

Privacy Policy of Alexander Kraft Monte Carlo

This Application collects some Personal Data from its Users.

Owner and Data Controller

Alexander Kraft Monte Carlo SARL

CATS Business Center, 28 boulevard Princesse Charlotte
98000 Monte Carlo, Monaco

Owner contact email: hello@alexanderkraft.com

Types of Data collected

Among the types of Personal Data that this Application collects, by itself or through third parties, there are: Usage Data; Trackers; session duration; scroll-to-page interactions; clicks; country; time zone; device information; mouse movements; interaction events; diagnostic events; page events; custom events; layout details; positional information.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Application.

Unless specified otherwise, all Data requested by this Application is mandatory and failure to provide this Data may make it impossible for this Application to provide its services. In cases where this Application specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies - or of other tracking tools - by this Application or by the owners of third-party services used by this Application serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through this Application.

Mode and place of processing the Data

Methods of processing

The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Application (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Displaying content from external platforms, Remarketing and behavioral targeting and Heat mapping and session recording.

For specific information about the Personal Data used for each purpose, the User may refer to the section "Detailed information on the processing of Personal Data".

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Displaying content from external platforms

This type of service allows you to view content hosted on external platforms directly from the pages of this Application and interact with them.

This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

Adobe Fonts (Adobe Systems Incorporated)

Adobe Fonts is a typeface visualization service provided by Adobe Systems Incorporated that allows this Application to incorporate content of this kind on its pages.

Personal Data processed: Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#).

Heat mapping and session recording

Heat mapping services are used to display the areas of this Application that Users interact with most frequently. This shows where the points of interest are. These services make it possible to monitor and analyze web traffic and keep track of User behavior.

Some of these services may record sessions and make them available for later visual playback.

Microsoft Clarity (Microsoft Corporation)

Microsoft Clarity is a session recording and heat mapping service provided by Microsoft Corporation. Microsoft processes or receives Personal Data via Microsoft Clarity, which in turn may be used for any purpose in accordance with the Microsoft Privacy Statement, including improving and providing Microsoft Advertising.

Personal Data processed: clicks; country; custom events; device information; diagnostic events; interaction events; layout details; mouse movements; page events; positional information; scroll-to-page interactions; session duration; time zone; Usage Data.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Remarketing and behavioral targeting

This type of service allows this Application and its partners to inform, optimize and serve advertising based on past use of this Application by the User.

This activity is facilitated by tracking Usage Data and by using Trackers to collect information which is then transferred to the partners that manage the remarketing and behavioral targeting activity.

Some services offer a remarketing option based on email address lists.

Services of this kind usually offer the possibility to opt out of such tracking. In addition to any opt-out feature offered by any of the services below, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section "How to opt-out of interest-based advertising" in this document.

Facebook Remarketing (Meta Platforms Ireland Limited)

Facebook Remarketing is a remarketing and behavioral targeting service provided by Meta Platforms Ireland Limited that connects the activity of this Application with the Facebook advertising network.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

Information on opting out of interest-based advertising

In addition to any opt-out feature provided by any of the services listed in this document, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section of the Cookie Policy.

Cookie Policy

This Application uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

Additional information about Data collection and processing

Legal action

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of this Application or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, this Application may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

System logs and maintenance

For operation and maintenance purposes, this Application and any third-party services may collect files that record interaction with this Application (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

Changes to this privacy policy

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Application and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

Definitions and legal references

Personal Data (or Data)

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

Usage Data

Information collected automatically through this Application (or third-party services employed in this Application), which can include: the IP addresses or domain names of the computers utilized by the Users who use this Application, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilized to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilized by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

User

The individual using this Application who, unless otherwise specified, coincides with the Data Subject.

Data Subject

The natural person to whom the Personal Data refers.

Data Processor (or Processor)

The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

Data Controller (or Owner)

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of this Application. The Data Controller, unless otherwise specified, is the Owner of this Application.

This Application

The means by which the Personal Data of the User is collected and processed.

Service

The service provided by this Application as described in the relative terms (if available) and on this site/application.

European Union (or EU)

Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

Cookie

Cookies are Trackers consisting of small sets of data stored in the User's browser.

Tracker

Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the User's device.

Legal information

This privacy policy relates solely to this Application, if not stated otherwise within this document.

Latest update: December 23, 2022
