Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Website. Unless specified otherwise, all Data requested by this Website is mandatory and failure to provide this Data may make it impossible for this Website to provide its services. In cases where this Website specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools — by this Website or by the owners of third-party services used by this Website serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through this Website.

Mode and place of processing the Data

Methods of processing

The Owner takes appropriate security measures to prevent unauthorised access, disclosure, modification, or unauthorised destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organisational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Website (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Analytics, Displaying content from external platforms, Tag Management, Contacting the User, Advertising, Remarketing and behavioural targeting, Managing data collection and online surveys, Platform services and hosting, Interaction with live chat platforms, Handling payments, Managing contacts and sending messages, User database management, Traffic optimisation and distribution and Spam and bots protection.

For specific information about the Personal Data used for each purpose, the User may refer to the section "Detailed information on the processing of Personal Data".

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Advertising

This type of service allows User Data to be utilised for advertising communication purposes. These communications are displayed in the form of banners and other advertisements on this Website, possibly based on User interests.

This does not mean that all Personal Data are used for this purpose. Information and conditions of use are shown below.

Some of the services listed below may use Trackers for identifying Users, behavioural retargeting i.e. displaying ads tailored to the User's interests and behaviour, or to measure ads performance. For more information, please check the privacy policies of the relevant services.

Services of this kind usually offer the possibility to opt out of such tracking. In addition to any opt-out feature offered by any of the services below, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section "How to opt-out of interest-based advertising" in this document.

Meta ads conversion tracking (Meta pixel)

Meta ads conversion tracking (Meta pixel) is an analytics service provided by Meta Platforms, Inc. or by Meta Platforms Ireland Limited, depending on how the Owner manages the Data processing, that connects data from the Meta Audience Network with actions performed on this Website. The Meta pixel tracks conversions that can be attributed to ads on Facebook, Instagram and Meta Audience Network.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt out](#); Ireland – [Privacy Policy](#) – [Opt out](#).

Meta Audience Network

Meta Audience Network is an advertising service provided by Meta Platforms, Inc. or by Meta Platforms Ireland Limited, depending on how the Owner manages the Data processing, **In order to understand Meta's use of Data, consult [Meta's data policy](#).**

This Website may use identifiers for mobile devices (including Android Advertising ID or Advertising Identifier for iOS, respectively) and technologies similar to cookies to run the Meta Audience Network service. One of the ways Audience Network shows ads is by using the User's ad preferences. The User can control this in the [Facebook ad settings](#).

Users may opt-out of certain Audience Network targeting through applicable device settings, such as the device advertising settings for mobile phones or by following the instructions in other Audience Network related sections of this privacy policy, if available.

Personal Data processed: Trackers; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example); Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt out](#); Ireland – [Privacy Policy](#) – [Opt out](#).

Meta Lookalike Audience

Meta Lookalike Audience is an advertising and behavioural targeting service provided by Meta Platforms, Inc. or by Meta Platforms Ireland Limited, depending on how the Owner manages the Data processing, that uses Data collected through Meta's Custom Audience in order to display ads to Users with similar behaviour to Users who are already in a Custom Audience list on the basis of their past use of this Website or engagement with relevant content across Meta's apps and services. On the basis of these Data, personalised ads will be shown to Users suggested by Meta Lookalike Audience.

Users can opt out of Meta's use of Trackers for ads personalisation by visiting this [opt-out page](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt out](#); Ireland – [Privacy Policy](#) – [Opt out](#).

TikTok conversion tracking

TikTok conversion tracking is an analytics and behavioural targeting service provided by TikTok Inc., TikTok Information Technologies UK Limited or by TikTok Technology Limited, depending on how the Owner manages the Data processing, that connects data from the TikTok advertising network with actions performed on this Website. The TikTok pixel tracks conversions that can be attributed to TikTok ads and enables to target groups of Users on the base of their past use of this Website.

Personal Data processed: device information; Trackers; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example); Usage Data.

Place of processing: United States – [Privacy Policy](#); United Kingdom – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Analytics

The services contained in this section enable the Owner to monitor and analyse web traffic and can be used to keep track of User behaviour.

Google Analytics (Universal Analytics)

Google Analytics (Universal Analytics) is a web analysis service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, (“Google”). Google utilises the Data collected to track and examine the use of this Website, to prepare reports on its activities and share them with other Google services. Google may use the Data collected to contextualise and personalise the ads of its own advertising network.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#); Ireland – [Privacy Policy](#) – [Opt Out](#).

Google Analytics (Universal Analytics) with anonymised IP

Google Analytics (Universal Analytics) is a web analysis service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, (“Google”). Google utilises the Data collected to track and examine the use of this Website, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualise and personalise the ads of its own advertising network.

This integration of Google Analytics anonymises your IP address. It works by shortening Users' IP addresses within member states of the European Union or in other contracting states to the Agreement on the European Economic Area. Only in exceptional cases will the complete IP address be sent to a Google server and shortened within the US.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#); Ireland – [Privacy Policy](#) – [Opt Out](#).

Meta Events Manager

Meta Events Manager is an analytics service provided by Meta Platforms Ireland Limited or by Meta Platforms, Inc., depending on how the Owner manages the Data processing. By integrating the Meta pixel, Meta Events Manager can give the Owner insights into the traffic and interactions on this Website.

Contacting the User

Contact form (this Website)

By filling in the contact form with their Data, the User authorises this Website to use these details to reply to requests for information, quotes or any other kind of request as indicated by the form's header.

Personal Data processed: city; company name; country; county; email address; first name; last name; phone number; physical address; state; Trackers; various types of Data; ZIP/Postal code.

Mailing list or newsletter (this Website)

By registering on the mailing list or for the newsletter, the User's email address will be added to the contact list of those who may receive email messages containing information of commercial or promotional nature concerning this Website. Your email address might also be added to this list as a result of signing up to this Website or after making a purchase.

Personal Data processed: city; country; county; email address; first name; last name; phone number; physical address; state; Trackers; Usage Data; ZIP/Postal code.

Displaying content from external platforms

This type of service allows you to view content hosted on external platforms directly from the pages of this Website and interact with them. Such services are often referred to as widgets, which are small elements placed on a website or app. They provide specific information or perform a particular function and often allow for user interaction.

This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

Google Fonts

Google Fonts is a typeface visualisation service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, that allows this Website to incorporate content of this kind on its pages.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Handling payments

Unless otherwise specified, this Website processes any payments by credit card, bank transfer or other means via external payment service providers. In general and unless where otherwise stated, Users are requested to provide their payment details and personal information directly to such payment service providers. This Website isn't involved in the collection and processing of such information: instead, it will only receive a notification by the relevant payment service provider as to whether payment has been successfully completed.

PayPal (PayPal Inc.)

PayPal is a payment service provided by PayPal Inc., which allows Users to make online payments.

Personal Data processed: billing address; biometric data; browser information; company name; data relating to the point of sale; device information; email address; first name; geographic position; identification document; income information; IP address; job position; last name; latitude (of city); longitude (of city); operating systems; order ID; password; payment info; phone number; profession; profile picture; purchase history; shipping address; state identification card; Tax ID; time zone; Trackers; Usage Data; username; various types of Data as specified in the privacy policy of the service.

Place of processing: See the PayPal privacy policy – [Privacy Policy](#).

Google Pay

Google Pay is a payment service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, which allows users to make online payments using their Google credentials.

Personal Data processed: billing address; email address; first name; last name; payment info; phone number; purchase history; shipping address; Trackers; Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Personal Data processed: billing address; email address; first name; last name; payment info; phone number; shipping address; Trackers; Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: Sweden – [Privacy Policy](#).

Interaction with live chat platforms

This type of service allows Users to interact with third-party live chat platforms directly from the pages of this Website, in order to contact and be contacted by this Website's support service. If one of these services is installed, it may collect browsing and Usage Data in the pages where it is installed, even if the Users do not actively use the service. Moreover, live chat conversations may be logged.

Shopify Chat

Shopify Chat is a service for interacting with the Shopify live chat platform provided by Shopify Inc. or by Shopify International Limited, depending on how the Owner manages the Data processing.

Personal Data processed: billing address; city; clicks; contents of the email or message; country; device information; email address; first name; geography/region; last name; order ID; phone number; product interaction; purchase history; shipping address; state; time zone; Trackers; Usage Data; User ID.

Place of processing: Canada – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Managing contacts and sending messages

This type of service makes it possible to manage a database of email contacts, phone contacts or any other contact information to communicate with the User. These services may also collect data concerning the date and time when the message was viewed by the User, as well as when the User interacted with it, such as by clicking on links included in the message.

Klaviyo (Klaviyo Inc.)

Klaviyo is an email address management and message sending service provided by Klaviyo Inc.

To take advantage of the service provided by Klaviyo, the Owner typically shares information about (purchasing) Users, such as for example contact details and shopping histories. Check the indication at "Personal Data processed" below for an explanation of the extent of the sharing.

Personal Data processed: company name; country; date of birth; email address; first name; gender; last name; phone number; physical address; profession; purchase history; state; Trackers; Usage Data; username; various types of Data.

Place of processing: United States – [Privacy Policy](#) – [Opt out](#).

Managing data collection and online surveys

This type of service allows this Website to manage the creation, deployment, administration, distribution and analysis of online forms and surveys in order to collect, save and reuse Data from any responding Users. The Personal Data collected depend on the information asked and provided by the Users in the corresponding online form.

These services may be integrated with a wide range of third-party services to enable the Owner to take subsequent steps with the Data processed - e.g. managing contacts, sending messages, analytics, advertising and payment processing.

Meta lead ads

Meta lead ads is an advertising and data collection service provided by Meta Platforms, Inc. or by Meta Platforms Ireland Limited, depending on how the Owner manages the Data processing, that allows form-based ads to be shown to Users pre-

populated with Personal Data from their Facebook profiles, such as names and email addresses. Depending on the type of advertisement, Users may be requested to provide further information.

Form submission results in the collection and processing of these Data by the Owner under this privacy policy, and only for the specific purpose outlined on the form and/or inside this privacy policy, where provided.

Users may exercise their rights, at any time, including the right to withdraw their consent to the processing of their Data, as specified in the section containing information about User rights in this privacy policy.

Personal Data processed: city; country; Data communicated while using the service; date of birth; email address; first name; gender; last name; phone number; physical address; state; Trackers; Usage Data; ZIP/Postal code.

Place of processing: United States – [Privacy Policy](#) – [Opt out](#); Ireland – [Privacy Policy](#) – [Opt out](#).

Klaviyo Forms (Klaviyo Inc.)

Klaviyo Forms is a form builder and data collection platform provided by Klaviyo Inc.

To take advantage of the service provided by Klaviyo, the Owner typically shares information about (purchasing) Users, such as for example contact details and shopping histories. Check the indication at “Personal Data processed“ below for an explanation of the extent of the sharing.

Personal Data processed: city; company name; country; Data communicated while using the service; date of birth; email address; first name; gender; last name; phone number; physical address; profession; purchase history; state; Trackers; Usage Data; username.

Place of processing: United States – [Privacy Policy](#).

Platform services and hosting

These services have the purpose of hosting and running key components of this Website, therefore allowing the provision of this Website from within a unified platform. Such platforms provide a wide range of tools to the Owner – e.g. analytics, user registration, commenting, database management, e-commerce, payment processing – that imply the collection and handling of Personal Data.

Some of these services work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

Shopify

Shopify is a platform provided by Shopify Inc. or by Shopify International Limited, depending on how the Owner manages the Data processing, that allows the Owner to build, run and host an e-commerce website.

Personal Data processed: billing address; device information; email address; first name; last name; payment info; phone number; shipping address; Trackers; Usage Data.

Place of processing: Canada – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Remarketing and behavioural targeting

This type of service allows this Website and its partners to inform, optimise and serve advertising based on past use of this Website by the User.

This activity is facilitated by tracking Usage Data and by using Trackers to collect information which is then transferred to the partners that manage the remarketing and behavioural targeting activity.

Some services offer a remarketing option based on email address lists.

Services of this kind usually offer the possibility to opt out of such tracking. In addition to any opt-out feature offered by any of the services below, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section "How to opt-out of interest-based advertising" in this document.

Meta Custom Audience

Meta Custom Audience is a remarketing and behavioural targeting service provided by Meta Platforms, Inc. or by Meta Platforms Ireland Limited, depending on how the Owner manages the Data processing, that connects the activity of this Website with the Meta Audience Network.

Users can opt out of Meta's use of Trackers for ads personalisation by visiting this [opt-out page](#).

Personal Data processed: email address; Trackers.

Place of processing: United States – [Privacy Policy](#) – [Opt out](#); Ireland – [Privacy Policy](#) – [Opt out](#).

TikTok Remarketing

TikTok Remarketing is a remarketing and behavioural targeting service provided by TikTok Information Technologies UK Limited, TikTok Inc. or by TikTok Technology Limited, depending on how the Owner manages the Data processing, that connects the activity of this Website with the TikTok advertising network.

Personal Data processed: device information; Trackers; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example); Usage Data.

Place of processing: United Kingdom – [Privacy Policy](#); United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Klaviyo segmentation and social advertising (Klaviyo Inc.)

Klaviyo segmentation and social advertising is a remarketing and behavioural targeting service provided by Klaviyo Inc.

Klaviyo segmentation and social advertising makes use of tracking technologies to monitor User behaviour. This Data is then used to personalise the User's experience and to provide targeted advertising. Klaviyo segmentation and social advertising may also connect the collected Data with other networks, including advertising networks, and enable these parties to track and target the User. The Owner, unless otherwise specified in this document, has no direct relationship with the third parties that Klaviyo segmentation and social advertising may be including.

To take advantage of the service provided by Klaviyo, the Owner typically shares information about (purchasing) Users, such as for example contact details and shopping histories. Check the indication at “Personal Data processed“ below for an explanation of the extent of the sharing.

Personal Data processed: device information; email address; purchase history; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt out](#).

Spam and bots protection

This type of service analyses the traffic of this Website, potentially containing Users' Personal Data, with the purpose of filtering it from unwanted parts of traffic, messages and content that are recognised as spam or protecting it from malicious bots activities.

Cloudflare Bot Management (Cloudflare Inc.)

Cloudflare Bot Management is a malicious bot protection and management service provided by Cloudflare Inc.

Personal Data processed: app information; Application opens; browser information; browsing history; city; clicks; country; county; custom events; device information; device logs; geography/region; interaction events; IP address; keypress events; language; latitude (of city); launches; longitude (of city); metro area; motion sensor events; mouse movements; number of sessions; operating systems; page events; page views; province; scroll position; scroll-to-page interactions; search history; session duration; session statistics; state; touch events; Trackers; Usage Data; video views; ZIP/Postal code.

Place of processing: United States – [Privacy Policy](#).

Tag Management

This type of service helps the Owner to manage the tags or scripts needed on this Website in a centralised fashion. This results in the Users' Data flowing through these services, potentially resulting in the retention of this Data.

Google Tag Manager

Google Tag Manager is a tag management service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Traffic optimisation and distribution

This type of service allows this Website to distribute their content using servers located across different countries and to optimise their performance.

Which Personal Data are processed depends on the characteristics and the way these services are implemented. Their function is

to filter communications between this Website and the User's browser.

Considering the widespread distribution of this system, it is difficult to determine the locations to which the contents that may contain Personal Information of the User are transferred.

Cloudflare (Cloudflare Inc.)

Cloudflare is a traffic optimisation and distribution service provided by Cloudflare Inc.

The way Cloudflare is integrated means that it filters all the traffic through this Website, i.e., communication between this Website and the User's browser, while also allowing analytical data from this Website to be collected.

Personal Data processed: Trackers; various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#).

User database management

This type of service allows the Owner to build user profiles by starting from an email address, a personal name, or other information that the User provides to this Website, as well as to track User activities through analytics features. This Personal Data may also be matched with publicly available information about the User (such as social networks' profiles) and used to build private profiles that the Owner can display and use for improving this Website.

Some of these services may also enable the sending of timed messages to the User, such as emails based on specific actions performed on this Website.

Klaviyo CRM (Klaviyo Inc.)

Klaviyo CRM is a User database management service provided by Klaviyo Inc.

Klaviyo CRM can also be used as a medium for communications, either through email, or through messages within this Website.

To take advantage of the service provided by Klaviyo, the Owner typically shares information about (purchasing) Users, such as for example contact details and shopping histories. Check the indication at “Personal Data processed“ below for an explanation of the extent of the sharing.

Personal Data processed: city; company name; country; date of birth; email address; first name; gender; last name; phone number; physical address; profession; purchase history; state; Trackers; Usage Data; username; various types of Data.

Place of processing: United States – [Privacy Policy](#).

Information on opting out of interest-based advertising

In addition to any opt-out feature provided by any of the services listed in this document, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section of the Cookie Policy.

Cookie Policy

This Website uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

Further Information for Users in the European Union

This section applies to all Users in the European Union, according to the General Data Protection Regulation (the “GDPR”), and, for such Users, supersedes any other possibly divergent or conflicting information contained in the privacy policy. Further details regarding the categories of Data processed, the purposes of processing, the categories of recipients of the Personal Data, if any, and further information about Personal Data can be found in **the section titled “Detailed information on the processing of Personal Data” within this document.**

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes.
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;

- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Further information about retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

The rights of Users based on the General Data Protection Regulation (GDPR)

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following, to the extent permitted by law:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Users are also entitled to learn about the legal basis for Data transfers abroad including to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

Details about the right to object to processing

Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification. Where the User objects to processing for direct marketing purposes, the Personal Data will no longer be processed for such purposes. To learn whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users

with the information required by law. Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort. At the Users' request, the Owner will inform them about those recipients.

Additional information about Data collection and processing

Legal action

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of this Website or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, this Website may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

System logs and maintenance

For operation and maintenance purposes, this Website and any third-party services may collect files that record interaction with this Website (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

Changes to this privacy policy

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Website and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.
