## TERMS AND CONDITIONS OF SALE

### Paid Products

Some of the Products provided on Mitigant, as part of the Service, are provided on the basis of payment.

The fees, duration and conditions applicable to the purchase of such Products are described below and in the dedicated sections of Mitigant.

### Product description

Prices, descriptions or availability of Products are outlined in the respective sections of Mitigant and are subject to change without notice.

While Products on Mitigant are presented with the greatest accuracy technically possible, representation on Mitigant through any means (including, as the case may be, graphic material, images, colors, sounds) is for reference only and implies no warranty as to the characteristics of the purchased Product.

The characteristics of the chosen Product will be outlined during the purchasing process.

**The offer of Products is nonbinding. In order to complete the purchase, Users are requested to submit a binding order. Only once such order is accepted is the contract concluded.**

### Purchasing process

Any steps taken from choosing a Product to order submission form part of the purchasing process.

The purchasing process includes these steps:

- Users must choose the desired Product and verify their purchase selection.
- After having reviewed the information displayed in the purchase selection, Users may place the order by submitting it.

### Order submission

When the User submits an order, the following applies:

- Each order submitted constitutes an offer to purchase. The submission of the order creates for the User the obligation to pay the price, taxes and possible further fees and expenses, as specified on the order page.
- In case the purchased Product requires an action from the User, such as the provision of personal information or data, specifications or special wishes, the order submission creates an obligation for the User to cooperate accordingly.
- Upon submission of the order, Users will receive a receipt. Unless stated otherwise in the relevant communication, the aforementioned receipt merely indicates reception of the order and does not constitute acceptance of the order.

## **Order acceptance**

- Unless the order receipt expressly includes the acceptance of the order, in which case the contract is therefore then entered into, the purchase contract is entered into at the moment the User receives the communication of order acceptance.
- Subject to availability and to the Owner's discretion, the order shall be accepted without undue delay.
- If the order is not accepted, the Owner shall issue a refund.

The rejection of an order shall not entitle the User to bring any claim against the Owner, including compensation for damages.

All notifications related to the described purchasing process shall be sent to the email address provided by the User for such purposes.

## **Methods of payment**

Information related to accepted payment methods is made available during the purchasing process.

Some payment methods may only be available subject to additional conditions or fees. In such cases related information can be found in the dedicated section of Mitigant.

Payment methods marked accordingly are managed directly by the Owner. In this case, the Owner collects and stores the data necessary for the processing of payments and for fulfilling any legal obligation related to them. The User may read the privacy policy of Mitigant to learn more about the data processing and Users' rights regarding their data.

Other payment methods – if any – are independently provided by third-party services. In such cases Mitigant collects no payment information – such as credit card details – but only receives a notification from the relevant third-party provider once the payment has been successfully completed.

If payment through the available methods fail, the Owner shall be under no obligation to fulfill the purchase order. If a payment fails or is refused, the Owner reserves the right to claim any related expenses or damages from the User.

## **Retention of usage rights**

Users do not acquire any rights to use the purchased Product until the total purchase price is received by the Owner.

## **Delivery**

### **Performance of services**

The purchased service shall be performed or made available within the timeframe specified on Mitigant or as communicated before the order submission.

## **Contract duration**

### **Trial period**

Users have the option to test Mitigant or selected Products during a limited and non-renewable trial period, at no cost. Some features or functions of Mitigant may not be available to Users during the trial period.

Further conditions applicable to the trial period, including its duration, will be specified on Mitigant.

The trial period shall end automatically and shall not convert into any paid Product unless the User actively purchases such paid Product.

## **Subscriptions**

Subscriptions allow Users to receive a Product continuously or regularly over time. Details regarding the type of subscription and termination are outlined below.

### **Fixed-term subscriptions**

Paid fixed-term subscriptions start on the day the payment is received by the Owner and last for the subscription period chosen by the User or otherwise specified during the purchasing process.

Once the subscription period expires, the Product shall no longer be accessible.

### **Automatic renewal of fixed-term subscriptions**

**Subscriptions are automatically renewed through the payment method that the User chose during purchase.**

**The renewed subscription will last for a period equal to the original term.**

### **Termination**

**Subscriptions may be terminated by sending a clear and unambiguous termination notice to the Owner using the contact details provided in this document, or — if applicable — by using the corresponding controls inside Mitigant.**

**If the notice of termination is received by the Owner no later than 90 days before the subscription renews, termination shall take effect as soon as the current period is completed.**

## **User rights**

### **UK User rights**

#### **Right to cancel**

Unless exceptions apply, Users who are Consumers in the United Kingdom have a legal right of cancellation under UK law and may be eligible to withdraw from contracts made online (distance contracts) within the period specified below (generally 14 days), for any reason and without justification.

Users that do not qualify as Consumers, cannot benefit from the rights described in this section. Users can learn more about the cancellation conditions within this section.

#### **Exercising the right to cancel**

To exercise their right to cancel, Users must send to the Owner an unequivocal statement of their intention to withdraw from the contract. To this end, Users may use the model withdrawal form available from within the “definitions” section of this document. Users are, however, free to express their intention to withdraw from the contract by making an unequivocal statement in any other suitable way. In order to meet the deadline within which they can exercise such right, Users must send the withdrawal notice before the cancellation period expires. When does the cancellation period expire?

- **Regarding the purchase of goods**, the cancellation period expires 14 days after the day on which the User or a third party – other than the carrier and designated by the User – takes physical possession of the goods.
- **Regarding the purchase of several goods ordered together** but delivered separately or in case of purchase of a single good consisting of multiple lots or pieces delivered separately, the cancellation period expires 14 days after the day on which the User or a third party – other than the carrier and designated by the User – acquires physical possession of the last good, lot or piece.

#### **Effects of cancellation**

Users who correctly withdraw from a contract will be reimbursed by the Owner for all payments made to the Owner, including, if any, those covering the costs of delivery.

However, any additional costs resulting from the choice of a particular delivery method other than the least expensive type of standard delivery offered by the Owner, will not be reimbursed.

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User’s decision to withdraw from the contract. Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

#### **...on the purchase of physical goods**

Unless the Owner has offered to collect the goods, Users shall send back the goods or hand them over to the Owner, or to a person authorized by the latter to receive the goods, without undue delay and in any event within 14 days from the day on which they communicated their decision to withdraw from the contract.

The deadline is met if the goods are handed to the carrier, or otherwise returned as indicated above, before the expiration of the 14-days-period for returning the goods. The reimbursement may be withheld until reception of the goods, or until Users have supplied evidence of having returned the goods, whichever is the earliest.

Users shall only be liable for any diminished value of the goods resulting from the handling of the goods outside of that which is necessary to establish their nature, characteristics and functioning.

**The costs of returning the goods are borne by the User.**

## **Brazilian User rights**

### **Right of regret**

Unless an applicable exception is stated below, Users who are Consumers in Brazil have a legal right of regret under Brazilian law. This means that the Consumer has the right to withdraw from contracts made online (distance contracts or any contract signed away from business premises) within seven (7) days of the date the contract was entered into or the receipt of the product or service, for any reason and without justification. Users that do not qualify as Consumers, cannot benefit from the rights described in this section. The right of regret may be exercised by the Consumer via contact channels listed at the beginning of this document and in accordance with the guidelines in this section.

### **Exercising the right of regret**

To exercise their right of regret, Users must send to the Owner an unequivocal statement of their intention to withdraw from the contract. To this end, Users may use the model withdrawal form available from within the “definitions” section of this document. Users are, however, free to express their intention to withdraw from the contract by making an unequivocal statement in any other suitable way. In order to meet the deadline within which they can exercise such right, Users must send the regret notice before the regret period expires. When does the regret period expire?

- **Regarding the purchase of goods**, the regret period expires seven (7) days after the day on which the User or a third party designated by the User – other than the carrier – receives the goods.
- **Regarding the purchase of several goods ordered together** but delivered separately, or in case of the purchase of a single good consisting of multiple lots or pieces delivered separately, the regret period expires seven (7) days after the day on which the User or a third party designated by the User – other than the carrier receives the last good, lot or piece.

### **Effects of regret**

Users who correctly withdraw from a contract will be reimbursed by the Owner for all payments made to the Owner, including, if any, those covering the costs of delivery.

However, any additional costs resulting from the choice of a particular delivery method other than the least expensive type of standard delivery offered by the Owner, will not be reimbursed.

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User’s decision to withdraw from the contract or the actual return of the product, whichever occurs later. Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

### **...on the purchase of physical goods**

Unless the Owner has offered to collect the goods, Users shall send back the goods or hand them over to the Owner, or to a person authorized by the latter to receive the goods, without undue delay and in any event within 14 days from the day on which they communicated their decision to withdraw from the contract.

The deadline is met if the goods are handed to the carrier, or otherwise returned as indicated above, before the expiration of the 14-day period for returning the goods. The reimbursement may be withheld until receipt of the goods, or until Users have supplied evidence of having returned the goods, whichever is the earliest.

Users shall only be liable for any diminished value of the goods resulting from the handling of the goods outside of that which is necessary to establish their nature, characteristics and functioning.

The costs of returning the goods are borne by the Owner.

## **Liability and indemnification**

Unless otherwise explicitly stated or agreed with Users, the Owner’s liability for damages in connection with the execution of the Agreement shall be excluded, limited and/or reduced to the maximum extent permitted by applicable law.

## **Indemnification**

The User agrees to indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners and employees harmless from and against any claim or demand — including but not limited to lawyer's fees and costs — made by any third party due to or in relation with any culpable violation of these Terms, third-party rights or statutory provisions connected to the use of the Service by the User or its affiliates, officers, directors, agents, co-branders, partners and employees to the extent allowed by applicable law.

## **Limitation of liability**

Unless otherwise explicitly stated and without prejudice to applicable law, Users shall have no right to claim damages against the Owner (or any natural or legal person acting on its behalf).

This does not apply to damages to life, health or physical integrity, damages resulting from the breach of material contractual obligations such as any obligation strictly necessary to achieve the purpose of the contract, and/or damages resulting from intent or gross negligence, as long as Mitigant has been appropriately and correctly used by the User.

Unless damages have been caused by way of intent or gross negligence, or they affect life, health or physical integrity, the Owner shall only be liable to the extent of typical and foreseeable damages at the moment the contract was entered into.

In particular, within the limits stated above, the Owner shall not be liable for:

- any losses that are not the direct consequence of a breach of the Terms by the Owner;
- any loss of business opportunities and any other loss, even indirect, that may be incurred by the User (such as, but not limited to, trading losses, loss of revenue, income, profits or anticipated savings, loss of contracts or business relationships, loss of reputation or goodwill, etc.);
- damages or losses resulting from interruptions or malfunctions of Mitigant due to acts of force majeure, or unforeseen and unforeseeable events and, in any case, independent of the will and beyond the control of the Owner, such as, but not limited to, failures or disruptions of telephone or electrical lines, the Internet and / or other means of transmission, unavailability of websites, strikes, natural disasters, viruses and cyber attacks, interruptions in the delivery of products, third-party services or applications;
- any damage, prejudice or loss occurring due to viruses or other malware contained in or connected to files available for download from the internet or via Mitigant. Users are responsible for implementing sufficient security measures – such as anti-viruses and firewalls to prevent any such infection or attack and for securing backup copies of all data or information exchanged via or uploaded to Mitigant.

In any event of liability, the compensation may not exceed the total payments that have been, will be or would be received by the Owner from the User based on the contract over a period of 12 months, or the period of the duration of the Agreement, if shorter.

## **US Users**

### **Disclaimer of Warranties**

**Mitigant is provided strictly on an “as is” and “as available” basis. Use of the Service is at Users’ own risk. To the maximum extent permitted by applicable law, the Owner expressly disclaims all conditions, representations, and warranties — whether express, implied, statutory or otherwise, including, but not limited to, any implied warranty of merchantability, fitness for a particular purpose, or non-infringement of third-party rights. No advice or information, whether oral or written, obtained by the User from the Owner or through the Service will create any warranty not expressly stated herein.**

**Without limiting the foregoing, the Owner, its subsidiaries, affiliates, licensors, officers, directors, agents, co-branders, partners, suppliers and employees do not warrant that the content is accurate, reliable or correct; that the Service will meet Users’ requirements; that the Service will be available at any particular time or location, uninterrupted or secure; that any defects or errors will be corrected; or that the Service is free of viruses or other harmful components. Any content downloaded or otherwise obtained through the use of the Service is downloaded at Users' own risk and Users shall be solely responsible for any damage to Users’ computer system or mobile device or loss of data that results from such download or Users’ use of the Service.**

**The Owner does not warrant, endorse, guarantee, or assume responsibility for any product or service advertised or offered by a third party through the Service or any hyperlinked website or service, and the Owner shall not be a party to or in any way monitor any transaction between Users and third-party providers of products or services.**

**The Service may become inaccessible or it may not function properly with Users’ web browser, mobile device, and/or operating system. The owner cannot be held liable for any perceived or actual damages arising from Service content, operation, or use of this Service.**

Federal law, some states, and other jurisdictions, do not allow the exclusion and limitations of certain implied warranties. The above exclusions may not apply to Users. This Agreement gives Users specific legal rights, and Users may also have other rights which vary from state to state. The disclaimers and exclusions under this agreement shall not apply to the extent prohibited by applicable law.

### **Limitations of liability**

To the maximum extent permitted by applicable law, in no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for:

- any indirect, punitive, incidental, special, consequential or exemplary damages, including without limitation damages for loss of profits, goodwill, use, data or other intangible losses, arising out of or relating to the use of, or inability to use, the Service; and
- any damage, loss or injury resulting from hacking, tampering or other unauthorized access or use of the Service or User account or the information contained therein;
- any errors, mistakes, or inaccuracies of content;
- personal injury or property damage, of any nature whatsoever, resulting from User access to or use of the Service;
- any unauthorized access to or use of the Owner's secure servers and/or any and all personal information stored therein;
- any interruption or cessation of transmission to or from the Service;
- any bugs, viruses, trojan horses, or the like that may be transmitted to or through the Service;
- any errors or omissions in any content or for any loss or damage incurred as a result of the use of any content posted, emailed, transmitted, or otherwise made available through the Service; and/or
- the defamatory, offensive, or illegal conduct of any User or third party. In no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for any claims, proceedings, liabilities, obligations, damages, losses or costs in an amount exceeding the amount paid by User to the Owner hereunder in the preceding 12 months, or the period of duration of this agreement between the Owner and User, whichever is shorter.

This limitation of liability section shall apply to the fullest extent permitted by law in the applicable jurisdiction whether the alleged liability is based on contract, tort, negligence, strict liability, or any other basis, even if the User has been advised of the possibility of such damage.

Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, therefore the above limitations or exclusions may not apply to the User. The terms give User specific legal rights, and User may also have other rights which vary from jurisdiction to jurisdiction. The disclaimers, exclusions, and limitations of liability under the terms shall not apply to the extent prohibited by applicable law.

### **Indemnification**

The User agrees to defend, indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees harmless from and against any and all claims or demands, damages, obligations, losses, liabilities, costs or debt, and expenses, including, but not limited to, legal fees and expenses, arising from

- User's use of and access to the Service, including any data or content transmitted or received by User;
- User's violation of these terms, including, but not limited to, User's breach of any of the representations and warranties set forth in these terms;
- User's violation of any third-party rights, including, but not limited to, any right of privacy or intellectual property rights;
- User's violation of any statutory law, rule, or regulation;
- any content that is submitted from User's account, including third party access with User's unique username, password or other security measure, if applicable, including, but not limited to, misleading, false, or inaccurate information;
- User's wilful misconduct; or
- statutory provision by User or its affiliates, officers, directors, agents, co-branders, partners, suppliers and employees to the extent allowed by applicable law.

## **Common provisions**

### **No Waiver**

The Owner's failure to assert any right or provision under these Terms shall not constitute a waiver of any such right or provision. No waiver shall be considered a further or continuing waiver of such term or any other term.

### **Service interruption**

To ensure the best possible service level, the Owner reserves the right to interrupt the Service for maintenance, system updates or any other changes, informing the Users appropriately.

Within the limits of law, the Owner may also decide to suspend or discontinue the Service altogether. If the Service is discontinued, the Owner will cooperate with Users to enable them to withdraw Personal Data or information and will respect Users' rights relating to continued product use and/or compensation, as provided for by applicable law.

Additionally, the Service might not be available due to reasons outside the Owner's reasonable control, such as "force majeure" events (infrastructural breakdowns or blackouts etc.).

## **Service reselling**

Users may not reproduce, duplicate, copy, sell, resell or exploit any portion of Mitigant and of its Service without the Owner's express prior written permission, granted either directly or through a legitimate reselling programme.

## **Privacy policy**

To learn more about the use of their Personal Data, Users may refer to the privacy policy of Mitigant.

## **Intellectual property rights**

Without prejudice to any more specific provision of these Terms, any intellectual property rights, such as copyrights, trademark rights, patent rights and design rights related to Mitigant are the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties relating to intellectual property.

All trademarks — nominal or figurative — and all other marks, trade names, service marks, word marks, illustrations, images, or logos appearing in connection with Mitigant are, and remain, the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties related to intellectual property.

## **Changes to these Terms**

The Owner reserves the right to amend or otherwise modify these Terms at any time. In such cases, the Owner will appropriately inform the User of these changes.

Such changes will only affect the relationship with the User from the date communicated to Users onwards.

**The continued use of the Service will signify the User's acceptance of the revised Terms.** If Users do not wish to be bound by the changes, they must stop using the Service and may terminate the Agreement.

The applicable previous version will govern the relationship prior to the User's acceptance. The User can obtain any previous version from the Owner.

## **Assignment of contract**

The Owner reserves the right to transfer, assign, dispose of by novation, or subcontract any or all rights or obligations under these Terms, taking the User's legitimate interests into account. Provisions regarding changes of these Terms will apply accordingly.

Users may not assign or transfer their rights or obligations under these Terms in any way, without the written permission of the Owner.

## **Contacts**

All communications relating to the use of Mitigant must be sent using the contact information stated in this document.

## **Severability**

Should any provision of these Terms be deemed or become invalid or unenforceable under applicable law, the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions, which shall remain in full force and effect.

## **EU Users**

Should any provision of these Terms be or be deemed void, invalid or unenforceable, the parties shall do their best to find, in an amicable way, an agreement on valid and enforceable provisions thereby substituting the void, invalid or unenforceable parts. In case of failure to do so, the void, invalid or unenforceable provisions shall be replaced by the applicable statutory provisions, if so permitted or stated under the applicable law.

Without prejudice to the above, the nullity, invalidity or impossibility to enforce a particular provision of these Terms shall not nullify the entire Agreement, unless the severed provisions are essential to the Agreement, or of such importance that the parties would not have entered into the contract if they had known that the provision would not be valid, or in cases where the remaining provisions would translate into an unacceptable hardship on any of the parties.

## **Authoritative version of these Terms**

These Terms are drawn up and revised in English. Other language versions of these Terms are provided for information purposes only. In the event of any inconsistency between different linguistic versions, the original version shall always prevail.

## **Governing law**

These Terms are governed by the law of the place where the Owner is based, as disclosed in the relevant section of this document, without regard to conflict of laws principles.

## **Venue of jurisdiction**

The exclusive competence to decide on any controversy resulting from or connected to these Terms lies with the courts of the place where the Owner is based, as displayed in the relevant section of this document.

## **Dispute resolution**

### **Online dispute resolution for Consumers**

The European Commission has established an online platform for alternative dispute resolutions that facilitates an out-of-court method for solving disputes related to and stemming from online sale and service contracts.

As a result, any European Consumer or Consumer based in Norway, Iceland, or Liechtenstein can use such platform for resolving disputes stemming from contracts which have been entered into online. The platform is [available at the following link](#).
