

# Privacy Policy of GitRunners

GitRunners collects some Personal Data from its Users.

## Owner and Data Controller

Skicelab S.r.l. - Via Antonio Scialoia 49, 50136 Firenze (Italy)

**Owner contact email:** hello@gitridders.com

## Types of Data collected

Among the types of Personal Data that GitRunners collects, by itself or through third parties, there are: Usage Data; Trackers; Data communicated while using the service; payment info; first name; last name; email address; billing address; purchase history; device information; number of Users; city; session statistics; latitude (of city); longitude (of city); browser information.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using GitRunners.

Unless specified otherwise, all Data requested by GitRunners is mandatory and failure to provide this Data may make it impossible for GitRunners to provide its services. In cases where GitRunners specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies - or of other tracking tools - by GitRunners or by the owners of third-party services used by GitRunners serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through GitRunners.

## Mode and place of processing the Data

### Methods of processing

The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of GitRunners (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

### Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

### Retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

## The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third

parties), detect any malicious or fraudulent activity, as well as the following: Displaying content from external platforms, Interaction with live chat platforms, Handling payments, Access to third-party accounts, Registration and authentication, Analytics and Tag Management.

For specific information about the Personal Data used for each purpose, the User may refer to the section "Detailed information on the processing of Personal Data".

## **Detailed information on the processing of Personal Data**

Personal Data is collected for the following purposes and using the following services:

### **Access to third-party accounts**

This type of service allows GitRunners to access Data from your account on a third-party service and perform actions with it.

These services are not activated automatically, but require explicit authorization by the User.

#### **GitHub account access (GitHub Inc.)**

This service allows GitRunners to connect with the User's account on GitHub, provided by GitHub Inc.

Personal Data processed: device information; email address; Trackers; Usage Data.

Place of processing: United States - [Privacy Policy](#).

### **Analytics**

The services contained in this section enable the Owner to monitor and analyze web traffic and can be used to keep track of User behavior.

#### **Google Analytics with anonymized IP (Google Ireland Limited)**

Google Analytics is a web analysis service provided by Google Ireland Limited ("Google"). Google utilizes the Data collected to track and examine the use of GitRunners, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualize and personalize the ads of its own advertising network. This integration of Google Analytics anonymizes your IP address. It works by shortening Users' IP addresses within member states of the European Union or in other contracting states to the Agreement on the European Economic Area. Only in exceptional cases will the complete IP address be sent to a Google server and shortened within the US.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland - [Privacy Policy](#) - [Opt Out](#).

#### **Google Analytics 4 (Google Ireland Limited)**

Google Analytics 4 is a web analysis service provided by Google Ireland Limited ("Google"). Google utilizes the Data collected to track and examine the use of GitRunners, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualize and personalize the ads of its own advertising network. In Google Analytics 4, IP addresses are used at collection time and then discarded before Data is logged in any data center or server. Users can learn more by consulting [Google's official documentation](#).

Personal Data processed: browser information; city; device information; latitude (of city); longitude (of city); number of Users; session statistics; Trackers; Usage Data.

Place of processing: Ireland - [Privacy Policy](#) - [Opt Out](#).

### **Displaying content from external platforms**

This type of service allows you to view content hosted on external platforms directly from the pages of GitRunners and interact with them.

This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

#### **Google Fonts (Google Ireland Limited)**

Google Fonts is a typeface visualization service provided by Google Ireland Limited that allows GitRunners to incorporate content of this kind on its pages.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland - [Privacy Policy](#).

## Handling payments

Unless otherwise specified, GitRunners processes any payments by credit card, bank transfer or other means via external payment service providers. In general and unless where otherwise stated, Users are requested to provide their payment details and personal information directly to such payment service providers. GitRunners isn't involved in the collection and processing of such information: instead, it will only receive a notification by the relevant payment service provider as to whether payment has been successfully completed.

### Stripe ( Stripe Technology Europe Ltd)

Stripe is a payment service provided by Stripe Technology Europe Ltd.

Personal Data processed: billing address; email address; first name; last name; payment info; purchase history; Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: Ireland - [Privacy Policy](#).

## Interaction with live chat platforms

This type of service allows Users to interact with third-party live chat platforms directly from the pages of GitRunners, in order to contact and be contacted by GitRunners's support service. If one of these services is installed, it may collect browsing and Usage Data in the pages where it is installed, even if the Users do not actively use the service. Moreover, live chat conversations may be logged.

### Crisp Widget (Crisp IM SARL)

The Crisp Widget is a service for interacting with the Crisp live chat platform provided by Crisp IM SARL.

Personal Data processed: Data communicated while using the service; Trackers; Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: France - [Privacy Policy](#).

## Registration and authentication

By registering or authenticating, Users allow GitRunners to identify them and give them access to dedicated services.

Depending on what is described below, third parties may provide registration and authentication services. In this case, GitRunners will be able to access some Data, stored by these third-party services, for registration or identification purposes.

Some of the services listed below may also collect Personal Data for targeting and profiling purposes; to find out more, please refer to the description of each service.

### GitHub OAuth (GitHub Inc.)

GitHub OAuth is a registration and authentication service provided by GitHub Inc. and is connected to the GitHub network.

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: United States - [Privacy Policy](#).

## Tag Management

This type of service helps the Owner to manage the tags or scripts needed on GitRunners in a centralized fashion.

This results in the Users' Data flowing through these services, potentially resulting in the retention of this Data.

### Google Tag Manager (Google Ireland Limited)

Google Tag Manager is a tag management service provided by Google Ireland Limited.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

## **Further information about the processing of Personal Data**

### **Selling goods and services online**

The Personal Data collected are used to provide the User with services or to sell goods, including payment and possible delivery.

The Personal Data collected to complete the payment may include the credit card, the bank account used for the transfer, or any other means of payment envisaged. The kind of Data collected by GitRunners depends on the payment system used.

### **Cookie Policy**

GitRunners uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

## **Additional information about Data collection and processing**

### **Legal action**

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of GitRunners or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

### **Additional information about User's Personal Data**

In addition to the information contained in this privacy policy, GitRunners may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

### **System logs and maintenance**

For operation and maintenance purposes, GitRunners and any third-party services may collect files that record interaction with GitRunners (System logs) or use other Personal Data (such as the IP Address) for this purpose.

### **Information not contained in this policy**

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

### **Changes to this privacy policy**

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within GitRunners and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

### **Definitions and legal references**

#### **Personal Data (or Data)**

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

#### **Usage Data**

Information collected automatically through GitRunners (or third-party services employed in GitRunners),

which can include: the IP addresses or domain names of the computers utilized by the Users who use GitRunners, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilized to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilized by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

### **User**

The individual using GitRunners who, unless otherwise specified, coincides with the Data Subject.

### **Data Subject**

The natural person to whom the Personal Data refers.

### **Data Processor (or Processor)**

The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

### **Data Controller (or Owner)**

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of GitRunners. The Data Controller, unless otherwise specified, is the Owner of GitRunners.

### **GitRunners (or this Application)**

The means by which the Personal Data of the User is collected and processed.

### **Service**

The service provided by GitRunners as described in the relative terms (if available) and on this site/application.

### **European Union (or EU)**

Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

### **Cookie**

Cookies are Trackers consisting of small sets of data stored in the User's browser.

### **Tracker**

Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the User's device.

### **Legal information**

This privacy policy relates solely to GitRunners, if not stated otherwise within this document.
