This document informs Users about the technologies that help jewelrybyjohan.com to achieve the purposes described below. Such technologies allow the Owner to access and store information (for example by using a Cookie) or use resources (for example by running a script) on a User's device as they interact with jewelrybyjohan.com.

For simplicity, all such technologies are defined as "Trackers" within this document – unless there is a reason to differentiate. For example, while Cookies can be used on both web and mobile browsers, it would be inaccurate to talk about Cookies in the context of mobile apps as they are a browser-based Tracker. For this reason, within this document, the term Cookies is only used where it is specifically meant to indicate that particular type of Tracker.

Some of the purposes for which Trackers are used may also require the User's consent, depending on the applicable law. Whenever consent is given, it can be freely withdrawn at any time following the instructions provided in this document.

Jewelrybyjohan.com uses Trackers managed directly by the Owner (so-called "first-party" Trackers) and Trackers that enable services provided by a third-party (so-called "third-party" Trackers). Unless otherwise specified within this document, third-party providers may access the Trackers managed by them.

The validity and expiration periods of Cookies and other similar Trackers may vary depending on the lifetime set by the Owner or the relevant provider. Some of them expire upon termination of the User's browsing session.

In addition to what's specified in the descriptions within each of the categories below, Users may find more precise and updated information regarding lifetime specification as well as any other relevant information — such as the presence of other Trackers — in the linked privacy policies of the respective third-party providers or by contacting the Owner.

Activities strictly necessary for the operation of jewelrybyjohan.com and delivery of the Service

Jewelrybyjohan.com uses so-called "technical" Cookies and other similar Trackers to carry out activities that are strictly necessary for the operation or delivery of the Service.

Third-party Trackers

Platform services and hosting

These services have the purpose of hosting and running key components of jewelrybyjohan.com, therefore allowing the provision of jewelrybyjohan.com from within a unified platform. Such platforms provide a wide range of tools to the Owner – e.g. analytics, user registration, commenting, database management, e-commerce, payment processing – that imply the collection and handling of Personal Data.

Some of these services work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

Shopify

Shopify is a platform provided by Shopify Inc. that allows the Owner to build, run and host an e-commerce website.

Personal Data processed: billing address, device information, email address, first name, last name, payment info, phone number, shipping address, Trackers and Usage Data.

Commercial affiliation

This type of service allows jewelrybyjohan.com to display advertisements for third-party products or services. Ads can be displayed either as advertising links or as banners using various kinds of graphics.

Clicks on the icon or banner posted on the Application are tracked by the third-party services listed below, and are shared with jewelrybyjohan.com.

For details of which data are collected, please refer to the privacy policy of each service.

Amazon Omakase

Amazon Omakase is a banner commercial affiliation service provided by Amazon.com Inc.

Personal Data processed: Trackers and Usage Data.

Place of processing: United States – [Privacy Policy](#); Luxembourg – [Privacy Policy](#).

Remarketing and behavioral targeting

This type of service allows jewelrybyjohan.com and its partners to inform, optimize and serve advertising based on past use of jewelrybyjohan.com by the User.

This activity is facilitated by tracking Usage Data and by using Trackers to collect information which is then transferred to the partners that manage the remarketing and behavioral targeting activity.

Some services offer a remarketing option based on email address lists.

Services of this kind usually offer the possibility to opt out of such tracking. In addition to any opt-out feature offered by any of the services below, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section "How to opt-out of interest-based advertising" in this document.

Klaviyo segmentation and social advertising (Klaviyo Inc.)

Klaviyo segmentation and social advertising is a remarketing and behavioral targeting service provided by Klaviyo Inc.

Klaviyo segmentation and social advertising makes use of tracking technologies to monitor User behavior. This Data is then used to personalize the User's experience and to provide targeted advertising. Klaviyo segmentation and social advertising may also connect the collected Data with other networks, including advertising networks, and enable these parties to track and target the User. The Owner, unless otherwise specified in this document, has no direct relationship with the third parties that Klaviyo segmentation and social advertising may be including.

To take advantage of the service provided by Klaviyo, the Owner typically shares information about (purchasing) Users, such as for example contact details and shopping histories. Check the indication at "Personal Data processed" below for an explanation of the extent of the sharing.

Personal Data processed: device information, email address, purchase history, Trackers and Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt out](#).

Storage duration:

- __kla_id: 2 years

How to manage preferences and provide or withdraw consent

There are various ways to manage Tracker related preferences and to provide and withdraw consent, where relevant:

Users can manage preferences related to Trackers from directly within their own device settings, for example, by preventing the use or storage of Trackers.

Additionally, whenever the use of Trackers is based on consent, Users can provide or withdraw such consent by setting their preferences within the cookie notice or by updating such preferences accordingly via the relevant consent-preferences privacy widget, if available.

It is also possible, via relevant browser or device features, to delete previously stored Trackers, including those used to remember the User's initial consent preferences.

Other Trackers in the browser's local memory may be cleared by deleting the browsing history.

With regard to any third-party Trackers, Users can manage their preferences via the related opt-out link (where provided), by using the means indicated in the third party's privacy policy, or by contacting the third party.

Locating Tracker Settings

Users can, for example, find information about how to manage Cookies in the most commonly used browsers at the following addresses:

- [Google Chrome](#)
- [Mozilla Firefox](#)
- [Apple Safari](#)
- [Microsoft Internet Explorer](#)
- [Microsoft Edge](#)
- [Brave](#)
- [Opera](#)

Users may also manage certain categories of Trackers used on mobile apps by opting out through relevant device settings such as the device advertising settings for mobile devices, or tracking settings in general (Users may open the device settings and look for the relevant setting).

How to opt out of interest-based advertising

Notwithstanding the above, Users may follow the instructions provided by [YourOnlineChoices](#) (EU and UK), the [Network Advertising Initiative](#) (US) and the [Digital Advertising Alliance](#) (US), [DAAC](#) (Canada), [DDAI](#) (Japan) or other similar services. Such initiatives allow Users to select their tracking preferences for most of the advertising tools. The Owner thus recommends that Users make use of these resources in addition to the information provided in this document.

The Digital Advertising Alliance offers an application called [AppChoices](#) that helps Users to control interest-based advertising on mobile apps.

Consequences of denying the use of Trackers

Users are free to decide whether or not to allow the use of Trackers. However, please note that Trackers help jewelrybyjohan.com to provide a better experience and advanced functionalities to Users (in line with the purposes outlined in this document). Therefore, if the User chooses to block the use of Trackers, the Owner may be unable to provide related features.
