We will not discriminate against you for exercising your rights under the CCPA. This means that we will not discriminate against you, including, but not limited to, by denying goods or services, charging you a different price, or providing a different level or quality of goods or services just because you exercised your consumer privacy rights.

However, if you refuse to provide your personal information to us or ask us to delete or stop selling your personal information, and that personal information or sale is necessary for us to provide you with goods or services, we may not be able to complete that transaction.

To the extent permitted by the law, we may offer you promotions, discounts, and other deals in exchange for collecting, keeping, or selling your personal information, provided that the financial incentive offered is reasonably related to the value of your personal information.

## **How to exercise your rights**

Should we deny your request, we will explain you the reasons behind our denial.

We do not charge a fee to process or respond to your verifiable request unless such request is manifestly unfounded or excessive. In such cases, we may charge a reasonable fee, or refuse to act on the request. In either case, we will communicate our choices and explain the reasons behind it.
