among those listed below, if any, may work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

### **DigitalOcean (DigitalOcean Inc.)**

DigitalOcean is a hosting service provided by DigitalOcean Inc.

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: United Kingdom – [Privacy Policy](#).

## **Location-based interactions**

### **Non-continuous geolocation (this Website)**

This Website may collect, use, and share User location Data in order to provide location-based services.

Most browsers and devices provide tools to opt out from this feature by default. If explicit authorization has been provided, the User's location data may be tracked by this Website.

The geographic location of the User is determined in a manner that isn't continuous, either at the specific request of the User or when the User doesn't point out its current location in the appropriate field and allows the application to detect the position automatically.

Personal Data processed: geographic position.

## **Managing data collection and online surveys**

This type of service allows this Website to manage the creation, deployment, administration, distribution and analysis of online forms and surveys in order to collect, save and reuse Data from any responding Users.

The Personal Data collected depend on the information asked and provided by the Users in the corresponding online form.

These services may be integrated with a wide range of third-party services to enable the Owner to take subsequent steps with the Data processed - e.g. managing contacts, sending messages, analytics, advertising and payment processing.

### **Data provided via online forms, managed directly (this Website)**

This Website makes use of online forms that can be used to collect Data about Users.

Personal Data processed: billing address; city; country; name; phone number.

## **Registration and authentication provided directly by this Website**

By registering or authenticating, Users allow this Website to identify them and give them access to dedicated services. The Personal Data is collected and stored for registration or identification purposes only. The Data collected are only those necessary for the provision of the service requested by the Users.

### **Direct registration (this Website)**

The User registers by filling out the registration form and providing the Personal Data directly to this Website.

Personal Data processed: billing address; city; company name; country; email address; first name; house number; last name; phone number; physical address; VAT Number; ZIP/Postal code.

## **Remarketing and behavioral targeting**

This type of service allows this Website and its partners to inform, optimize and serve advertising based on past use of this Website by the User.

This activity is facilitated by tracking Usage Data and by using Trackers to collect information which is then transferred to the partners that manage the remarketing and behavioral targeting activity.

Some services offer a remarketing option based on email address lists.

Services of this kind usually offer the possibility to opt out of such tracking. In addition to any opt-out feature offered by any of the services below, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section "How to opt-out of interest-based advertising" in this document.

### **Google Ad Manager Audience Extension (Google LLC)**

Personal Data processed: Trackers; various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#).

## **Information on opting out of interest-based advertising**

In addition to any opt-out feature provided by any of the services listed in this document, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section of the Cookie Policy.

## **Further information about the processing of Personal Data**

### **Selling goods and services online**

The Personal Data collected are used to provide the User with services or to sell goods, including payment and possible delivery. The Personal Data collected to complete the payment may include the credit card, the bank account used for the transfer, or any other means of payment envisaged. The kind of Data collected by this Website depends on the payment system used.

## **Cookie Policy**

This Website uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

## Further Information for Users

### Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes.
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

### Further information about retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

### The rights of Users based on the General Data Protection Regulation (GDPR)

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following, to the extent permitted by law:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Users are also entitled to learn about the legal basis for Data transfers abroad including to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

### Details about the right to object to processing

**Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.**

**Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification. Where the User objects to processing for direct marketing purposes, the Personal Data will no longer be processed for such purposes. To learn whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.**

### **How to exercise these rights**

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law. Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort. At the Users' request, the Owner will inform them about those recipients.

## **Additional information about Data collection and processing**

### **Legal action**

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of this Website or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

### **Additional information about User's Personal Data**

In addition to the information contained in this privacy policy, this Website may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

### **System logs and maintenance**

For operation and maintenance purposes, this Website and any third-party services may collect files that record interaction with this Website (System logs) or use other Personal Data (such as the IP Address) for this purpose.

### **Information not contained in this policy**

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

### **Changes to this privacy policy**

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Website and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

### **Definitions and legal references**

#### **Personal Data (or Data)**

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.
