Sole Proprietor: VINCENTI GIOVANNI

**Owner contact email:** [admin@ninjapublisher.com](mailto:admin@ninjapublisher.com)

## Type of Data we collect

Among the types of Personal Data that NinjaPublisher collects, by itself or through third parties, there are:

- Trackers
- Usage Data
- device information
- email address
- payment info
- purchase history
- billing address
- User ID
- first name
- last name
- password
- Data communicated while using the service
- Universally unique identifier (UUID)
- date of birth
- username
- IP address

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using NinjaPublisher. Unless specified otherwise, all Data requested by NinjaPublisher is mandatory and failure to provide this Data may make it impossible for NinjaPublisher to provide its services. In cases where NinjaPublisher specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools — by NinjaPublisher or by the owners of third-party services used by NinjaPublisher serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through NinjaPublisher.

## **Mode and place of processing the Data**

### **Methods of processing**

The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of NinjaPublisher (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

### **Place**

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

### **Retention time**

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

## **The purposes of processing**

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following:

- Traffic optimization and distribution
- Platform services and hosting
- Contacting the User
- Handling payments
- Registration and authentication provided directly by NinjaPublisher
- Managing contacts and sending messages
- Handling activities related to productivity
- Access to third-party accounts
- Displaying content from external platforms
- Building and running NinjaPublisher
- Collection of privacy-related preferences

## **Detailed information on the processing of Personal Data**

### **Access to third-party accounts**

This type of service allows NinjaPublisher to access Data from your account on a third-party service and perform actions with it. These services are not activated automatically, but require explicit authorization by the User.

### **YouTube account access**

Company: Google LLC +1

Place of processing: United States +1

Personal Data processed: Trackers +1

## **Building and running NinjaPublisher**

Key components of NinjaPublisher are built and run directly by the Owner by making use of the software listed below.

### **WordPress (self-hosted)**

Company: NinjaPublisher

Personal Data processed: date of birth +4

## **Collection of privacy-related preferences**

This type of service allows NinjaPublisher to collect and store Users' preferences related to the collection, use, and processing of their personal information, as requested by the applicable privacy legislation.

### **iubenda Consent Database**

Company: iubenda srl

Place of processing: Italy

Personal Data processed: Data communicated while using the service +2

### **iubenda Privacy Controls and Cookie Solution**

Company: iubenda srl

Place of processing: Italy

Personal Data processed: IP address +1

## **Contacting the User**

### **Contact form**

Company: NinjaPublisher

Personal Data processed: email address +1

## Displaying content from external platforms

This type of service allows you to view content hosted on external platforms directly from the pages of NinjaPublisher and interact with them. Such services are often referred to as widgets, which are small elements placed on a website or app. They provide specific information or perform a particular function and often allow for user interaction. This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

### YouTube Video Widget (Privacy Enhanced Mode)

Company: Google LLC +1

Place of processing: United States +1

Personal Data processed: Trackers +2

### YouTube Video Widget

Company: Google LLC +1

Place of processing: United States +1

Personal Data processed: Trackers +1

## Handling activities related to productivity

This type of service helps the Owner to manage tasks, collaboration and, in general, activities related to productivity. In using this type of service, Data of Users will be processed and may be retained, depending on the purpose of the activity in question. These services may be integrated with a wide range of third-party services disclosed within this privacy policy to enable the Owner to import or export Data needed for the relative activity.

### Google Workspace

Company: Google LLC +1

Place of processing: United States +1

Personal Data processed: Data communicated while using the service +1

## Handling payments

Unless otherwise specified, NinjaPublisher processes any payments by credit card, bank transfer or other means via external payment service providers. In general and unless where otherwise stated, Users are requested to provide their payment details and personal information directly to such payment service providers. NinjaPublisher isn't involved in the collection and processing of such information: instead, it will only receive a notification by the relevant payment service provider as to whether payment has been successfully completed.

## **Paddle**

Company: Paddle.com Inc +1

Place of processing: United States +1

Personal Data processed: billing address +6

## **Retain by ProfitWell**

Company: 200 OK LLC

Place of processing: United States

Personal Data processed: email address +2

## **Managing contacts and sending messages**

This type of service makes it possible to manage a database of email contacts, phone contacts or any other contact information to communicate with the User.

These services may also collect data concerning the date and time when the message was viewed by the User, as well as when the User interacted with it, such as by clicking on links included in the message.

## **Brevo email**

Company: SendinBlue SAS

Place of processing: France

Personal Data processed: email address +2

## **Anthropic Claude API**

## **Platform services and hosting**

These services have the purpose of hosting and running key components of NinjaPublisher, therefore allowing the provision of NinjaPublisher from within a unified platform. Such platforms provide a wide range of tools to the Owner – e.g. analytics, user registration, commenting, database management, e-commerce, payment processing – that imply the collection and handling of Personal Data.

Some of these services work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

## **Hostinger**

Company: Hostinger International Ltd.

Place of processing: Cyprus

Personal Data processed: device information +2

## Registration and authentication provided directly by NinjaPublisher

By registering or authenticating, Users allow NinjaPublisher to identify them and give them access to dedicated services. The Personal Data is collected and stored for registration or identification purposes only. The Data collected are only those necessary for the provision of the service requested by the Users.

### Direct registration

Personal Data processed: email address +5

## Traffic optimization and distribution

This type of service allows NinjaPublisher to distribute their content using servers located across different countries and to optimize their performance.

Which Personal Data are processed depends on the characteristics and the way these services are implemented. Their function is to filter communications between NinjaPublisher and the User's browser.

Considering the widespread distribution of this system, it is difficult to determine the locations to which the contents that may contain Personal Information of the User are transferred.

### Cloudflare

Company: Cloudflare, Inc.

Place of processing: United States

Personal Data processed: Trackers +1

## Cookie Policy

NinjaPublisher uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

## Further Information for Users in the European Union

### Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes.
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

### Further information about retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

## **The rights of Users based on the General Data Protection Regulation (GDPR)**

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following, to the extent permitted by law:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Users are also entitled to learn about the legal basis for Data transfers abroad including to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

### **Details about the right to object to processing**

**Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.**

**Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification. Where the User objects to processing for direct marketing purposes, the Personal Data will no longer be processed for such purposes. To learn whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.**

### **How to exercise these rights**

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law. Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort. At the Users' request, the Owner will inform them about those recipients.

## **Additional information about Data collection and processing**

### **Legal action**

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of NinjaPublisher or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

## **Additional information about User's Personal Data**

In addition to the information contained in this privacy policy, NinjaPublisher may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

## **System logs and maintenance**

For operation and maintenance purposes, NinjaPublisher and any third-party services may collect files that record interaction with NinjaPublisher (System logs) or use other Personal Data (such as the IP Address) for this purpose.

## **Information not contained in this policy**

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

## **Changes to this privacy policy**

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within NinjaPublisher and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

## **Definitions and legal references**

### **Personal Data (or Data)**

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

### **Usage Data**

Information collected automatically through NinjaPublisher (or third-party services employed in NinjaPublisher), which can include: the IP addresses or domain names of the computers utilized by the Users who use NinjaPublisher, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilized to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilized by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

### **User**

The individual using NinjaPublisher who, unless otherwise specified, coincides with the Data Subject.

### **Data Subject**

The natural person to whom the Personal Data refers.

### **Data Processor (or Processor)**

The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

### **Data Controller (or Owner)**

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of NinjaPublisher. The Data Controller, unless otherwise specified, is the Owner of NinjaPublisher.

## **NinjaPublisher (or this Application)**

The means by which the Personal Data of the User is collected and processed.

## **Service**

The service provided by NinjaPublisher as described in the relative terms (if available) and on this site/application.

## **European Union (or EU)**

Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

## **Cookie**

Cookies are Trackers consisting of small sets of data stored in the User's browser.

## **Tracker**

Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the User's device.

---

## **Legal information**

This policy relates solely to NinjaPublisher, if not stated otherwise within this document.

## **How can we help?**

### **What you can do**

#### **Your data**

- [Ask us to know and access the information we hold on you](#)
- [Ask us to correct information we hold on you](#)
- [Ask us to be forgotten \(delete the information we hold on you\)](#)
- [Ask to port your data to another service](#)

### **In case of issues**

While we strive to create a positive user experience, we understand that issues may occasionally arise between us and our users. If this is the case, please feel free to contact us.
