Types of Data collected

Among the types of Personal Data that this Application collects, by itself or through third parties, there are: Cookies; Usage Data; first name; phone number; email address; various types of Data; number of Users; session statistics; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example).

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Application. Unless specified otherwise, all Data requested by this Application is mandatory and failure to provide this Data may make it impossible for this Application to provide its services. In cases where this Application specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools — by this Application or by the owners of third-party services used by this Application serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through this Application.

Mode and place of processing the Data

Methods of processing

The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Application (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent

activity, as well as the following: Analytics, Tag Management, Interaction with external social networks and platforms, Contacting the User, Advertising, Remarketing and behavioral targeting and Displaying content from external platforms.

For specific information about the Personal Data used for each purpose, the User may refer to the section “Detailed information on the processing of Personal Data”.

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Advertising

This type of service allows User Data to be utilized for advertising communication purposes. These communications are displayed in the form of banners and other advertisements on this Application, possibly based on User interests. This does not mean that all Personal Data are used for this purpose. Information and conditions of use are shown below. Some of the services listed below may use Trackers for identifying Users, behavioral retargeting i.e. displaying ads tailored to the User's interests and behavior, or to measure ads performance. For more information, please check the privacy policies of the relevant services.

Services of this kind usually offer the possibility to opt out of such tracking. In addition to any opt-out feature offered by any of the services below, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section "How to opt-out of interest-based advertising" in this document.

Google Ads conversion tracking (Google LLC)

Google Ads conversion tracking is an analytics service provided by Google LLC that connects data from the Google Ads advertising network with actions performed on this Application.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Analytics

The services contained in this section enable the Owner to monitor and analyze web traffic and can be used to keep track of User behavior.

Google Analytics (Universal Analytics) with anonymized IP (Google Inc.)

Google Analytics (Universal Analytics) is a web analysis service provided by Google Inc. (“Google”). Google utilizes the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualize and personalize the ads of its own advertising network.

This integration of Google Analytics anonymizes your IP address. It works by shortening Users' IP addresses within member states of the European Union or in other contracting states to the Agreement on the European Economic Area. Only in exceptional cases will the complete IP address be sent to a Google server and shortened within the US.

In order to understand Google's use of Data, consult [Google's partner policy](#).

Personal Data processed: Cookies; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#).

Google Analytics (Universal Analytics) (Google Ireland Limited)

Google Analytics (Universal Analytics) is a web analysis service provided by Google Ireland Limited (“Google”). Google utilizes the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualize and personalize the ads of its own advertising network.

In order to understand Google's use of Data, consult [Google's partner policy](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

Google Analytics 4 (Google Ireland Limited)

Google Analytics 4 is a web analysis service provided by Google Ireland Limited (“Google”). Google utilizes the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services. Google may use the Data collected to contextualize and personalize the ads of its own advertising network. In Google Analytics 4, IP addresses are used at collection time and then discarded before Data is logged in any data center or server. Users can learn more by consulting [Google’s official documentation](#).

In order to understand Google's use of Data, consult their [partner policy](#) and their [Business Data page](#).

Personal Data processed: number of Users; session statistics; Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

Google Analytics Advertising Reporting Features (Google Ireland Limited)

Google Analytics on this Application has Advertising Reporting Features activated, which collects additional information from the DoubleClick cookie (web activity) and from device advertising IDs (app activity). It allows the Owner to analyze specific behavior and interests Data (traffic Data and Users' ads interaction Data) and, if enabled, demographic Data (information about the age and gender).

Users can opt out of Google's use of cookies by visiting Google's [Ads Settings](#).

In order to understand Google's use of Data, consult their [partner policy](#) and their [Business Data page](#).

Personal Data processed: Trackers; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example); various types of Data as specified in the privacy policy of the service.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

User ID extension for Google Analytics (Google Ireland Limited)

Google Analytics on this Application makes use of a feature called User ID. This setup allows for a more accurate tracking of Users by associating that User with the same ID over various sessions and devices. It is set up in a way that doesn't allow Google to personally identify an individual or permanently identify a particular device. The User ID extension might make it possible to connect Data from Google Analytics with other Data about the User collected by this Application. The opt-out link below will only opt you out for the device you are on, but not from tracking performed independently by the Owner. Contact the Owner via the email address provided in this privacy policy to object to the aforementioned tracking as well.

Personal Data processed: Trackers.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

Contacting the User

Contact form (this Application)

By filling in the contact form with their Data, the User authorizes this Application to use these details to reply to requests for information, quotes or any other kind of request as indicated by the form's header.

Personal Data processed: email address; first name; phone number; various types of Data.

Displaying content from external platforms

This type of service allows you to view content hosted on external platforms directly from the pages of this Application and interact with them.

This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

Google Fonts (Google Ireland Limited)

Google Fonts is a typeface visualization service provided by Google Ireland Limited that allows this Application to incorporate content of this kind on its pages.

Personal Data processed: Usage Data; various types of Data as specified in the privacy policy of the service.

Further Information for Users

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes.
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Further information about retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

The rights of Users based on the General Data Protection Regulation (GDPR)

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following, to the extent permitted by law:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Users are also entitled to learn about the legal basis for Data transfers abroad including to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

Details about the right to object to processing

Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification. Where the User objects to processing for direct marketing purposes, the Personal Data will no longer be processed for such purposes. To learn whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law. Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort. At the Users' request, the Owner will inform them about those recipients.

Additional information about Data collection and processing

Legal action

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of this Application or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, this Application may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

System logs and maintenance

For operation and maintenance purposes, this Application and any third-party services may collect files that record interaction with this Application (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

Changes to this privacy policy

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Application and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

Definitions and legal references

Personal Data (or Data)

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.
