Types of Data collected

Among the types of Personal Data that this Application collects, by itself or through third parties, there are: Trackers; Usage Data; email address; first name; last name; payment info; purchase history; various types of Data; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example).

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Application. Unless specified otherwise, all Data requested by this Application is mandatory and failure to provide this Data may make it impossible for this Application to provide its services. In cases where this Application specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools – by this Application or by the owners of third-party services used by this Application serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through this Application.

Mode and place of processing the Data

Methods of processing

The Owner takes appropriate security measures to prevent unauthorised access, disclosure, modification, or unauthorised destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organisational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Application (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Retention time

Personal Data shall be processed and stored for as long as required by the purpose they have been collected for.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Analytics, Advertising, Managing contacts and sending messages, Contacting the User, Displaying content from external platforms, Registration and authentication provided directly by this Application, Registration and authentication, Platform services and hosting, Handling payments and Social features.

For specific information about the Personal Data used for each purpose, the User may refer to the section “Detailed information on the processing of Personal Data”.

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Advertising

This type of service allows User Data to be utilised for advertising communication purposes. These communications are displayed in the form of banners and other advertisements on this Application, possibly based on User interests. This does not mean that all Personal Data are used for this purpose. Information and conditions of use are shown below. Some of the services listed below may use Trackers to identify Users or they may use the behavioural retargeting technique, i.e. displaying ads tailored to the User’s interests and behaviour, including those detected outside this Application. For more information, please check the privacy policies of the relevant services. Services of this kind usually offer the possibility to opt out of such tracking. In addition to any opt-out feature offered by any of the services below, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section “How to opt-out of interest-based advertising” in this document.

Google Analytics (Universal Analytics) with anonymised IP (Google Ireland Limited)

Google Analytics (Universal Analytics) is a web analysis service provided by Google Ireland Limited (“Google”). Google utilises the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualise and personalise the ads of its own advertising network.

This integration of Google Analytics anonymises your IP address. It works by shortening Users' IP addresses within member states of the European Union or in other contracting states to the Agreement on the European Economic Area. Only in exceptional cases will the complete IP address be sent to a Google server and shortened within the US.

In order to understand Google's use of Data, consult [Google's partner policy](#).

Platform services and hosting

These services have the purpose of hosting and running key components of this Application, therefore allowing the provision of this Application from within a unified platform. Such platforms provide a wide range of tools to the Owner – e.g. analytics, user registration, commenting, database management, e-commerce, payment processing – that imply the collection and handling of Personal Data.

Some of these services work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

App Store Connect (Apple Inc.)

This Application is distributed on Apple's App Store, a platform for the distribution of mobile apps, provided by Apple Inc.

App Store Connect enables the Owner to manage this Application on Apple's App Store. Depending on the configuration, App Store Connect provides the Owner with analytics data on user engagement and app discovery, marketing campaigns, sales, in-app

purchases, and payments to measure the performance of this Application. App Store Connect only collects such data from Users who have agreed to share them with the Owner. Users may find more information on how to opt out via their device settings [here](#).

Information on opting out of interest-based advertising

In addition to any opt-out feature provided by any of the services listed in this document, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section of the Cookie Policy.

Further information about the processing of Personal Data

Push notifications

This Application may send push notifications to the User to achieve the purposes outlined in this privacy policy.

Users may in most cases opt-out of receiving push notifications by visiting their device settings, such as the notification settings for mobile phones, and then change those settings for this Application, some or all of the apps on the particular device. Users must be aware that disabling push notifications may negatively affect the utility of this Application.

Push notifications for direct marketing

This Application may send push notifications to the User for the purpose of direct marketing (to propose services and products provided by third parties or unrelated to the product or service provided by this Application).

Users may in most cases opt-out of receiving push notifications by visiting their device settings, such as the notification settings for mobile phones, and then changing those settings for this Application or all of the apps on the particular device.

Users must be aware that disabling push notifications may negatively affect the utility of this Application.

Besides applicable device settings, the User may also make use of the rights described under User rights in the relevant section of this privacy policy.

Equal protection of User Data

This Application shares User Data only with third parties carefully selected to ensure that they provide the same or equal protection of User Data as stated in this privacy policy and requested by applicable data protection laws. Further information on data processing and privacy practices by third parties can be found in their respective privacy policies.

Cookie Policy

This Application uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

Further Information for Users

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes.
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;

- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Further information about retention time

Personal Data shall be processed and stored for as long as required by the purpose they have been collected for.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

The rights of Users based on the General Data Protection Regulation (GDPR)

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following, to the extent permitted by law:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Users are also entitled to learn about the legal basis of Data transfers to a country outside the European Union or to any international organisation governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

If any such transfer takes place, Users can find out more by checking the relevant sections of this document or enquire with the Owner using the information provided in the contact section.

Details about the right to object to processing

Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification. Where the User objects to processing for direct marketing purposes, the Personal Data will no longer be processed for such purposes. To learn whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law. Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort. At the Users' request, the Owner will inform them about those recipients.

Further information for Users in Brazil

This section of the document integrates with and supplements the information contained in the rest of the privacy policy and is provided by the entity running this Application and, if the case may be, its parent, subsidiaries and affiliates (for the purposes of this section referred to collectively as “we”, “us”, “our”).

This section applies to all Users in Brazil (Users are referred to below, simply as “you”, “your”, “yours”), according to the "Lei Geral de Proteção de Dados" (the "LGPD"), and for such Users, it supersedes any other possibly divergent or conflicting information contained in the privacy policy.

This part of the document uses the term “personal information” as it is defined in the **LGPD**.

The grounds on which we process your personal information

We can process your personal information solely if we have a legal basis for such processing. Legal bases are as follows:

- your consent to the relevant processing activities;
- compliance with a legal or regulatory obligation that lies with us;
- the carrying out of public policies provided in laws or regulations or based on contracts, agreements and similar legal instruments;
- studies conducted by research entities, preferably carried out on anonymised personal information;
- the carrying out of a contract and its preliminary procedures, in cases where you are a party to said contract;
- the exercising of our rights in judicial, administrative or arbitration procedures;
- protection or physical safety of yourself or a third party;
- the protection of health – in procedures carried out by health entities or professionals;
- our legitimate interests, provided that your fundamental rights and liberties do not prevail over such interests; and
- credit protection.

To find out more about the legal bases, you can contact us at any time using the contact details provided in this document.

Categories of personal information processed

To find out what categories of your personal information are processed, you can read the section titled “Detailed information on the processing of Personal Data” within this document.

Why we process your personal information

To find out why we process your personal information, you can read the sections titled “Detailed information on the processing of Personal Data” and “The purposes of processing” within this document.

Your Brazilian privacy rights, how to file a request and our response to your requests

Your Brazilian privacy rights

You have the right to:

- obtain confirmation of the existence of processing activities on your personal information;
- access to your personal information;
- have incomplete, inaccurate or outdated personal information rectified;
- obtain the anonymization, blocking or elimination of your unnecessary or excessive personal information, or of information that is not being processed in compliance with the LGPD;
- obtain information on the possibility to provide or deny your consent and the consequences thereof;
- obtain information about the third parties with whom we share your personal information;
- obtain, upon your express request, the portability of your personal information (except for anonymised information) to another service or product provider, provided that our commercial and industrial secrets are safeguarded;
- obtain the deletion of your personal information being processed if the processing was based upon your consent, unless one or more exceptions provided for in art. 16 of the LGPD apply;
- revoke your consent at any time;
- lodge a complaint related to your personal information with the ANPD (the National Data Protection Authority) or with consumer protection bodies;
- oppose a processing activity in cases where the processing is not carried out in compliance with the provisions of the law;
- request clear and adequate information regarding the criteria and procedures used for an automated decision; and

- request the review of decisions made solely on the basis of the automated processing of your personal information, which affect your interests. These include decisions to define your personal, professional, consumer and credit profile, or aspects of your personality.

You will never be discriminated against, or otherwise suffer any sort of detriment, if you exercise your rights.

How to file your request

You can file your express request to exercise your rights free from any charge, at any time, by using the contact details provided in this document, or via your legal representative.

How and when we will respond to your request

We will strive to promptly respond to your requests.

In any case, should it be impossible for us to do so, we'll make sure to communicate to you the factual or legal reasons that prevent us from immediately, or otherwise ever, complying with your requests. In cases where we are not processing your personal information, we will indicate to you the physical or legal person to whom you should address your requests, if we are in the position to do so.

In the event that you file an **access** or personal information **processing confirmation** request, please make sure that you specify whether you'd like your personal information to be delivered in electronic or printed form.

You will also need to let us know whether you want us to answer your request immediately, in which case we will answer in a simplified fashion, or if you need a complete disclosure instead.

In the latter case, we'll respond within 15 days from the time of your request, providing you with all the information on the origin of your personal information, confirmation on whether or not records exist, any criteria used for the processing and the purposes of the processing, while safeguarding our commercial and industrial secrets.

In the event that you file a **rectification, deletion, anonymization or personal information blocking** request, we will make sure to immediately communicate your request to other parties with whom we have shared your personal information in order to enable such third parties to also comply with your request – except in cases where such communication is proven impossible or involves disproportionate effort on our side.

Transfer of personal information outside of Brazil permitted by the law

We are allowed to transfer your personal information outside of the Brazilian territory in the following cases:

- when the transfer is necessary for international legal cooperation between public intelligence, investigation and prosecution bodies, according to the legal means provided by the international law;
- when the transfer is necessary to protect your life or physical security or those of a third party;
- when the transfer is authorised by the ANPD;
- when the transfer results from a commitment undertaken in an international cooperation agreement;
- when the transfer is necessary for the execution of a public policy or legal attribution of public service;
- when the transfer is necessary for compliance with a legal or regulatory obligation, the carrying out of a contract or preliminary procedures related to a contract, or the regular exercise of rights in judicial, administrative or arbitration procedures.

Additional information for Users in Brazil

Transfer of personal information outside of Brazil based on your consent

We can transfer your personal information outside of the Brazilian territory if you consent to such transfer.

When we ask for your consent, we'll make sure to provide all the information that you need to make an educated decision and to understand the implications and consequences of providing or denying your consent.

Such information will be given in clear and plain language and in such a way that you'll be able to clearly distinguish these requests from other consent requests that we may possibly ask.

You may withdraw your consent at any time.

Transfer of personal information outside of Brazil based on contracts and other legal means

We can transfer your personal information outside of the Brazilian territory provided that we are able to ensure that any further processing of your personal information will be in compliance with the principles and the rules established by the LGPD, and your rights are safeguarded.

To do so, we may use one of the following legal means:

- specific contractual clauses for each given transfer. This means that we will enter into an agreement with the recipient of your personal information to make sure that such transfers meet the requirements explained above. Such an agreement shall

- be subject to the ANPD's prior verification;
- standard contractual clauses. These clauses set terms and conditions for the transfer of personal information and are adopted by the ANPD;
- global corporate clauses. These clauses set terms and conditions for the transfer of personal information within an organisation and, before they come into force, are subject to the ANPD's prior verification;
- seals of approval, certificates and codes of conduct regularly issued by the ANPD. These legal instruments allow us to transfer your personal information provided that we abide by their rules. They are subject to the previous approval of the ANPD.

Transfer of personal information outside of Brazil to countries that guarantee the same protection standards as LGPD

We can transfer your personal information outside of the Brazilian territory, if the destination country, or the international organization which receives the personal information, provides an adequate level of protection of the personal information according to the ANPD.

The ANPD authorizes such transfers whenever it considers that country to possess and provide personal information protection standards comparable to those set forth by the LGPD, having taken into account the following:

- the general and sectoral rules of the legislation in force in the country of destination or in the international organization;
- the nature of the personal information subject to the transfer;
- the compliance with the general principles on the protection of the personal information and on the rights of the individuals as set forth in the LGPD;
- the adoption of suitable security measures;
- the existence of judicial and institutional guarantees for the respect of personal information protection rights; and
- any other pertinent circumstance related to the relevant transfer.

How to exercise your privacy rights under US state laws

To exercise the rights described above, you need to submit your request to us by contacting us via the contact details provided in this document.

For us to respond to your request, we must know who you are. We will not respond to any request if we are unable to verify your identity and therefore confirm the Personal Information in our possession relates to you. You are not required to create an account with us to submit your request. We will use any Personal Information collected from you in connection with the verification of your request solely for verification and shall not further disclose the Personal Information, retain it longer than necessary for purposes of verification, or use it for unrelated purposes.

If you are an adult, you can make a request on behalf of a child under your parental authority.

How to exercise your rights to opt out

In addition to what is stated above, to exercise your right to opt-out of Sale or Sharing and Targeted Advertising you can also use the privacy choices link provided on this Application.

If you want to submit requests to opt out of Sale or Sharing and Targeted Advertising activities via a user-enabled **global privacy control**, such as for example the Global Privacy Control ("[GPC](#)"), you are free to do so and we will abide by such request in a frictionless manner.

How and when we are expected to handle your request

We will respond to your request without undue delay, but in all cases within the timeframe required by applicable law. Should we need more time, we will explain to you the reasons why, and how much more time we need.

Should we deny your request, we will explain to you the reasons behind our denial (where envisaged by applicable law you may then contact the relevant authority to submit a complaint).

We do not charge a fee to process or respond to your request unless such request is manifestly unfounded or excessive and in all other cases where it is permitted by the applicable law. In such cases, we may charge a reasonable fee or refuse to act on the request. In either case, we will communicate our choices and explain the reasons behind them.

Additional information about Data collection and processing

Legal action

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of this Application or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, this Application may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

System logs and maintenance

For operation and maintenance purposes, this Application and any third-party services may collect files that record interaction with this Application (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

Changes to this privacy policy

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Application and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

Definitions and legal references

Personal Data (or Data) / Personal Information (or Information)

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

Sensitive Personal Information

Sensitive Personal Information means any Personal Information that is not publicly available and reveals information considered sensitive according to the applicable privacy law.

Usage Data

Information collected automatically through this Application (or third-party services employed in this Application), which can include: the IP addresses or domain names of the computers utilised by the Users who use this Application, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilised to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilised by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

User

The individual using this Application who, unless otherwise specified, coincides with the Data Subject.

Data Subject

The natural person to whom the Personal Data refers.

Data Processor (or Processor)

The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

Data Controller (or Owner)

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of this Application. The Data Controller, unless otherwise specified, is the Owner of this Application.

This Application

The means by which the Personal Data of the User is collected and processed.

Service

The service provided by this Application as described in the relative terms (if available) and on this site/application.

Sale

Sale means any exchange of Personal Information by the Owner to **a third party, for monetary or other valuable consideration**, as defined by the applicable privacy US state law. Please note that the exchange of Personal Information with a service provider pursuant to a written contract that meets the requirements set by the applicable law, does not constitute a Sale of your Personal Information.

Sharing

Sharing means any sharing, renting, releasing, disclosing, disseminating, making available, transferring, or otherwise communicating orally, in writing, or by electronic or other means, a consumer's Personal Information by the business to a **third party for cross-context behavioural advertising**, whether for monetary or other valuable consideration, including transactions

between a business and a third party for cross-context behavioural advertising for the benefit of a business in which no money is exchanged, as defined by the California privacy laws. Please note that the exchange of Personal Information with a service provider pursuant to a written contract that meets the requirements set by the California privacy laws, does not constitute sharing of your Personal Information.

Targeted advertising

Targeted advertising means displaying advertisements to a consumer where the advertisement is selected based on Personal Information obtained from that consumer's activities over time and across nonaffiliated websites or online applications to predict such consumer's preferences or interests, as defined by the applicable privacy US state law.

European Union (or EU)

Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

Cookie

Cookies are Trackers consisting of small sets of data stored in the User's browser.

Tracker

Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the User's device.
