Types of Data collected

Among the types of Personal Data that Elettromedia Store collects, by itself or through third parties, there are: Trackers; Usage Data; first name; last name; email address; payment info; number of Users; session statistics; device information; answers to questions; clicks; keypress events; motion sensor events; mouse movements; scroll position; touch events; browsing history; page views; name; city; ZIP/Postal code; state; province; country; county; latitude (of city); longitude (of city); metro area; geography/region; IP address; app information; device logs; operating systems; browser information; language; launches; number of sessions; session duration; scroll-to-page interactions; video views; search history; interaction events; page events; custom events; Application opens; Data communicated while using the service; various types of Data.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using Elettromedia Store.

Unless specified otherwise, all Data requested by Elettromedia Store is mandatory and failure to provide this Data may make it impossible for Elettromedia Store to provide its services. In cases where Elettromedia Store specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools — by Elettromedia Store or by the owners of third-party services used by Elettromedia Store serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through Elettromedia Store.

Mode and place of processing the Data

Methods of processing

The Owner takes appropriate security measures to prevent unauthorised access, disclosure, modification, or unauthorised destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organisational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of Elettromedia Store (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Retention time

Personal Data shall be processed and stored for as long as required by the purpose they have been collected for.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Access to third-party accounts, Analytics, Displaying content from external platforms, Tag management, Contacting the User, Managing contacts and sending messages, Platform services and hosting, Advertising, Spam and bots protection, Interaction with data collection platforms and other third parties, User database management, Traffic optimisation and distribution, Managing data collection and online surveys, Heat mapping and session recording and Interaction with online survey platforms.

For specific information about the Personal Data used for each purpose, the User may refer to the section “Detailed information on the processing of Personal Data”.

Facebook permissions asked by Elettromedia Store

Elettromedia Store may ask for some Facebook permissions allowing it to perform actions with the User's Facebook account and to retrieve information, including Personal Data, from it. This service allows Elettromedia Store to connect with the User's account on the Facebook social network, provided by Facebook Inc.

For more information about the following permissions, refer to the [Facebook permissions documentation](#) and to the [Facebook privacy policy](#).

The permissions asked are the following: Basic information, device information, Email, Trackers and Usage Data.

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Access to third-party accounts

This type of service allows Elettromedia Store to access Data from your account on a third-party service and perform actions with it. These services are not activated automatically, but require explicit authorisation by the User.

Facebook account access (Meta Platforms, Inc.)

This service allows Elettromedia Store to connect with the User's account on the Facebook social network, provided by Meta Platforms, Inc.

Permissions asked: device information; Email; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt out](#).

Stripe account access (Stripe Inc)

This service allows Elettromedia Store to connect with the User's account on Stripe, provided by Stripe, Inc.

Personal Data processed: email address; first name; last name; payment info; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Advertising

This type of service allows User Data to be utilised for advertising communication purposes. These communications are displayed in the form of banners and other advertisements on Elettromedia Store, possibly based on User interests. This does not

mean that all Personal Data are used for this purpose. Information and conditions of use are shown below. Some of the services listed below may use Trackers to identify Users or they may use the behavioural retargeting technique, i.e. displaying ads tailored to the User's interests and behaviour, including those detected outside Elettromedia Store. For more information, please check the privacy policies of the relevant services. Services of this kind usually allow Users to opt out of such tracking. Users may learn how to opt out of interest-based advertising more generally by visiting the relevant opt-out section in this document.

Google Ads conversion tracking (Google LLC)

Google Ads conversion tracking is an analytics service provided by Google LLC that connects data from the Google Ads advertising network with actions performed on Elettromedia Store.

In order to understand Google's use of Data, consult their [partner policy](#) and their [Business Data page](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Meta ads conversion tracking (Meta pixel) (Meta Platforms, Inc.)

Meta ads conversion tracking (Meta pixel) is an analytics service provided by Meta Platforms, Inc. that connects data from the Meta Audience Network with actions performed on Elettromedia Store. The Meta pixel tracks conversions that can be attributed to ads on Facebook, Instagram and Meta Audience Network.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt out](#).

Google Conversion linker (Google LLC)

Google Conversion linker is an analytics service provided by Google LLC that connects Data from the Google advertising services with actions performed on Elettromedia Store. Depending on the setup of the service, such Data might also be used for retargeting purposes.

In order to understand Google's use of Data, consult [Google's partner policy](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt out](#).

Google AdSense (Google LLC)

Google AdSense is an advertising service provided by Google LLC. This service uses the “DoubleClick” Cookie, which tracks use of Elettromedia Store and User behavior concerning ads, products and services offered. Users may decide to disable all the DoubleClick Cookies by going to: [Google Ad Settings](#).

In order to understand Google's use of Data, consult their [partner policy](#) and their [Business Data page](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#).

Hotjar Form Analysis and Conversion Funnels (Hotjar Ltd.)

Hotjar is an analytics service provided by Hotjar Ltd. Hotjar honours generic Do Not Track headers. This means your browser can tell its script not to collect any of your data. This is a setting that is available in all major browsers. Find Hotjar's [opt-out information here](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: Malta – [Privacy Policy](#) – [Opt Out](#).

Analytics

The services contained in this section enable the Owner to monitor and analyse web traffic and can be used to keep track of User behaviour.

Google Analytics 4 (Google LLC)

Google Analytics 4 is a web analysis service provided by Google LLC (“Google”). Google utilizes the Data collected to track and examine the use of Elettromedia Store, to prepare reports on its activities and share them with other Google services. Google may use the Data collected to contextualize and personalize the ads of its own advertising network. In Google Analytics 4, IP addresses are used at collection time and then discarded before Data is logged in any data center or server. Users can learn more by consulting [Google’s official documentation](#).

In order to understand Google's use of Data, consult their [partner policy](#) and their [Business Data page](#).

Personal Data processed: number of Users; session statistics; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt out](#).

Meta Events Manager (Meta Platforms, Inc.)

Meta Events Manager is an analytics service provided by Meta Platforms, Inc. By integrating the Meta pixel, Meta Events Manager can give the Owner insights into the traffic and interactions on Elettromedia Store.

Personal Data processed: browsing history; clicks; page views; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt out](#).

Contacting the User

Contact form (Elettromedia Store)

By completing the contact form with their information, the User authorises Elettromedia Store to use these details to respond to the inquiries (like quotes, and any other requests).

Personal Data processed: email address; Usage Data.

Mailing list or newsletter (Elettromedia Store)

By registering on the mailing list or for the newsletter, the User’s email address will be added to the contact list of those who may receive email messages containing information of commercial or promotional nature concerning Elettromedia Store. Your email address might also be added to this list as a result of signing up to Elettromedia Store or after making a purchase.

Personal Data processed: email address; Trackers; Usage Data.

Displaying content from external platforms

This type of service allows you to view content hosted on external platforms directly from the pages of Elettromedia Store and interact with them. Such services are often referred to as widgets, which are small elements placed on a website or app. They provide specific information or perform a particular function and often allow for user interaction. This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

Google Fonts (Google LLC)

Google Fonts is a typeface visualisation service provided by Google LLC that allows Elettromedia Store to incorporate content of this kind on its pages.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Google Maps Widget (Google LLC)

Google Maps is a maps visualisation service provided by Google LLC that allows Elettromedia Store to incorporate content of this kind on its pages.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Heat mapping and session recording

Heat mapping services are used to display the areas of Elettromedia Store that Users interact with most frequently. This shows where the points of interest are. These services make it possible to monitor and analyse web traffic and keep track of User

behaviour. Some of these services may record sessions and make them available for later visual playback.

Hotjar Heat Maps and Recordings (Hotjar Ltd.)

Hotjar is a session recording and heat mapping service provided by Hotjar Ltd. Hotjar honours generic „Do Not Track” headers. This means the browser can tell its script not to collect any of the User's data. This is a setting that is available in all major browsers. Find Hotjar's [opt-out information here](#).

Personal Data processed: Trackers; Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: Malta – [Privacy Policy](#) – [Opt Out](#).

Interaction with data collection platforms and other third parties

This type of service allows Users to interact with data collection platforms or other services directly from the pages of Elettromedia Store for the purpose of saving and reusing data. If one of these services is installed, it may collect browsing and Usage Data in the pages where it is installed, even if the Users do not actively use the service.

Mailchimp Widget (Intuit Inc.)

The Mailchimp Widget is a service for interacting with the Mailchimp email address management and message sending service provided by Intuit Inc.

Personal Data processed: email address; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Hotjar Recruit User Testers (Hotjar Ltd.)

The Hotjar Recruit User Testers widget is a service for interacting with the Hotjar data collection platform provided by Hotjar Ltd. Hotjar honours generic „Do Not Track” headers. This means the browser can tell its script not to collect any of the User's data. This is a setting that is available in all major browsers. Find Hotjar's [opt-out information here](#).

Personal Data processed: Trackers; Usage Data; various types of Data.

Place of processing: Malta – [Privacy Policy](#) – [Opt Out](#).

Interaction with online survey platforms

This type of service allows Users to interact with third-party online survey platforms directly from the pages of Elettromedia Store. If one of these services is installed, it may collect browsing and Usage Data in the pages where it is installed, even if the Users do not actively use the service.

Hotjar Poll & Survey Widgets (Hotjar Ltd.)

The Hotjar Poll & Survey Widgets are services that enable interaction with the Hotjar platform provided by Hotjar Ltd. Hotjar honours generic „Do Not Track” headers. This means the browser can tell its script not to collect any of the User's data. This is a setting that is available in all major browsers. Find Hotjar's [opt-out information here](#).

Personal Data processed: Trackers; Usage Data; various types of Data.

Place of processing: Malta – [Privacy Policy](#) – [Opt Out](#).

Managing contacts and sending messages

This type of service makes it possible to manage a database of email contacts, phone contacts or any other contact information to communicate with the User. These services may also collect data concerning the date and time when the message was viewed by the User, as well as when the User interacted with it, such as by clicking on links included in the message.

Mailchimp (Intuit Inc.)

Mailchimp is an email address management and message sending service provided by Intuit Inc.

Personal Data processed: email address; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Managing data collection and online surveys

This type of service allows Elettromedia Store to manage the creation, deployment, administration, distribution and analysis of online forms and surveys in order to collect, save and reuse Data from any responding Users. The Personal Data collected depend on the information asked and provided by the Users in the corresponding online form.

These services may be integrated with a wide range of third-party services to enable the Owner to take subsequent steps with the Data processed - e.g. managing contacts, sending messages, analytics, advertising and payment processing.

Hotjar surveys (Hotjar Ltd.)

Hotjar surveys is a survey builder and data collection platform provided by Hotjar Ltd. Hotjar surveys may use cookies to track User behaviour. Users can Opt-Out of Hotjar surveys cookie tracking by visiting this [opt-out page](#).

Hotjar surveys respects the Do Not Track option available in most modern browsers that, if activated, sends a special signal to stop tracking User activity. Users can find more information on how to enable Do Not Track for each supported browser [here](#).

Personal Data processed: Data communicated while using the service; Trackers; Usage Data.

Place of processing: Malta – [Privacy Policy](#) – [Opt Out](#).

Platform services and hosting

These services have the purpose of hosting and running key components of Elettromedia Store, therefore allowing the provision of Elettromedia Store from within a unified platform. Such platforms provide a wide range of tools to the Owner – e.g. analytics, user registration, commenting, database management, e-commerce, payment processing – that imply the collection and handling of Personal Data. Some of these services work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

BigCommerce (Commerce.com Inc.)

BigCommerce is a platform provided by Commerce.com Inc. that allows the Owner to build, run and host an e-commerce website.

Personal Data processed: device information; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Spam and bots protection

This type of service analyses the traffic of Elettromedia Store, potentially containing Users' Personal Data, with the purpose of filtering it from unwanted parts of traffic, messages and content that are recognised as spam or protecting it from malicious bots activities.

Google reCAPTCHA (Google LLC)

Google reCAPTCHA is a spam protection service provided by Google LLC. The use of reCAPTCHA is subject to the Google [privacy policy](#) and [terms of use](#).

In order to understand Google's use of Data, consult their [partner policy](#) and their [Business Data page](#).

Personal Data processed: answers to questions; clicks; keypress events; motion sensor events; mouse movements; scroll position; touch events; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Cloudflare Bot Management (Cloudflare, Inc.)

Cloudflare Bot Management is a malicious bot protection and management service provided by Cloudflare, Inc.

Personal Data processed: app information; Application opens; browser information; browsing history; city; clicks; country; county; custom events; device information; device logs; geography/region; interaction events; IP address; keypress events; language; latitude (of city); launches; longitude (of city); metro area; motion sensor events; mouse movements; number of sessions; operating systems; page events; page views; province; scroll position; scroll-to-page interactions; search history; session duration; session statistics; state; touch events; Trackers; Usage Data; video views; ZIP/Postal code.

Place of processing: United States – [Privacy Policy](#).

Tag management

This type of service helps the Owner to manage the tags or scripts needed on Elettromedia Store in a centralised fashion. This results in the Users' Data flowing through these services, potentially resulting in the retention of this Data.

Google Tag Manager (Google LLC)

Google Tag Manager is a tag management service provided by Google LLC.

In order to understand Google's use of Data, consult their [partner policy](#) and their [Business Data page](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Traffic optimisation and distribution

This type of service allows Elettromedia Store to distribute their content using servers located across different countries and to optimise their performance. Which Personal Data are processed depends on the characteristics and the way these services are implemented. Their function is to filter communications between Elettromedia Store and the User's browser. Considering the widespread distribution of this system, it is difficult to determine the locations to which the contents that may contain Personal Information of the User are transferred.

Cloudflare (Cloudflare, Inc.)

Cloudflare is a traffic optimisation and distribution service provided by Cloudflare Inc. The way Cloudflare is integrated means that it filters all the traffic through Elettromedia Store, i.e., communication between Elettromedia Store and the User's browser, while also allowing analytical data from Elettromedia Store to be collected.

Personal Data processed: Trackers; various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#).

User database management

This type of service allows the Owner to build user profiles by starting from an email address, a personal name, or other information that the User provides to Elettromedia Store, as well as to track User activities through analytics features. This Personal Data may also be matched with publicly available information about the User (such as social networks' profiles) and used to build private profiles that the Owner can display and use for improving Elettromedia Store. Some of these services may also enable the sending of timed messages to the User, such as emails based on specific actions performed on Elettromedia Store.

OptinMonster (Retyp LLC d/b/a OptinMonster)

OptinMonster is a lead generation service provided by Retyp LLC d/b/a OptinMonster that identifies qualified leads (i.e. contacts that have indicated an interest in becoming paying customers) and allows their management.

Personal Data processed: clicks; email address; name; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Information on opting out of interest-based advertising

In addition to any opt-out feature provided by any of the services listed in this document, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section of the Cookie Policy.

Cookie Policy

Elettromedia Store uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

Further Information for Users

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes.
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Further information about retention time

Personal Data shall be processed and stored for as long as required by the purpose they have been collected for.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

The rights of Users based on the General Data Protection Regulation (GDPR)

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following, to the extent permitted by law:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Users are also entitled to learn about the legal basis of Data transfers to a country outside the European Union or to any international organisation governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

If any such transfer takes place, Users can find out more by checking the relevant sections of this document or enquire with the Owner using the information provided in the contact section.

Details about the right to object to processing

Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification. Where the User objects to processing

for direct marketing purposes, the Personal Data will no longer be processed for such purposes. To learn whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law. Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort. At the Users' request, the Owner will inform them about those recipients.

Additional information about Data collection and processing

Legal action

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of Elettromedia Store or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, Elettromedia Store may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

System logs and maintenance

For operation and maintenance purposes, Elettromedia Store and any third-party services may collect files that record interaction with Elettromedia Store (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

Changes to this privacy policy

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within Elettromedia Store and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

Definitions and legal references

Personal Data (or Data)

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

Usage Data

Information collected automatically through Elettromedia Store (or third-party services employed in Elettromedia Store), which can include: the IP addresses or domain names of the computers utilised by the Users who use Elettromedia Store, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilised to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilised by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

User

The individual using Elettromedia Store who, unless otherwise specified, coincides with the Data Subject.

Data Subject

The natural person to whom the Personal Data refers.

Data Processor (or Processor)

The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

Data Controller (or Owner)

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of Elettromedia Store. The Data Controller, unless otherwise specified, is the Owner of Elettromedia Store.

Elettromedia Store (or this Application)

The means by which the Personal Data of the User is collected and processed.

Service

The service provided by Elettromedia Store as described in the relative terms (if available) and on this site/application.

European Union (or EU)

Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

Cookie

Cookies are Trackers consisting of small sets of data stored in the User's browser.

Tracker

Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the User's device.

Legal information

This privacy policy relates solely to Elettromedia Store, if not stated otherwise within this document.

Latest update: 27 February 2026
