PRESSWHMCS - SPECIFIC SERVICES

Scope Of PressWHMCS Services

PressWHMCS is a service provided by the Owner that offers a reselling provisioning module integrating WHMCS (Web Host Manager Complete Solution) with Pressable, enabling Users to manage and automate hosting services. Optionally, at the User's discretion, the Owner may also provide server setup and configuration services tailored to the User's specifications. Users may choose to either purchase a license to use the PressWHMCS module independently or opt for additional server setup services. The terms outlined in this section apply specifically to the use of PressWHMCS in addition to the general Terms of Use governing this Website.

Service Description And User Responsibilities

The PressWHMCS module facilitates integration between WHMCS and Pressable for reselling purposes. If the User opts for server setup services, the Owner shall perform initial configuration and setup based on the User's provided specifications. Users are responsible for supplying accurate and complete information necessary for either the module's implementation or the optional server setup, including access credentials, technical requirements, and any required licenses. The Owner shall not be liable for delays or issues resulting from incomplete or inaccurate information provided by the User. Users purchasing only the module license are responsible for their own server setup and configuration.

Intellectual Property And Licensing

All intellectual property rights related to PressWHMCS, including the reselling provisioning module and any associated configurations, remain the exclusive property of the Owner or its licensors. Users purchasing a license are granted a non-exclusive, non-transferable, revocable license to use the PressWHMCS module solely for their internal business purposes, subject to compliance with these Terms. Users may not reverse-engineer, modify, or distribute PressWHMCS or any of its components without the Owner's express written consent, regardless of whether they opt for server setup services or the module license alone.

Liability For PressWHMCS

The Owner shall undertake reasonable efforts to ensure that the PressWHMCS module functions as intended when used in accordance with the provided documentation and specifications. For Users opting for server setup services, the Owner shall strive to meet the agreed specifications, but does not guarantee compatibility with third-party systems beyond WHMCS and Pressable, nor uninterrupted or error-free operation due to factors outside its control, such as server downtime or updates to integrated platforms. Liability for damages arising from the use of PressWHMCS, whether through the module license or server setup services, shall be limited as outlined in the "Liability and Indemnification" section of these Terms.

Support And Maintenance

Support for PressWHMCS, including troubleshooting and updates to the reselling provisioning module, shall be provided as part of the Service, subject to the Owner's standard support policies, regardless of whether the User opts for the module license alone or includes server setup services. Users may contact the Owner via the PressWHMCS account and ticketing system. The Owner reserves the right to modify or discontinue PressWHMCS features, with prior notice to Users where feasible, in accordance with the "Service Interruption" provisions of these Terms.

Affiliate Program

Participation in the PressWHMCS Affiliate Program is open to Users who meet the eligibility criteria set by the Owner. By participating, affiliates agree to promote PressWHMCS services in accordance with these Terms and any additional guidelines provided by the Owner.

Commission and Payout

Affiliates earn commissions on qualifying purchases made by referred customers. Commissions are calculated based on the net sale amount, excluding any taxes, fees, or refunds. Specifically:

- Commissions are not paid on licenses that are refunded under the 7-day money back guarantee.
- Commissions are paid on setup or server configuration services purchased by the referred customer.
- To request a payout, affiliates must have a minimum of \$100 in earned commissions in their PressWHMCS account.

Payouts are processed according to the Owner's payment schedule and methods.

Referral Tracking

The affiliate system uses cookies to track referrals. The default cookie duration is 90 days from the date the affiliate link is clicked. If a referred visitor makes a purchase within this 90-day period, the affiliate will receive credit for the referral. After 90 days, if the visitor does not click the affiliate link again, any subsequent purchases will not generate commission for the affiliate.

Prohibited Actions

Affiliates are strictly prohibited from using their own affiliate link to make purchases for themselves or engaging in any fraudulent activities to generate commissions. Violation of this rule will result in:

- Immediate suspension of the affiliate's PressWHMCS license.
- Termination of the affiliate account.
- Forfeiture of any pending commission payments.

7-Day Money Back Guarantee

PressWHMCS offers a 7-day money back guarantee on the purchase of the PressWHMCS module license. This guarantee allows Users to request a full refund of the license fee if they are not satisfied with the service, provided that the request is made within 7 calendar days from the date of purchase.

Eligibility and Conditions

The guarantee applies only to the initial purchase of the PressWHMCS module license and does not cover additional services such as server setup or configuration. To be eligible for a refund, Users must submit a refund request through the designated channels within the 7-day period. Refunds will be processed using the original payment method, and the User will receive the full amount paid for the license, excluding any transaction fees or charges imposed by payment processors.

The Owner reserves the right to deny refund requests if there is evidence of abuse, violation of these Terms, or if the User has already benefited from the service in a manner that would make a refund inequitable.

Limitations

The money back guarantee does not apply to renewals or subsequent purchases. Any custom development, server setup, or additional services are not covered under this guarantee and are subject to separate terms and conditions. Users who receive a refund will have their access to the PressWHMCS module revoked, and any associated licenses or configurations will be deactivated.

Liability and indemnification

Unless otherwise explicitly stated or agreed with Users, the Owner's liability for damages in connection with the execution of the Agreement shall be excluded, limited and/or reduced to the maximum extent permitted by applicable law.

Indemnification

The User agrees to indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners and employees harmless from and against any claim or demand — including but not limited to lawyer's fees and costs — made by any third party due to or in relation with any culpable violation of these Terms, third-party rights or statutory provisions connected to the use of the Service by the User or its affiliates, officers, directors, agents, co-branders, partners and employees to the extent allowed by applicable law.

The above also applies to any claims exercised by third parties (including but not limited to the Owner's clients or customers) against the Owner related to Digital Products provided by the User such as, for instance, conformity claims.

Limitation of liability

Unless otherwise explicitly stated and without prejudice to applicable law, Users shall have no right to claim damages against the Owner (or any natural or legal person acting on its behalf).

This does not apply to damages to life, health or physical integrity, damages resulting from the breach of material contractual obligations such as any obligation strictly necessary to achieve the purpose of the contract, and/or damages resulting from intent or gross negligence, as long as this Website has been appropriately and correctly used by the User.

Unless damages have been caused by way of intent or gross negligence, or they affect life, health or physical integrity, the Owner shall only be liable to the extent of typical and foreseeable damages at the moment the contract was entered into.

Australian Users

Limitation of liability

Nothing in these Terms excludes, restricts or modifies any guarantee, condition, warranty, right or remedy which the User may have under the Competition and Consumer Act 2010 (Cth) or any similar state and territory legislation and which cannot be excluded, restricted or modified (non-excludable right). To the fullest extent permitted by law, our liability to the User, including liability for a breach of a non-excludable right and liability which is not otherwise excluded under these Terms, is limited, at the Owner's sole discretion, to the re-performance of the services or the payment of the cost of having the services supplied again.

US Users

Disclaimer of Warranties

This Website is provided strictly on an “as is” and “as available” basis. Use of the Service is at Users' own risk. To the maximum extent permitted by applicable law, the Owner expressly disclaims all conditions, representations, and warranties — whether express, implied, statutory or otherwise, including, but not limited to, any implied warranty of merchantability, fitness for a particular purpose, or non-infringement of third-party rights. No advice or information, whether oral or written, obtained by the User from the Owner or through the Service will create any warranty not expressly stated herein.

Without limiting the foregoing, the Owner, its subsidiaries, affiliates, licensors, officers, directors, agents, co-branders, partners, suppliers and employees do not warrant that the content is accurate, reliable or correct; that the Service will meet Users' requirements; that the Service will be available at any particular time or location, uninterrupted or secure; that any defects or errors will be corrected; or that the Service is free of viruses or other harmful components. Any content downloaded or otherwise obtained through the use of the Service is downloaded at Users' own risk and Users shall be solely responsible for any damage to Users' computer system or mobile device or loss of data that results from such download or Users' use of the Service.

The Owner does not warrant, endorse, guarantee, or assume responsibility for any product or service advertised or offered by a third party through the Service or any hyperlinked website or service, and the Owner shall not be a party to or in any way monitor any transaction between Users and third-party providers of products or services.

The Service may become inaccessible or it may not function properly with Users' web browser, mobile device, and/or operating system. The owner cannot be held liable for any perceived or actual damages arising from Service content, operation, or use of this Service.

Federal law, some states, and other jurisdictions, do not allow the exclusion and limitations of certain implied warranties. The above exclusions may not apply to Users. This Agreement gives Users specific legal rights, and Users may also have other rights which vary from state to state. The disclaimers and exclusions under this agreement shall not apply to the extent prohibited by applicable law.

Limitations of liability

To the maximum extent permitted by applicable law, in no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for:

- any indirect, punitive, incidental, special, consequential or exemplary damages, including without limitation damages for loss of profits, goodwill, use, data or other intangible losses, arising out of or relating to the use of, or inability to use, the Service; and
- any damage, loss or injury resulting from hacking, tampering or other unauthorised access or use of the Service or User account or the information contained therein;
- any errors, mistakes, or inaccuracies of content;
- personal injury or property damage, of any nature whatsoever, resulting from User access to or use of the Service;
- any unauthorised access to or use of the Owner's secure servers and/or any and all personal information stored therein;
- any interruption or cessation of transmission to or from the Service;
- any bugs, viruses, trojan horses, or the like that may be transmitted to or through the Service;
- any errors or omissions in any content or for any loss or damage incurred as a result of the use of any content posted, emailed, transmitted, or otherwise made available through the Service; and/or
- the defamatory, offensive, or illegal conduct of any User or third party.

In no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for any claims, proceedings, liabilities, obligations, damages, losses or costs in an amount exceeding the amount paid by User to the Owner hereunder in the preceding 12 months, or the period of duration of this agreement between the Owner and User, whichever is shorter.

This limitation of liability section shall apply to the fullest extent permitted by law in the applicable jurisdiction whether the alleged liability is based on contract, tort, negligence, strict liability, or any other basis, even if the User has been advised of the possibility of such damage.

Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, therefore the above limitations or exclusions may not apply to the User. The terms give User specific legal rights, and User may also have other rights which vary from jurisdiction to jurisdiction. The disclaimers, exclusions, and limitations of liability under the terms shall not apply to the extent prohibited by applicable law.

Indemnification

The User agrees to defend, indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees harmless from and against any and all claims or demands, damages, obligations, losses, liabilities, costs or debt, and expenses, including, but not limited to, legal fees and expenses, arising from

- User's use of and access to the Service, including any data or content transmitted or received by User;
- User's violation of these terms, including, but not limited to, User's breach of any of the representations and warranties set forth in these terms;
- User's violation of any third-party rights, including, but not limited to, any right of privacy or intellectual property rights;
- User's violation of any statutory law, rule, or regulation;
- any content that is submitted from User's account, including third party access with User's unique username, password or other security measure, if applicable, including, but not limited to, misleading, false, or inaccurate information;
- User's willful misconduct; or
- statutory provision by User or its affiliates, officers, directors, agents, co-branders, partners, suppliers and employees to the extent allowed by applicable law.

Common provisions

No Waiver

The Owner's failure to assert any right or provision under these Terms shall not constitute a waiver of any such right or provision. No waiver shall be considered a further or continuing waiver of such term or any other term.

Service interruption

To ensure the best possible service level, the Owner reserves the right to interrupt the Service for maintenance, system updates or any other changes, informing the Users appropriately.

Within the limits of law, the Owner may also decide to suspend or discontinue the Service altogether. If the Service is discontinued, the Owner will cooperate with Users to enable them to withdraw personal data or information and will respect Users' rights relating to continued product use and/or compensation, as provided for by applicable law.

Additionally, the Service might not be available due to reasons outside the Owner's reasonable control, such as "force majeure" events (infrastructural breakdowns or blackouts etc.).

Service reselling

Users may not reproduce, duplicate, copy, sell, resell or exploit any portion of this Website and of its Service without the Owner's express prior written permission, granted either directly or through a legitimate reselling program.

Privacy policy

To learn more about the use of their personal data, Users may refer to the privacy policy of this Website.

Intellectual property rights

Without prejudice to any more specific provision of these Terms, any intellectual property rights, such as copyrights, trademark rights, patent rights and design rights related to this Website are the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties relating to intellectual property.

All trademarks — nominal or figurative — and all other marks, trade names, service marks, word marks, illustrations, images, or logos appearing in connection with this Website are, and remain, the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties related to intellectual property.

Changes to these Terms

The Owner reserves the right to amend or otherwise modify these Terms at any time. In such cases, the Owner will appropriately inform the User of these changes.

Such changes will only affect the relationship with the User from the date communicated to Users onwards.

The continued use of the Service will signify the User's acceptance of the revised Terms. If Users do not wish to be bound by the changes, they must stop using the Service and may terminate the Agreement.

The applicable previous version will govern the relationship prior to the User's acceptance. The User can obtain any previous version from the Owner.

If legally required, the Owner will notify Users in advance of when the modified Terms will take effect.

Assignment of contract

The Owner reserves the right to transfer, assign, dispose of by novation, or subcontract any or all rights or obligations under these Terms, taking the User's legitimate interests into account. Provisions regarding changes of these Terms will apply accordingly.

Users may not assign or transfer their rights or obligations under these Terms in any way, without the written permission of the Owner.

Contacts

All communications relating to the use of this Website must be sent using the contact information stated in this document.

Severability

Should any provision of these Terms be deemed or become invalid or unenforceable under applicable law, the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions, which shall remain in full force and effect.

US Users

Any such invalid or unenforceable provision will be interpreted, construed and reformed to the extent reasonably required to render it valid, enforceable and consistent with its original intent. These Terms constitute the entire Agreement between Users and the Owner with respect to the subject matter hereof, and supersede all other communications, including but not limited to all prior agreements, between the parties with respect to such subject matter. These Terms will be enforced to the fullest extent permitted by law.

EU Users

Should any provision of these Terms be or be deemed void, invalid or unenforceable, the parties shall do their best to find, in an amicable way, an agreement on valid and enforceable provisions thereby substituting the void, invalid or unenforceable parts. In case of failure to do so, the void, invalid or unenforceable provisions shall be replaced by the applicable statutory provisions, if so permitted or stated under the applicable law.

Without prejudice to the above, the nullity, invalidity or impossibility to enforce a particular provision of these Terms shall not nullify the entire Agreement, unless the severed provisions are essential to the Agreement, or of such importance that the parties would not have entered into the contract if they had known that the provision would not be valid, or in cases where the remaining provisions would translate into an unacceptable hardship on any of the parties.

Governing law

These Terms are governed by the law of the place where the Owner is based, as disclosed in the relevant section of this document, without regard to conflict of laws principles.

Prevalence of national law

However, regardless of the above, if the law of the country that the User is located in provides for higher applicable consumer protection standards, such higher standards shall prevail.

Exception for Consumers in Switzerland

If the User qualifies as a Consumer in Switzerland, Swiss law will apply.

Exception for Consumers in Brazil

If the User qualifies as a Consumer in Brazil and the product and/or service is commercialised in Brazil, Brazilian law will apply.

Venue of jurisdiction

The exclusive competence to decide on any controversy resulting from or connected to these Terms lies with the courts of the place where the Owner is based, as displayed in the relevant section of this document.
