

Privacy Policy of www.sellrapido.com

This Application collects some Personal Data from its Users.

Owner and Data Controller

Sellrapido s.r.l. via Montello 18, 40131 - Bologna

Owner contact email: privacy@sellrapido.com

Types of Data collected

Among the types of Personal Data that this Application collects, by itself or through third parties, there are: phone number; email address; first name; last name; Trackers; country; User ID; Usage Data; purchase history; payment info; billing address; profession; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example); Data communicated while using the service; financial information; number of Users; device information; session statistics; browser information.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Application.

Unless specified otherwise, all Data requested by this Application is mandatory and failure to provide this Data may make it impossible for this Application to provide its services. In cases where this Application specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools — by this Application or by the owners of third-party services used by this Application serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through this Application.

Mode and place of processing the Data

Methods of processing

The Owner takes appropriate security measures to prevent unauthorised access, disclosure, modification, or unauthorised destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organisational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Application (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Contacting the User, Managing contacts and sending messages, User database management, Handling payments, Tag Management, Handling activities related to productivity, Managing data collection and online surveys, Heat mapping and session recording, Interaction with external social networks and platforms, Advertising, Collection of privacy-related preferences, Remarketing and behavioural targeting, Platform services and hosting and Analytics.

For specific information about the Personal Data used for each purpose, the User may refer to the section “Detailed information on the processing of Personal Data”.

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Advertising

This type of service allows User Data to be utilised for advertising communication purposes. These communications are displayed in the form of banners and other advertisements on this Application, possibly based on User interests. This does not mean that all Personal Data are used for this purpose. Information and conditions of use are shown below. Some of the services listed below may use Trackers to identify Users or they may use the behavioural retargeting technique, i.e. displaying ads tailored to the User’s interests and behaviour, including those detected outside this Application. For more information, please check the privacy policies of the relevant services. Services of this kind usually offer the possibility to opt out of such tracking. In addition to any opt-out feature offered by any of the services below, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section "How to opt-out of interest-based advertising" in this document.

Google Ad Manager (Google Ireland Limited)

Google Ad Manager is an advertising service provided by Google Ireland Limited that allows the Owner to run advertising campaigns in conjunction with external advertising networks that the Owner, unless otherwise specified in this document, has no direct relationship with.

In order to understand Google's use of Data, consult [Google's partner policy](#).

This service uses the “DoubleClick” Cookie, which tracks use of this Application and User behaviour concerning ads, products and services offered.

Users may decide to disable all the DoubleClick Cookies by going to: [Google Ad Settings](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

Meta Lookalike Audience (Meta Platforms Ireland Limited)

Meta Lookalike Audience is an advertising and behavioural targeting service provided by Meta Platforms Ireland Limited that uses Data collected through Meta's Custom Audience in order to display ads to Users with similar behaviour to Users who are already in a Custom Audience list on the basis of their past use of this Application or engagement with relevant content across Meta's apps and services.

On the basis of these Data, personalised ads will be shown to Users suggested by Meta Lookalike Audience.

Users can opt out of Meta's use of Trackers for ads personalisation by visiting this [opt-out page](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt out](#).

LinkedIn Ads (LinkedIn Ireland Unlimited Company)

LinkedIn Ads is an advertising service provided by LinkedIn Ireland Unlimited Company.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt out](#).

Meta Audience Network (Meta Platforms Ireland Limited)

Meta Audience Network is an advertising service provided by Meta Platforms Ireland Limited **In order to understand Meta's use of Data, consult [Meta's data policy](#).**

This Application may use identifiers for mobile devices (including Android Advertising ID or Advertising Identifier for iOS, respectively) and technologies similar to cookies to run the Meta Audience Network service. One of the ways Audience Network shows ads is by using the User's ad preferences. The User can control this in the [Facebook ad settings](#).

Users may opt-out of certain Audience Network targeting through applicable device settings, such as the device advertising settings for mobile phones or by following the instructions in other Audience Network related sections of this privacy policy, if available.

Personal Data processed: Trackers; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example); Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt out](#).

Analytics

The services contained in this section enable the Owner to monitor and analyse web traffic and can be used to keep track of User behaviour.

ChartMogul (ChartMogul Ltd)

ChartMogul is an analytics service provided by ChartMogul Ltd, that allows the Owner to analyse revenue and Users' (commercial) activity on this Application.

Personal Data processed: financial information; Trackers; Usage Data.

Place of processing: Germany – [Privacy Policy](#).

HubSpot Analytics (HubSpot, Inc.)

HubSpot Analytics is an analytics service provided by HubSpot, Inc.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#) .

Google Analytics 4 (Google Ireland Limited)

Google Analytics 4 is a web analysis service provided by Google Ireland Limited (“Google”). Google utilizes the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services. Google may use the Data collected to contextualize and personalize the ads of its own advertising network. In Google Analytics 4, IP addresses are used at collection time and then discarded before Data is logged in any data center or server. Users can learn more by consulting [Google's official documentation](#).

Personal Data processed: browser information; device information; number of Users; session statistics; Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

Collection of privacy-related preferences

This type of service allows this Application to collect and store Users' preferences related to the collection, use, and processing of their personal information, as requested by the applicable privacy legislation.

iubenda Consent Database (iubenda srl)

The iubenda Consent Database allows to store and retrieve records of Users' consent to the processing of Personal Data, and information and preferences expressed in relation to the provided consent.

In order to do so, it makes use of a Tracker that temporarily stores pending information on the User's device until it is processed by the API. The Tracker (a browser feature called localStorage) is at that point deleted.

Personal Data processed: Data communicated while using the service; Trackers.

Place of processing: Italy – [Privacy Policy](#).

iubenda Privacy Controls and Cookie Solution (iubenda srl)

The iubenda Privacy Controls and Cookie Solution allows the Owner to collect and store Users' preferences related to the processing of personal information and in particular to the use of Cookies and other Trackers on this Application.

Personal Data processed: Trackers.

Place of processing: Italy – [Privacy Policy](#).

Contacting the User

Phone contact (this Application)

Users that provided their phone number might be contacted for commercial or promotional purposes related to this Application, as well as for fulfilling support requests.

Personal Data processed: phone number.

Mailing list or newsletter (this Application)

By registering on the mailing list or for the newsletter, the User's email address will be added to the contact list of those who may receive email messages containing information of commercial or promotional nature concerning this Application. Your email address might also be added to this list as a result of signing up to this Application or after making a purchase.

Personal Data processed: country; email address; first name; last name; phone number; Trackers.

Contact form (this Application)

By filling in the contact form with their Data, the User authorises this Application to use these details to reply to requests for information, quotes or any other kind of request as indicated by the form's header.

Personal Data processed: country; email address; first name; last name; phone number; Trackers; User ID.

Handling activities related to productivity

This type of service helps the Owner to manage tasks, collaboration and, in general, activities related to productivity. In using this type of service, Data of Users will be processed and may be retained, depending on the purpose of the activity in question. These services may be integrated with a wide range of third-party services disclosed within this privacy policy to enable the Owner to import or export Data needed for the relative activity.

Gmail (Google Ireland Limited)

Gmail is a service that manages email communication provided by Google Ireland Limited. Such email communication is not scanned by Google for advertising purposes. In addition, Google does not collect or use data inside this service for advertising purposes in any other way.

Personal Data processed: email address; first name; last name; phone number.

Place of processing: Ireland – [Privacy Policy](#).

Google Docs (Google Ireland Limited)

Google Docs is an online text-editing and collaboration service provided by Google Ireland Limited.

Personal Data processed: email address; first name; last name.

Place of processing: Ireland – [Privacy Policy](#).

Google Sheets (Google Ireland Limited)

Google Sheets is an online spreadsheet and collaboration service provided by Google Ireland Limited.

Personal Data processed: email address; first name; last name.

Place of processing: Ireland – [Privacy Policy](#).

Handling payments

Unless otherwise specified, this Application processes any payments by credit card, bank transfer or other means via external payment service providers. In general and unless where otherwise stated, Users are requested to provide their payment details and personal information directly to such payment service providers. This Application isn't involved in the collection and processing

of such information: instead, it will only receive a notification by the relevant payment service provider as to whether payment has been successfully completed.

Stripe (Stripe Technology Europe Ltd)

Stripe is a payment service provided by Stripe Technology Europe Ltd.

Personal Data processed: billing address; email address; first name; last name; payment info; Trackers; various types of Data as specified in the privacy policy of the service.

Place of processing: European Union – [Privacy Policy](#).

Heat mapping and session recording

Heat mapping services are used to display the areas of this Application that Users interact with most frequently. This shows where the points of interest are. These services make it possible to monitor and analyse web traffic and keep track of User behaviour.

Some of these services may record sessions and make them available for later visual playback.

Hotjar Heat Maps & Recordings (Hotjar Ltd.)

Hotjar is a session recording and heat mapping service provided by Hotjar Ltd.

Hotjar honours generic „Do Not Track” headers. This means the browser can tell its script not to collect any of the User's data. This is a setting that is available in all major browsers. Find Hotjar's [opt-out information here](#).

Personal Data processed: Trackers; Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: Malta – [Privacy Policy](#) – [Opt Out](#).

Interaction with external social networks and platforms

This type of service allows interaction with social networks or other external platforms directly from the pages of this Application.

The interaction and information obtained through this Application are always subject to the User's privacy settings for each social network.

This type of service might still collect traffic data for the pages where the service is installed, even when Users do not use it. It is recommended to log out from the respective services in order to make sure that the processed data on this Application isn't being connected back to the User's profile.

Facebook Like button and social widgets (Meta Platforms Ireland Limited)

The Facebook Like button and social widgets are services allowing interaction with the Facebook social network provided by Meta Platforms Ireland Limited

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

LinkedIn button and social widgets (LinkedIn Corporation)

The LinkedIn button and social widgets are services allowing interaction with the LinkedIn social network provided by LinkedIn Corporation.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

YouTube button and social widgets (Google Ireland Limited)

The YouTube button and social widgets are services allowing interaction with the YouTube social network provided by Google Ireland Limited.

Personal Data processed: Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

Managing contacts and sending messages

This type of service makes it possible to manage a database of email contacts, phone contacts or any other contact information to communicate with the User.

These services may also collect data concerning the date and time when the message was viewed by the User, as well as when the User interacted with it, such as by clicking on links included in the message.

HubSpot Email (HubSpot, Inc.)

HubSpot Email is an email address management and message sending service provided by HubSpot, Inc.

Personal Data processed: email address; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Managing data collection and online surveys

This type of service allows this Application to manage the creation, deployment, administration, distribution and analysis of online forms and surveys in order to collect, save and reuse Data from any responding Users.

The Personal Data collected depend on the information asked and provided by the Users in the corresponding online form.

These services may be integrated with a wide range of third-party services to enable the Owner to take subsequent steps with the Data processed - e.g. managing contacts, sending messages, analytics, advertising and payment processing.

Typeform (TYPEFORM S.L)

Typeform is a form builder and data collection platform provided by TYPEFORM S.L.

Personal Data processed: email address; profession; Trackers; various types of Data as specified in the privacy policy of the service.

Place of processing: Spain – [Privacy Policy](#).

Platform services and hosting

These services have the purpose of hosting and running key components of this Application, therefore allowing the provision of this Application from within a unified platform. Such platforms provide a wide range of tools to the Owner – e.g. analytics, user registration, commenting, database management, e-commerce, payment processing – that imply the collection and handling of Personal Data.

Some of these services work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

WordPress.com (Aut O'Mattic A8C Ireland Ltd.)

WordPress.com is a platform provided by Aut O'Mattic A8C Ireland Ltd. that allows the Owner to build, run and host this Application.

Personal Data processed: Trackers; various types of Data as specified in the privacy policy of the service.

Place of processing: Ireland – [Privacy Policy](#).

Remarketing and behavioural targeting

This type of service allows this Application and its partners to inform, optimise and serve advertising based on past use of this Application by the User.

This activity is facilitated by tracking Usage Data and by using Trackers to collect information which is then transferred to the partners that manage the remarketing and behavioural targeting activity.

Some services offer a remarketing option based on email address lists.

Services of this kind usually offer the possibility to opt out of such tracking. In addition to any opt-out feature offered by any of the services below, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section "How to opt-out of interest-based advertising" in this document.

Facebook Remarketing (Meta Platforms Ireland Limited)

Facebook Remarketing is a remarketing and behavioural targeting service provided by Meta Platforms Ireland Limited that connects the activity of this Application with the Meta Audience Network.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

Google Ads Remarketing (Google Ireland Limited)

Google Ads Remarketing is a remarketing and behavioural targeting service provided by Google Ireland Limited that connects the activity of this Application with the Google Ads advertising network and the DoubleClick Cookie.

In order to understand Google's use of Data, consult [Google's partner policy](#).

Users can opt out of Google's use of Trackers for ads personalisation by visiting Google's [Ads Settings](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

Remarketing with Google Analytics (Google Ireland Limited)

Remarketing with Google Analytics is a remarketing and behavioural targeting service provided by Google Ireland Limited that connects the tracking activity performed by Google Analytics and its Trackers with the Google Ads advertising network and the Doubleclick Cookie.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

Meta Custom Audience (Meta Platforms Ireland Limited)

Meta Custom Audience is a remarketing and behavioural targeting service provided by Meta Platforms Ireland Limited that connects the activity of this Application with the Meta Audience Network.

Users can opt out of Meta's use of Trackers for ads personalisation by visiting this [opt-out page](#).

Personal Data processed: email address; Trackers.

Place of processing: Ireland – [Privacy Policy](#) – [Opt out](#).

Tag Management

This type of service helps the Owner to manage the tags or scripts needed on this Application in a centralised fashion. This results in the Users' Data flowing through these services, potentially resulting in the retention of this Data.

Google Tag Manager (Google Ireland Limited)

Google Tag Manager is a tag management service provided by Google Ireland Limited.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

User database management

This type of service allows the Owner to build user profiles by starting from an email address, a personal name, or other information that the User provides to this Application, as well as to track User activities through analytics features. This Personal Data may also be matched with publicly available information about the User (such as social networks' profiles) and used to build private profiles that the Owner can display and use for improving this Application.

Some of these services may also enable the sending of timed messages to the User, such as emails based on specific actions performed on this Application.

HubSpot CRM (HubSpot, Inc.)

HubSpot CRM is a User database management service provided by HubSpot, Inc.

Personal Data processed: country; email address; first name; last name; phone number; purchase history; Trackers; Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#).

Information on opting out of interest-based advertising

In addition to any opt-out feature provided by any of the services listed in this document, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section of the Cookie Policy.

Cookie Policy

This Application uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

Further Information for Users

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes.
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Further information about retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

The rights of Users based on the General Data Protection Regulation (GDPR)

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following, to the extent permitted by law:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right to obtain the erasure of their Data from the Owner.

- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Users are also entitled to learn about the legal basis for Data transfers abroad including to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

Details about the right to object to processing

Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification. Where the User objects to processing for direct marketing purposes, the Personal Data will no longer be processed for such purposes. To learn whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law. Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort. At the Users' request, the Owner will inform them about those recipients.

Additional information about Data collection and processing

Legal action

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of this Application or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, this Application may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

System logs and maintenance

For operation and maintenance purposes, this Application and any third-party services may collect files that record interaction with this Application (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

Changes to this privacy policy

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Application and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

Definitions and legal references

Personal Data (or Data)

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

Usage Data

Information collected automatically through this Application (or third-party services employed in this Application), which can include: the IP addresses or domain names of the computers utilised by the Users who use this Application, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilised to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilised by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

User

The individual using this Application who, unless otherwise specified, coincides with the Data Subject.

Data Subject

The natural person to whom the Personal Data refers.

Data Processor (or Processor)

The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

Data Controller (or Owner)

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of this Application. The Data Controller, unless otherwise specified, is the Owner of this Application.

This Application

The means by which the Personal Data of the User is collected and processed.

Service

The service provided by this Application as described in the relative terms (if available) and on this site/application.

European Union (or EU)

Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

Cookie

Cookies are Trackers consisting of small sets of data stored in the User's browser.

Tracker

Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the User's device.

Legal information

This privacy policy relates solely to this Application, if not stated otherwise within this document.

Latest update: 7 March 2024
