Types of Data collected

Among the types of Personal Data that IWMS Mobile App collects, by itself or through third parties, there are: diagnostics; geographic position; Usage Data; number of sessions; session duration; Trackers; various types of Data; email address; password; first name; last name; picture.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using IWMS Mobile App.

Unless specified otherwise, all Data requested by IWMS Mobile App is mandatory and failure to provide this Data may make it impossible for IWMS Mobile App to provide its services. In cases where IWMS Mobile App specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools — by IWMS Mobile App or by the owners of third-party services used by IWMS Mobile App serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through IWMS Mobile App.

Mode and place of processing the Data

Methods of processing

The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of IWMS Mobile App (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Platform services and hosting, Location-based interactions, Hosting and backend infrastructure, Analytics, Collection of privacy-related preferences, Data transfer outside of the UK, Registration and authentication and User database management.

For specific information about the Personal Data used for each purpose, the User may refer to the section "Detailed information on the processing of Personal Data".

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Analytics

The services contained in this section enable the Owner to monitor and analyze web traffic and can be used to keep track of User behavior.

App Center - Analytics (Microsoft Corporation)

App Center - Analytics is an analytics service provided by Microsoft Corporation.

Personal Data processed: number of sessions; session duration; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Google Analytics (Universal Analytics) (Google Ireland Limited)

Google Analytics (Universal Analytics) is a web analysis service provided by Google Ireland Limited ("Google"). Google utilizes the Data collected to track and examine the use of IWMS Mobile App, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualize and personalize the ads of its own advertising network.

In order to understand Google's use of Data, consult [Google's partner policy](#).

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

Collection of privacy-related preferences

This type of service allows IWMS Mobile App to collect and store Users' preferences related to the collection, use, and processing of their personal information, as requested by the applicable privacy legislation.

iubenda Privacy Controls and Cookie Solution (iubenda srl)

The iubenda Privacy Controls and Cookie Solution allows the Owner to collect and store Users' preferences related to the processing of personal information, and in particular to the use of Cookies and other Trackers on IWMS Mobile App.

Personal Data processed: Trackers.

Place of processing: Italy – [Privacy Policy](#).

Hosting and backend infrastructure

This type of service has the purpose of hosting Data and files that enable IWMS Mobile App to run and be distributed as well as to provide a ready-made infrastructure to run specific features or parts of IWMS Mobile App.

Some services among those listed below, if any, may work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

Amazon Web Services (AWS) (Amazon Web Services, Inc.)

Amazon Web Services (AWS) is a hosting and backend service provided by Amazon Web Services, Inc.

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: Germany – [Privacy Policy](#).

Location-based interactions

Geolocation (IWMS Mobile App)

IWMS Mobile App may collect, use, and share User location Data in order to provide location-based services.

Most browsers and devices provide tools to opt out from this feature by default. If explicit authorization has been provided, the User's location data may be tracked by IWMS Mobile App.

Personal Data processed: geographic position.

Platform services and hosting

These services have the purpose of hosting and running key components of IWMS Mobile App, therefore allowing the provision of IWMS Mobile App from within a unified platform. Such platforms provide a wide range of tools to the Owner – e.g. analytics, user registration, commenting, database management, e-commerce, payment processing – that imply the collection and handling of Personal Data.

Some of these services work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

App Store Connect (Apple Inc.)

IWMS Mobile App is distributed on Apple's App Store, a platform for the distribution of mobile apps, provided by Apple Inc.

App Store Connect enables the Owner to manage IWMS Mobile App on Apple's App Store. Depending on the configuration, App Store Connect provides the Owner with analytics data on user engagement and app discovery, marketing campaigns, sales, in-app purchases, and payments to measure the performance of IWMS Mobile App. App Store Connect only collects such data from Users who have agreed to share them with the Owner. Users may find more information on how to opt out via their device settings [here](#).

Personal Data processed: diagnostics.

Place of processing: United States – [Privacy Policy](#).

Google Play Store (Google Ireland Limited)

IWMS Mobile App is distributed on the Google Play Store, a platform for the distribution of mobile apps, provided by Google Ireland Limited.

By virtue of being distributed via this app store, Google collects usage and diagnostics data and share aggregate information with the Owner. Much of this information is processed on an opt-in basis.

Users may opt-out of this analytics feature directly through their device settings. More information on how to manage analysis settings can be found on [this page](#).

Personal Data processed: Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

Registration and authentication

By registering or authenticating, Users allow IWMS Mobile App to identify them and give them access to dedicated services. Depending on what is described below, third parties may provide registration and authentication services. In this case, IWMS Mobile App will be able to access some Data, stored by these third-party services, for registration or identification purposes. Some of the services listed below may also collect Personal Data for targeting and profiling purposes; to find out more, please refer to the description of each service.

Auth0 (Auth0, Inc)

Auth0 is a registration and authentication service provided by Auth0, Inc. To simplify the registration and authentication process, Auth0 can make use of third-party identity providers and save the information on its platform.

Personal Data processed: email address; first name; last name; password; picture; Trackers; various types of Data as specified in the privacy policy of the service.

Place of processing: European Union – [Privacy Policy](#).

User database management

This type of service allows the Owner to build user profiles by starting from an email address, a personal name, or other information that the User provides to IWMS Mobile App, as well as to track User activities through analytics features. This Personal Data may also be matched with publicly available information about the User (such as social networks' profiles) and used to build private profiles that the Owner can display and use for improving IWMS Mobile App. Some of these services may also enable the sending of timed messages to the User, such as emails based on specific actions performed on IWMS Mobile App.

HubSpot CRM (HubSpot, Inc.)

HubSpot CRM is a User database management service provided by HubSpot, Inc.

Personal Data processed: email address; first name; last name.

Place of processing: United States – [Privacy Policy](#).

Further information about the processing of Personal Data

Push notifications

IWMS Mobile App may send push notifications to the User to achieve the purposes outlined in this privacy policy.

Users may in most cases opt-out of receiving push notifications by visiting their device settings, such as the notification settings for mobile phones, and then change those settings for IWMS Mobile App, some or all of the apps on the particular device. Users must be aware that disabling push notifications may negatively affect the utility of IWMS Mobile App.

Cookie Policy

IWMS Mobile App uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

Further Information for Users

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes.
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Further information about retention time

Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users' consent.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.

- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

The rights of Users based on the General Data Protection Regulation (GDPR)

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following, to the extent permitted by law:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Users are also entitled to learn about the legal basis for Data transfers abroad including to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

Details about the right to object to processing

Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification. Where the User objects to processing for direct marketing purposes, the Personal Data will no longer be processed for such purposes. To learn whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law. Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort. At the Users' request, the Owner will inform them about those recipients.

Transfer of Personal Data outside of the United Kingdom

Data transfer abroad based on consent (UK)

If this is the legal basis, Personal Data of Users shall be transferred from the UK to third countries only if the User has explicitly consented to such transfer, after having been informed of the possible risks due to the absence of an adequacy decision and appropriate safeguards.

In such cases, the Owner shall inform Users appropriately and collect their explicit consent via IWMS Mobile App.

Additional information about Data collection and processing

Legal action

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of IWMS Mobile App or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, IWMS Mobile App may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

System logs and maintenance

For operation and maintenance purposes, IWMS Mobile App and any third-party services may collect files that record interaction with IWMS Mobile App (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

Changes to this privacy policy

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within IWMS Mobile App and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

Definitions and legal references

Personal Data (or Data)

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

Usage Data

Information collected automatically through IWMS Mobile App (or third-party services employed in IWMS Mobile App), which can include: the IP addresses or domain names of the computers utilized by the Users who use IWMS Mobile App, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilized to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilized by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

User

The individual using IWMS Mobile App who, unless otherwise specified, coincides with the Data Subject.

Data Subject

The natural person to whom the Personal Data refers.

Data Processor (or Processor)

The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

Data Controller (or Owner)

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of IWMS Mobile App. The Data Controller, unless otherwise specified, is the Owner of IWMS Mobile App.

IWMS Mobile App (or this Application)

The means by which the Personal Data of the User is collected and processed.

Service

The service provided by IWMS Mobile App as described in the relative terms (if available) and on this site/application.

European Union (or EU)

Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

Cookie

Cookies are Trackers consisting of small sets of data stored in the User's browser.

Tracker

Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the User's device.

Legal information

This privacy policy relates solely to IWMS Mobile App, if not stated otherwise within this document.
