Open-ended subscriptions

Paid subscriptions begin on the day the payment is received by the Owner.

In order to maintain subscriptions, Users must pay the required recurring fee in a timely manner. Failure to do so may cause service interruptions.

Open-ended subscriptions may be terminated at any time by sending a clear and unambiguous termination notice to the Owner using the contact details provided in this document, or — if applicable — by using the corresponding controls inside this Application.

Terminations shall take effect 1 days after the notice of termination has been received by the Owner.

The following applies to Users qualifying as European Consumers.

This Application provides a Digital Product to Users over time. In order to ensure conformity of the Digital Product at all times, the Owner reserves the right to modify the Digital Product from time to time at no additional cost for Users, by duly informing Users about any such upcoming modification and its reasons.

Where Users maintain that such modification would negatively impact their access to or use of the Digital Product, and such negative impact would not be only minor, Users shall have the right to

To access or receive some of the Products provided via this Application as part of the Service, Users may be required to provide their personal data as indicated on this Application. If the User withdraws consent to the processing of personal data required for the provision of the Service, the Owner reserves the right to terminate the contract with the User.

User rights

Right of withdrawal

Unless exceptions apply, the User may be eligible to withdraw from the contract within the period specified below (generally 14 days), for any reason and without justification. Users can learn more about the withdrawal conditions within this section.

Who the right of withdrawal applies to

Unless any applicable exception is mentioned below, Users who are European Consumers are granted a statutory withdrawal right under EU rules, to withdraw from contracts entered into online (distance contracts) within the specified period applicable to their case, for any reason and without justification.

Users that do not fit this qualification, cannot benefit from the rights described in this section. The Consumer shall only be liable to the Seller for any diminution in the value of the goods resulting from handling the goods in a manner other than that necessary to acquaint him with the nature, characteristics and functionality of the goods.

Exercising the right of withdrawal

To exercise their right of withdrawal, Users must send to the Owner an unequivocal statement of their intention to withdraw from the contract.

To this end, Users may use the model withdrawal form available from within the “definitions” section of this document. Users are, however, free to express their intention to withdraw from the contract by making an unequivocal statement in any other suitable way. In order to meet the deadline within which they can exercise such right, Users must send the withdrawal notice before the withdrawal period expires.

When does the withdrawal period expire?

- **Regarding the purchase of a service**, the withdrawal period expires 14 days after the day that the contract is entered into, unless the User has waived the withdrawal right.

Effects of withdrawal

Users who correctly withdraw from a contract will be reimbursed by the Owner for all payments made to the Owner, including, if any, those covering the costs of delivery.

However, any additional costs resulting from the choice of a particular delivery method other than the least expensive type of standard delivery offered by the Owner, will not be reimbursed.

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User’s decision to withdraw from the contract. Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

...on the purchase of services

Where a User exercises the right of withdrawal after having requested that the service be performed before the withdrawal period expires, the User shall pay to the Owner an amount which is in proportion to the part of service provided.

Such payment shall be calculated based on the fee contractually agreed upon, and be proportional to the part of service provided until the time the User withdraws, compared with the full coverage of the contract.

Exceptions from the right of withdrawal

The right of withdrawal does not apply to contracts:

- for the supply of digital content which is not supplied on a tangible medium, if the contract places the Consumer under no obligation to pay but rather to provide or undertake to provide personal data and performance has begun;
- for the provision of services, after the service has been fully performed, if the contract places the Consumer under an obligation to pay and performance has begun with the Consumer's prior express consent after acknowledging that their right of withdrawal is lost once the service has been fully performed;
- for the supply of digital content which is not supplied on a tangible medium, if the contract places the Consumer under an obligation to pay and performance has begun with the Consumer's prior express consent after acknowledging that their right of withdrawal is thereby lost and such circumstances have been confirmed by the Owner;

UK User rights

Right to cancel

Unless exceptions apply, Users who are Consumers in the United Kingdom have a legal right of cancellation under UK law and may be eligible to withdraw from contracts made online (distance contracts) within the period specified below (generally 14 days), for any reason and without justification.

Users that do not qualify as Consumers, cannot benefit from the rights described in this section. Users can learn more about the cancellation conditions within this section.

Exercising the right to cancel

To exercise their right to cancel, Users must send to the Owner an unequivocal statement of their intention to withdraw from the contract. To this end, Users may use the model withdrawal form available from within the "definitions" section of this document. Users are, however, free to express their intention to withdraw from the contract by making an unequivocal statement in any other suitable way. In order to meet the deadline within which they can exercise such right, Users must send the withdrawal notice before the cancellation period expires.

When does the cancellation period expire?

- **Regarding the purchase of a service**, the cancellation period expires 14 days after the day that the contract is entered into, unless the User has waived the right to cancel.

Effects of cancellation

Users who correctly withdraw from a contract will be reimbursed by the Owner for all payments made to the Owner, including, if any, those covering the costs of delivery.

However, any additional costs resulting from the choice of a particular delivery method other than the least expensive type of standard delivery offered by the Owner, will not be reimbursed.

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User's decision to withdraw from the contract. Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

...on the purchase of services

Where a User exercises the right to cancel after having requested that the service be performed before the cancellation period expires, the User shall pay to the Owner an amount which is in proportion to the part of service provided.

Such payment shall be calculated based on the fee contractually agreed upon, and be proportional to the part of service provided until the time the User withdraws, compared with the full coverage of the contract.

Exceptions from the right to cancel

The right to cancel does not apply to contracts:

- for the provision of services, after the service has been fully performed if the performance has begun with the consumer's prior express request, and with their acknowledgement that their right to cancel is lost once the contract has been fully performed;
- for the supply of digital content which is not supplied on a tangible medium if the performance has begun with the consumer's prior express consent and with their acknowledgment that their right to cancel is thereby lost;

Brazilian User rights

Right of regret

Unless an applicable exception is stated below, Users who are Consumers in Brazil have a legal right of regret under Brazilian law. This means that the Consumer has the right to withdraw from contracts made online (distance contracts or any contract signed away from business premises) within seven (7) days of the date the contract was entered into or the receipt of the product or service, for any reason and without justification. Users that do not qualify as Consumers, cannot benefit from the rights described in this section. The right of regret may be exercised by the Consumer via contact channels listed at the beginning of this document and in accordance with the guidelines in this section.

Exercising the right of regret

To exercise their right of regret, Users must send to the Owner an unequivocal statement of their intention to withdraw from the contract. To this end, Users may use the model withdrawal form available from within the "definitions" section of this document. Users are, however, free to express their intention to withdraw from the contract by making an unequivocal statement in any other suitable way. In order to meet the deadline within which they can exercise such right, Users must send the regret notice before the regret period expires. When does the regret period expire?

- **Regarding the purchase of a service**, the regret period expires seven (7) days after the day that the contract is entered into and only if the service has not yet been provided.

Effects of regret

Users who correctly withdraw from a contract will be reimbursed by the Owner for all payments made to the Owner, including, if any, those covering the costs of delivery.

However, any additional costs resulting from the choice of a particular delivery method other than the least expensive type of standard delivery offered by the Owner, will not be reimbursed.

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User's decision to withdraw from the contract or the actual return of the product, whichever occurs later. Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

...on the purchase of services

Where a User exercises the right of regret after having requested that the service be performed before the regret period expires, the User shall pay to the Owner an amount which is in proportion to the part of the service provided.

Such payment shall be calculated based on the fee contractually agreed upon, and be proportional to the part of service provided until the time the User withdraws.

Exceptions from the right of regret

The right of regret in the form and term provided for in these Terms shall not apply in the following cases:

- to the supply of digital content if the provision and availability of the content has already begun within seven (7) days of the date the contract was entered into with the express prior consent of the Consumer and with their acknowledgment that their right of regret will be forfeited;
- to the provision of services, after the service has been fully performed, if the performance has begun within seven (7) days of the date the contract was entered into with the express prior consent of the Consumer and with their acknowledgment that their right of regret will be forfeited once the contract has been fully performed;

Guarantees

Legal guarantee of conformity for Digital Products under EU law

Under EU law, for a minimum period of 2 years from delivery or, in case of Digital Products supplied continuously for more than 2 years for the entire supply period, traders guarantee conformity of the Digital Products they provide to Consumers.

Where Users qualify as European Consumers, the legal guarantee of conformity applies to the Digital Products available on this Application in accordance with the laws of the country of their habitual residence.

National laws of such country may grant Users broader rights.

Scope of conformity of Digital Products

Some of the Digital Products available on this Application may have characteristics deviating from the objective requirements of conformity, such as their interoperability, compatibility, fitness for purpose, functionality, etc. Further information is to be found in the dedicated sections of this Application and will be pointed out during the purchasing process.

Legal guarantee of conformity for services for Consumers in Brazil

The legal guarantee applicable to services sold by this Application complies with the following terms, according to the Consumer Protection Code:

- non-durable services shall have a thirty-day (30 day) guarantee; and
- durable services shall have a ninety-day (90 day) guarantee.

The warranty period starts from the end of the performance of services.

The warranty is not applicable in cases of service misuse, natural events or if it has been subjected to any maintenance other than that provided by this Application.

The warranty may be claimed through the contact channels provided by this Application. If applicable, the Owner shall bear the costs of shipping any goods for technical assessment. The Owner, at its own discretion, may also offer a contractual warranty in addition to the legal warranty.

The regulations applicable to contractual warranties can be found in the specifications provided by this Application.

If no such information is provided, only the statutory provisions shall apply.

Liability and indemnification

Unless otherwise explicitly stated or agreed with Users, the Owner's liability for damages in connection with the execution of the Agreement shall be excluded, limited and/or reduced to the maximum extent permitted by applicable law.

Indemnification

The User agrees to indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners and employees harmless from and against any claim or demand — including but not limited to lawyer's fees and costs — made by any third party due to or in relation with any culpable violation of these Terms, third-party rights or statutory provisions connected to the use of the Service by the User or its affiliates, officers, directors, agents, co-branders, partners and employees to the extent allowed by applicable law.

The above also applies to any claims exercised by third parties (including but not limited to the Owner's clients or customers) against the Owner related to Digital Products provided by the User such as, for instance, conformity claims.

Limitation of liability

Unless otherwise explicitly stated and without prejudice to mandatory law, Users shall have no right to claim damages against the Owner (or any natural or legal person acting on its behalf).

This does not apply to damages to life, health or physical integrity, damages resulting from the breach of material contractual obligations such as any obligation strictly necessary to achieve the purpose of the contract, and/or damages resulting from intent or gross negligence, as long as this Application has been appropriately and correctly used by the User.

Unless damages have been caused by way of intent or gross negligence, or they affect life, health or physical integrity, the Owner shall only be liable to the extent of typical and foreseeable damages at the moment the contract was entered into.

Notwithstanding the above, the following limitation applies to all Users other than Natural Persons:

In any event of liability, the compensation may not exceed the total payments that have been, will be or would be received by the Owner from the User based on the contract over a period of 12 months, or throughout the duration of the Agreement, if shorter.

Australian Users

Limitation of liability

Nothing in these Terms excludes, restricts or modifies any guarantee, condition, warranty, right or remedy which the User may have under the Competition and Consumer Act 2010 (Cth) or any similar state and territory legislation and which cannot be excluded, restricted or modified (non-excludable right). To the fullest extent permitted by law, our liability to the User, including liability for a breach of a non-excludable right and liability which is not otherwise excluded under these Terms, is limited, at the Owner's sole discretion, to the re-performance of the services or the payment of the cost of having the services supplied again.

US Users

Disclaimer of Warranties

This Application is provided strictly on an "as is" and "as available" basis. Use of the Service is at Users' own risk. No advice or information, whether oral or written, obtained by the User from the Owner or through the Service will create any warranty not expressly stated herein.

Without limiting the foregoing, the Owner, its subsidiaries, affiliates, licensors, officers, directors, agents, co-branders, partners, suppliers and employees do not warrant that the content is accurate, reliable or correct; that the Service will meet Users' requirements; that the Service will be available at any particular time or location, uninterrupted or secure; that any defects or errors will be corrected; or that the Service is free of viruses or other harmful components. Any content downloaded or otherwise obtained through the use of the Service is downloaded at Users' own risk and Users shall be solely responsible for any damage to Users' computer system or mobile device or loss of data that results from such download or Users' use of the Service.

The Owner does not warrant, endorse, guarantee, or assume responsibility for any product or service advertised or offered by a third party through the Service or any hyperlinked website or service, and the Owner shall not be a party to or in any way monitor any transaction between Users and third-party providers of products or services.

The Service may become inaccessible or it may not function properly with Users' web browser, mobile device, and/or operating system. The owner cannot be held liable for any perceived or actual damages arising from Service content, operation, or use of this Service.

Federal law, some states, and other jurisdictions, do not allow the exclusion and limitations of certain implied warranties. The above exclusions may not apply to Users. This Agreement gives Users specific legal rights, and Users may also have other rights which vary from state to state. The disclaimers and exclusions under this agreement shall not apply to the extent prohibited by applicable law.

Limitations of liability

To the maximum extent permitted by applicable law, in no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for:

- **any interruption or cessation of transmission to or from the Service;**
- **any bugs, viruses, trojan horses, or the like that may be transmitted to or through the Service;**
- **any errors or omissions in any content or for any loss or damage incurred as a result of the use of any content posted, emailed, transmitted, or otherwise made available through the Service; and/or**
- **the defamatory, offensive, or illegal conduct of any User or third party.**

In no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for any claims, proceedings, liabilities, obligations, damages, losses or costs in an amount exceeding the amount paid by User to the Owner hereunder in the preceding 12 months, or the period of duration of this agreement between the Owner and User, whichever is shorter.

This limitation of liability section shall apply to the fullest extent permitted by law in the applicable jurisdiction whether the alleged liability is based on contract, tort, negligence, strict liability, or any other basis, even if the User has been advised of the possibility of such damage.

Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, therefore the above limitations or exclusions may not apply to the User. The terms give User specific legal rights, and User may also have other rights which vary from jurisdiction to jurisdiction. The disclaimers, exclusions, and limitations of liability under the terms shall not apply to the extent prohibited by applicable law.

Indemnification

The User agrees to defend, indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees harmless from and against any and all claims or demands, damages, obligations, losses, liabilities, costs or debt, and expenses, including, but not limited to, legal fees and expenses, arising from

- User's use of and access to the Service, including any data or content transmitted or received by User;
- User's violation of these terms, including, but not limited to, User's breach of any of the representations and warranties set forth in these terms;
- User's violation of any third-party rights, including, but not limited to, any right of privacy or intellectual property rights;
- User's violation of any statutory law, rule, or regulation;
- any content that is submitted from User's account, including third party access with User's unique username, password or other security measure, if applicable, including, but not limited to, misleading, false, or inaccurate information;
- User's willfull misconduct; or
- statutory provision by User or its affiliates, officers, directors, agents, co-branders, partners, suppliers and employees to the extent allowed by applicable law.

Common provisions

No Waiver

The Owner's failure to assert any right or provision under these Terms shall not constitute a waiver of any such right or provision. No waiver shall be considered a further or continuing waiver of such term or any other term.

Service interruption

To ensure the best possible service level, the Owner reserves the right to interrupt the Service for maintenance, system updates or any other changes, informing the Users appropriately.

Within the limits of law, the Owner may also decide to suspend or discontinue the Service altogether. If the Service is discontinued, the Owner will cooperate with Users to enable them to withdraw personal data or information and will respect Users' rights relating to continued product use and/or compensation, as provided for by applicable law.

Additionally, the Service might not be available due to reasons outside the Owner's reasonable control, such as "force majeure" events (infrastructural breakdowns or blackouts etc.).

Service reselling

Users may not reproduce, duplicate, copy, sell, resell or exploit any portion of this Application and of its Service without the Owner's express prior written permission, granted either directly or through a legitimate reselling program.

Privacy policy

To learn more about the use of their personal data, Users may refer to the privacy policy of this Application.

Intellectual property rights

Without prejudice to any more specific provision of these Terms, any intellectual property rights, such as copyrights, trademark rights, patent rights and design rights related to this Application are the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties relating to intellectual property.

All trademarks — nominal or figurative — and all other marks, trade names, service marks, word marks, illustrations, images, or logos appearing in connection with this Application are, and remain, the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties related to intellectual property.

Changes to these Terms

The Owner reserves the right to amend or otherwise modify these Terms at any time. In such cases, the Owner will appropriately inform the User of these changes.

Such changes will only affect the relationship with the User from the date communicated to Users onwards.

The continued use of the Service will signify the User's acceptance of the revised Terms. If Users do not wish to be bound by the changes, they must stop using the Service and may terminate the Agreement.

The applicable previous version will govern the relationship prior to the User's acceptance. The User can obtain any previous version from the Owner.

If legally required, the Owner will notify Users in advance of when the modified Terms will take effect.

Exception for Consumers in France

Regardless of the above, any change of these Terms shall be communicated in writing no later than one month prior to becoming effective. Should Consumers in France not accept the modified Terms, they shall have the right to terminate the Agreement without any penalty nor right to claim compensation up to four months following the day on which the modified Terms have become effective.

Assignment of contract

The Owner reserves the right to transfer, assign, dispose of by novation, or subcontract any or all rights or obligations under these Terms, taking the User's legitimate interests into account. Provisions regarding changes of these Terms will apply accordingly.

Users may not assign or transfer their rights or obligations under these Terms in any way, without the written permission of the Owner.

Contacts

All communications relating to the use of this Application must be sent using the contact information stated in this document.

Severability

Should any provision of these Terms be deemed or become invalid or unenforceable under applicable law, the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions, which shall remain in full force and effect.

US Users

Any such invalid or unenforceable provision will be interpreted, construed and reformed to the extent reasonably required to render it valid, enforceable and consistent with its original intent. These Terms constitute the entire Agreement between Users and the Owner with respect to the subject matter hereof, and supersede all other communications, including but not limited to all prior agreements, between the parties with respect to such subject matter. These Terms will be enforced to the fullest extent permitted by law.

EU Users

Should any provision of these Terms be or be deemed void, invalid or unenforceable, the parties shall do their best to find, in an amicable way, an agreement on valid and enforceable provisions thereby substituting the void, invalid or unenforceable parts. In case of failure to do so, the void, invalid or unenforceable provisions shall be replaced by the applicable statutory provisions, if so permitted or stated under the applicable law.

Without prejudice to the above, the nullity, invalidity or impossibility to enforce a particular provision of these Terms shall not nullify the entire Agreement, unless the severed provisions are essential to the Agreement, or of such importance that the parties would not have entered into the contract if they had known that the provision would not be valid, or in cases where the remaining provisions would translate into an unacceptable hardship on any of the parties.

Governing law

These Terms are governed by the law of the place where the Owner is based, as disclosed in the relevant section of this document, without regard to conflict of laws principles.

Prevalence of national law

However, regardless of the above, if the law of the country that the User is located in provides for higher applicable consumer protection standards, such higher standards shall prevail.

Exception for Consumers in Switzerland

If the User qualifies as a Consumer in Switzerland, Swiss law will apply.

Exception for Consumers in Brazil

If the User qualifies as a Consumer in Brazil and the product and/or service is commercialized in Brazil, Brazilian law will apply.

Venue of jurisdiction

The exclusive competence to decide on any controversy resulting from or connected to these Terms lies with the courts of the place where the Owner is based, as displayed in the relevant section of this document.

Exception for Consumers in Europe

The above does not apply to any Users that qualify as European Consumers, nor to Consumers based in the United Kingdom, Switzerland, Norway or Iceland.

Exception for Consumers in Brazil

The above does not apply to Users in Brazil that qualify as Consumers.

Exception for Consumers

The above does not apply to Users qualifying as Consumers.
