

# Privacy Policy of grand.io

This Application collects some Personal Data from its Users.

## Owner and Data Controller

Grand Compliance Global AB, ÖSTERMALMSTORG 1, 114 42, Stockholm, Sweden

**Owner contact email:** hello@grand.io

## Types of Data collected

Among the types of Personal Data that this Application collects, by itself or through third parties, there are: Trackers; Usage Data; various types of Data; device information; contact info; email address; phone number; calendar information; company name; country; city; ZIP/Postal code; state; province; county; latitude (of city); longitude (of city); metro area; geography/region; IP address; app information; device logs; operating systems; browser information; language; launches; number of sessions; session duration; scroll-to-page interactions; mouse movements; scroll position; keypress events; motion sensor events; touch events; video views; clicks; browsing history; search history; session statistics; page views; interaction events; page events; custom events; Application opens; name; geographic position.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Application.

Unless specified otherwise, all Data requested by this Application is mandatory and failure to provide this Data may make it impossible for this Application to provide its services. In cases where this Application specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools — by this Application or by the owners of third-party services used by this Application serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through this Application.

## Mode and place of processing the Data

### Methods of processing

The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Application (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

### Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

### Retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

## The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Analytics, Advertising, Heat mapping and session recording, Interaction with online survey platforms, Interaction with data collection platforms and other third parties, Registration and authentication, Tag Management, Hosting and backend infrastructure, Platform services and hosting, Building and running this Application, Infrastructure monitoring, Displaying content from external platforms, Traffic optimization and distribution, Handling activities related to productivity, Interaction with external social networks and platforms, Registration and authentication provided directly by this Application and Spam and bots protection.

For specific information about the Personal Data used for each purpose, the User may refer to the section “Detailed information on the processing of Personal Data”.

## Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

### Advertising

This type of service allows User Data to be utilized for advertising communication purposes. These communications are displayed in the form of banners and other advertisements on this Application, possibly based on User interests.

This does not mean that all Personal Data are used for this purpose. Information and conditions of use are shown below.

Some of the services listed below may use Trackers for identifying Users, behavioral retargeting i.e. displaying ads tailored to the User’s interests and behavior, or to measure ads performance. For more information, please check the privacy policies of the relevant services.

Services of this kind usually offer the possibility to opt out of such tracking. In addition to any opt-out feature offered by any of the services below, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section "How to opt-out of interest-based advertising" in this document.

### Google Ads conversion tracking (Google Ireland Limited)

Google Ads conversion tracking is an analytics service provided by Google Ireland Limited that connects data from the Google Ads advertising network with actions performed on this Application.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

### Hotjar Form Analysis & Conversion Funnels (Hotjar Ltd.)

Hotjar is an analytics service provided by Hotjar Ltd.

Hotjar honors generic Do Not Track headers. This means your browser can tell its script not to collect any of your data. This is a setting that is available in all major browsers. Find Hotjar’s [opt-out information here](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: Malta – [Privacy Policy](#) – [Opt Out](#).

### Meta ads conversion tracking (Meta pixel) (Meta Platforms Ireland Limited)

Meta ads conversion tracking (Meta pixel) is an analytics service provided by Meta Platforms Ireland Limited that connects data from the Meta Audience Network with actions performed on this Application. The Meta pixel tracks conversions that can be attributed to ads on Facebook, Instagram and Meta Audience Network.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt out](#).

### LinkedIn Ads

LinkedIn Ads is an advertising service provided by LinkedIn Ireland Unlimited Company or by LinkedIn Corporation, depending on how the Owner manages the Data processing.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt out](#); United States – [Privacy Policy](#) – [Opt out](#).

### **LinkedIn conversion tracking (LinkedIn Insight Tag) (LinkedIn Corporation)**

LinkedIn conversion tracking (LinkedIn Insight Tag) is an analytics and behavioral targeting service provided by LinkedIn Corporation that connects data from the LinkedIn advertising network with actions performed on this Application. The LinkedIn Insight Tag tracks conversions that can be attributed to LinkedIn ads and enables to target groups of Users on the base of their past use of this Application.

Users may opt out of behavioral targeting features through their device settings, [their LinkedIn account settings](#) or by visiting the [AdChoices opt-out page](#).

Personal Data processed: device information; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

### **X Ads conversion tracking (X Corp.)**

X Ads conversion tracking is an analytics service provided by X Corp. that connects data from the X advertising network with actions performed on this Application.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

## **Analytics**

The services contained in this section enable the Owner to monitor and analyze web traffic and can be used to keep track of User behavior.

### **Google Analytics (Google Ireland Limited)**

Google Analytics is a web analysis service provided by Google Ireland Limited (“Google”). Google utilizes the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services. Google may use the Data collected to contextualize and personalize the ads of its own advertising network.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

### **Meta Events Manager**

Meta Events Manager is an analytics service provided by Meta Platforms Ireland Limited or by Meta Platforms, Inc., depending on how the Owner manages the Data processing. By integrating the Meta pixel, Meta Events Manager can give the Owner insights into the traffic and interactions on this Application.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#); United States – [Privacy Policy](#).

### **Google Analytics 4**

Google Analytics 4 is a web analysis service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, (“Google”). Google utilizes the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualize and personalize the ads of its own advertising network.

In Google Analytics 4, IP addresses are used at collection time and then discarded before Data is logged in any data center or server. Users can learn more by consulting [Google’s official documentation](#).

Personal Data processed: Trackers.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#); Ireland – [Privacy Policy](#) – [Opt Out](#).

## **Building and running this Application**

Key components of this Application are built and run directly by the Owner by making use of the software listed below.

## **Ghost with User subscriptions (this Application)**

This Application is built and run by the Owner via a CMS software (Content Management System) called Ghost.

Personal Data processed: contact info; email address.

## **Displaying content from external platforms**

This type of service allows you to view content hosted on external platforms directly from the pages of this Application and interact with them.

This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

## **Google Fonts**

Google Fonts is a typeface visualization service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, that allows this Application to incorporate content of this kind on its pages.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

## **Calendly widget (Calendly, LLC)**

Calendly widget is a calendar content visualization service provided by Calendly, LLC that allows this Application to incorporate content of this kind on its pages.

Personal Data processed: calendar information; device information; email address; geographic position; name; phone number; Trackers.

Place of processing: United States – [Privacy Policy](#).

## **Handling activities related to productivity**

This type of service helps the Owner to manage tasks, collaboration and, in general, activities related to productivity. In using this type of service, Data of Users will be processed and may be retained, depending on the purpose of the activity in question.

These services may be integrated with a wide range of third-party services disclosed within this privacy policy to enable the Owner to import or export Data needed for the relative activity.

## **Calendly (Calendly, LLC)**

Calendly is a service provided by Calendly, LLC, that facilitates online scheduling of appointments.

Personal Data processed: calendar information; email address; phone number.

Place of processing: United States – [Privacy Policy](#).

## **Heat mapping and session recording**

Heat mapping services are used to display the areas of this Application that Users interact with most frequently. This shows where the points of interest are. These services make it possible to monitor and analyze web traffic and keep track of User behavior.

Some of these services may record sessions and make them available for later visual playback.

## **Hotjar Heat Maps & Recordings (Hotjar Ltd.)**

Hotjar is a session recording and heat mapping service provided by Hotjar Ltd.

Hotjar honors generic „Do Not Track” headers. This means the browser can tell its script not to collect any of the User's data. This is a setting that is available in all major browsers. Find Hotjar's [opt-out information here](#).

Personal Data processed: Trackers; Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: Malta – [Privacy Policy](#) – [Opt Out](#).

## **Hosting and backend infrastructure**

This type of service has the purpose of hosting Data and files that enable this Application to run and be distributed as well as to provide a ready-made infrastructure to run specific features or parts of this Application.

Some services among those listed below, if any, may work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

### **Amazon Web Services (AWS) (Amazon Web Services, Inc.)**

Amazon Web Services (AWS) is a hosting and backend service provided by Amazon Web Services, Inc.

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: Germany – [Privacy Policy](#).

### **Infrastructure monitoring**

This type of service allows this Application to monitor the use and behavior of its components so its performance, operation, maintenance and troubleshooting can be improved.

Which Personal Data are processed depends on the characteristics and mode of implementation of these services, whose function is to filter the activities of this Application.

### **Sentry (Functional Software, Inc.)**

Sentry is a monitoring service provided by Functional Software, Inc. .

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#).

### **Interaction with data collection platforms and other third parties**

This type of service allows Users to interact with data collection platforms or other services directly from the pages of this Application for the purpose of saving and reusing data.

If one of these services is installed, it may collect browsing and Usage Data in the pages where it is installed, even if the Users do not actively use the service.

### **Hotjar Recruit User Testers (Hotjar Ltd.)**

The Hotjar Recruit User Testers widget is a service for interacting with the Hotjar data collection platform provided by Hotjar Ltd.

Hotjar honors generic „Do Not Track” headers. This means the browser can tell its script not to collect any of the User's data. This is a setting that is available in all major browsers. Find Hotjar's [opt-out information here](#).

Personal Data processed: Trackers; Usage Data; various types of Data.

Place of processing: Malta – [Privacy Policy](#) – [Opt Out](#).

### **Interaction with external social networks and platforms**

This type of service allows interaction with social networks or other external platforms directly from the pages of this Application.

The interaction and information obtained through this Application are always subject to the User's privacy settings for each social network.

This type of service might still collect traffic data for the pages where the service is installed, even when Users do not use it.

It is recommended to log out from the respective services in order to make sure that the processed data on this Application isn't being connected back to the User's profile.

### **Twitter Tweet button and social widgets (X Corp.)**

The Twitter Tweet button and social widgets are services allowing interaction with the Twitter social network provided by X Corp.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

## **Interaction with online survey platforms**

This type of service allows Users to interact with third-party online survey platforms directly from the pages of this Application. If one of these services is installed, it may collect browsing and Usage Data in the pages where it is installed, even if the Users do not actively use the service.

### **Hotjar Poll & Survey widgets (Hotjar Ltd.)**

The Hotjar Poll & Survey widgets are services that enable interaction with the Hotjar platform provided by Hotjar Ltd. Hotjar honors generic „Do Not Track” headers. This means the browser can tell its script not to collect any of the User's data. This is a setting that is available in all major browsers. Find Hotjar's [opt-out information here](#).

Personal Data processed: Trackers; Usage Data; various types of Data.

Place of processing: Malta – [Privacy Policy](#) – [Opt Out](#).

## **Platform services and hosting**

These services have the purpose of hosting and running key components of this Application, therefore allowing the provision of this Application from within a unified platform. Such platforms provide a wide range of tools to the Owner – e.g. analytics, user registration, commenting, database management, e-commerce, payment processing – that imply the collection and handling of Personal Data.

Some of these services work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

### **Ghost(Pro) (Ghost Foundation Ltd)**

Ghost(Pro) is a platform provided by Ghost Foundation Ltd that allows the Owner to build, run and host this Application.

Personal Data processed: device information; Usage Data.

Place of processing: Singapore – [Privacy Policy](#).

### **Ghost(Pro) with User subscriptions (Ghost Foundation Ltd)**

Ghost(Pro) with User subscriptions is a platform provided by Ghost Foundation Ltd that allows the Owner to build, run and host this Application.

Personal Data processed: contact info.

Place of processing: Singapore – [Privacy Policy](#).

### **Webflow (Webflow, Inc.)**

Webflow is a platform provided by Webflow, Inc. that allows the Owner to build, run and host this Application. Webflow is highly customizable and can host websites from simple blogs to complex e-commerce platforms.

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#) – [Opt out](#).

## **Registration and authentication**

By registering or authenticating, Users allow this Application to identify them and give them access to dedicated services. Depending on what is described below, third parties may provide registration and authentication services. In this case, this Application will be able to access some Data, stored by these third-party services, for registration or identification purposes. Some of the services listed below may also collect Personal Data for targeting and profiling purposes; to find out more, please refer to the description of each service.

### **Google OAuth (Google Ireland Limited)**

Google OAuth is a registration and authentication service provided by Google Ireland Limited and is connected to the Google network.

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: Ireland – [Privacy Policy](#).

## **Registration and authentication provided directly by this Application**

By registering or authenticating, Users allow this Application to identify them and give them access to dedicated services. The Personal Data is collected and stored for registration or identification purposes only. The Data collected are only those necessary for the provision of the service requested by the Users.

### **Direct registration (this Application)**

The User registers by filling out the registration form and providing the Personal Data directly to this Application.

Personal Data processed: company name; country; email address.

## **Spam and bots protection**

This type of service analyzes the traffic of this Application, potentially containing Users' Personal Data, with the purpose of filtering it from unwanted parts of traffic, messages and content that are recognized as spam or protecting it from malicious bots activities.

### **Cloudflare Bot Management (Cloudflare, Inc.)**

Cloudflare Bot Management is a malicious bot protection and management service provided by Cloudflare, Inc.

Personal Data processed: app information; Application opens; browser information; browsing history; city; clicks; country; county; custom events; device information; device logs; geography/region; interaction events; IP address; keypress events; language; latitude (of city); launches; longitude (of city); metro area; motion sensor events; mouse movements; number of sessions; operating systems; page events; page views; province; scroll position; scroll-to-page interactions; search history; session duration; session statistics; state; touch events; Trackers; Usage Data; video views; ZIP/Postal code.

Place of processing: United States – [Privacy Policy](#).

## **Tag Management**

This type of service helps the Owner to manage the tags or scripts needed on this Application in a centralized fashion. This results in the Users' Data flowing through these services, potentially resulting in the retention of this Data.

### **Google Tag Manager (Google Ireland Limited)**

Google Tag Manager is a tag management service provided by Google Ireland Limited.

Personal Data processed: Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

## **Traffic optimization and distribution**

This type of service allows this Application to distribute their content using servers located across different countries and to optimize their performance.

Which Personal Data are processed depends on the characteristics and the way these services are implemented. Their function is to filter communications between this Application and the User's browser.

Considering the widespread distribution of this system, it is difficult to determine the locations to which the contents that may contain Personal Information of the User are transferred.

### **Cloudflare (Cloudflare Inc.)**

Cloudflare is a traffic optimization and distribution service provided by Cloudflare Inc.

The way Cloudflare is integrated means that it filters all the traffic through this Application, i.e., communication between this Application and the User's browser, while also allowing analytical data from this Application to be collected.

Personal Data processed: Trackers.

Place of processing: United States – [Privacy Policy](#).

## **Information on opting out of interest-based advertising**

In addition to any opt-out feature provided by any of the services listed in this document, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section of the Cookie Policy.

## Cookie Policy

This Application uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

## Further Information for Users

### Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes.
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

### Further information about retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

## The rights of Users based on the General Data Protection Regulation (GDPR)

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following, to the extent permitted by law:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Users are also entitled to learn about the legal basis for Data transfers abroad including to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

### **Details about the right to object to processing**

**Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.**

**Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification. Where the User objects to processing for direct marketing purposes, the Personal Data will no longer be processed for such purposes. To learn whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.**

### **How to exercise these rights**

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law. Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort. At the Users' request, the Owner will inform them about those recipients.

## **Additional information about Data collection and processing**

### **Legal action**

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of this Application or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

### **Additional information about User's Personal Data**

In addition to the information contained in this privacy policy, this Application may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

### **System logs and maintenance**

For operation and maintenance purposes, this Application and any third-party services may collect files that record interaction with this Application (System logs) or use other Personal Data (such as the IP Address) for this purpose.

### **Information not contained in this policy**

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

### **Changes to this privacy policy**

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Application and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

### **Definitions and legal references**

#### **Personal Data (or Data)**

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

## **Usage Data**

Information collected automatically through this Application (or third-party services employed in this Application), which can include: the IP addresses or domain names of the computers utilized by the Users who use this Application, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilized to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilized by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

## **User**

The individual using this Application who, unless otherwise specified, coincides with the Data Subject.

## **Data Subject**

The natural person to whom the Personal Data refers.

## **Data Processor (or Processor)**

The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

## **Data Controller (or Owner)**

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of this Application. The Data Controller, unless otherwise specified, is the Owner of this Application.

## **This Application**

The means by which the Personal Data of the User is collected and processed.

## **Service**

The service provided by this Application as described in the relative terms (if available) and on this site/application.

## **European Union (or EU)**

Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

## **Cookie**

Cookies are Trackers consisting of small sets of data stored in the User's browser.

## **Tracker**

Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the User's device.

## **Legal information**

This privacy policy relates solely to this Application, if not stated otherwise within this document.

Latest update: March 08, 2024
