Owner contact email: info@ssg.co.uk

Types of Data collected

Among the types of Personal Data that SSG Training and Consultancy collects, by itself or through third parties, there are: Trackers; Usage Data; Data communicated while using the service; first name; last name; phone number; company name; physical address; email address; ZIP/Postal code; city; username; password; profile picture; social media accounts ; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example); device information; geography/region; number of Users; number of sessions; session duration; In-app purchases; Application opens; Application updates; launches; operating systems; language; Universally unique identifier (UUID).

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using SSG Training and Consultancy.

Unless specified otherwise, all Data requested by SSG Training and Consultancy is mandatory and failure to provide this Data may make it impossible for SSG Training and Consultancy to provide its services. In cases where SSG Training and Consultancy specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools — by SSG Training and Consultancy or by the owners of third-party services used by SSG Training and Consultancy serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through SSG Training and Consultancy.

Mode and place of processing the Data

Methods of processing

The Owner takes appropriate security measures to prevent unauthorised access, disclosure, modification, or unauthorised destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organisational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of SSG Training and Consultancy (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Analytics, Interaction with live chat platforms, Advertising, Interaction with external social networks and platforms, Tag Management, Contacting the User, Content performance and features testing (A/B testing), Registration and authentication, Hosting and backend infrastructure, Infrastructure monitoring, Handling payments, Displaying content from external platforms, Traffic optimisation and distribution and User database management.

For specific information about the Personal Data used for each purpose, the User may refer to the section "Detailed information on the processing of Personal Data".

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Advertising

This type of service allows User Data to be utilised for advertising communication purposes. These communications are displayed in the form of banners and other advertisements on SSG Training and Consultancy, possibly based on User interests. This does not mean that all Personal Data are used for this purpose. Information and conditions of use are shown below. Some of the services listed below may use Trackers to identify Users or they may use the behavioural retargeting technique, i.e. displaying ads tailored to the User's interests and behaviour, including those detected outside SSG Training and Consultancy. For more information, please check the privacy policies of the relevant services. Services of this kind usually offer the possibility to opt out of such tracking. In addition to any opt-out feature offered by any of the services below, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section "How to opt-out of interest-based advertising" in this document.

Google AdSense (Google Ireland Limited)

Google AdSense is an advertising service provided by Google Ireland Limited. This service uses the "DoubleClick" Cookie, which tracks use of SSG Training and Consultancy and User behaviour concerning ads, products and services offered. Users may decide to disable all the DoubleClick Cookies by going to: [Google Ad Settings](#).

In order to understand Google's use of data, consult [Google's partner policy](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

Analytics

The services contained in this section enable the Owner to monitor and analyse web traffic and can be used to keep track of User behaviour.

Google Analytics (Universal Analytics) (Google Ireland Limited)

Google Analytics (Universal Analytics) is a web analysis service provided by Google Ireland Limited ("Google"). Google utilises the Data collected to track and examine the use of SSG Training and Consultancy, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualise and personalise the ads of its own advertising network.

In order to understand Google's use of Data, consult [Google's partner policy](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Opt Out](#).

Google Analytics for Firebase (Google Ireland Limited)

Google Analytics for Firebase or Firebase Analytics is an analytics service provided by Google Ireland Limited.

In order to understand Google's use of Data, consult [Google's partner policy](#).

Firebase Analytics may share Data with other tools provided by Firebase, such as Crash Reporting, Authentication, Remote Config or Notifications. The User may check this privacy policy to find a detailed explanation about the other tools used by the Owner.

SSG Training and Consultancy uses identifiers for mobile devices and technologies similar to cookies to run the Firebase Analytics service.

Users may opt-out of certain Firebase features through applicable device settings, such as the device advertising settings for mobile phones or by following the instructions in other Firebase related sections of this privacy policy, if available.

Personal Data processed: Application opens; Application updates; device information; geography/region; In-app purchases; launches; number of sessions; number of Users; operating systems; session duration; Trackers; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example); Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

Cloudflare Web Analytics (Cloudflare Inc.)

Cloudflare Web Analytics is an anonymised analytics service provided by Cloudflare Inc. that gives the Owner insight into the use of SSG Training and Consultancy by Users without needing to identify them. Further information may be found [here](#) and within the service's privacy policy.

Personal Data processed: device information; language; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Google Analytics 4 (Google Ireland Limited)

Google Analytics 4 is a web analysis service provided by Google Ireland Limited (“Google”). Google utilizes the Data collected to track and examine the use of SSG Training and Consultancy, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualize and personalize the ads of its own advertising network.

In Google Analytics 4, IP addresses are used at collection time and then discarded before Data is logged in any data center or server. Users can learn more by consulting [Google’s official documentation](#).

Personal Data processed: Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

Google Analytics Advertising Reporting Features (Google Ireland Limited)

Google Analytics on SSG Training and Consultancy has Advertising Reporting Features activated, which collects additional information from the DoubleClick cookie (web activity) and from device advertising IDs (app activity). It allows the Owner to analyse specific behaviour and interests Data (traffic Data and Users' ads interaction Data) and, if enabled, demographic Data (information about the age and gender).

Users can opt out of Google's use of cookies by visiting Google's [Ads Settings](#).

Personal Data processed: Trackers; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example); various types of Data as specified in the privacy policy of the service.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

Contacting the User

Contact form (SSG Training and Consultancy)

By filling in the contact form with their Data, the User authorises SSG Training and Consultancy to use these details to reply to requests for information, quotes or any other kind of request as indicated by the form’s header.

Personal Data processed: city; company name; email address; first name; last name; phone number; physical address; ZIP/Postal code.

Phone contact (SSG Training and Consultancy)

Users that provided their phone number might be contacted for commercial or promotional purposes related to SSG Training and Consultancy, as well as for fulfilling support requests.

Personal Data processed: phone number.

Mailing list or newsletter (SSG Training and Consultancy)

By registering on the mailing list or for the newsletter, the User's email address will be added to the contact list of those who may receive email messages containing information of commercial or promotional nature concerning SSG Training and Consultancy. Your email address might also be added to this list as a result of signing up to SSG Training and Consultancy or after making a purchase.

Personal Data processed: city; company name; email address; first name; last name; phone number; physical address; ZIP/Postal code.

Content performance and features testing (A/B testing)

The services contained in this section allow the Owner to track and analyse the User response concerning web traffic or behaviour regarding changes to the structure, text or any other component of SSG Training and Consultancy.

Firebase Remote Config (Google Ireland Limited)

Firebase Remote Config is an A/B testing and configuration service provided by Google Ireland Limited.

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: Ireland – [Privacy Policy](#).

Displaying content from external platforms

This type of service allows you to view content hosted on external platforms directly from the pages of SSG Training and Consultancy and interact with them.

This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

Font Awesome (Fonticons, Inc.)

Font Awesome is a typeface visualisation service provided by Fonticons, Inc. that allows SSG Training and Consultancy to incorporate content of this kind on its pages.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Google Fonts (Google Ireland Limited)

Google Fonts is a typeface visualisation service provided by Google Ireland Limited that allows SSG Training and Consultancy to incorporate content of this kind on its pages.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

OpenStreetMap widget (OpenStreetMap Foundation)

OpenStreetMap widget is a maps visualisation service provided by OpenStreetMap Foundation that allows SSG Training and Consultancy to incorporate content of this kind on its pages.

Personal Data processed: Trackers; Usage Data.

Place of processing: United Kingdom – [Privacy Policy](#).

Handling payments

Unless otherwise specified, SSG Training and Consultancy processes any payments by credit card, bank transfer or other means via external payment service providers. In general and unless where otherwise stated, Users are requested to provide their payment details and personal information directly to such payment service providers. SSG Training and Consultancy isn't involved in the collection and processing of such information: instead, it will only receive a notification by the relevant payment service provider as to whether payment has been successfully completed.

Stripe (Stripe Inc)

Stripe is a payment service provided by Stripe Inc.

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#).

Hosting and backend infrastructure

This type of service has the purpose of hosting Data and files that enable SSG Training and Consultancy to run and be distributed as well as to provide a ready-made infrastructure to run specific features or parts of SSG Training and Consultancy.

Some services among those listed below, if any, may work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

Firebase Cloud Functions (Google Ireland Limited)

Firebase Cloud Functions is a hosting and backend service provided by Google Ireland Limited.

Personal Data processed: Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: Ireland – [Privacy Policy](#).

Firebase Cloud Firestore (Google Ireland Limited)

Firebase Cloud Firestore is a hosting and backend service provided by Google Ireland Limited.

Personal Data processed: Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: Ireland – [Privacy Policy](#).

Firebase Hosting (Google Ireland Limited)

Firebase Hosting is a hosting service provided by Google Ireland Limited.

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: Ireland – [Privacy Policy](#).

Firebase Realtime Database (Google Ireland Limited)

Firebase Realtime Database is a hosting and backend service provided by Google Ireland Limited.

Personal Data processed: Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: Ireland – [Privacy Policy](#).

Amazon Web Services (AWS) (Amazon Web Services, Inc.)

Amazon Web Services (AWS) is a hosting and backend service provided by Amazon Web Services, Inc.

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: United Kingdom – [Privacy Policy](#).

Infrastructure monitoring

This type of service allows SSG Training and Consultancy to monitor the use and behaviour of its components so its performance, operation, maintenance and troubleshooting can be improved.

Which Personal Data are processed depends on the characteristics and mode of implementation of these services, whose function is to filter the activities of SSG Training and Consultancy.

Firebase Performance Monitoring (Google Ireland Limited)

Firebase Performance Monitoring is a monitoring service provided by Google Ireland Limited.

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: Ireland – [Privacy Policy](#).

Interaction with external social networks and platforms

This type of service allows interaction with social networks or other external platforms directly from the pages of SSG Training and Consultancy.

The interaction and information obtained through SSG Training and Consultancy are always subject to the User's privacy settings for each social network.

This type of service might still collect traffic data for the pages where the service is installed, even when Users do not use it. It is recommended to log out from the respective services in order to make sure that the processed data on SSG Training and Consultancy isn't being connected back to the User's profile.

Twitter Tweet button and social widgets (X Corp.)

The Twitter Tweet button and social widgets are services allowing interaction with the Twitter social network provided by Twitter, Inc.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Interaction with live chat platforms

This type of service allows Users to interact with third-party live chat platforms directly from the pages of SSG Training and Consultancy, in order to contact and be contacted by SSG Training and Consultancy's support service.

If one of these services is installed, it may collect browsing and Usage Data in the pages where it is installed, even if the Users do not actively use the service. Moreover, live chat conversations may be logged.

Olark Widget (Habla, Inc.)

The Olark Widget is a service for interacting with the Olark live chat platform provided by Habla, Inc.

Personal Data processed: Data communicated while using the service; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Registration and authentication

By registering or authenticating, Users allow SSG Training and Consultancy to identify them and give them access to dedicated services.

Depending on what is described below, third parties may provide registration and authentication services. In this case, SSG Training and Consultancy will be able to access some Data, stored by these third-party services, for registration or identification purposes.

Some of the services listed below may also collect Personal Data for targeting and profiling purposes; to find out more, please refer to the description of each service.

Firebase Authentication (Google Ireland Limited)

Firebase Authentication is a registration and authentication service provided by Google Ireland Limited. To simplify the registration and authentication process, Firebase Authentication can make use of third-party identity providers and save the information on its platform.

Personal Data processed: email address; first name; last name; password; phone number; profile picture; social media accounts ; username.

Place of processing: Ireland – [Privacy Policy](#).

Tag Management

This type of service helps the Owner to manage the tags or scripts needed on SSG Training and Consultancy in a centralised fashion.

This results in the Users' Data flowing through these services, potentially resulting in the retention of this Data.

Google Tag Manager (Google Ireland Limited)

Google Tag Manager is a tag management service provided by Google Ireland Limited.

Personal Data processed: Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

Traffic optimisation and distribution

This type of service allows SSG Training and Consultancy to distribute their content using servers located across different countries and to optimise their performance.

Which Personal Data are processed depends on the characteristics and the way these services are implemented. Their function is to filter communications between SSG Training and Consultancy and the User's browser.

Considering the widespread distribution of this system, it is difficult to determine the locations to which the contents that may contain Personal Information of the User are transferred.

Cloudflare (Cloudflare Inc.)

Cloudflare is a traffic optimisation and distribution service provided by Cloudflare Inc.

The way Cloudflare is integrated means that it filters all the traffic through SSG Training and Consultancy, i.e., communication between SSG Training and Consultancy and the User's browser, while also allowing analytical data from SSG Training and Consultancy to be collected.

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#).

User database management

This type of service allows the Owner to build user profiles by starting from an email address, a personal name, or other information that the User provides to SSG Training and Consultancy, as well as to track User activities through analytics features.

This Personal Data may also be matched with publicly available information about the User (such as social networks' profiles) and used to build private profiles that the Owner can display and use for improving SSG Training and Consultancy.

Some of these services may also enable the sending of timed messages to the User, such as emails based on specific actions performed on SSG Training and Consultancy.

Intercom (Intercom Software UK Limited)

Intercom is a User database management service provided by Intercom Software UK Limited.

Intercom can also be used as a medium for communications, either through email, or through messages within SSG Training and Consultancy. Intercom Messenger may use Trackers to recognise and track Users behaviour.

Personal Data processed: Data communicated while using the service; email address; Trackers; Universally unique identifier (UUID); Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: United Kingdom – [Privacy Policy](#).

Information on opting out of interest-based advertising

In addition to any opt-out feature provided by any of the services listed in this document, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section of the Cookie Policy.

Further information about the processing of Personal Data

Selling goods and services online

The Personal Data collected are used to provide the User with services or to sell goods, including payment and possible delivery. The Personal Data collected to complete the payment may include the credit card, the bank account used for the transfer, or any other means of payment envisaged. The kind of Data collected by SSG Training and Consultancy depends on the payment system used.

Cookie Policy

SSG Training and Consultancy uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

Further Information for Users

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes.
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Further information about retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

The rights of Users based on the General Data Protection Regulation (GDPR)

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following, to the extent permitted by law:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Users are also entitled to learn about the legal basis for Data transfers abroad including to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

Details about the right to object to processing

Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification. Where the User objects to processing for direct marketing purposes, the Personal Data will no longer be processed for such purposes. To learn whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law. Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort. At the Users' request, the Owner will inform them about those recipients.

Additional information about Data collection and processing

Legal action

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of SSG Training and Consultancy or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, SSG Training and Consultancy may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

System logs and maintenance

For operation and maintenance purposes, SSG Training and Consultancy and any third-party services may collect files that record interaction with SSG Training and Consultancy (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

Changes to this privacy policy

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within SSG Training and Consultancy and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

Definitions and legal references

Personal Data (or Data)

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

Usage Data

Information collected automatically through SSG Training and Consultancy (or third-party services employed in SSG Training and Consultancy), which can include: the IP addresses or domain names of the computers utilised by the Users who use SSG Training and Consultancy, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilised to

submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilised by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

User

The individual using SSG Training and Consultancy who, unless otherwise specified, coincides with the Data Subject.

Data Subject

The natural person to whom the Personal Data refers.

Data Processor (or Processor)

The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

Data Controller (or Owner)

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of SSG Training and Consultancy. The Data Controller, unless otherwise specified, is the Owner of SSG Training and Consultancy.

SSG Training and Consultancy (or this Application)

The means by which the Personal Data of the User is collected and processed.

Service

The service provided by SSG Training and Consultancy as described in the relative terms (if available) and on this site/application.

European Union (or EU)

Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

Cookie

Cookies are Trackers consisting of small sets of data stored in the User's browser.

Tracker

Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the User's device.

Legal information

This privacy policy relates solely to SSG Training and Consultancy, if not stated otherwise within this document.

Latest update: 20 December 2023
