Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Website. Unless specified otherwise, all Data requested by this Website is mandatory and failure to provide this Data may make it impossible for this Website to provide its services. In cases where this Website specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools — by this Website or by the owners of third-party services used by this Website serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through this Website.

## Mode and place of processing the Data

### Methods of processing

The Owner takes appropriate security measures to prevent unauthorised access, disclosure, modification, or unauthorised destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organisational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Website (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

### Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

### Retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

## **The purposes of processing**

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Traffic optimisation and distribution, SPAM protection, Analytics, Displaying content from external platforms, Managing contacts and sending messages, Data transfer outside of the UK, Handling activities related to productivity, Hosting and backend infrastructure, Contacting the User, Interaction with live chat platforms, Registration and authentication provided directly by this Website and Building and running this Website.

For specific information about the Personal Data used for each purpose, the User may refer to the section “Detailed information on the processing of Personal Data”.

## **Detailed information on the processing of Personal Data**

Personal Data is collected for the following purposes and using the following services:

### **Analytics**

The services contained in this section enable the Owner to monitor and analyse web traffic and can be used to keep track of User behaviour.

#### **Matomo (this Website)**

Matomo is an analytics software used by this Website to analyse data directly without the help of third parties.

Personal Data processed: IP address; Trackers; Usage Data.

#### **Burst Analytics**

We use Burst Statistics for website statistics. This data is not shared with third parties. Read more at <https://cookiedatabase.org/service/burst-statistics/>

### **Building and running this Website**

Key components of this Website are built and run directly by the Owner by making use of the software listed below.

#### **WordPress (self-hosted) (this Website)**

This Website is built and run by the Owner via a CMS software (Content Management System) called WordPress.

Personal Data processed: Data communicated while using the service; Usage Data.

### **Contacting the User**

#### **Mailing list or newsletter (this Website)**

By registering on the mailing list or for the newsletter, the User’s email address will be added to the contact list of those who may receive email messages containing information of commercial or promotional nature concerning this Website. Your email address might also be added to this list as a result of signing up to this Website or after making a purchase.

Personal Data processed: email address.

#### **Contact form (this Website)**

By filling in the contact form with their Data, the User authorises this Website to use these details to reply to requests for information, quotes or any other kind of request as indicated by the form’s header.

Personal Data processed: various types of Data.

### **Displaying content from external platforms**

This type of service allows you to view content hosted on external platforms directly from the pages of this Website and interact with them.

This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

### **Google Maps widget (Google Ireland Limited)**

Google Maps is a maps visualisation service provided by Google Ireland Limited that allows this Website to incorporate content of this kind on its pages.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

### **Userway**

UserWay is a Digital Accessibility Innovator. From websites to apps to PDFs, our technologies make content accessible for people with disabilities. The UserWay Accessibility widget is available for users on GP practice websites.

<https://userway.org/privacy/>

### **Google Translate Widget**

Google Translate is available on GP Practice websites as part of our aim to communicate as clearly and widely as possible with website visitors. The translations should not be considered exact and in some cases may include incorrect or offensive language. But the translations do improve over time, as the tool is used more frequently.

GenPra LLP does not warrant the accuracy, reliability or timeliness of any information translated by this system and will not accept liability for loss or damage incurred as a result.

Google Translate sets two third party technical cookies:

1) googtrans

This cookie stores the translation preference: it contains translation languages, for example ‘/en/it (English to Italian)’, and expires when you close your browser

2) PREF

The PREF cookie remembers basic preferences, such as choice of language, format of search results, how to display information. PREF expires in 2 years and contains ID = a browser identifier; TM = a timestamp of when the cookie was created; LM = a timestamp of when the browser preferences were last changed; S = a digital signature generated by Google which works in combination with page address settings (e.g. in the Google books site it is used to only show a few pages of the book).

See <https://policies.google.com/privacy> to find out how Google manage your data.

### **Google Fonts (Google Ireland Limited)**

Google Fonts is a typeface visualisation service provided by Google Ireland Limited that allows this Website to incorporate content of this kind on its pages.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

### **YouTube video widget (Google Ireland Limited)**

YouTube is a video content visualisation service provided by Google Ireland Limited that allows this Website to incorporate content of this kind on its pages.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

### **Handling activities related to productivity**

This type of service helps the Owner to manage tasks, collaboration and, in general, activities related to productivity. In using this type of service, Data of Users will be processed and may be retained, depending on the purpose of the activity in question. These services may be integrated with a wide range of third-party services disclosed within this privacy policy to enable the Owner to import or export Data needed for the relative activity.

### **Google Workspace (Google Ireland Limited)**

Google Workspace is an integrated suite of cloud-based productivity, collaboration and storage services provided by Google Ireland Limited. Gmail or other G Suite services are not scanned by Google for advertising purposes. In addition, Google does not collect or use data inside these services for advertising purposes in any other way.

Personal Data processed: Data communicated while using the service.

Place of processing: Ireland – [Privacy Policy](#).

## **Hosting and backend infrastructure**

This type of service has the purpose of hosting Data and files that enable this Website to run and be distributed as well as to provide a ready-made infrastructure to run specific features or parts of this Website.

Some services among those listed below, if any, may work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

### **DigitalOcean (DigitalOcean Inc.)**

DigitalOcean is a hosting service provided by DigitalOcean Inc.

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: United Kingdom – [Privacy Policy](#).

## **Interaction with live chat platforms**

This type of service allows Users to interact with third-party live chat platforms directly from the pages of this Website, in order to contact and be contacted by this Website's support service.

If one of these services is installed, it may collect browsing and Usage Data in the pages where it is installed, even if the Users do not actively use the service. Moreover, live chat conversations may be logged.

### **Freshdesk Messaging Widget (Freshworks, Inc.)**

The Freshdesk Messaging Widget is a service for interacting with the Freshdesk live chat platform provided by Freshworks, Inc.

Personal Data processed: Data communicated while using the service; email address; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

## **Managing contacts and sending messages**

This type of service makes it possible to manage a database of email contacts, phone contacts or any other contact information to communicate with the User.

These services may also collect data concerning the date and time when the message was viewed by the User, as well as when the User interacted with it, such as by clicking on links included in the message.

### **Postmark (Wildbit LLC)**

Postmark is an email address management and message sending service provided by Wildbit LLC.

Personal Data processed: various types of Data.

Place of processing: United States – [Privacy Policy](#).

### **Sendgrid (Sendgrid)**

Sendgrid is an email address management and message sending service provided by Sendgrid Inc.

Personal Data processed: email address.

Place of processing: United States – [Privacy Policy](#).

## **Registration and authentication provided directly by this Website**

By registering or authenticating, Users allow this Website to identify them and give them access to dedicated services. The Personal Data is collected and stored for registration or identification purposes only. The Data collected are only those necessary for the provision of the service requested by the Users.

## **Direct registration (this Website)**

The User registers by filling out the registration form and providing the Personal Data directly to this Website.

Personal Data processed: company name; email address; first name; last name; phone number; physical address.

## **SPAM protection**

This type of service analyses the traffic of this Website, potentially containing Users' Personal Data, with the purpose of filtering it from parts of traffic, messages and content that are recognised as SPAM.

### **Google reCAPTCHA (Google Ireland Limited)**

Google reCAPTCHA is a SPAM protection service provided by Google Ireland Limited.

The use of reCAPTCHA is subject to the Google [privacy policy](#) and [terms of use](#).

Personal Data processed: answers to questions; clicks; keypress events; motion sensor events; mouse movements; scroll position; touch events; Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

### **OOPSpam LLC**

OOPSpam API uses many different measurements to determine what seems to be spam and what does not. This includes multiple outputs from Machine Learning algorithms, up-to-date blocklisted IPs lists, spam words, and many more custom rules. It does not store any data, so there is no data to identify or track a user. See <https://www.oopspam.com> for policies.

### **Cloudflare Bot Management (Cloudflare Inc.)**

Cloudflare Bot Management is a malicious bot protection and management service provided by Cloudflare Inc.

Personal Data processed: app information; Application opens; browser information; browsing history; city; clicks; country; county; custom events; device information; device logs; geography/region; interaction events; IP address; keypress events; language; latitude (of city); launches; longitude (of city); metro area; motion sensor events; mouse movements; number of sessions; operating systems; page events; page views; province; scroll position; scroll-to-page interactions; search history; session duration; session statistics; state; touch events; Trackers; Usage Data; video views; ZIP/Postal code.

Place of processing: United States – [Privacy Policy](#).

## **Traffic optimisation and distribution**

This type of service allows this Website to distribute their content using servers located across different countries and to optimise their performance.

Which Personal Data are processed depends on the characteristics and the way these services are implemented. Their function is to filter communications between this Website and the User's browser.

Considering the widespread distribution of this system, it is difficult to determine the locations to which the contents that may contain Personal Information of the User are transferred.

### **Cloudflare (Cloudflare Inc.)**

Cloudflare is a traffic optimisation and distribution service provided by Cloudflare Inc.

The way Cloudflare is integrated means that it filters all the traffic through this Website, i.e., communication between this Website and the User's browser, while also allowing analytical data from this Website to be collected.

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#).

## **Cookie Policy**

This Website uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

## **Further Information for Users**

## Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes.
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

## Further information about retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

## The rights of Users based on the General Data Protection Regulation (GDPR)

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following, to the extent permitted by law:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Users are also entitled to learn about the legal basis for Data transfers abroad including to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

## Details about the right to object to processing

**Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.**

**Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification. Where the User objects to processing for direct marketing purposes, the Personal Data will no longer be processed for such purposes. To learn whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.**

### **How to exercise these rights**

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law. Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort. At the Users' request, the Owner will inform them about those recipients.

### **Transfer of Personal Data outside of the United Kingdom**

#### **Data transfer abroad based on standard contractual clauses (UK)**

If this is the legal basis, the transfer of Personal Data from the UK to third countries is carried out by the Owner according to "standard contractual clauses" provided by the European Commission.

This means that Data recipients have committed to process Personal Data in compliance with the data protection standards set forth by EU data protection legislation, which are recognized as valid also under UK law. For further information, Users are requested to contact the Owner through the contact details provided in the present document.

## **Additional information about Data collection and processing**

### **Legal action**

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of this Website or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

### **Additional information about User's Personal Data**

In addition to the information contained in this privacy policy, this Website may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

### **System logs and maintenance**

For operation and maintenance purposes, this Website and any third-party services may collect files that record interaction with this Website (System logs) or use other Personal Data (such as the IP Address) for this purpose.

### **Information not contained in this policy**

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

### **Changes to this privacy policy**

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Website and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

### **Definitions and legal references**

#### **Personal Data (or Data)**

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

## **Usage Data**

Information collected automatically through this Website (or third-party services employed in this Website), which can include: the IP addresses or domain names of the computers utilised by the Users who use this Website, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilised to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilised by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

## **User**

The individual using this Website who, unless otherwise specified, coincides with the Data Subject.

## **Data Subject**

The natural person to whom the Personal Data refers.

## **Data Processor (or Processor)**

The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

## **Data Controller (or Owner)**

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of this Website. The Data Controller, unless otherwise specified, is the Owner of this Website.

## **This Website (or this Application)**

The means by which the Personal Data of the User is collected and processed.

## **Service**

The service provided by this Website as described in the relative terms (if available) and on this site/application.

## **European Union (or EU)**

Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

## **Cookie**

Cookies are Trackers consisting of small sets of data stored in the User's browser.

## **Tracker**

Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the User's device.

## **Legal information**

This privacy policy relates solely to this Website, if not stated otherwise within this document.
