TERMS AND CONDITIONS OF SALE

Paid Products

Some of the Products provided on GetUpp, as part of the Service, are provided on the basis of payment.

The fees, duration and conditions applicable to the purchase of such Products are described below and in the dedicated sections of GetUpp.

Product description

Prices, descriptions or availability of Products are outlined in the respective sections of GetUpp and are subject to change without notice.

While Products on GetUpp are presented with the greatest accuracy technically possible, representation on GetUpp through any means (including, as the case may be, graphic material, images, colors, sounds) is for reference only and implies no warranty as to the characteristics of the purchased Product.

The characteristics of the chosen Product will be outlined during the purchasing process.

Purchasing process

Any steps taken from choosing a Product to order submission form part of the purchasing process.

The purchasing process includes these steps:

- Users must choose the desired Product and verify their purchase selection.
- After having reviewed the information displayed in the purchase selection, Users may place the order by submitting it.

Order submission

When the User submits an order, the following applies:

- The submission of an order determines contract conclusion and therefore creates for the User the obligation to pay the price, taxes and possible further fees and expenses, as specified on the order page.
- In case the purchased Product requires an action from the User, such as the provision of personal information or data, specifications or special wishes, the order submission creates an obligation for the User to cooperate accordingly.
- Upon submission of the order, Users will receive a receipt confirming that the order has been received.

All notifications related to the described purchasing process shall be sent to the email address provided by the User for such purposes.

Prices

Users are informed during the purchasing process and before order submission, about any fees, taxes and costs (including, if any, delivery costs) that they will be charged.

Prices on GetUpp are displayed:

- either exclusive or inclusive of any applicable fees, taxes and costs, depending on the section the User is browsing.

Methods of payment

Information related to accepted payment methods are made available during the purchasing process.

Some payment methods may only be available subject to additional conditions or fees. In such cases related information can be found in the dedicated section of GetUpp.

Payment methods marked accordingly are managed directly by the Owner. In this case, the Owner collects and stores the data necessary for the processing of payments and for fulfilling any legal obligation related to them. The User may read the privacy policy of GetUpp to learn more about the data processing and Users' rights regarding their data.

Other payment methods – if any – are independently provided by third-party services. In such cases GetUpp collects no payment information – such as credit card details – but only receives a notification from the relevant third-party provider once the payment has been successfully completed.

If payment through the available methods fail, the Owner shall be under no obligation to fulfill the purchase order. If a payment fails or is refused, the Owner reserves the right to claim any related expenses or damages from the User.

Purchase via app store

GetUpp or specific Products available for sale on GetUpp must be purchased via a third-party app store. To access such purchases, Users must follow the instructions provided on the relevant online store (such as "Apple App Store" or "Google Play"), which may vary depending on the particular device in use.

Unless otherwise specified, purchases done via third-party online stores are also subject to such third-parties' terms and conditions, which, in case of any inconsistency or conflict, shall always prevail upon these Terms.

Users purchasing through such third-party online stores must therefore read such terms and conditions of sale carefully and accept them.

Retention of Product ownership

Until payment of the total purchase price is received by the Owner, any Products ordered shall not become the User's property.

Delivery

Deliveries are made to the address indicated by the User and in the manner specified in the order summary.

Upon delivery, Users must verify the content of the delivery and report anomalies without undue delay, using the contact details provided in this document or as described in the delivery note. Users may refuse to accept the parcel if visibly damaged.

Goods are delivered to the countries or territories specified in the relevant section of GetUpp.

Delivery times are specified on GetUpp or during the purchasing process.

Unless otherwise specified on GetUpp or agreed with Users, Products shall be delivered within thirty (30) days from purchase.

The following applies to Users that do not qualify as Consumers:

Deliveries are made under the conditions and within the timeframe stated on GetUpp.

Unless otherwise stated, the delivery costs are the responsibility of the User.

The risk of loss of or damage to the goods shall pass to the User upon handover to the carrier.

Failed delivery

Any delivery errors due to inaccuracies or incompleteness in the execution of the purchase order by the User, as well as any damages or delays after handover to any carrier autonomously arranged by the User, are the User's own responsibility. If the goods are not received or collected at the time or within the deadline specified, the goods will be returned to the sender. Thereafter, the User will be contacted to schedule a second delivery attempt or to agree on the future course of action. Unless otherwise agreed, any delivery attempt starting from the second shall be at the User's expense.

If Users do not qualify as Consumers the following failed-delivery policy applies and replaces the above:

Failed delivery B2B

Unless otherwise stated, the delivery costs are the responsibility of the User.

Any errors, delays (including cases where the User fails to collect the goods within the deadline set by the Owner, Seller or the carrier), damages to or loss of the goods after handover to any carrier autonomously arranged by the User, are the User's own responsibility.

If the goods are returned due to a failed delivery, Users must bear the costs of the resulting storage. Users must further arrange a new delivery attempt at their own expense.

Should the User fail to do so, the Owner or Seller may, at their own discretion, cancel the contract or arrange a new delivery at the User's expense.

In both cases, the Owner or Seller reserves the right to compensation for any damage suffered due to the failed delivery.

Contract duration

Subscriptions

Subscriptions allow Users to receive a Product continuously or regularly over time. Details regarding the type of subscription and termination are outlined below.

Subscriptions handled via Apple ID

Users may subscribe to a Product using the Apple ID associated with their Apple App Store account by using the relevant process on GetUpp. When doing so, Users acknowledge and accept that

- any payment due shall be charged to their Apple ID account;
- subscriptions are automatically renewed for the same duration unless the User cancels at least 24 hours before the current period expires;
- any and all fees or payments due for renewal will be charged within 24-hours before the end of the current period;
- subscriptions can be managed or cancelled in the Users' Apple App Store account settings.

The above shall prevail upon any conflicting or diverging provision of these Terms.

Termination

Subscriptions may be terminated by sending a clear and unambiguous termination notice to the Owner using the contact details provided in this document, or — if applicable — by using the corresponding controls inside GetUpp.

User rights

Right of withdrawal

Unless exceptions apply, the User may be eligible to withdraw from the contract within the period specified below (generally 14 days), for any reason and without justification. Users can learn more about the withdrawal conditions within this section.

Who the right of withdrawal applies to

Unless any applicable exception is mentioned below, Users who are European Consumers are granted a statutory cancellation right under EU rules, to withdraw from contracts entered into online (distance contracts) within the specified period applicable to their case, for any reason and without justification.

Users that do not fit this qualification, cannot benefit from the rights described in this section.

Exercising the right of withdrawal

To exercise their right of withdrawal, Users must send to the Owner an unequivocal statement of their intention to withdraw from the contract.

To this end, Users may use the model withdrawal form available from within the “definitions” section of this document. Users are, however, free to express their intention to withdraw from the contract by making an unequivocal statement in any other suitable way. In order to meet the deadline within which they can exercise such right, Users must send the withdrawal notice before the withdrawal period expires.

When does the withdrawal period expire?

- **Regarding the purchase of goods**, the withdrawal period expires 14 days after the day on which the User or a third party – other than the carrier and designated by the User – takes physical possession of the goods.
- **Regarding the purchase of several goods ordered together** but delivered separately or in case of purchase of a single good consisting of multiple lots or pieces delivered separately, the withdrawal period expires 14 days after the day on which the User or a third party – other than the carrier and designated by the User – acquires physical possession of the last good, lot or piece.

Effects of withdrawal

Users who correctly withdraw from a contract will be reimbursed by the Owner for all payments made to the Owner, including, if any, those covering the costs of delivery.

However, any additional costs resulting from the choice of a particular delivery method other than the least expensive type of standard delivery offered by the Owner, will not be reimbursed.

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User’s decision to withdraw from the contract. Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

...on the purchase of physical goods

Unless the Owner has offered to collect the goods, Users shall send back the goods or hand them over to the Owner, or to a person authorized by the latter to receive the goods, without undue delay and in any event within 14 days from the day on which they communicated their decision to withdraw from the contract.

The deadline is met if the goods are handed to the carrier, or otherwise returned as indicated above, before the expiration of the 14-days-period for returning the goods. The reimbursement may be withheld until reception of the goods, or until Users have supplied evidence of having returned the goods, whichever is the earliest.

Users shall only be liable for any diminished value of the goods resulting from the handling of the goods outside of that which is necessary to establish their nature, characteristics and functioning.

The costs of returning the goods are borne by the User.

Guarantees

Legal guarantee of conformity for goods under EU law

Under EU law, for a minimum period of 2 years after delivery, traders guarantee the conformity of the goods they sell. This means that traders must ensure that the goods purchased have the promised quality, or the quality that can be reasonably expected, functionality or characteristics for at least two years after they've been delivered to the purchaser.

Where Users qualify as European Consumers, the legal guarantee of conformity for goods applies to the items available on GetUpp in accordance with the laws of the country of their habitual residence.

National laws of such country may grant such Users broader rights.

In particular, Consumers based in France can exercise guarantee rights within two years of delivery of the good without being required to provide evidence of the good's defect or lack of conformity. The period of time for which the Consumer is exempted from providing evidence of the fault is reduced to six months in case of used goods.

When exercising guarantee rights, Consumers may choose between requesting replacement or reparation of the faulty good at the conditions set out in the French Consumer Code.

This statutory guarantee of conformity applies regardless of any commercial guarantee possibly offered by the Owner.

Consumers may also exercise their right of guarantee for hidden faults according to the relevant provisions of the French Civil Code, choosing between cancelling the purchase or requesting a price reduction.

Consumers who do not qualify as European may benefit from legal guarantee of conformity rights in accordance with the legislation of the country of their habitual residence.

Applicability extension to non-EU consumers

Without prejudice to any more favourable guarantee-of-conformity rights that Users might benefit from according to the legislation applicable to them, the Owner contractually extends the statutory guarantee-of-conformity regime applicable in the country of its registered offices to Consumers in general.

Liability and indemnification

Australian Users

Limitation of liability

Nothing in these Terms excludes, restricts or modifies any guarantee, condition, warranty, right or remedy which the User may have under the Competition and Consumer Act 2010 (Cth) or any similar State and Territory legislation and which cannot be excluded, restricted or modified (non-excludable right). To the fullest extent permitted by law, our liability to the User, including liability for a breach of a non-excludable right and liability which is not otherwise excluded under these Terms of Use, is limited, at the Owner's sole discretion, to the re-performance of the services or the payment of the cost of having the services supplied again.

US Users

Disclaimer of Warranties

GetUpp is provided strictly on an "as is" and "as available" basis. Use of the Service is at Users' own risk. To the maximum extent permitted by applicable law, the Owner expressly disclaims all conditions, representations, and warranties — whether express, implied, statutory or otherwise, including, but not limited to, any implied warranty of merchantability, fitness for a particular purpose, or non-infringement of third-party rights. No advice or information, whether oral or written, obtained by the User from the Owner or through the Service will create any warranty not expressly stated herein.

Without limiting the foregoing, the Owner, its subsidiaries, affiliates, licensors, officers, directors, agents, co-branders, partners, suppliers and employees do not warrant that the content is accurate, reliable or correct; that the Service will meet Users' requirements; that the Service will be available at any particular time or location, uninterrupted or secure; that any defects or errors will be corrected; or that the Service is free of viruses or other harmful components. Any content downloaded or otherwise obtained through the use of the Service is downloaded at Users' own risk and Users shall be solely responsible for any damage to Users' computer system or mobile device or loss of data that results from such download or Users' use of the Service.

The Owner does not warrant, endorse, guarantee, or assume responsibility for any product or service advertised or offered by a third party through the Service or any hyperlinked website or service, and the Owner shall not be a party to or in any way monitor any transaction between Users and third-party providers of products or services.

The Service may become inaccessible or it may not function properly with Users' web browser, mobile device, and/or operating system. The owner cannot be held liable for any perceived or actual damages arising from Service content, operation, or use of this Service.

Federal law, some states, and other jurisdictions, do not allow the exclusion and limitations of certain implied warranties. The above exclusions may not apply to Users. This Agreement gives Users specific legal rights, and Users may also have other rights which vary from state to state. The disclaimers and exclusions under this agreement shall not apply to the extent prohibited by applicable law.

Limitations of liability

To the maximum extent permitted by applicable law, in no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for:

- any indirect, punitive, incidental, special, consequential or exemplary damages, including without limitation damages for loss of profits, goodwill, use, data or other intangible losses, arising out of or relating to the use of, or inability to use, the Service; and
- any damage, loss or injury resulting from hacking, tampering or other unauthorized access or use of the Service or User account or the information contained therein;
- any errors, mistakes, or inaccuracies of content;
- personal injury or property damage, of any nature whatsoever, resulting from User access to or use of the Service;
- any unauthorized access to or use of the Owner's secure servers and/or any and all personal information stored therein;
- any interruption or cessation of transmission to or from the Service;
- any bugs, viruses, trojan horses, or the like that may be transmitted to or through the Service;
- any errors or omissions in any content or for any loss or damage incurred as a result of the use of any content posted, emailed, transmitted, or otherwise made available through the Service; and/or
- the defamatory, offensive, or illegal conduct of any User or third party. In no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for any claims, proceedings, liabilities, obligations, damages, losses or costs in an amount exceeding the amount paid by User to the Owner hereunder in the preceding 12 months, or the period of duration of this agreement between the Owner and User, whichever is shorter.

This limitation of liability section shall apply to the fullest extent permitted by law in the applicable jurisdiction whether the alleged liability is based on contract, tort, negligence, strict liability, or any other basis, even if the User has been advised of the possibility of such damage.

Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, therefore the above limitations or exclusions may not apply to the User. The terms give User specific legal rights, and User may also have other rights which vary from jurisdiction to jurisdiction. The disclaimers, exclusions, and limitations of liability under the terms shall not apply to the extent prohibited by applicable law.

Indemnification

The User agrees to defend, indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees harmless from and against any and all claims or demands, damages, obligations, losses, liabilities, costs or debt, and expenses, including, but not limited to, legal fees and expenses, arising from

- User's use of and access to the Service, including any data or content transmitted or received by User;
- User's violation of these terms, including, but not limited to, User's breach of any of the representations and warranties set forth in these terms;
- User's violation of any third-party rights, including, but not limited to, any right of privacy or intellectual property rights;
- User's violation of any statutory law, rule, or regulation;
- any content that is submitted from User's account, including third party access with User's unique username, password or other security measure, if applicable, including, but not limited to, misleading, false, or inaccurate information;
- User's wilful misconduct; or
- statutory provision by User or its affiliates, officers, directors, agents, co-branders, partners, suppliers and employees to the extent allowed by applicable law.

Common provisions

No Waiver

The Owner's failure to assert any right or provision under these Terms shall not constitute a waiver of any such right or provision. No waiver shall be considered a further or continuing waiver of such term or any other term.

Service interruption

To ensure the best possible service level, the Owner reserves the right to interrupt the Service for maintenance, system updates or any other changes, informing the Users appropriately.

Within the limits of law, the Owner may also decide to suspend or discontinue the Service altogether. If the Service is discontinued, the Owner will cooperate with Users to enable them to withdraw Personal Data or information and will respect Users' rights relating to continued product use and/or compensation, as provided for by applicable law.

Additionally, the Service might not be available due to reasons outside the Owner's reasonable control, such as "force majeure" events (infrastructural breakdowns or blackouts etc.).

Service reselling

Users may not reproduce, duplicate, copy, sell, resell or exploit any portion of GetUpp and of its Service without the Owner's express prior written permission, granted either directly or through a legitimate reselling programme.

Privacy policy

To learn more about the use of their Personal Data, Users may refer to the privacy policy of GetUpp.

Intellectual property rights

Without prejudice to any more specific provision of these Terms, any intellectual property rights, such as copyrights, trademark rights, patent rights and design rights related to GetUpp are the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties relating to intellectual property.

All trademarks — nominal or figurative — and all other marks, trade names, service marks, word marks, illustrations, images, or logos appearing in connection with GetUpp are, and remain, the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties related to intellectual property.

Changes to these Terms

The Owner reserves the right to amend or otherwise modify these Terms at any time. In such cases, the Owner will appropriately inform the User of these changes.

Such changes will only affect the relationship with the User from the date communicated to Users onwards.

The continued use of the Service will signify the User's acceptance of the revised Terms. If Users do not wish to be bound by the changes, they must stop using the Service and may terminate the Agreement.

The applicable previous version will govern the relationship prior to the User's acceptance. The User can obtain any previous version from the Owner.

If legally required, the Owner will notify Users in advance of when the modified Terms will take effect.

Assignment of contract

The Owner reserves the right to transfer, assign, dispose of by novation, or subcontract any or all rights or obligations under these Terms, taking the User's legitimate interests into account. Provisions regarding changes of these Terms will apply accordingly.

Users may not assign or transfer their rights or obligations under these Terms in any way, without the written permission of the Owner.

Contacts

All communications relating to the use of GetUpp must be sent using the contact information stated in this document.

Severability

Should any provision of these Terms be deemed or become invalid or unenforceable under applicable law, the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions, which shall remain in full force and effect.

US Users

Any such invalid or unenforceable provision will be interpreted, construed and reformed to the extent reasonably required to render it valid, enforceable and consistent with its original intent. These Terms constitute the entire Agreement between Users and the Owner with respect to the subject matter hereof, and supersede all other communications, including but not limited to all prior agreements, between the parties with respect to such subject matter. These Terms will be enforced to the fullest extent permitted by law.

EU Users

Should any provision of these Terms be or be deemed void, invalid or unenforceable, the parties shall do their best to find, in an amicable way, an agreement on valid and enforceable provisions thereby substituting the void, invalid or unenforceable parts. In case of failure to do so, the void, invalid or unenforceable provisions shall be replaced by the applicable statutory provisions, if so permitted or stated under the applicable law.

Without prejudice to the above, the nullity, invalidity or impossibility to enforce a particular provision of these Terms shall not nullify the entire Agreement, unless the severed provisions are essential to the Agreement, or of such importance that the parties would not have entered into the contract if they had known that the provision would not be valid, or in cases where the remaining provisions would translate into an unacceptable hardship on any of the parties.

Governing law

These Terms are governed by the law of the place where the Owner is based, as disclosed in the relevant section of this document, without regard to conflict of laws principles.

Prevalence of national law

However, regardless of the above, if the law of the country that the User is located in provides for higher applicable consumer protection standards, such higher standards shall prevail.

Venue of jurisdiction

The exclusive competence to decide on any controversy resulting from or connected to these Terms lies with the courts of the place where the Owner is based, as displayed in the relevant section of this document.

Exception for Consumers in Europe

The above does not apply to any Users that qualify as European Consumers, nor to Consumers based in the United Kingdom, Switzerland, Norway or Iceland.

Dispute resolution

Amicable dispute resolution

Users may bring any disputes to the Owner who will try to resolve them amicably.

While Users' right to take legal action shall always remain unaffected, in the event of any controversy regarding the use of GetUpp or the Service, Users are kindly asked to contact the Owner at the contact details provided in this document.

The User may submit the complaint including a brief description and if applicable, the details of the related order, purchase, or account, to the Owner's email address specified in this document.

The Owner will process the complaint without undue delay and within 21 days of receiving it.

Online dispute resolution for Consumers

The European Commission has established an online platform for alternative dispute resolutions that facilitates an out-of-court method for solving disputes related to and stemming from online sale and service contracts.

As a result, any European Consumer or Consumer based in Norway, Iceland, or Liechtenstein can use such platform for resolving disputes stemming from contracts which have been entered into online. The platform is [available at the following link](#).
