Rights for registered California Users under the age of 18

California's "Online Eraser" law, part of California's Business and Professions Code Sections 22580-22582, requires operators of certain websites and online services targeting minors to allow registered Users who are under the age of 18 and residents of California to request removal of content they post.

If a registered User fits that description and posted content on this Website, they may request removal of such content by contacting the Owner or its privacy policy coordinator at the contact details provided in this document.

In response to this request, the Owner may make content posted by the registered User invisible to other registered Users and the public (rather than deleting it entirely), in which case the content may remain on the Owner's servers. - challenge a decision by asking the Owner to reconsider it or take a new decision on a different basis;
- request and obtain from the Owner human intervention on such processing.

To learn more about the User's rights and the means to exercise them, the User is invited to consult the section of this document relating to the rights of the User.
