

Privacy Policy of www.oggettiveneziani.com

This Website collects some Personal Data from its Users.

Owner and Data Controller

"Oggetti Veneziani" di Barbara Rapattoni
San Marco 3812
30124 Venezia - Italy

P. IVA: 04012640274

Owner contact email: oggetti.veneziani@gmail.com

Types of Data collected

Among the types of Personal Data that this Website collects, by itself or through third parties, there are: email address; first name; last name; phone number; Usage Data; Trackers; company name; payment info; billing address; Data communicated while using the service; country; state; city; language; geographic position; coarse location; physical address; password; VAT Number; Tax ID; county; ZIP/Postal code; shipping address; house number; prefix ; various types of Data; purchase history; answers to questions; user content; contents of the email or message; profile picture; date of the message; time the message was sent; sender of the message; clicks; keypress events; motion sensor events; mouse movements; scroll position; touch events; number of Users; session statistics.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Website. Unless specified otherwise, all Data requested by this Website is mandatory and failure to provide this Data may make it impossible for this Website to provide its services. In cases where this Website specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools — by this Website or by the owners of third-party services used by this Website serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through this Website.

Mode and place of processing the Data

Methods of processing

The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Website (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Platform services and hosting, Displaying content from external platforms, Contacting the User, Handling payments, Managing data collection and online surveys, Hosting and backend infrastructure, Interaction with data collection platforms and other third parties, Interaction with external social networks and platforms, Location-based interactions, Traffic optimization and distribution, Collection of privacy-related preferences, Registration and authentication, Registration and authentication provided directly by this Website, Data transfer outside of the UK, Data transfer outside the EU, Advertising, Analytics, Interaction with live chat platforms and Spam and bots protection.

For specific information about the Personal Data used for each purpose, the User may refer to the section "Detailed information on the processing of Personal Data".

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Advertising

This type of service allows User Data to be utilized for advertising communication purposes. These communications are displayed in the form of banners and other advertisements on this Website, possibly based on User interests. This does not mean that all Personal Data are used for this purpose. Information and conditions of use are shown below. Some of the services listed below may use Trackers for identifying Users, behavioral retargeting i.e. displaying ads tailored to the User's interests and behavior, or to measure ads performance. For more information, please check the privacy policies of the relevant services. Services of this kind usually offer the possibility to opt out of such tracking. In addition to any opt-out feature offered by any of the services below, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section "How to opt-out of interest-based advertising" in this document.

Meta ads conversion tracking (Meta pixel)

Meta ads conversion tracking (Meta pixel) is an analytics service provided by Meta Platforms, Inc. or by Meta Platforms Ireland Limited, depending on how the Owner manages the Data processing, that connects data from the Meta Audience Network with actions performed on this Website. The Meta pixel tracks conversions that can be attributed to ads on Facebook, Instagram and Meta Audience Network.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt out](#); Ireland – [Privacy Policy](#) – [Opt out](#).

Category of Personal Information collected according to the CCPA: internet or other electronic network activity information.

This processing constitutes:

- a Sale in California

Analytics

The services contained in this section enable the Owner to monitor and analyze web traffic and can be used to keep track of User behavior.

Meta Events Manager

Meta Events Manager is an analytics service provided by Meta Platforms Ireland Limited or by Meta Platforms, Inc., depending on how the Owner manages the Data processing. By integrating the Meta pixel, Meta Events Manager can give the Owner insights into the traffic and interactions on this Website.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt out](#); United States – [Privacy Policy](#) – [Opt out](#).

Category of Personal Information collected according to the CCPA: internet or other electronic network activity information.

This processing constitutes:

- a Sale in California

Google Analytics (Universal Analytics) (Google Ireland Limited)

Google Analytics (Universal Analytics) is a web analysis service provided by Google Ireland Limited (“Google”). Google utilizes the Data collected to track and examine the use of this Website, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualize and personalize the ads of its own advertising network.

In order to understand Google's use of Data, consult [Google's partner policy](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

Category of Personal Information collected according to the CCPA: internet or other electronic network activity information.

This processing constitutes:

- a Sale in the United States

Google Analytics 4 (Google Ireland Limited)

Google Analytics 4 is a web analysis service provided by Google Ireland Limited (“Google”). Google utilizes the Data collected to track and examine the use of this Website, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualize and personalize the ads of its own advertising network. In Google Analytics 4, IP addresses are used at collection time and then discarded before Data is logged in any data center or server. Users can learn more by consulting [Google's official documentation](#).

In order to understand Google's use of Data, consult their [partner policy](#) and their [Business Data page](#).

Personal Data processed: number of Users; session statistics; Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

Category of Personal Information collected according to the CCPA: internet or other electronic network activity information.

This processing constitutes:

- a Sale in the United States
- a Sharing in California

Collection of privacy-related preferences

This type of service allows this Website to collect and store Users’ preferences related to the collection, use, and processing of their personal information, as requested by the applicable privacy legislation.

iubenda Consent Database (iubenda srl)

The iubenda Consent Database allows to store and retrieve records of Users’ consent to the processing of Personal Data, and information and preferences expressed in relation to the provided consent.

In order to do so, it makes use of a Tracker that temporarily stores pending information on the User’s device until it is processed by the API. The Tracker (a browser feature called localStorage) is at that point deleted.

Personal Data processed: Data communicated while using the service; Trackers.

Place of processing: Italy – [Privacy Policy](#).

Category of Personal Information collected according to the CCPA: internet or other electronic network activity information.

This processing constitutes:

Contacting the User

Contact form (this Website)

By filling in the contact form with their Data, the User authorizes this Website to use these details to reply to requests for information, quotes or any other kind of request as indicated by the form's header.

Personal Data processed: company name; email address; first name; last name.

Category of Personal Information collected according to the CCPA: identifiers; commercial information.

This processing constitutes:

- a Sale in California
- a Sharing in California

Displaying content from external platforms

This type of service allows you to view content hosted on external platforms directly from the pages of this Website and interact with them.

This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

Google Fonts

Google Fonts is a typeface visualization service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, that allows this Website to incorporate content of this kind on its pages.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Category of Personal Information collected according to the CCPA: internet or other electronic network activity information.

This processing constitutes:

- a Sale in California
- a Sharing in California

Instagram widget

Instagram is an image visualization service provided by Meta Platforms, Inc. or by Meta Platforms Ireland Limited, depending on how the Owner manages the Data processing, that allows this Website to incorporate content of this kind on its pages.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Category of Personal Information collected according to the CCPA: internet or other electronic network activity information.

This processing constitutes:

- a Sale in California
- a Sharing in California

Handling payments

Unless otherwise specified, this Website processes any payments by credit card, bank transfer or other means via external payment service providers. In general and unless where otherwise stated, Users are requested to provide their payment details and personal information directly to such payment service providers. This Website isn't involved in the collection and processing of such information: instead, it will only receive a notification by the relevant payment service provider as to whether payment has been successfully completed.

Stripe (Stripe Payments Europe, Limited)

Stripe is a payment service provided by Stripe Payments Europe, Limited.

Personal Data processed: billing address; email address; first name; last name; payment info; various types of Data as specified in the privacy policy of the service.

Place of processing: European Union – [Privacy Policy](#).

Category of Personal Information collected according to the CCPA: identifiers; commercial information.

This processing constitutes:

- a Sale in California
- a Sharing in California

MultiSafepay (MultiSafepay B.V.)

MultiSafepay is a payment service provided by MultiSafepay B.V.

Personal Data processed: Data communicated while using the service; email address; first name; last name; payment info; Usage Data; various types of Data.

Place of processing: Netherlands – [Privacy Policy](#).

Category of Personal Information collected according to the CCPA: identifiers; commercial information; internet or other electronic network activity information.

This processing constitutes:

Apple Pay (Apple Inc.)

Apple Pay is a payment service provided by Apple Inc., which allows Users to make payments using their mobile phones.

Personal Data processed: billing address; email address; first name; last name; payment info; purchase history; shipping address; Trackers; Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#).

Category of Personal Information collected according to the CCPA: identifiers; commercial information; internet or other electronic network activity information.

This processing constitutes:

Google Pay

Google Pay is a payment service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, which allows users to make online payments using their Google credentials.

Personal Data processed: billing address; email address; first name; last name; payment info; purchase history; shipping address; Trackers; Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Category of Personal Information collected according to the CCPA: identifiers; commercial information; internet or other electronic network activity information.

This processing constitutes:

Paysafecard (Prepaid Services Company Limited)

Paysafecard is a payment service provided by Prepaid Services Company Limited.

Personal Data processed: billing address; email address; first name; last name; payment info; purchase history; Trackers; Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: United Kingdom – [Privacy Policy](#).

Category of Personal Information collected according to the CCPA: identifiers; commercial information; internet or other electronic network activity information.

This processing constitutes:

Hosting and backend infrastructure

This type of service has the purpose of hosting Data and files that enable this Website to run and be distributed as well as to provide a ready-made infrastructure to run specific features or parts of this Website.

Some services among those listed below, if any, may work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

OVHcloud (OVH Srl)

OVHcloud is a hosting and backend service provided by OVH Srl.

Personal Data processed: Usage Data.

Place of processing: Italy – [Privacy Policy](#).

Category of Personal Information collected according to the CCPA: internet or other electronic network activity information.

This processing constitutes:

- a Sale in California
- a Sharing in California

Akamai Content Delivery Network (Akamai Technologies, Inc.)

Akamai is a hosting service provided by Akamai Technologies, Inc.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Category of Personal Information collected according to the CCPA: internet or other electronic network activity information.

This processing constitutes:

Interaction with data collection platforms and other third parties

This type of service allows Users to interact with data collection platforms or other services directly from the pages of this Website for the purpose of saving and reusing data.

If one of these services is installed, it may collect browsing and Usage Data in the pages where it is installed, even if the Users do not actively use the service.

Google Forms (embedded)

Google Forms (embedded) is a service for interacting with the Google data collection platform provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing.

Personal Data processed: Data communicated while using the service; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Category of Personal Information collected according to the CCPA: internet or other electronic network activity information.

This processing constitutes:

- a Sale in California
- a Sharing in California

Interaction with external social networks and platforms

This type of service allows interaction with social networks or other external platforms directly from the pages of this Website. The interaction and information obtained through this Website are always subject to the User's privacy settings for each social network.

This type of service might still collect traffic data for the pages where the service is installed, even when Users do not use it. It is recommended to log out from the respective services in order to make sure that the processed data on this Website isn't being connected back to the User's profile.

Facebook Like button and social widgets (Meta Platforms Ireland Limited)

The Facebook Like button and social widgets are services allowing interaction with the Facebook social network provided by Meta Platforms Ireland Limited

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

Category of Personal Information collected according to the CCPA: internet or other electronic network activity information.

This processing constitutes:

- a Sale in the United States
- a Sharing in California

Interaction with live chat platforms

This type of service allows Users to interact with third-party live chat platforms directly from the pages of this Website, in order to contact and be contacted by this Website's support service.
If one of these services is installed, it may collect browsing and Usage Data in the pages where it is installed, even if the Users do not actively use the service. Moreover, live chat conversations may be logged.

WhatsApp Business Chat widget (Meta Platforms Ireland Limited)

WhatsApp Business Chat widget is a service for interacting with the WhatsApp instant messaging app and platform provided by Meta Platforms Ireland Limited.

Personal Data processed: answers to questions; contents of the email or message; Data communicated while using the service; date of the message; first name; last name; phone number; profile picture; sender of the message; time the message was sent; user content.

Place of processing: Ireland – [Privacy Policy](#).

Category of Personal Information collected according to the CCPA: identifiers; internet or other electronic network activity information; audio, electronic, visual, thermal, olfactory, or similar information; inferences drawn from other personal information.

This processing constitutes:

- a Sale in California
- a Sharing in California

Location-based interactions

Non-continuous geolocation (this Website)

This Website may collect, use, and share User location Data in order to provide location-based services.
Most browsers and devices provide tools to opt out from this feature by default. If explicit authorization has been provided, the User's location data may be tracked by this Website.
The geographic location of the User is determined in a manner that isn't continuous, either at the specific request of the User or when the User doesn't point out its current location in the appropriate field and allows the application to detect the position automatically.

Personal Data processed: coarse location; geographic position.

Category of Personal Information collected according to the CCPA: geolocation data.

This processing constitutes:

- a Sale in California
- a Sharing in California

Managing data collection and online surveys

This type of service allows this Website to manage the creation, deployment, administration, distribution and analysis of online forms and surveys in order to collect, save and reuse Data from any responding Users.
The Personal Data collected depend on the information asked and provided by the Users in the corresponding online form.

These services may be integrated with a wide range of third-party services to enable the Owner to take subsequent steps with the Data processed - e.g. managing contacts, sending messages, analytics, advertising and payment processing.

Google Forms (Google LLC)

Google Forms is a form builder and data collection platform provided by Google LLC.

Personal Data processed: city; country; Data communicated while using the service; language; state; Trackers.

Place of processing: United States – [Privacy Policy](#).

Category of Personal Information collected according to the CCPA: identifiers; internet or other electronic network activity information; inferences drawn from other personal information.

This processing constitutes:

- a Sale in California
- a Sharing in California

Platform services and hosting

These services have the purpose of hosting and running key components of this Website, therefore allowing the provision of this Website from within a unified platform. Such platforms provide a wide range of tools to the Owner – e.g. analytics, user registration, commenting, database management, e-commerce, payment processing – that imply the collection and handling of Personal Data.

Some of these services work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

PrestaShop (PrestaShop S.A.)

PrestaShop is a platform provided by PrestaShop S.A. that allows the Owner to build, run and host an e-commerce website.

Personal Data processed: email address; first name; last name; phone number; various types of Data as specified in the privacy policy of the service.

Place of processing: France – [Privacy Policy](#).

Category of Personal Information collected according to the CCPA: identifiers.

This processing constitutes:

- a Sale in California
- a Sharing in California

Registration and authentication

By registering or authenticating, Users allow this Website to identify them and give them access to dedicated services. Depending on what is described below, third parties may provide registration and authentication services. In this case, this Website will be able to access some Data, stored by these third-party services, for registration or identification purposes. Some of the services listed below may also collect Personal Data for targeting and profiling purposes; to find out more, please refer to the description of each service.

Direct registration and profiling (this Website)

By registering or authenticating directly through this Website, Users allow this Website to identify them and give them access to dedicated services. The Owner may process Data collected when Users register or authenticate also for targeting and profiling purposes; to find out more, Users can contact the Owner using the contact details provided in this document.

Personal Data processed: billing address; company name; country; county; email address; first name; house number; last name; password; phone number; physical address; prefix ; shipping address; state; Tax ID; VAT Number; ZIP/Postal code.

Category of Personal Information collected according to the CCPA: identifiers; commercial information.

This processing constitutes:

- a Sale in California
- a Sharing in California

Registration and authentication provided directly by this Website

By registering or authenticating, Users allow this Website to identify them and give them access to dedicated services. The Personal Data is collected and stored for registration or identification purposes only. The Data collected are only those necessary for the provision of the service requested by the Users.

Direct registration (this Website)

The User registers by filling out the registration form and providing the Personal Data directly to this Website.

Personal Data processed: billing address; city; company name; country; county; email address; first name; house number; last name; password; phone number; physical address; prefix ; state; Tax ID; VAT Number; ZIP/Postal code.

Category of Personal Information collected according to the CCPA: identifiers; commercial information.

This processing constitutes:

- a Sale in California
- a Sharing in California

Spam and bots protection

This type of service analyzes the traffic of this Website, potentially containing Users' Personal Data, with the purpose of filtering it from unwanted parts of traffic, messages and content that are recognized as spam or protecting it from malicious bots activities.

Google reCAPTCHA (Google Ireland Limited)

Google reCAPTCHA is a SPAM protection service provided by Google Ireland Limited. The use of reCAPTCHA is subject to the Google [privacy policy](#) and [terms of use](#).

In order to understand Google's use of Data, consult [Google's partner policy](#).

Personal Data processed: answers to questions; clicks; keypress events; motion sensor events; mouse movements; scroll position; touch events; Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

Category of Personal Information collected according to the CCPA: internet or other electronic network activity information; inferences drawn from other personal information.

Traffic optimization and distribution

This type of service allows this Website to distribute their content using servers located across different countries and to optimize their performance.

Which Personal Data are processed depends on the characteristics and the way these services are implemented. Their function is to filter communications between this Website and the User's browser.

Considering the widespread distribution of this system, it is difficult to determine the locations to which the contents that may contain Personal Information of the User are transferred.

Cloudflare (Cloudflare Inc.)

Cloudflare is a traffic optimization and distribution service provided by Cloudflare Inc.

The way Cloudflare is integrated means that it filters all the traffic through this Website, i.e., communication between this Website and the User's browser, while also allowing analytical data from this Website to be collected.

Personal Data processed: Trackers; various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#).

Category of Personal Information collected according to the CCPA: identifiers; internet or other electronic network activity information.

This processing constitutes:

- a Sale in California
- a Sharing in California

Information on opting out of interest-based advertising

In addition to any opt-out feature provided by any of the services listed in this document, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section of the Cookie Policy.

Further information about the processing of Personal Data

Preference Cookies

Preference Cookies store the User preferences detected on this Website in the local domain such as, for example, their timezone and region.

Personal Data collected through sources other than the User

The Owner of this Website may have legitimately collected Personal Data relating to Users without their knowledge by reusing or sourcing them from third parties on the grounds mentioned in the section specifying the legal basis of processing.

Where the Owner has collected Personal Data in such a manner, Users may find specific information regarding the source within the relevant sections of this document or by contacting the Owner.

Analysis and predictions based on the User's Data ("profiling")

The Owner may use the Personal and Usage Data collected through this Website to create or update User profiles. This type of Data processing allows the Owner to evaluate User choices, preferences and behaviour for the purposes outlined in the respective section of this document.

User profiles can also be created through the use of automated tools like algorithms, which can also be provided by third parties. To find out more about the profiling activities performed, Users can check the relevant sections of this document.

The User always has a right to object to this kind of profiling activity. To find out more about the User's rights and how to exercise them, the User is invited to consult the section of this document outlining the rights of the User.

Rights for registered California Users under the age of 18

California's "Online Eraser" law, part of California's Business and Professions Code Sections 22580-22582, requires operators of certain websites and online services targeting minors to allow registered Users who are under the age of 18 and residents of California to request removal of content they post.

If a registered User fits that description and posted content on this Website, they may request removal of such content by contacting the Owner or its privacy policy coordinator at the contact details provided in this document.

In response to this request, the Owner may make content posted by the registered User invisible to other registered Users and the public (rather than deleting it entirely), in which case the content may remain on the Owner's servers. It may also be publicly available elsewhere if a third party copied and reposted this content.

Equal protection of User Data

This Website shares User Data only with third parties carefully selected to ensure that they provide the same or equal protection of User Data as stated in this privacy policy and requested by applicable data protection laws. Further information on data processing and privacy practices by third parties can be found in their respective privacy policies.

localStorage

localStorage allows this Website to store and access data right in the User's browser with no expiration date.

Automated decision-making

Automated decision-making means that a decision which is likely to have legal effects or similarly significant effects on the User, is taken solely by technological means, without any human intervention. This Website may use the User's Personal Data to make decisions entirely or partially based on automated processes according to the purposes outlined in this document. This Website adopts automated decision-making processes as far as necessary to enter into or perform a contract between User and Owner, or on the basis of the User's explicit consent, where such consent is required by the law.

Automated decisions are made by technological means – mostly based on algorithms subject to predefined criteria – which may also be provided by third parties.

The rationale behind the automated decision making is:

- to enable or otherwise improve the decision-making process;
- to grant Users fair and unbiased treatment based on consistent and uniform criteria;
- to reduce the potential harm derived from human error, personal bias and the like which may potentially lead to discrimination or imbalance in the treatment of individuals etc.;
- to reduce the risk of User's failure to meet their obligation under a contract. To find out more about the purposes, the third-party services, if any, and any specific rationale for automated decisions used within this Website, Users can check the relevant sections in this document.

Consequences of automated decision-making processes for Users and rights of Users subjected to it

As a consequence, Users subject to such processing, are entitled to exercise specific rights aimed at preventing or otherwise limiting the potential effects of the automated decisions taken.

In particular, Users have the right to:

- obtain an explanation about any decision taken as a result of automated decision-making and express their point of view regarding this decision;
- challenge a decision by asking the Owner to reconsider it or take a new decision on a different basis;
- request and obtain from the Owner human intervention on such processing.

To learn more about the User's rights and the means to exercise them, the User is invited to consult the section of this document relating to the rights of the User.

sessionStorage

sessionStorage allows this Website to store and access data right in the User's browser. Data in sessionStorage is deleted automatically when the session ends (in other words, when the browser tab is closed).

Selling goods and services online

The Personal Data collected are used to provide the User with services or to sell goods, including payment and possible delivery. The Personal Data collected to complete the payment may include the credit card, the bank account used for the transfer, or any other means of payment envisaged. The kind of Data collected by this Website depends on the payment system used.

Cookie Policy

This Website uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

Further Information for Users

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes.
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Further information about retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

The rights of Users based on the General Data Protection Regulation (GDPR)

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following, to the extent permitted by law:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Users are also entitled to learn about the legal basis for Data transfers abroad including to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

Details about the right to object to processing

Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification. Where the User objects to processing for direct marketing purposes, the Personal Data will no longer be processed for such purposes. To learn whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law. Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort. At the Users' request, the Owner will inform them about those recipients.

Transfer of Personal Data outside of the European Union

Data transfer abroad based on consent

If this is the legal basis, Personal Data of Users shall be transferred from the EU to third countries only if the User has explicitly consented to such transfer, after having been informed of the possible risks due to the absence of an adequacy decision and appropriate safeguards.

In such cases, the Owner shall inform Users appropriately and collect their explicit consent via this Website.

Transfer of Personal Data outside of the United Kingdom

Data transfer abroad based on consent (UK)

If this is the legal basis, Personal Data of Users shall be transferred from the UK to third countries only if the User has explicitly consented to such transfer, after having been informed of the possible risks due to the absence of an adequacy decision and appropriate safeguards.

In such cases, the Owner shall inform Users appropriately and collect their explicit consent via this Website.

Further information for Users in Switzerland

This section applies to Users in Switzerland, and, for such Users, supersedes any other possibly divergent or conflicting information contained in the privacy policy.

Further details regarding the categories of Data processed, the purposes of processing, the categories of recipients of the personal data, if any, the retention period and further information about Personal Data can be found in **the section titled “Detailed information on the processing of Personal Data” within this document.**

The rights of Users according to the Swiss Federal Act on Data Protection

Users may exercise certain rights regarding their Data within the limits of law, including the following:

- right of access to Personal Data;
- right to object to the processing of their Personal Data (which also allows Users to demand that processing of Personal Data be restricted, Personal Data be deleted or destroyed, specific disclosures of Personal Data to third parties be prohibited);
- right to receive their Personal Data and have it transferred to another controller (data portability);
- right to ask for incorrect Personal Data to be corrected.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible, providing Users with the information required by law.

Further information for Users in the United States

This part of the document integrates with and supplements the information contained in the rest of the privacy policy and is provided by the business running this Website and, if the case may be, its parent, subsidiaries and affiliates (for the purposes of this section referred to collectively as “we”, “us”, “our”).

The information contained in this section applies to all Users (Users are referred to below, simply as “you”, “your”, “yours”), who are residents in the following states: California, Virginia, Colorado, Connecticut, Utah, Texas, Oregon and Montana.

For such Users, this information supersedes any other possibly divergent or conflicting provisions contained in the privacy policy.

This part of the document uses the term Personal Information (and Sensitive Personal Information).

Notice at collection

The following Notice at collection provides you with timely notice about the **categories of Personal Information collected or disclosed in the past 12 months** so that you can exercise meaningful control over our use of that Information.

While such categorization of Personal Information is mainly based on California privacy laws, it can also be helpful for anyone who is not a California resident to get a general idea of what types of Personal Information are collected.

- ►

Identifiers

- ►

Internet or other electronic network activity information

- ►

Commercial information

- ►

Inferences drawn from other personal information

- ►

Geolocation data

- ►

Audio, electronic, visual, thermal, olfactory, or similar information

 You can read the definitions of these concepts inside the “[Definitions and legal references section](#)” of the privacy policy.

To know more about your rights in particular to opt out of certain processing activities and to limit the use of your sensitive personal information (“Limit the Use of My Sensitive Personal Information”) you can refer to the “[Your privacy rights under US state laws](#)” section of our privacy policy.

For more details on the collection of Personal Information, please read the section “[Detailed information on the processing of Personal Data](#)” of our privacy policy.

We won’t process your Information for unexpected purposes, or for purposes that are not reasonably necessary to and compatible with the purposes originally disclosed, without your consent.

What are the sources of the Personal Information we collect?

We collect the above-mentioned categories of Personal Information, either directly or indirectly, from you when you use this Website.

For example, you directly provide your Personal Information when you submit requests via any forms on this Website. You also provide Personal Information indirectly when you navigate this Website, as Personal Information about you is automatically observed and collected.

Finally, we may collect your Personal Information from third parties that work with us in connection with the Service or with the functioning of this Website and features thereof.

Your privacy rights under US state laws

You may exercise certain rights regarding your Personal Information. In particular, to the extent permitted by applicable law, you have:

- **the right to access Personal Information: the right to know.** You have the right to request that we confirm whether or not we are processing your Personal Information. You also have the right to access such Personal Information;
- **the right to correct inaccurate Personal Information.** You have the right to request that we correct any inaccurate Personal Information we maintain about you;
- **the right to request the deletion of your Personal Information.** You have the right to request that we delete any of your Personal Information;
- **the right to obtain a copy of your Personal Information.** We will provide your Personal Information in a portable and usable format that allows you to transfer data easily to another entity – provided that this is technically feasible;
- **the right to opt out from the Sale of your Personal Information;** We will not discriminate against you for exercising your privacy rights.
- **the right to non-discrimination.**

Additional rights for Users residing in California

In addition to the rights listed above common to all Users in the United States, as a User residing in California, you have

- **The right to opt out of the Sharing of your Personal Information** for cross-context behavioral advertising;
- **The right to request to limit our use or disclosure of your Sensitive Personal Information** to only that which is necessary to perform the services or provide the goods, as is reasonably expected by an average consumer. Please note that certain exceptions outlined in the law may apply, such as, when the collection and processing of Sensitive Personal Information is necessary to verify or maintain the quality or safety of our service.

Additional rights for Users residing in Virginia, Colorado, Connecticut, Texas, Oregon and Montana

In addition to the rights listed above common to all Users in the United States, as a User residing in Virginia, Colorado, Connecticut, Texas and Oregon, you have

- **The right to opt out of** the processing of your personal information for **Targeted Advertising or profiling** in furtherance of decisions that produce legal or similarly significant effects concerning you;
- **The right to freely give, deny or withdraw your consent for the processing of your Sensitive Personal Information.** Please note that certain exceptions outlined in the law may apply, such as, but not limited to, when the collection and processing of Sensitive Personal Information is necessary for the provision of a product or service specifically requested by the consumer.

Additional rights for users residing in Utah

In addition to the rights listed above common to all Users in the United States, as a User residing in Utah, you have

- **The right to opt out of** the processing of your Personal Information for **Targeted Advertising**;
- **The right to opt out of the processing of your Sensitive Personal Information.** Please note that certain exceptions outlined in the law may apply, such as, but not limited to, when the collection and processing of Sensitive Personal Information is necessary for the provision of a product or service specifically requested by the consumer.

How to exercise your privacy rights under US state laws

To exercise the rights described above, you need to submit your request to us by contacting us via the contact details provided in this document.

For us to respond to your request, we must know who you are. We will not respond to any request if we are unable to verify your identity and therefore confirm the Personal Information in our possession relates to you. You are not required to create an account with us to submit your request. We will use any Personal Information collected from you in connection with the verification of your request solely for verification and shall not further disclose the Personal Information, retain it longer than necessary for purposes of verification, or use it for unrelated purposes.

If you are an adult, you can make a request on behalf of a child under your parental authority.

How to exercise your rights to opt out

In addition to what is stated above, to exercise your right to opt-out of Sale or Sharing and Targeted Advertising you can also use the privacy choices link provided on this Website.

If you want to submit requests to opt out of Sale or Sharing and Targeted Advertising activities via a user-enabled **global privacy control**, such as for example the Global Privacy Control ("[GPC](#)"), you are free to do so and we will abide by such request in a frictionless manner.

How and when we are expected to handle your request

We will respond to your request without undue delay, but in all cases within the timeframe required by applicable law. Should we need more time, we will explain to you the reasons why, and how much more time we need.

Should we deny your request, we will explain to you the reasons behind our denial (where envisaged by applicable law you may then contact the relevant authority to submit a complaint).

We do not charge a fee to process or respond to your request unless such request is manifestly unfounded or excessive and in all other cases where it is permitted by the applicable law. In such cases, we may charge a reasonable fee or refuse to act on the request. In either case, we will communicate our choices and explain the reasons behind them.

Additional information for Users in the United States

Profiling of Virginia consumers

We perform automated processing of your personal data to evaluate, analyze, or predict personal aspects related to, for example, your economic situation, health, personal preferences, interests, reliability, behavior, location, or movements. Such profiling activity is done in furtherance of decisions that result in the provision or denial of, for example, financial or lending services, housing, insurance, education enrollment or opportunity, criminal justice, employment opportunities, healthcare services, or access to essential goods or services.

You always have the right to opt out from this kind of profiling activity. To fully exercise this right to opt out you can contact us at any time using the contact details provided in this document. To find out more about your rights and how to exercise them, you can consult the section of this document outlining your rights under the VCDPA.

We do not collect personal data about Virginia consumers below the age of 13

We do not knowingly collect personal data of Virginia consumers who are below the age of 13 nor do we sell their data or process them for targeted advertising purposes.

We do not collect personal information about California consumers below the age of 16

We do not knowingly collect personal information of consumers who are below the age of 16 nor do we sell or share it.

Additional information about Data collection and processing

Legal action

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of this Website or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, this Website may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

System logs and maintenance

For operation and maintenance purposes, this Website and any third-party services may collect files that record interaction with this Website (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

Changes to this privacy policy

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Website and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

Definitions and legal references

Personal Data (or Data) / Personal Information (or Information)

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

Sensitive Personal Information

Sensitive Personal Information means any Personal Information that is not publicly available and reveals information considered sensitive according to the applicable privacy law.

Usage Data

Information collected automatically through this Website (or third-party services employed in this Website), which can include: the IP addresses or domain names of the computers utilized by the Users who use this Website, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilized to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilized by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

User

The individual using this Website who, unless otherwise specified, coincides with the Data Subject.

Data Subject

The natural person to whom the Personal Data refers.

Data Processor (or Processor)

The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

Data Controller (or Owner)

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of this Website. The Data Controller, unless otherwise specified, is the Owner of this Website.

This Website (or this Application)

The means by which the Personal Data of the User is collected and processed.

Service

The service provided by this Website as described in the relative terms (if available) and on this site/application.

Sale

Sale means any exchange of Personal Information by the Owner to a **third party, for monetary or other valuable consideration**, as defined by the applicable privacy US state law. Please note that the exchange of Personal Information with a service provider pursuant to a written contract that meets the requirements set by the applicable law, does not constitute a Sale of your Personal Information.

Sharing

Sharing means any sharing, renting, releasing, disclosing, disseminating, making available, transferring, or otherwise communicating orally, in writing, or by electronic or other means, a consumer's Personal Information by the business to a **third party for cross-context behavioral advertising**, whether for monetary or other valuable consideration, including transactions between a business and a third party for cross-context behavioral advertising for the benefit of a business in which no money is exchanged, as defined by the California privacy laws. Please note that the exchange of Personal Information with a service provider pursuant to a written contract that meets the requirements set by the California privacy laws, does not constitute sharing of your Personal Information.

Targeted advertising

Targeted advertising means displaying advertisements to a consumer where the advertisement is selected based on Personal Information obtained from that consumer's activities over time and across nonaffiliated websites or online applications to predict such consumer's preferences or interests, as defined by the applicable privacy US state law.

European Union (or EU)

Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

Cookie

Cookies are Trackers consisting of small sets of data stored in the User's browser.

Tracker

Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the User's device.

Legal information

This privacy statement has been prepared based on provisions of multiple legislations.

This privacy policy relates solely to this Website, if not stated otherwise within this document.

Latest update: July 06, 2024
