Types of Data collected

Among the types of Personal Data that this Application collects, by itself or through third parties, there are: Trackers; first name; last name; phone number; email address; Usage Data; Data communicated while using the service; geographic position; coarse location; Approximate location permission (continuous); Approximate location permission (non-continuous); Phone permission; Social media accounts permission; Call permission; Compose; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example).

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Application.

Unless specified otherwise, all Data requested by this Application is mandatory and failure to provide this Data may make it impossible for this Application to provide its services. In cases where this Application specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools — by this Application or by the owners of third-party services used by this Application serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through this Application.

Mode and place of processing the Data

Methods of processing

The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Application (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Registration and authentication provided directly by this Application, Infrastructure monitoring, Platform services and hosting, Access to third-party accounts, Interaction with external social networks and platforms, Displaying content from external platforms, Content commenting, Handling activities related to productivity, Location-based interactions, Device permissions for Personal Data access, Collection of privacy-related preferences, Registration and authentication, Analytics, Tag Management, Advertising, Remarketing and behavioral targeting and Beta Testing.

For specific information about the Personal Data used for each purpose, the User may refer to the section “Detailed information on the processing of Personal Data”.

Facebook permissions asked by this Application

This Application may ask for some Facebook permissions allowing it to perform actions with the User's Facebook account and to retrieve information, including Personal Data, from it. This service allows this Application to connect with the User's account on the Facebook social network, provided by Facebook Inc.

For more information about the following permissions, refer to the [Facebook permissions documentation](#) and to the [Facebook privacy policy](#).

The permissions asked are the following:

Basic information

By default, this includes certain User's Data such as id, name, picture, gender, and their locale. Certain connections of the User, such as the Friends, are also available. If the User has made more of their Data public, more information will be available.

News Feed and Wall

Provides access to all the posts in the User's News Feed and enables the application to perform searches against the User's News Feed.

Trackers

Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the User's device.

Usage Data

User Timeline Posts Access

Provides access to the posts on a Users's timeline.

Device permissions for Personal Data access

Depending on the User's specific device, this Application may request certain permissions that allow it to access the User's device Data as described below.

By default, these permissions must be granted by the User before the respective information can be accessed. Once the permission has been given, it can be revoked by the User at any time. In order to revoke these permissions, Users may refer to the device settings or contact the Owner for support at the contact details provided in the present document.

The exact procedure for controlling app permissions may be dependent on the User's device and software.

Please note that the revoking of such permissions might impact the proper functioning of this Application.

If User grants any of the permissions listed below, the respective Personal Data may be processed (i.e accessed to, modified or removed) by this Application.

Approximate location permission (continuous)

Used for accessing the User's approximate device location. This Application may collect, use, and share User location Data in order to provide location-based services.

Approximate location permission (non-continuous)

Used for accessing the User's approximate device location. This Application may collect, use, and share User location Data in order to provide location-based services.

The geographic location of the User is determined in a manner that isn't continuous. This means that it is impossible for this Application to derive the approximate position of the User on a continuous basis.

Call permission

Used for accessing a host of typical features associated with telephony.

Phone permission

Used for accessing a host of typical features associated with telephony. This enables, for instance, read-only access to the “phone state”, which means it enables access to the phone number of the device, current mobile network information, or the status of any ongoing calls.

Social media accounts permission

Used for accessing the User's social media account profiles, such as Facebook and Twitter.

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Access to third-party accounts

This type of service allows this Application to access Data from your account on a third-party service and perform actions with it. These services are not activated automatically, but require explicit authorization by the User.

Facebook account access

This service allows this Application to connect with the User's account on the Facebook social network, provided by Meta Platforms, Inc. or by Meta Platforms Ireland Limited, depending on how the Owner manages the Data processing.

Permissions asked: News Feed and Wall; Trackers; Usage Data; User Timeline Posts Access.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Advertising

This type of service allows User Data to be utilized for advertising communication purposes. These communications are displayed in the form of banners and other advertisements on this Application, possibly based on User interests.

This does not mean that all Personal Data are used for this purpose. Information and conditions of use are shown below.

Some of the services listed below may use Trackers to identify Users or they may use the behavioral retargeting technique, i.e. displaying ads tailored to the User's interests and behavior, including those detected outside this Application. For more information, please check the privacy policies of the relevant services.

Services of this kind usually offer the possibility to opt out of such tracking. In addition to any opt-out feature offered by any of the services below, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section "How to opt-out of interest-based advertising" in this document.

Google Ad Manager

Google Ad Manager is an advertising service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, that allows the Owner to run advertising campaigns in conjunction with external advertising networks that the Owner, unless otherwise specified in this document, has no direct relationship with.

In order to understand Google's use of Data, consult [Google's partner policy](#).

This service uses the “DoubleClick” Cookie, which tracks use of this Application and User behavior concerning ads, products and services offered.

Users may decide to disable all the DoubleClick Cookies by going to: [Google Ad Settings](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Google AdSense

Google AdSense is an advertising service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing. This service uses the “DoubleClick” Cookie, which tracks use of this Application and User behavior concerning ads, products and services offered.

Users may decide to disable all the DoubleClick Cookies by going to: [Google Ad Settings](#).

In order to understand Google's use of data, consult [Google's partner policy](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#); Ireland – [Privacy Policy](#) – [Opt Out](#).

Google Campaign Manager 360

Google Campaign Manager 360 is an advertising service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, that allows the Owner to run advertising campaigns in conjunction with external advertising networks that the Owner, unless otherwise specified in this document, has no direct relationship with. Google Campaign Manager 360 also allows the Owner to measure the campaign's performance, to set up placements, ads, and creatives, and to verify tag implementations (such as errors in the ad's formatting). This Application is collecting and transmitting Data from the User through Google Campaign Manager 360 to media buyers bidding to purchase its inventory. These buyers may collect and store such Data and use such Data for retargeting or other advertising purposes.

Users may decide to disable all the ad personalization Trackers by going to: [Google Ad Settings](#).

In order to understand Google's use of Data, consult [Google's partner policy](#).

Personal Data processed: geographic position; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Google Ads conversion tracking

Google Ads conversion tracking is an analytics service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, that connects data from the Google Ads advertising network with actions performed on this Application.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Google Ads Similar audiences

Similar audiences is an advertising and behavioral targeting service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, that uses Data from Google Ads Remarketing in order to display ads to Users with similar behavior to Users who are already on the remarketing list due to their past use of this Application. On the basis of this Data, personalized ads will be shown to Users suggested by Google Ads Similar audiences.

Users who don't want to be included in Similar audiences can opt out and disable the use of advertising Trackers by going to: Google [Ad Settings](#).

In order to understand Google's use of Data, consult [Google's partner policy](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#); Ireland – [Privacy Policy](#) – [Opt Out](#).

Analytics

The services contained in this section enable the Owner to monitor and analyze web traffic and can be used to keep track of User behavior.

Google Analytics (Universal Analytics)

Google Analytics (Universal Analytics) is a web analysis service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, (“Google”). Google utilizes the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services. Google may use the Data collected to contextualize and personalize the ads of its own advertising network.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#); Ireland – [Privacy Policy](#) – [Opt Out](#).

Google Analytics Advertising Reporting Features

Google Analytics on this Application has Advertising Reporting Features activated, which collects additional information from the DoubleClick cookie (web activity) and from device advertising IDs (app activity). It allows the Owner to analyze specific behavior and interests Data (traffic Data and Users' ads interaction Data) and, if enabled, demographic Data (information about the age and gender).

Users can opt out of Google's use of cookies by visiting Google's [Ads Settings](#).

Personal Data processed: Trackers; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example); various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#); Ireland – [Privacy Policy](#) – [Opt Out](#).

User ID extension for Google Analytics

Google Analytics on this Application makes use of a feature called User ID. This setup allows for a more accurate tracking of Users by associating that User with the same ID over various sessions and devices. It is set up in a way that doesn't allow Google to personally identify an individual or permanently identify a particular device.

The User ID extension might make it possible to connect Data from Google Analytics with other Data about the User collected by this Application.

The opt-out link below will only opt you out for the device you are on, but not from tracking performed independently by the Owner. Contact the Owner via the email address provided in this privacy policy to object to the aforementioned tracking as well.

Personal Data processed: Trackers.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#); Ireland – [Privacy Policy](#) – [Opt Out](#).

Google Analytics Demographics and Interests reports

Google Analytics Demographics and Interests reports is a Google Advertising Reporting feature that makes available demographic and interests Data inside Google Analytics for this Application (demographics means age and gender Data).

Users can opt out of Google's use of cookies by visiting Google's [Ads Settings](#).

Personal Data processed: Trackers; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example).

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#); Ireland – [Privacy Policy](#) – [Opt Out](#).

Beta Testing

This type of service makes it possible to manage User access to this Application, or parts of it, for the purpose of testing a certain feature or the entire Application.

The service provider may automatically collect data related to crashes and statistics related to the User's use of this Application in a personally identifiable form.

Google Play Beta Testing

Google Play Beta Testing is a beta testing service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing.

Personal Data processed: Trackers.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Collection of privacy-related preferences

This type of service allows this Application to collect and store Users' preferences related to the collection, use, and processing of their personal information, as requested by the applicable privacy legislation.

iubenda Privacy Controls and Cookie Solution (iubenda srl)

The iubenda Privacy Controls and Cookie Solution allows the Owner to collect and store Users' preferences related to the processing of personal information, and in particular to the use of Cookies and other Trackers on this Application.

Personal Data processed: Trackers.

Place of processing: Italy – [Privacy Policy](#).

Content commenting

Content commenting services allow Users to make and publish their comments on the contents of this Application. Depending on the settings chosen by the Owner, Users may also leave anonymous comments. If there is an email address among the Personal Data provided by the User, it may be used to send notifications of comments on the same content. Users are responsible for the content of their own comments.

If a content commenting service provided by third parties is installed, it may still collect web traffic data for the pages where the comment service is installed, even when Users do not use the content commenting service.

Facebook Comments

Facebook Comments is a content commenting service provided by Meta Platforms, Inc. or by Meta Platforms Ireland Limited, depending on how the Owner manages the Data processing, enabling the User to leave comments and share them on the Facebook platform.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Device permissions for Personal Data access

This Application requests certain permissions from Users that allow it to access the User's device Data as described below.

Displaying content from external platforms

This type of service allows you to view content hosted on external platforms directly from the pages of this Application and interact with them.

This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

OpenStreetMap widget (OpenStreetMap Foundation)

OpenStreetMap widget is a maps visualization service provided by OpenStreetMap Foundation that allows this Application to incorporate content of this kind on its pages.

Personal Data processed: Trackers; Usage Data.

Place of processing: United Kingdom – [Privacy Policy](#).

Instagram widget

Instagram is an image visualization service provided by Meta Platforms, Inc. or by Meta Platforms Ireland Limited, depending on how the Owner manages the Data processing, that allows this Application to incorporate content of this kind on its pages.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Google Maps widget

Google Maps is a maps visualization service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, that allows this Application to incorporate content of this kind on its pages.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Handling activities related to productivity

This type of service helps the Owner to manage tasks, collaboration and, in general, activities related to productivity. In using this type of service, Data of Users will be processed and may be retained, depending on the purpose of the activity in question. These services may be integrated with a wide range of third-party services disclosed within this privacy policy to enable the Owner to import or export Data needed for the relative activity.

Google Workspace

Google Workspace is an integrated suite of cloud-based productivity, collaboration and storage services provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing. Gmail or other G Suite services are not scanned by Google for advertising purposes. In addition, Google does not collect or use data inside these services for advertising purposes in any other way.

Personal Data processed: Data communicated while using the service; email address; first name; last name.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Infrastructure monitoring

This type of service allows this Application to monitor the use and behavior of its components so its performance, operation, maintenance and troubleshooting can be improved. Which Personal Data are processed depends on the characteristics and mode of implementation of these services, whose function is to filter the activities of this Application.

Sentry (Functional Software, Inc.)

Sentry is a monitoring service provided by Functional Software, Inc. .

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#).

Interaction with external social networks and platforms

This type of service allows interaction with social networks or other external platforms directly from the pages of this Application.

The interaction and information obtained through this Application are always subject to the User's privacy settings for each social network.

This type of service might still collect traffic data for the pages where the service is installed, even when Users do not use it. It is recommended to log out from the respective services in order to make sure that the processed data on this Application isn't being connected back to the User's profile.

Facebook Like button and social widgets

The Facebook Like button and social widgets are services allowing interaction with the Facebook social network provided by Meta Platforms, Inc. or by Meta Platforms Ireland Limited, depending on how the Owner manages the Data processing.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Buffer button and social widgets (Buffer)

The Buffer button and social widgets are services allowing interaction with the Buffer service provided by Buffer, Inc.

Personal Data processed: Usage Data.

Place of processing: United States – [Privacy Policy](#).

Location-based interactions

Geolocation (this Application)

This Application may collect, use, and share User location Data in order to provide location-based services. Most browsers and devices provide tools to opt out from this feature by default. If explicit authorization has been provided, the User's location data may be tracked by this Application.

Personal Data processed: geographic position.

Non-continuous geolocation (this Application)

This Application may collect, use, and share User location Data in order to provide location-based services. Most browsers and devices provide tools to opt out from this feature by default. If explicit authorization has been provided, the User's location data may be tracked by this Application.

The geographic location of the User is determined in a manner that isn't continuous, either at the specific request of the User or when the User doesn't point out its current location in the appropriate field and allows the application to detect the position automatically.

Personal Data processed: coarse location.

Platform services and hosting

These services have the purpose of hosting and running key components of this Application, therefore allowing the provision of this Application from within a unified platform. Such platforms provide a wide range of tools to the Owner – e.g. analytics, user registration, commenting, database management, e-commerce, payment processing – that imply the collection and handling of Personal Data.

Some of these services work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

Wix (Wix.com, Ltd.)

Wix is a platform provided by Wix.com, Ltd. that allows the Owner to build, run and host this Application. Wix is highly customizable and can host websites from simple blogs to complex e-commerce platforms.

Personal Data processed: email address; first name; last name; phone number; Trackers; Usage Data.

Place of processing: Israel – [Privacy Policy](#).

Registration and authentication

By registering or authenticating, Users allow this Application to identify them and give them access to dedicated services. Depending on what is described below, third parties may provide registration and authentication services. In this case, this Application will be able to access some Data, stored by these third-party services, for registration or identification purposes. Some of the services listed below may also collect Personal Data for targeting and profiling purposes; to find out more, please refer to the description of each service.

Facebook Authentication

Facebook Authentication is a registration and authentication service provided by Meta Platforms, Inc. or by Meta Platforms Ireland Limited, depending on how the Owner manages the Data processing, and is connected to the Facebook social network.

Personal Data processed: Trackers; various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Instagram Authentication

Instagram Authentication is a registration and authentication service provided by Meta Platforms, Inc. or by Meta Platforms Ireland Limited, depending on how the Owner manages the Data processing, and is connected to the Instagram social network.

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Gmail permissions to access User Data (OAuth addition)

To provide its service, this Application uses restricted scopes for Gmail which allow access to User Data related to this Google service (as indicated below). This access is provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, [under strict terms](#). Here's what this means for such User Data:

- The use of User Data is limited to providing or improving User-facing features. User Data will not be used for serving ads, including retargeting, personalized, or interest-based advertising.
- User Data will be transferred to third parties only if necessary, to provide or improve User-facing features and as necessary to comply with applicable law or as part of a merger, acquisition, or sale of assets with notice to Users.
- Humans will not read the Data unless:
 - the Owner has obtained the User's affirmative agreement for specific messages;
 - it is necessary for security purposes and/or to comply with applicable law, or;
 - the use is limited to internal operations and the Data (including derivations) have been aggregated and anonymized.

Personal Data processed: Compose.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Registration and authentication provided directly by this Application

By registering or authenticating, Users allow this Application to identify them and give them access to dedicated services. The Personal Data is collected and stored for registration or identification purposes only. The Data collected are only those necessary for the provision of the service requested by the Users.

Direct registration (this Application)

The User registers by filling out the registration form and providing the Personal Data directly to this Application.

Personal Data processed: email address; first name; last name; phone number; Trackers.

Remarketing and behavioral targeting

This type of service allows this Application and its partners to inform, optimize and serve advertising based on past use of this Application by the User.

This activity is facilitated by tracking Usage Data and by using Trackers to collect information which is then transferred to the partners that manage the remarketing and behavioral targeting activity.

Some services offer a remarketing option based on email address lists.

Services of this kind usually offer the possibility to opt out of such tracking. In addition to any opt-out feature offered by any of the services below, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section "How to opt-out of interest-based advertising" in this document.

Google Ad Manager Audience Extension

Google Ad Manager Audience Extension is a remarketing and behavioral targeting service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, that tracks the visitors of this Application and allows selected advertising partners to display targeted ads across the web to them.

In order to understand Google's use of Data, consult [Google's partner policy](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#); Ireland – [Privacy Policy](#) – [Opt Out](#).

Google Ads Remarketing

Google Ads Remarketing is a remarketing and behavioral targeting service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, that connects the activity of this Application with the Google Ads advertising network and the DoubleClick Cookie.

In order to understand Google's use of Data, consult [Google's partner policy](#).

Users can opt out of Google's use of Trackers for ads personalization by visiting Google's [Ads Settings](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#); Ireland – [Privacy Policy](#) – [Opt Out](#).

Remarketing with Google Analytics

Remarketing with Google Analytics is a remarketing and behavioral targeting service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, that connects the tracking activity performed by Google Analytics and its Trackers with the Google Ads advertising network and the Doubleclick Cookie.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#); Ireland – [Privacy Policy](#) – [Opt Out](#).

Tag Management

This type of service helps the Owner to manage the tags or scripts needed on this Application in a centralized fashion. This results in the Users' Data flowing through these services, potentially resulting in the retention of this Data.

Google Tag Manager

Google Tag Manager is a tag management service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#); Ireland – [Privacy Policy](#).

Information on opting out of interest-based advertising

In addition to any opt-out feature provided by any of the services listed in this document, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section of the Cookie Policy.

This Application uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

Further Information for Users

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes.
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Further information about retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.

- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

The rights of Users based on the General Data Protection Regulation (GDPR)

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following, to the extent permitted by law:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Users are also entitled to learn about the legal basis for Data transfers abroad including to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

Details about the right to object to processing

Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification. Where the User objects to processing for direct marketing purposes, the Personal Data will no longer be processed for such purposes. To learn whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law. Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort. At the Users' request, the Owner will inform them about those recipients.

Additional information about Data collection and processing

Legal action

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of this Application or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, this Application may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

System logs and maintenance

For operation and maintenance purposes, this Application and any third-party services may collect files that record interaction with this Application (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

Changes to this privacy policy

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Application and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

Definitions and legal references

Personal Data (or Data)

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

Usage Data

Information collected automatically through this Application (or third-party services employed in this Application), which can include: the IP addresses or domain names of the computers utilized by the Users who use this Application, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilized to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilized by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

User

The individual using this Application who, unless otherwise specified, coincides with the Data Subject.

Data Subject

The natural person to whom the Personal Data refers.

Data Processor (or Processor)

The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

Data Controller (or Owner)

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of this Application. The Data Controller, unless otherwise specified, is the Owner of this Application.

This Application

The means by which the Personal Data of the User is collected and processed.

Service

The service provided by this Application as described in the relative terms (if available) and on this site/application.

European Union (or EU)

Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

Cookie

Cookies are Trackers consisting of small sets of data stored in the User's browser.

Tracker

Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the User's device.

Compose
