User rights

Right of withdrawal

Unless exceptions apply, the User may be eligible to withdraw from the contract within the period specified below (generally 14 days), for any reason and without justification. Users can learn more about the withdrawal conditions within this section.

Who the right of withdrawal applies to

The right of withdrawal is a right designed for European Consumers in the case of distance contracts (because the User is not able to see or try the Products before closing the contract). Withdrawal from the contract terminates the obligation of the contracting parties to perform the contract.

On this Application the right of withdrawal applies to all Users, without prejudice to any more specific rights available to Users based on applicable law and/or this document.

Unless any exception mentioned below applies, if any, Users have a right to withdraw from the contract within the specified period applicable to their case, for any reason and without justification. The User shall only be liable to the Seller for any diminution in the value of the goods resulting from handling the goods in a manner other than that necessary to acquaint him with the nature, characteristics and functionality of the goods.

Exercising the right of withdrawal

To exercise their right of withdrawal, Users must send to the Owner an unequivocal statement of their intention to withdraw from the contract.

To this end, Users may use the model withdrawal form available from within the “definitions” section of this document. Users are, however, free to express their intention to withdraw from the contract by making an unequivocal statement in any other suitable way. In order to meet the deadline within which they can exercise such right, Users must send the withdrawal notice before the withdrawal period expires.

When does the withdrawal period expire?

- **In case of purchase of a digital content not supplied in a tangible medium**, the withdrawal period expires 14 days after the day that the contract is entered into, unless the User has waived the withdrawal right.

Effects of withdrawal

Users who correctly withdraw from a contract will be reimbursed by the Owner for all payments made to the Owner, including, if any, those covering the costs of delivery.

However, any additional costs resulting from the choice of a particular delivery method other than the least expensive type of standard delivery offered by the Owner, will not be reimbursed.

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User's decision to withdraw from the contract. Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

UK User rights

Right to cancel

Unless exceptions apply, Users who are Consumers in the United Kingdom have a legal right of cancellation under UK law and may be eligible to withdraw from contracts made online (distance contracts) within the period specified below (generally 14 days), for any reason and without justification.

Users that do not qualify as Consumers, cannot benefit from the rights described in this section. Users can learn more about the cancellation conditions within this section.

Exercising the right to cancel

To exercise their right to cancel, Users must send to the Owner an unequivocal statement of their intention to withdraw from the contract. To this end, Users may use the model withdrawal form available from within the "definitions" section of this document. Users are, however, free to express their intention to withdraw from the contract by making an unequivocal statement in any other suitable way. In order to meet the deadline within which they can exercise such right, Users must send the withdrawal notice before the cancellation period expires.

When does the cancellation period expire?

- **In case of purchase of a digital content not supplied in a tangible medium**, the cancellation period expires 14 days after the day that the contract is entered into, unless the User has waived the right to cancel.

Effects of cancellation

Users who correctly withdraw from a contract will be reimbursed by the Owner for all payments made to the Owner, including, if any, those covering the costs of delivery.

However, any additional costs resulting from the choice of a particular delivery method other than the least expensive type of standard delivery offered by the Owner, will not be reimbursed.

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User's decision to withdraw from the contract. Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

Brazilian User rights

Right of regret

Unless an applicable exception is stated below, Users who are Consumers in Brazil have a legal right of regret under Brazilian law. This means that the Consumer has the right to withdraw from contracts made online (distance contracts or any contract signed away from business premises) within seven (7) days of the date the contract was entered into or the receipt of the product or service, for any reason and without justification. Users that do not qualify as Consumers, cannot benefit from the rights described in this section. The right of regret may be exercised by the Consumer via contact channels listed at the beginning of this document and in accordance with the guidelines in this section.

Exercising the right of regret

To exercise their right of regret, Users must send to the Owner an unequivocal statement of their intention to withdraw from the contract. To this end, Users may use the model withdrawal form available from within the "definitions" section of this document. Users are, however, free to express their intention to withdraw from the contract by making an unequivocal statement in any other

suitable way. In order to meet the deadline within which they can exercise such right, Users must send the regret notice before the regret period expires. When does the regret period expire?

- **In the event of the purchase of digital content**, the regret period expires seven (7) days after the day that the contract is entered into and only if the digital content has not yet been provided and integrated into the Consumer's device.

Effects of regret

Users who correctly withdraw from a contract will be reimbursed by the Owner for all payments made to the Owner, including, if any, those covering the costs of delivery.

However, any additional costs resulting from the choice of a particular delivery method other than the least expensive type of standard delivery offered by the Owner, will not be reimbursed.

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User's decision to withdraw from the contract or the actual return of the product, whichever occurs later. Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

Any content downloaded or otherwise obtained through the use of the Service is downloaded at Users' own risk and Users shall be solely responsible for any damage to Users' computer system or mobile device or loss of data that results from such download or Users' use of the Service.

The Owner does not warrant, endorse, guarantee, or assume responsibility for any product or service advertised or offered by a third party through the Service or any hyperlinked website or service, and the Owner shall not be a party to or in any way monitor any transaction between Users and third-party providers of products or services.

The Service may become inaccessible or it may not function properly with Users' web browser, mobile device, and/or operating system. The owner cannot be held liable for any perceived or actual damages arising from Service content, operation, or use of this Service.

Federal law, some states, and other jurisdictions, do not allow the exclusion and limitations of certain implied warranties. The above exclusions may not apply to Users. This Agreement gives Users specific legal rights, and Users may also have other rights which vary from state to state. The disclaimers and exclusions under this agreement shall not apply to the extent prohibited by applicable law.

Limitations of liability

To the maximum extent permitted by applicable law, in no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for:

- any indirect, punitive, incidental, special, consequential or exemplary damages, including without limitation damages for loss of profits, goodwill, use, data or other intangible losses, arising out of or relating to the use of, or inability to use, the Service; and
- any damage, loss or injury resulting from hacking, tampering or other unauthorized access or use of the Service or User account or the information contained therein;
- any errors, mistakes, or inaccuracies of content;
- personal injury or property damage, of any nature whatsoever, resulting from User access to or use of the Service;
- any unauthorized access to or use of the Owner's secure servers and/or any and all personal information stored therein;
- any interruption or cessation of transmission to or from the Service;
- any bugs, viruses, trojan horses, or the like that may be transmitted to or through the Service;
- any errors or omissions in any content or for any loss or damage incurred as a result of the use of any content posted, emailed, transmitted, or otherwise made available through the Service; and/or
- the defamatory, offensive, or illegal conduct of any User or third party.

In no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for any claims, proceedings, liabilities, obligations, damages, losses or costs in an amount exceeding the amount paid by User to the Owner hereunder in the preceding 12 months, or the period of duration of this agreement between the Owner and User, whichever is shorter.

This limitation of liability section shall apply to the fullest extent permitted by law in the applicable jurisdiction whether the alleged liability is based on contract, tort, negligence, strict liability, or any other basis, even if the User has been advised of the possibility of such damage.

Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, therefore the above limitations or exclusions may not apply to the User. The terms give User specific legal rights, and User may also have other rights which vary from jurisdiction to jurisdiction. The disclaimers, exclusions, and limitations of liability under the terms shall not apply to the extent prohibited by applicable law.

Indemnification

The User agrees to defend, indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees harmless from and against any and all claims or demands, damages, obligations, losses, liabilities, costs or debt, and expenses, including, but not limited to, legal fees and expenses, arising from

- User's use of and access to the Service, including any data or content transmitted or received by User;
- User's violation of these terms, including, but not limited to, User's breach of any of the representations and warranties set forth in these terms;

- User’s violation of any third-party rights, including, but not limited to, any right of privacy or intellectual property rights;
- User’s violation of any statutory law, rule, or regulation;
- any content that is submitted from User’s account, including third party access with User’s unique username, password or other security measure, if applicable, including, but not limited to, misleading, false, or inaccurate information;
- User’s willfull misconduct; or
- statutory provision by User or its affiliates, officers, directors, agents, co-branders, partners, suppliers and employees to the extent allowed by applicable law.

Common provisions

No Waiver

The Owner’s failure to assert any right or provision under these Terms shall not constitute a waiver of any such right or provision. No waiver shall be considered a further or continuing waiver of such term or any other term.

Service interruption

To ensure the best possible service level, the Owner reserves the right to interrupt the Service for maintenance, system updates or any other changes, informing the Users appropriately.

Within the limits of law, the Owner may also decide to suspend or discontinue the Service altogether. If the Service is discontinued, the Owner will cooperate with Users to enable them to withdraw personal data or information and will respect Users' rights relating to continued product use and/or compensation, as provided for by applicable law.

Additionally, the Service might not be available due to reasons outside the Owner’s reasonable control, such as “force majeure” events (infrastructural breakdowns or blackouts etc.).

Service reselling

Users may not reproduce, duplicate, copy, sell, resell or exploit any portion of this Application and of its Service without the Owner’s express prior written permission, granted either directly or through a legitimate reselling program.

Privacy policy

To learn more about the use of their personal data, Users may refer to the privacy policy of this Application.

Intellectual property rights

Without prejudice to any more specific provision of these Terms, any intellectual property rights, such as copyrights, trademark rights, patent rights and design rights related to this Application are the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties relating to intellectual property.

All trademarks — nominal or figurative — and all other marks, trade names, service marks, word marks, illustrations, images, or logos appearing in connection with this Application are, and remain, the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties related to intellectual property.

Changes to these Terms

The Owner reserves the right to amend or otherwise modify these Terms at any time. In such cases, the Owner will appropriately inform the User of these changes.

Such changes will only affect the relationship with the User from the date communicated to Users onwards.

The continued use of the Service will signify the User’s acceptance of the revised Terms. If Users do not wish to be bound by the changes, they must stop using the Service and may terminate the Agreement.

The applicable previous version will govern the relationship prior to the User's acceptance. The User can obtain any previous version from the Owner.

Assignment of contract

The Owner reserves the right to transfer, assign, dispose of by novation, or subcontract any or all rights or obligations under these Terms, taking the User’s legitimate interests into account. Provisions regarding changes of these Terms will apply accordingly.

Users may not assign or transfer their rights or obligations under these Terms in any way, without the written permission of the Owner.

Contacts

All communications relating to the use of this Application must be sent using the contact information stated in this document.

Severability

Should any provision of these Terms be deemed or become invalid or unenforceable under applicable law, the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions, which shall remain in full force and effect.

US Users

Any such invalid or unenforceable provision will be interpreted, construed and reformed to the extent reasonably required to render it valid, enforceable and consistent with its original intent. These Terms constitute the entire Agreement between Users and the Owner with respect to the subject matter hereof, and supersede all other communications, including but not limited to all prior agreements, between the parties with respect to such subject matter. These Terms will be enforced to the fullest extent permitted by law.

EU Users

Should any provision of these Terms be or be deemed void, invalid or unenforceable, the parties shall do their best to find, in an amicable way, an agreement on valid and enforceable provisions thereby substituting the void, invalid or unenforceable parts. In case of failure to do so, the void, invalid or unenforceable provisions shall be replaced by the applicable statutory provisions, if so permitted or stated under the applicable law.

Without prejudice to the above, the nullity, invalidity or impossibility to enforce a particular provision of these Terms shall not nullify the entire Agreement, unless the severed provisions are essential to the Agreement, or of such importance that the parties would not have entered into the contract if they had known that the provision would not be valid, or in cases where the remaining provisions would translate into an unacceptable hardship on any of the parties.

Authoritative version of these Terms

These Terms are drawn up and revised in English. Other language versions of these Terms are provided for information purposes only. In the event of any inconsistency between different linguistic versions, the original version shall always prevail.
