

Privacy Policy of www.technigo.io/

This Website collects some Personal Data from its Users.

Owner and Data Controller

Hanna Petterson

Owner contact email: hanna@technigo.io

Types of Data collected

Among the types of Personal Data that this Website collects, by itself or through third parties, there are: Trackers; Email; Usage Data; number of Users; session statistics; device information; username; first name; phone number; county; email address; profession; last name; payment info; billing address; physical address; geographic position; VAT Number; company name; Tax ID; country; gender; precise location; language; Data communicated while using the service.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Website. Unless specified otherwise, all Data requested by this Website is mandatory and failure to provide this Data may make it impossible for this Website to provide its services. In cases where this Website specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools — by this Website or by the owners of third-party services used by this Website serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Users are responsible for any third-party Personal Data obtained, published or shared through this Website.

Mode and place of processing the Data

Methods of processing

The Owner takes appropriate security measures to prevent unauthorised access, disclosure, modification, or unauthorised destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organisational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Website (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Retention time

Personal Data shall be processed and stored for as long as required by the purpose they have been collected for.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: User database management, Analytics, Tag Management, Advertising, Heat mapping and

session recording, Handling activities related to productivity, Contacting the User, Handling payments, Managing data collection and online surveys, Interaction with data collection platforms and other third parties, Remarketing and behavioural targeting, Hosting and backend infrastructure and Infrastructure monitoring.

For specific information about the Personal Data used for each purpose, the User may refer to the section “Detailed information on the processing of Personal Data”.

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Advertising

This type of service allows User Data to be utilised for advertising communication purposes. These communications are displayed in the form of banners and other advertisements on this Website, possibly based on User interests. This does not mean that all Personal Data are used for this purpose. Information and conditions of use are shown below. Some of the services listed below may use Trackers to identify Users or they may use the behavioural retargeting technique, i.e. displaying ads tailored to the User’s interests and behaviour, including those detected outside this Website.

For more information, please check the privacy policies of the relevant services.

Services of this kind usually allow Users to opt out of such tracking. Users may learn how to opt out of interest-based advertising more generally by visiting the relevant opt-out section in this document.

Meta ads conversion tracking (Meta pixel) (Meta Platforms Ireland Limited)

Meta ads conversion tracking (Meta pixel) is an analytics service provided by Meta Platforms Ireland Limited that connects data from the Meta Audience Network with actions performed on this Website. The Meta pixel tracks conversions that can be attributed to ads on Facebook, Instagram and Meta Audience Network.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt out](#).

Google Ads conversion tracking (Google Ireland Limited)

Google Ads conversion tracking is an analytics service provided by Google Ireland Limited that connects data from the Google Ads advertising network with actions performed on this Website.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

LinkedIn Ads (LinkedIn Ireland Unlimited Company)

LinkedIn Ads is an advertising service provided by LinkedIn Ireland Unlimited Company.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt out](#).

LinkedIn conversion tracking (LinkedIn Insight Tag) (LinkedIn Corporation)

LinkedIn conversion tracking (LinkedIn Insight Tag) is an analytics and behavioural targeting service provided by LinkedIn Corporation that connects data from the LinkedIn advertising network with actions performed on this Website. The LinkedIn Insight Tag tracks conversions that can be attributed to LinkedIn ads and enables to target groups of Users on the base of their past use of this Website.

Users may opt out of behavioural targeting features through their device settings, [their LinkedIn account settings](#) or by visiting the [AdChoices opt-out page](#).

Personal Data processed: device information; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Pinterest Ads (Pinterest, Inc.)

Pinterest Ads is an advertising service provided by Pinterest, Inc. that allows the Owner to run advertising campaigns on the Pinterest advertising network.

Users may opt out of behavioural advertising features through their device settings, their Pinterest [personalization settings](#).

Personal Data processed: Trackers.

Place of processing: United States – [Privacy Policy](#) – [Opt out](#).

Pinterest Conversion Tag (Pinterest, Inc.)

Pinterest Conversion Tag is an analytics service provided by Pinterest, Inc. that connects data from the Pinterest advertising network with actions performed on this Website.

Users may opt out of behavioural advertising features through their device settings, their Pinterest [personalization settings](#) or by visiting the [AdChoices opt-out page](#).

Personal Data processed: device information; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt out](#).

Analytics

The services contained in this section enable the Owner to monitor and analyse web traffic and can be used to keep track of User behaviour.

Google Analytics 4 (Google Ireland Limited)

Google Analytics 4 is a web analysis service provided by Google Ireland Limited (“Google”). Google utilizes the Data collected to track and examine the use of this Website, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualize and personalize the ads of its own advertising network.

In Google Analytics 4, IP addresses are used at collection time and then discarded before Data is logged in any data center or server. Users can learn more by consulting [Google’s official documentation](#).

In order to understand Google's use of Data, consult [Google's partner policy](#).

Personal Data processed: number of Users; session statistics; Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#) – [Opt Out](#).

Contacting the User

Contact form (this Website)

By filling in the contact form with their Data, the User authorises this Website to use these details to reply to requests for information, quotes or any other kind of request as indicated by the form’s header.

Personal Data processed: county; email address; first name; phone number; profession.

Mailing list or newsletter (this Website)

By registering on the mailing list or for the newsletter, the User’s email address will be added to the contact list of those who may receive email messages containing information of commercial or promotional nature concerning this Website. Your email address might also be added to this list as a result of signing up to this Website or after making a purchase.

Personal Data processed: country; email address; first name; last name; phone number; profession; Trackers.

Handling activities related to productivity

This type of service helps the Owner to manage tasks, collaboration and, in general, activities related to productivity. In using this type of service, Data of Users will be processed and may be retained, depending on the purpose of the activity in question. These services may be integrated with a wide range of third-party services disclosed within this privacy policy to enable the Owner to import or export Data needed for the relative activity.

Notion (Notion Labs, Inc.)

Notion is an online text-editing and collaboration service provided by Notion Labs, Inc. .

Personal Data processed: username.

Place of processing: United States – [Privacy Policy](#).

Handling payments

Unless otherwise specified, this Website processes any payments by credit card, bank transfer or other means via external payment service providers. In general and unless where otherwise stated, Users are requested to provide their payment details and personal information directly to such payment service providers. This Website isn't involved in the collection and processing of such information: instead, it will only receive a notification by the relevant payment service provider as to whether payment has been successfully completed.

Stripe (Stripe Technology Europe Ltd)

Stripe is a payment service provided by Stripe Technology Europe Ltd.

Personal Data processed: billing address; email address; first name; last name; payment info.

Place of processing: European Union – [Privacy Policy](#).

Heat mapping and session recording

Heat mapping services are used to display the areas of this Website that Users interact with most frequently. This shows where the points of interest are. These services make it possible to monitor and analyse web traffic and keep track of User behaviour. Some of these services may record sessions and make them available for later visual playback.

Microsoft Clarity (Microsoft Corporation)

Microsoft Clarity is a session recording and heat mapping service provided by Microsoft Corporation.

Microsoft processes or receives Personal Data via Microsoft Clarity, which in turn may be used for any purpose in accordance with the Microsoft Privacy Statement, including improving and providing Microsoft Advertising.

Personal Data processed: Trackers.

Place of processing: United States – [Privacy Policy](#).

Hotjar Heat Maps and Recordings (Hotjar Ltd.)

Hotjar is a session recording and heat mapping service provided by Hotjar Ltd. Hotjar honours generic „Do Not Track” headers. This means the browser can tell its script not to collect any of the User's data. This is a setting that is available in all major browsers. Find Hotjar's [opt-out information here](#).

Personal Data processed: Trackers; Usage Data; various types of Data as specified in the privacy policy of the service.

Place of processing: Malta – [Privacy Policy](#) – [Opt Out](#).

Hosting and backend infrastructure

This type of service has the purpose of hosting Data and files that enable this Website to run and be distributed as well as to provide a ready-made infrastructure to run specific features or parts of this Website.

Some services among those listed below, if any, may work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

Netlify (Netlify, Inc.)

Netlify is a hosting service provided by Netlify, Inc.

Personal Data processed: Data communicated while using the service.

Place of processing: United States – [Privacy Policy](#).

Infrastructure monitoring

This type of service allows this Website to monitor the use and behaviour of its components so its performance, operation, maintenance and troubleshooting can be improved. Which Personal Data are processed depends on the characteristics and mode of implementation of these services, whose function is to filter the activities of this Website.

Sentry (Functional Software, Inc.)

Sentry is a monitoring service provided by Functional Software, Inc. .

Personal Data processed: various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#).

Interaction with data collection platforms and other third parties

This type of service allows Users to interact with data collection platforms or other services directly from the pages of this Website for the purpose of saving and reusing data. If one of these services is installed, it may collect browsing and Usage Data in the pages where it is installed, even if the Users do not actively use the service.

Sleeknote (Netlify, Inc.)

Sleeknote is a popup management service provided by Netlify, Inc. Users may opt out of such collection and use of Data by following the instructions provided by the Network Advertising Initiative (<http://optout.networkadvertising.org/?c=1>) and AdChoices (<https://optout.aboutads.info/?c=2&lang=EN>) or through applicable device settings, such as the device advertising settings for mobile devices or ads settings in general.

Personal Data processed: Data communicated while using the service; device information; email address; first name; gender; language; last name; phone number; physical address; precise location; Trackers; Usage Data.

Place of processing: Denmark – [Privacy Policy](#).

Managing data collection and online surveys

This type of service allows this Website to manage the creation, deployment, administration, distribution and analysis of online forms and surveys in order to collect, save and reuse Data from any responding Users.

The Personal Data collected depend on the information asked and provided by the Users in the corresponding online form.

These services may be integrated with a wide range of third-party services to enable the Owner to take subsequent steps with the Data processed - e.g. managing contacts, sending messages, analytics, advertising and payment processing.

Typeform (TYPEFORM S.L)

Typeform is a form builder and data collection platform provided by TYPEFORM S.L.

Personal Data processed: company name; country; email address; first name; geographic position; last name; phone number; physical address; profession; Tax ID; various types of Data as specified in the privacy policy of the service; VAT Number.

Place of processing: Spain – [Privacy Policy](#).

Remarketing and behavioural targeting

This type of service allows this Website and its partners to inform, optimize and serve advertising based on past use of this Website by the User. This activity is facilitated by tracking Usage Data and by using Trackers to collect information which is then transferred to the partners that manage the remarketing and behavioural targeting activity. Some services offer a remarketing option based on email address lists. Services of this kind usually allow Users to opt out of such tracking. Users may learn how to opt out of interest-based advertising more generally by visiting the relevant opt-out section in this document.

LinkedIn Website Retargeting (LinkedIn Corporation)

LinkedIn Website Retargeting is a remarketing and behavioural targeting service provided by LinkedIn Corporation that connects the activity of this Website with the LinkedIn advertising network.

Personal Data processed: Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#).

Tag Management

This type of service helps the Owner to manage the tags or scripts needed on this Website in a centralised fashion. This results in the Users' Data flowing through these services, potentially resulting in the retention of this Data.

Google Tag Manager (Google Ireland Limited)

Google Tag Manager is a tag management service provided by Google Ireland Limited.

Personal Data processed: Trackers; Usage Data.

Place of processing: Ireland – [Privacy Policy](#).

User database management

This type of service allows the Owner to build user profiles by starting from an email address, a personal name, or other information that the User provides to this Website, as well as to track User activities through analytics features. This Personal Data may also be matched with publicly available information about the User (such as social networks' profiles) and used to build private profiles that the Owner can display and use for improving this Website.

Some of these services may also enable the sending of timed messages to the User, such as emails based on specific actions performed on this Website.

Drip (Drip Global, Inc.)

Drip is a User database management service provided by Drip Global, Inc. Drip leverages the User's email address, which it can combine with Data that is gathered from this Website and other sources (if any, indicated within this privacy policy), to enable this Website to set up automations and communicate with Users in a personalised context and timing.

Personal Data processed: Email; Trackers; Usage Data.

Place of processing: United States – [Privacy Policy](#).

Information on opting out of interest-based advertising

In addition to any opt-out feature provided by any of the services listed in this document, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section of the Cookie Policy.

Cookie Policy

This Website uses Trackers. To learn more, Users may consult the [Cookie Policy](#).

Further Information for Users

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes.
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Further information about retention time

Personal Data shall be processed and stored for as long as required by the purpose they have been collected for.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

The rights of Users based on the General Data Protection Regulation (GDPR)

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following, to the extent permitted by law:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Users are also entitled to learn about the legal basis of Data transfers to a country outside the European Union or to any international organisation governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

If any such transfer takes place, Users can find out more by checking the relevant sections of this document or enquire with the Owner using the information provided in the contact section.

Details about the right to object to processing

Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification. Where the User objects to processing for direct marketing purposes, the Personal Data will no longer be processed for such purposes. To learn whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law. Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort. At the Users' request, the Owner will inform them about those recipients.

Further information for Users in Switzerland

This section applies to Users in Switzerland, and, for such Users, supersedes any other possibly divergent or conflicting information contained in the privacy policy.

Further details regarding the categories of Data processed, the purposes of processing, the categories of recipients of the personal data, if any, the retention period and further information about Personal Data can be found in **the section titled "Detailed information on the processing of Personal Data" within this document.**

The rights of Users according to the Swiss Federal Act on Data Protection

Users may exercise certain rights regarding their Data within the limits of law, including the following:

- right of access to Personal Data;
- right to object to the processing of their Personal Data (which also allows Users to demand that processing of Personal Data be restricted, Personal Data be deleted or destroyed, specific disclosures of Personal Data to third parties be prohibited);
- right to receive their Personal Data and have it transferred to another controller (data portability);
- right to ask for incorrect Personal Data to be corrected.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. Such requests are free of charge and will be answered by the Owner as early as possible, providing Users with the information required by law.

Additional information about Data collection and processing

Legal action

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of this Website or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, this Website may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

System logs and maintenance

For operation and maintenance purposes, this Website and any third-party services may collect files that record interaction with this Website (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

Changes to this privacy policy

The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Website and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

Definitions and legal references

Personal Data (or Data)

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

Usage Data

Information collected automatically through this Website (or third-party services employed in this Website), which can include: the IP addresses or domain names of the computers utilised by the Users who use this Website, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilised to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilised by the User, the various time details per visit (e.g., the time spent on

each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

User

The individual using this Website who, unless otherwise specified, coincides with the Data Subject.

Data Subject

The natural person to whom the Personal Data refers.

Data Processor (or Processor)

The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

Data Controller (or Owner)

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of this Website. The Data Controller, unless otherwise specified, is the Owner of this Website.

This Website (or this Application)

The means by which the Personal Data of the User is collected and processed.

Service

The service provided by this Website as described in the relative terms (if available) and on this site/application.

European Union (or EU)

Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

Cookie

Cookies are Trackers consisting of small sets of data stored in the User's browser.

Tracker

Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the User's device.

Email

Provides access to the User's primary email address.

Legal information

This privacy statement has been prepared based on provisions of multiple legislations.

This privacy policy relates solely to this Website, if not stated otherwise within this document.

Latest update: 3 December 2024
