Paid Products

Some of the Products provided on this Application, as part of the Service, are provided on the basis of payment.

The fees, duration and conditions applicable to the purchase of such Products are described below and in the dedicated sections of this Application.

Product description

Prices, descriptions or availability of Products are outlined in the respective sections of this Application and are subject to change without notice.

While Products on this Application are presented with the greatest accuracy technically possible, representation on this Application through any means (including, as the case may be, graphic material, images, colours, sounds) is for reference only and implies no warranty as to the characteristics of the purchased Product.

The characteristics of the chosen Product will be outlined during the purchasing process.

Purchasing process

Any steps needed from Product choice to order submission, form part of the purchasing process.

The purchasing process includes these steps:

- Users must indicate the desired Product by selecting it, including, where possible, quantity and specific characteristics, to make it appear in the purchase selection.
- Within the purchase selection, Users may review their purchase selection, modify, remove or add items and, where provided for, give specific instructions (for instance, "send it with a gift receipt").
- Users will use the checkout button to be redirected to the checkout view.
- Within the checkout view, Users will be given the possibility to choose the express checkout. The express checkout allows Users to finalise the purchase directly through an online payment processing service (such as "PayPal") By choosing the express checkout, Users will be redirected to the selected payment platform.
- Within the checkout view, Users are required, through consecutive steps, to specify their contact details, billing and shipping address, and a shipping and payment method of their choice.
- During the purchasing process, Users may, at any time, modify, correct or change the information provided, and add a gift card, referral code or discount code (Coupon) or altogether abort the purchasing process with no consequence.

- After providing all the required information, Users must carefully review the order and, subsequently, confirm and submit it by using the relevant button or mechanism on this Application, hereby accepting these Terms and committing to pay the agreed-upon price.
- After having completed the purchase, Users, who have not already done so, may request to store the provided information for future purchases on this Application creating a personal account. The accounts are created via [Wix](#) and they also allow the Users to access the status of the current purchase and their purchase history. The User may read the privacy policy of Wix and this Application to learn more about the data processing and User rights regarding their data.

Order submission

When the User submits an order, the following applies:

- The submission of an order determines contract conclusion and therefore creates for the User the obligation to pay the price, taxes and possible further fees and expenses, as specified on the order page.
- In case the purchased Product requires an action from the User, such as the provision of personal information or data, specifications or special wishes, the order submission creates an obligation for the User to cooperate accordingly.
- Upon submission of the order, Users will receive a receipt confirming that the order has been received.

All notifications related to the described purchasing process shall be sent to the email address provided by the User for such purposes.

Prices

Users are informed during the purchasing process and before order submission, about any fees, taxes and costs (including, if any, delivery costs) that they will be charged.

Prices on this Application are displayed:

- either exclusive or inclusive of any applicable fees, taxes and costs, depending on the section the User is browsing.

Offers and discounts

The Owner may offer discounts or provide special offers for the purchase of Products. Any such offer or discount shall always be subject to the eligibility criteria and the terms and conditions set out in the corresponding section of this Application.

Offers and discounts are always granted at the Owner's sole discretion.

Repeated or recurring offers or discounts create no claim/title or right that Users may enforce in the future.

Depending on the case, discounts or offers shall be valid for a limited time only or while stocks last. If an offer or discount is limited by time, the time indications refer to the time zone of the Owner, as indicated in the Owner's location details in this document, unless otherwise specified.

Coupons

Offers or discounts can be based on Coupons.

If breach of the conditions applicable to Coupons occurs, the Owner can legitimately refuse to fulfil its contractual obligations and expressly reserves the right to take appropriate legal action to protect its rights and interests.

Notwithstanding the provisions below, any additional or diverging rules applicable to using the Coupon displayed in the corresponding information page or on the Coupon itself shall always prevail.

Unless otherwise stated, these rules apply to the use of Coupons:

- Each Coupon is only valid when used in the manner and within the timeframe specified on the website and/or the Coupon;
- A Coupon may only be applied, in its entirety, at the actual time of purchase – partial use is not permitted;
- Unless otherwise stated, single-use Coupons may only be used once per purchase and therefore may only be applied a single time even in cases involving instalment-based purchases;
- A Coupon cannot be applied cumulatively;
- The Coupon must be redeemed exclusively within the time specified in the offer. After this period, the Coupon will automatically expire, precluding any possibility for the User to claim the relevant rights, including cash-out;
- The User is not entitled to any credit/refund/compensation if there is a difference between the value of the Coupon and the redeemed value;
- The Coupon is intended solely for non-commercial use. Any reproduction, counterfeiting and commercial trade of the Coupon is strictly forbidden, along with any illegal activity related to the purchase and/or use of the Coupon.

Methods of payment

Information related to accepted payment methods is made available during the purchasing process.

Some payment methods may only be available subject to additional conditions or fees. In such cases related information can be found in the dedicated section of this Application.

All payments are independently processed through third-party services. Therefore, this Application does not collect any payment information – such as credit card details – but only receives a notification once the payment has been successfully completed. The User may read the privacy policy of this Application to learn more about the data processing and Users' rights regarding their data.

If a payment through the available methods fails or is refused by the payment service provider, the Owner shall be under no obligation to fulfil the purchase order. If a payment fails or is refused, the Owner reserves the right to claim any related expenses or damages from the User.

Authorization for future PayPal payment

If Users authorise the PayPal feature which allows future purchases, this Application will store an identification code linked to the Users' PayPal account. This will authorise this Application to automatically process payments for future purchases or recurring instalments of past purchases.

This authorisation can be revoked at any time, either by contacting the Owner or by changing the user settings offered by PayPal.

Retention of Product ownership

Until payment of the total purchase price is received by the Owner, any Products ordered shall not become the User's property.

Contractual right of cancellation

The Owner grants Users a contractual right to cancel the purchase under the terms and conditions described in the relevant section of this Application within 30 days of concluding the contract.

Delivery of goods

Deliveries are made to the address indicated by the User and in the manner specified in the order summary.

Upon delivery, Users should verify the content of the delivery and report anomalies without undue delay, using the contact details provided in this document or as described in the delivery note. Users may refuse to accept the parcel if visibly damaged.

Goods are delivered to the countries or territories specified in the relevant section of this Application.

Delivery times are specified on this Application or during the purchasing process.

Failed delivery

Any delivery errors due to inaccuracies or incompleteness in the execution of the purchase order by the User, as well as any damages or delays after handover to any carrier autonomously arranged by the User, are the User's own responsibility. If the goods are not received or collected at the time or within the deadline specified, the goods will be returned to the sender. Thereafter, the User will be contacted to schedule a second delivery attempt or to agree on the future course of action. Unless otherwise agreed, any delivery attempt starting from the second shall be at the User's expense.

User rights

Right of withdrawal

Unless exceptions apply, the User may be eligible to withdraw from the contract within the period specified below (generally 14 days), for any reason and without justification. Users can learn more about the withdrawal conditions within this section.

The right of withdrawal does not always apply on this Application

In light of the above, Users acknowledge and accept that the right of withdrawal does not apply to some of the contracts concluded over this Application due to their nature.

Guarantees

Legal guarantee of conformity for goods under EU law

Under EU law, for a minimum period of 2 years from delivery, traders guarantee the conformity of the goods they sell to Consumers.

Where Users qualify as European Consumers, the legal guarantee of conformity for goods applies to the items available on this Application in accordance with the laws of the country of their habitual residence.

National laws of such country may grant Users broader rights.

Liability and indemnification

Unless otherwise explicitly stated or agreed with Users, the Owner's liability for damages in connection with the execution of the Agreement shall be excluded, limited and/or reduced to the maximum extent permitted by applicable law.

Indemnification

The User agrees to indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners and employees harmless from and against any claim or demand — including but not limited to lawyer's fees and costs — made by any third party due to or in relation with any culpable violation of these Terms, third-party rights or statutory provisions connected to the use of the Service by the User or its affiliates, officers, directors, agents, co-branders, partners and employees to the extent allowed by applicable law.

The above also applies to any claims exercised by third parties (including but not limited to the Owner's clients or customers) against the Owner related to Digital Products provided by the User such as, for instance, conformity claims.

Limitation of liability

Unless otherwise explicitly stated and without prejudice to mandatory law, Users shall have no right to claim damages against the Owner (or any natural or legal person acting on its behalf).

This does not apply to damages to life, health or physical integrity, damages resulting from the breach of material contractual obligations such as any obligation strictly necessary to achieve the purpose of the contract, and/or damages resulting from intent or gross negligence, as long as this Application has been appropriately and correctly used by the User.

Unless damages have been caused by way of intent or gross negligence, or they affect life, health or physical integrity, the Owner shall only be liable to the extent of typical and foreseeable damages at the moment the contract was entered into.

Australian Users

Limitation of liability

Nothing in these Terms excludes, restricts or modifies any guarantee, condition, warranty, right or remedy which the User may have under the Competition and Consumer Act 2010 (Cth) or any similar state and territory legislation and which cannot be excluded, restricted or modified (non-excludable right). To the fullest extent permitted by law, our liability to the User, including liability for a breach of a non-excludable right and liability which is not otherwise excluded under these Terms, is limited, at the Owner's sole discretion, to the re-performance of the services or the payment of the cost of having the services supplied again.

US Users

Disclaimer of Warranties

This Application is provided strictly on an “as is” and “as available” basis. Use of the Service is at Users' own risk. To the maximum extent permitted by applicable law, the Owner expressly disclaims all conditions, representations, and warranties — whether express, implied, statutory or otherwise, including, but not limited to, any implied warranty of merchantability, fitness for a particular purpose, or non-infringement of third-party rights. No advice or information, whether oral or written, obtained by the User from the Owner or through the Service will create any warranty not expressly stated herein.

Without limiting the foregoing, the Owner, its subsidiaries, affiliates, licensors, officers, directors, agents, co-branders, partners, suppliers and employees do not warrant that the content is accurate, reliable or correct; that the Service will meet Users' requirements; that the Service will be available at any particular time or location, uninterrupted or secure; that any defects or errors will be corrected; or that the Service is free of viruses or other harmful components. Any

content downloaded or otherwise obtained through the use of the Service is downloaded at Users' own risk and Users shall be solely responsible for any damage to Users' computer system or mobile device or loss of data that results from such download or Users' use of the Service.

The Owner does not warrant, endorse, guarantee, or assume responsibility for any product or service advertised or offered by a third party through the Service or any hyperlinked website or service, and the Owner shall not be a party to or in any way monitor any transaction between Users and third-party providers of products or services.

The Service may become inaccessible or it may not function properly with Users' web browser, mobile device, and/or operating system. The owner cannot be held liable for any perceived or actual damages arising from Service content, operation, or use of this Service.

Federal law, some states, and other jurisdictions, do not allow the exclusion and limitations of certain implied warranties. The above exclusions may not apply to Users. This Agreement gives Users specific legal rights, and Users may also have other rights which vary from state to state. The disclaimers and exclusions under this agreement shall not apply to the extent prohibited by applicable law.

Limitations of liability

To the maximum extent permitted by applicable law, in no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for:

- any indirect, punitive, incidental, special, consequential or exemplary damages, including without limitation damages for loss of profits, goodwill, use, data or other intangible losses, arising out of or relating to the use of, or inability to use, the Service; and
- any damage, loss or injury resulting from hacking, tampering or other unauthorised access or use of the Service or User account or the information contained therein;
- any errors, mistakes, or inaccuracies of content;
- personal injury or property damage, of any nature whatsoever, resulting from User access to or use of the Service;
- any unauthorised access to or use of the Owner's secure servers and/or any and all personal information stored therein;
- any interruption or cessation of transmission to or from the Service;
- any bugs, viruses, trojan horses, or the like that may be transmitted to or through the Service;
- any errors or omissions in any content or for any loss or damage incurred as a result of the use of any content posted, emailed, transmitted, or otherwise made available through the Service; and/or
- the defamatory, offensive, or illegal conduct of any User or third party.

In no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for any claims, proceedings, liabilities, obligations, damages, losses or costs in an amount exceeding the amount paid by User to the Owner hereunder in the preceding 12 months, or the period of duration of this agreement between the Owner and User, whichever is shorter.

This limitation of liability section shall apply to the fullest extent permitted by law in the applicable jurisdiction whether the alleged liability is based on contract, tort, negligence, strict liability, or any other basis, even if the User has been advised of the possibility of such damage.

Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, therefore the above limitations or exclusions may not apply to the User. The terms give User specific legal rights, and User may also have other rights which vary from jurisdiction to jurisdiction. The disclaimers, exclusions, and limitations of liability under the terms shall not apply to the extent prohibited by applicable law.

Indemnification

The User agrees to defend, indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees harmless from and against any and all claims or demands, damages, obligations, losses, liabilities, costs or debt, and expenses, including, but not limited to, legal fees and expenses, arising from

- User's use of and access to the Service, including any data or content transmitted or received by User;
- User's violation of these terms, including, but not limited to, User's breach of any of the representations and warranties set forth in these terms;
- User's violation of any third-party rights, including, but not limited to, any right of privacy or intellectual property rights;
- User's violation of any statutory law, rule, or regulation;
- any content that is submitted from User's account, including third party access with User's unique username, password or other security measure, if applicable, including, but not limited to, misleading, false, or inaccurate information;
- User's willful misconduct; or

- **statutory provision by User or its affiliates, officers, directors, agents, co-branders, partners, suppliers and employees to the extent allowed by applicable law.**

Common provisions

No Waiver

The Owner's failure to assert any right or provision under these Terms shall not constitute a waiver of any such right or provision. No waiver shall be considered a further or continuing waiver of such term or any other term.

Service interruption

To ensure the best possible service level, the Owner reserves the right to interrupt the Service for maintenance, system updates or any other changes, informing the Users appropriately.

Within the limits of law, the Owner may also decide to suspend or discontinue the Service altogether. If the Service is discontinued, the Owner will cooperate with Users to enable them to withdraw personal data or information and will respect Users' rights relating to continued product use and/or compensation, as provided for by applicable law.

Additionally, the Service might not be available due to reasons outside the Owner's reasonable control, such as "force majeure" events (infrastructural breakdowns or blackouts etc.).

Service reselling

Users may not reproduce, duplicate, copy, sell, resell or exploit any portion of this Application and of its Service without the Owner's express prior written permission, granted either directly or through a legitimate reselling program.

Privacy policy

To learn more about the use of their personal data, Users may refer to the privacy policy of this Application.

Intellectual property rights

Without prejudice to any more specific provision of these Terms, any intellectual property rights, such as copyrights, trademark rights, patent rights and design rights related to this Application are the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties relating to intellectual property.

All trademarks — nominal or figurative — and all other marks, trade names, service marks, word marks, illustrations, images, or logos appearing in connection with this Application are, and remain, the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties related to intellectual property.

Changes to these Terms

The Owner reserves the right to amend or otherwise modify these Terms at any time. In such cases, the Owner will appropriately inform the User of these changes.

Such changes will only affect the relationship with the User from the date communicated to Users onwards.

The continued use of the Service will signify the User's acceptance of the revised Terms. If Users do not wish to be bound by the changes, they must stop using the Service and may terminate the Agreement.

The applicable previous version will govern the relationship prior to the User's acceptance. The User can obtain any previous version from the Owner.

If legally required, the Owner will notify Users in advance of when the modified Terms will take effect.

Assignment of contract

The Owner reserves the right to transfer, assign, dispose of by novation, or subcontract any or all rights or obligations under these Terms, taking the User's legitimate interests into account. Provisions regarding changes of these Terms will apply accordingly.

Users may not assign or transfer their rights or obligations under these Terms in any way, without the written permission of the Owner.

Contacts

All communications relating to the use of this Application must be sent using the contact information stated in this document.

Severability

Should any provision of these Terms be deemed or become invalid or unenforceable under applicable law, the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions, which shall remain in full force and effect.

US Users

Any such invalid or unenforceable provision will be interpreted, construed and reformed to the extent reasonably required to render it valid, enforceable and consistent with its original intent. These Terms constitute the entire Agreement between Users and the Owner with respect to the subject matter hereof, and supersede all other communications, including but not limited to all prior agreements, between the parties with respect to such subject matter. These Terms will be enforced to the fullest extent permitted by law.

EU Users

Should any provision of these Terms be or be deemed void, invalid or unenforceable, the parties shall do their best to find, in an amicable way, an agreement on valid and enforceable provisions thereby substituting the void, invalid or unenforceable parts. In case of failure to do so, the void, invalid or unenforceable provisions shall be replaced by the applicable statutory provisions, if so permitted or stated under the applicable law.

Without prejudice to the above, the nullity, invalidity or impossibility to enforce a particular provision of these Terms shall not nullify the entire Agreement, unless the severed provisions are essential to the Agreement, or of such importance that the parties would not have entered into the contract if they had known that the provision would not be valid, or in cases where the remaining provisions would translate into an unacceptable hardship on any of the parties.

Governing law

These Terms are governed by the law of the place where the Owner is based, as disclosed in the relevant section of this document, without regard to conflict of laws principles.

Prevalence of national law

However, regardless of the above, if the law of the country that the User is located in provides for higher applicable consumer protection standards, such higher standards shall prevail.

Exception for Consumers in Switzerland

If the User qualifies as a Consumer in Switzerland, Swiss law will apply.

Exception for Consumers in Brazil

If the User qualifies as a Consumer in Brazil and the product and/or service is commercialised in Brazil, Brazilian law will apply.

Venue of jurisdiction

The exclusive competence to decide on any controversy resulting from or connected to these Terms lies with the courts of the place where the Owner is based, as displayed in the relevant section of this document.

Exception for Consumers in Europe

The above does not apply to any Users that qualify as European Consumers, nor to Consumers based in the United Kingdom, Switzerland, Norway or Iceland.

Exception for Consumers in Brazil

The above does not apply to Users in Brazil that qualify as Consumers.

Accessibility

The Owner is committed to making the content accessible to Users with disabilities. If Users have a disability and are unable to access any portion of this Application due to their disability, they should give a notice including a detailed description of the issue

encountered. If the issue is readily identifiable and resolvable in accordance with industry-standard information technology tools and techniques, the Owner commits to promptly address it.

Dispute resolution

Amicable dispute resolution

Users may bring any disputes to the Owner who will try to resolve them amicably.

While Users' right to take legal action shall always remain unaffected, in the event of any controversy regarding the use of this Application or the Service, Users are kindly asked to contact the Owner at the contact details provided in this document.

The User may submit the complaint including a brief description and if applicable, the details of the related order, purchase, or account, to the Owner's email address specified in this document.
