Types of Data collected

Among the types of Personal Data that <https://xios-store.ch/> collects, by itself or through third parties, there are: Trackers; Usage Data; number of Users; session statistics; first name; last name; email address; username; password; phone number; payment info; billing address; state identification card; data relating to the point of sale; Tax ID; job position; company name; biometric data; IP address; geographic position; order ID; shipping address; operating systems; time zone; latitude (of city); longitude (of city); gender; date of birth; VAT Number; physical address; country; state; county; ZIP/Postal code; various types of Data; city; User ID; prefix ; Twitter handle; house number; language; device information; clicks; contents of the email or message; purchase history; product interaction; answers to questions; keypress events; motion sensor events; mouse movements; scroll position; touch events.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using <https://xios-store.ch/>.

Unless specified otherwise, all Data requested by <https://xios-store.ch/> is mandatory and failure to provide this Data may make it impossible for <https://xios-store.ch/> to provide its services. In cases where <https://xios-store.ch/> specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools — by <https://xios-store.ch/> or by the owners of third-party services used by <https://xios-store.ch/> serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through <https://xios-store.ch/>.

Mode and place of processing the Data

Methods of processing

The Owner takes appropriate security measures to prevent unauthorised access, disclosure, modification, or unauthorised destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organisational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of <https://xios-store.ch/> (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Advertising, Tag Management, Analytics, Handling payments, Contacting the User, Registration and authentication provided directly by <https://xios-store.ch/>, Platform services and hosting, Interaction with live chat platforms, Spam and bots protection, Interaction with external social networks and platforms, Traffic optimisation and distribution and Heat mapping and session recording.

For specific information about the Personal Data used for each purpose, the User may refer to the section "Detailed information on the processing of Personal Data".

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Advertising

This type of service allows User Data to be utilised for advertising communication purposes. These communications are displayed in the form of banners and other advertisements on <https://xios-store.ch/>, possibly based on User interests. This does not mean that all Personal Data are used for this purpose. Information and conditions of use are shown below. Some of the services listed below may use Trackers to identify Users or they may use the behavioural retargeting technique, i.e. displaying ads tailored to the User's interests and behaviour, including those detected outside <https://xios-store.ch/>. For more information, please check the privacy policies of the relevant services. Services of this kind usually offer the possibility to opt out of such tracking. In addition to any opt-out feature offered by any of the services below, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section "How to opt-out of interest-based advertising" in this document.

Google Ad Manager (Google Ireland Limited)

Google Ad Manager is an advertising service provided by Google Ireland Limited that allows the Owner to run advertising campaigns in conjunction with external advertising networks that the Owner, unless otherwise specified in this document, has no direct relationship with.

In order to understand Google's use of Data, consult [Google's partner policy](#).

This service uses the "DoubleClick" Cookie, which tracks use of <https://xios-store.ch/> and User behaviour concerning ads, products and services offered.

Users may decide to disable all the DoubleClick Cookies by going to: [Google Ad Settings](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

Microsoft Advertising (Microsoft Corporation)

Microsoft Advertising is an advertising service provided by Microsoft Corporation.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#).

Analytics

The services contained in this section enable the Owner to monitor and analyse web traffic and can be used to keep track of User behaviour.

Google Analytics 4 (Google Ireland Limited)

Google Analytics 4 is a web analysis service provided by Google Ireland Limited (“Google”). Google utilizes the Data collected to track and examine the use of <https://xios-store.ch/>, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualize and personalize the ads of its own advertising network.

In Google Analytics 4, IP addresses are used at collection time and then discarded before Data is logged in any data center or server. Users can learn more by consulting [Google’s official documentation](#).

Personal Data processed: number of Users; session statistics; Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

SEON Fraud Prevention

SEON Fraud Prevention analysis detects and stops fraud in real time through transactional data analysis.

Place of processing: European Union – [Privacy policy](#).

PayHelm - Export and Reports

Sales Analysis, Export and Reporting

Place of processing: United States – [Privacy policy](#).

Google Analytics (Universal Analytics) (Google Ireland Limited)

Google Analytics (Universal Analytics) is a web analysis service provided by Google Ireland Limited (“Google”). Google utilizes the Data collected to track and examine the use of <https://xios-store.ch/>, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualise and personalise the ads of its own advertising network.

In order to understand Google's use of Data, consult [Google's partner policy](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Opt Out](#).

Contacting the User

Contact form (<https://xios-store.ch/>)

By filling in the contact form with their Data, the User authorises <https://xios-store.ch/> to use these details to reply to requests for information, quotes or any other kind of request as indicated by the form’s header.

Personal Data processed: city; company name; country; county; date of birth; email address; first name; gender; last name; phone number; physical address; state; Trackers; Usage Data; User ID; various types of Data; VAT Number; ZIP/Postal code.

Mailing list or newsletter (<https://xios-store.ch/>)

By registering on the mailing list or for the newsletter, the User’s email address will be added to the contact list of those who may receive email messages containing information of commercial or promotional nature concerning <https://xios-store.ch/>. Your email address might also be added to this list as a result of signing up to <https://xios-store.ch/> or after making a purchase.

Personal Data processed: city; company name; country; county; email address; first name; last name; state; Trackers; ZIP/Postal code.

Handling payments

Unless otherwise specified, <https://xios-store.ch/> processes any payments by credit card, bank transfer or other means via external payment service providers. In general and unless where otherwise stated, Users are requested to provide their payment details and personal information directly to such payment service providers. <https://xios-store.ch/> isn't involved in the collection and

processing of such information: instead, it will only receive a notification by the relevant payment service provider as to whether payment has been successfully completed.

PayPal (PayPal Inc.)

PayPal is a payment service provided by PayPal Inc., which allows Users to make online payments.

Personal Data processed: billing address; biometric data; company name; data relating to the point of sale; email address; first name; geographic position; IP address; job position; last name; latitude (of city); longitude (of city); operating systems; order ID; password; payment info; phone number; shipping address; state identification card; Tax ID; time zone; Trackers; Usage Data; username; various types of Data as specified in the privacy policy of the service.

Place of processing: See the PayPal privacy policy – [Privacy Policy](#).

Google Pay (Google Ireland Limited)

Google Pay is a payment service provided by Google Ireland Limited, which allows users to make online payments using their Google credentials.

Personal Data processed: billing address; email address; first name; last name; payment info; phone number; purchase history; Trackers; Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: Ireland – [Privacy Policy](#).

Stripe (Stripe Technology Europe Ltd)

Stripe is a payment service provided by Stripe Technology Europe Ltd.

Personal Data processed: billing address; first name; last name; payment info; purchase history; Trackers; Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: European Union – [Privacy Policy](#).

Apple Pay (Apple Inc.)

Apple Pay is a payment service provided by Apple Inc., which allows Users to make payments using their mobile phones.

Personal Data processed: billing address; first name; last name; payment info; phone number; purchase history; shipping address; Trackers; Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#).

PostFinance Checkout

Personal data: billing address; different types of Data indicated in the privacy policy of the service; Usage Data; purchase history; payment information; surname; first name; Trackers

Place of processing: Switzerland – [Privacy policy](#)

TWINT

[Personal data: billing address; different types of Data indicated in the privacy policy of the service; Usage Data; purchase history; payment information; surname; first name; Trackers](#)

[Place of processing: Switzerland – Privacy policy](#)

Heat mapping and session recording

Heat mapping services are used to display the areas of <https://xios-store.ch/> that Users interact with most frequently. This shows where the points of interest are. These services make it possible to monitor and analyse web traffic and keep track of User behaviour.

Some of these services may record sessions and make them available for later visual playback.

Microsoft Clarity (Microsoft Corporation)

Microsoft Clarity is a session recording and heat mapping service provided by Microsoft Corporation. Microsoft processes or receives Personal Data via Microsoft Clarity, which in turn may be used for any purpose in accordance with the Microsoft Privacy Statement, including improving and providing Microsoft Advertising.

Personal Data processed: Usage Data.

Place of processing: Switzerland – [Privacy Policy](#).

Interaction with external social networks and platforms

This type of service allows interaction with social networks or other external platforms directly from the pages of <https://xios-store.ch/>.

The interaction and information obtained through <https://xios-store.ch/> are always subject to the User's privacy settings for each social network.

This type of service might still collect traffic data for the pages where the service is installed, even when Users do not use it.

It is recommended to log out from the respective services in order to make sure that the processed data on <https://xios-store.ch/> isn't being connected back to the User's profile.

YouTube button and social widgets (Google Ireland Limited)

The YouTube button and social widgets are services allowing interaction with the YouTube social network provided by Google Ireland Limited.

Personal Data processed: Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

Interaction with live chat platforms

This type of service allows Users to interact with third-party live chat platforms directly from the pages of <https://xios-store.ch/>, in order to contact and be contacted by <https://xios-store.ch/>'s support service.

If one of these services is installed, it may collect browsing and Usage Data in the pages where it is installed, even if the Users do not actively use the service. Moreover, live chat conversations may be logged.

Shopify Chat (Shopify International Limited)

Shopify Chat is a service for interacting with the Shopify live chat platform provided by Shopify International Limited.

Personal Data processed: billing address; clicks; contents of the email or message; country; device information; email address; first name; last name; order ID; phone number; product interaction; purchase history; shipping address; time zone; Trackers; Usage Data; User ID.

Place of processing: Ireland – [Privacy Policy](#).

Platform services and hosting

These services have the purpose of hosting and running key components of <https://xios-store.ch/>, therefore allowing the provision of <https://xios-store.ch/> from within a unified platform. Such platforms provide a wide range of tools to the Owner – e.g. analytics, user registration, commenting, database management, e-commerce, payment processing – that imply the collection and handling of Personal Data.

Some of these services work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

Shopify (Shopify International Limited)

Shopify is a platform provided by Shopify International Limited that allows the Owner to build, run and host an e-commerce website.

Personal Data processed: billing address; device information; email address; first name; last name; payment info; phone number; shipping address; Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

I Agree To Terms

Request for acceptance of terms and conditions.

Personal data processed: log files, trackers, web beacons, pixels.

Place of processing: India – [Privacy policy](#).

BigBuy - Dropshipping carriers

Synchronization of xios-store.ch with transport services and obtaining shipping costs

Personal data processed: delivery address, item purchased (item, size), carrier chosen.

Place of processing: European Union – [Privacy policy](#).

Registration and authentication provided directly by <https://xios-store.ch/>

By registering or authenticating, Users allow <https://xios-store.ch/> to identify them and give them access to dedicated services. The Personal Data is collected and stored for registration or identification purposes only. The Data collected are only those necessary for the provision of the service requested by the Users.

Direct registration (<https://xios-store.ch/>)

The User registers by filling out the registration form and providing the Personal Data directly to <https://xios-store.ch/>.

Personal Data processed: billing address; city; company name; country; county; date of birth; email address; first name; gender; house number; language; last name; password; phone number; physical address; prefix ; state; Trackers; Twitter handle; Usage Data; User ID; username; various types of Data; VAT Number; ZIP/Postal code.

Spam and bots protection

This type of service analyses the traffic of <https://xios-store.ch/>, potentially containing Users' Personal Data, with the purpose of filtering it from unwanted parts of traffic, messages and content that are recognised as spam or protecting it from malicious bots activities.

Google reCAPTCHA (Google Ireland Limited)

Google reCAPTCHA is a SPAM protection service provided by Google Ireland Limited. The use of reCAPTCHA is subject to the Google [privacy policy](#) and [terms of use](#).

In order to understand Google's use of Data, consult [Google's partner policy](#).

Personal Data processed: answers to questions; clicks; keypress events; motion sensor events; mouse movements; scroll position; touch events; Trackers; Usage Data.

Place of processing: Ireland .

Tag Management

This type of service helps the Owner to manage the tags or scripts needed on <https://xios-store.ch/> in a centralised fashion. This results in the Users' Data flowing through these services, potentially resulting in the retention of this Data.

Google Tag Manager (Google Ireland Limited)

Google Tag Manager is a tag management service provided by Google Ireland Limited.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

Traffic optimisation and distribution

This type of service allows <https://xios-store.ch/> to distribute their content using servers located across different countries and to optimise their performance.

Which Personal Data are processed depends on the characteristics and the way these services are implemented. Their function is to filter communications between <https://xios-store.ch/> and the User's browser.

Considering the widespread distribution of this system, it is difficult to determine the locations to which the contents that may contain Personal Information of the User are transferred.

Cloudflare (Cloudflare Inc.)

Cloudflare is a traffic optimisation and distribution service provided by Cloudflare Inc.

The way Cloudflare is integrated means that it filters all the traffic through <https://xios-store.ch/>, i.e., communication between <https://xios-store.ch/> and the User's browser, while also allowing analytical data from <https://xios-store.ch/> to be collected.

Personal Data processed: Trackers.

Place of processing: United States – [Privacy Policy](#).

Information on opting out of interest-based advertising

In addition to any opt-out feature provided by any of the services listed in this document, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section of the Cookie Policy.

Further information about the processing of Personal Data

Selling goods and services online

The Personal Data collected are used to provide the User with services or to sell goods, including payment and possible delivery. The Personal Data collected to complete the payment may include the credit card, the bank account used for the transfer, or any other means of payment envisaged. The kind of Data collected by <https://xios-store.ch/> depends on the payment system used.

Cookie Policy

<https://xios-store.ch/> uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

Further Information for Users

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes.
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Further information about retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

The rights of Users based on the General Data Protection Regulation (GDPR)

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following, to the extent permitted by law:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Users are also entitled to learn about the legal basis for Data transfers abroad including to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

Details about the right to object to processing

Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification. Where the User objects to processing for direct marketing purposes, the Personal Data will no longer be processed for such purposes. To learn whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law. Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort. At the Users' request, the Owner will inform them about those recipients.

Further information for Users in Switzerland

This section applies to Users in Switzerland, and, for such Users, supersedes any other possibly divergent or conflicting information contained in the privacy policy.

Further details regarding the categories of Data processed, the purposes of processing, the categories of recipients of the personal data, if any, the retention period and further information about Personal Data can be found in **the section titled "Detailed information on the processing of Personal Data" within this document.**

The rights of Users according to the Swiss Federal Act on Data Protection

Users may exercise certain rights regarding their Data within the limits of law, including the following:

- right of access to Personal Data;
- right to object to the processing of their Personal Data (which also allows Users to demand that processing of Personal Data be restricted, Personal Data be deleted or destroyed, specific disclosures of Personal Data to third parties be prohibited);
- right to receive their Personal Data and have it transferred to another controller (data portability);
- right to ask for incorrect Personal Data to be corrected.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible, providing Users with the information required by law.

Additional information about Data collection and processing

Legal action

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of <https://xios-store.ch/> or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, <https://xios-store.ch/> may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

System logs and maintenance

For operation and maintenance purposes, <https://xios-store.ch/> and any third-party services may collect files that record interaction with <https://xios-store.ch/> (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

Changes to this privacy policy

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within <https://xios-store.ch/> and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

Definitions and legal references

Personal Data (or Data)

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

Usage Data

Information collected automatically through <https://xios-store.ch/> (or third-party services employed in <https://xios-store.ch/>), which can include: the IP addresses or domain names of the computers utilised by the Users who use <https://xios-store.ch/>, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilised to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilised by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

User

The individual using <https://xios-store.ch/> who, unless otherwise specified, coincides with the Data Subject.

Data Subject

The natural person to whom the Personal Data refers.

Data Processor (or Processor)

The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

Data Controller (or Owner)

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of <https://xios-store.ch/>. The Data Controller, unless otherwise specified, is the Owner of <https://xios-store.ch/>.

<https://xios-store.ch/> (or this Application)

The means by which the Personal Data of the User is collected and processed.

Service

The service provided by <https://xios-store.ch/> as described in the relative terms (if available) and on this site/application.

European Union (or EU)

Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

Cookie

Cookies are Trackers consisting of small sets of data stored in the User's browser.

Tracker

Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the User's device.

Legal information

This privacy statement has been prepared based on provisions of multiple legislations.

This privacy policy relates solely to <https://xios-store.ch/>, if not stated otherwise within this document.

Latest update: 11 March 2024
