Information about this Website

Klyft is an AI-powered fitness coaching application that provides personalized training programs, nutrition recommendations, recovery advice, and wellness insights. The Service uses artificial intelligence, including machine learning models and large language models provided by Klyft and/or its third-party AI providers, to process health and activity data to generate recommendations.

IMPORTANT HEALTH AND FITNESS DISCLAIMER: Klyft is a fitness and wellness service for general informational and educational purposes only. Klyft is not a medical device and does not provide medical advice, diagnosis, treatment, or clinical monitoring. Users should consult a qualified physician or other licensed healthcare professional before starting or changing any exercise, nutrition, recovery, or wellness program, especially if they have any pre-existing medical condition, injury, disability, are pregnant or nursing, or experience pain, dizziness, discomfort, or other adverse symptoms. By using the Service, Users acknowledge that participation in physical activity and reliance on wellness recommendations involve inherent risks, and that they do so voluntarily and at their own risk.

AI-GENERATED CONTENT: Certain features of the Service rely on automated systems, including machine learning models and large language models provided by Klyft and/or its third-party AI providers, to generate workout plans, nutrition suggestions, recovery recommendations, chat responses, and food-analysis outputs. AI-generated outputs are probabilistic, may be incomplete, inaccurate, outdated, or unsuitable for a User's specific circumstances, and must not be relied upon as medical, nutritional, or professional advice. Users remain solely responsible for evaluating whether any recommendation is appropriate for them before acting on it.

AUTOMATED RECOMMENDATIONS AND USER OVERRIDE: Automated recommendations provided through the Service are intended solely as decision-support suggestions and do not produce legally binding or similarly significant effects on the User. Users may disregard, modify, override, or manually replace AI-generated recommendations through available product features, including manual logging, manual plan edits, and support or chat interactions where available.

SUBSCRIPTIONS, PRICING AND BILLING: Certain paid features of the Service are offered on a subscription basis. Subscription prices, billing periods, trial eligibility, and promotional terms are displayed in the Application and/or through the applicable app store at the time of purchase. At the time of these Terms, subscription plans may include a monthly plan of USD 9.99 and an annual plan of USD 99.99, unless otherwise displayed in the Application or the applicable app store at the time of purchase. Unless otherwise stated at the time of purchase, subscriptions automatically renew for the same billing period unless cancelled before the renewal date through the User's Apple App Store or Google Play account settings, as applicable. Klyft does not control third-party app store billing systems and is not responsible for billing delays, store-side subscription management interfaces, or refund decisions made by Apple or Google.

CANCELLATION AND REFUNDS: Where purchases are made through Apple App Store or Google Play, subscription management, cancellation, and refund processing may be subject to the terms, policies, and technical procedures of the relevant platform. Users should consult their store account settings for the most up-to-date cancellation and refund options. Nothing in these Terms limits any mandatory consumer rights that may apply under applicable law.

THIRD-PARTY INTEGRATIONS AND DEVICE DATA: The Service may allow Users to connect third-party services, wearable devices, operating-system health frameworks, and sensors, including but not limited to Apple Health, device integrations made available through Klyft's partners, and Bluetooth-enabled fitness devices. Data imported from such sources may include activity, workout, heart rate, sleep, step, body, nutrition, and other wellness-related metrics, depending on the permissions granted by the User and the capabilities of the connected provider or device. Klyft is not responsible for the accuracy, completeness, availability, or continuity of data supplied by third-party integrations or devices.

FOOD SCAN AND IMAGE ANALYSIS: Certain features of the Service may allow Users to upload food images or similar visual content for nutritional analysis and related recommendations. By uploading such content, Users grant the Owner the limited right to process, analyse, store, and use that content solely for the purpose of providing the requested feature, improving service functionality where permitted by law, and maintaining the security and integrity of the Service. Where technically feasible and unless otherwise stated in the Privacy Policy, uploaded food images should not be retained longer than necessary for the feature requested by the User.

DATA RETENTION AND ACCOUNT DELETION: Account deletion will result in the removal or anonymisation of eligible user data from active systems within a reasonable timeframe, subject to technical constraints, legal obligations, fraud-prevention needs, dispute handling, backup retention cycles, and security logging requirements, as further described in the Privacy Policy.

CONTACT INFORMATION: For general support requests, Users may contact: support@klyft-technologies.com. For legal notices relating to these Terms, Users may contact: legal@klyft-technologies.com. For privacy requests, data access, deletion, or related inquiries, Users may contact: privacy@klyft-technologies.com.

LIMITATION OF LIABILITY: To the maximum extent permitted by applicable law, the total aggregate liability of the Owner arising out of or relating to the Service or these Terms shall not exceed the total amount paid by the User to the Owner for the Service during the twelve (12) months preceding the event giving rise to the claim. In no event shall the Owner be liable for any indirect, incidental, consequential, special, exemplary, or punitive damages, including loss of profits, loss of data, loss of goodwill, or business interruption, except where such limitation is prohibited by applicable law.

BETA FEATURES: Certain features of the Service may be labelled or made available as beta, test, preview, or experimental features. Such features may be incomplete, modified, suspended, or discontinued at any time and may be subject to reduced availability, accuracy, or support.

TERMS AND CONDITIONS OF SALE

Paid Products

Some of the Products provided on this Website, as part of the Service, are provided on the basis of payment.

The fees, duration and conditions applicable to the purchase of such Products are described below and in the dedicated sections of this Website.

Product description

Prices, descriptions or availability of Products are outlined in the respective sections of this Website and are subject to change without notice.

While Products on this Website are presented with the greatest accuracy technically possible, representation on this Website through any means (including, as the case may be, graphic material, images, colors, sounds) is for reference only and implies no warranty as to the characteristics of the purchased Product.

The characteristics of the chosen Product will be outlined during the purchasing process.

Purchasing process

Any steps taken from choosing a Product to order submission form part of the purchasing process.

The purchasing process includes these steps:

- Users must choose the desired Product and verify their purchase selection.
- After having reviewed the information displayed in the purchase selection, Users may place the order by submitting it.

Order submission

When the User submits an order, the following applies:

- The submission of an order determines contract conclusion and therefore creates for the User the obligation to pay the price, taxes and possible further fees and expenses, as specified on the order page.
- In case the purchased Product requires an action from the User, such as the provision of personal information or data, specifications or special wishes, the order submission creates an obligation for the User to cooperate accordingly.
- Upon submission of the order, Users will receive a receipt confirming that the order has been received.

All notifications related to the described purchasing process shall be sent to the email address provided by the User for such purposes.

Prices

Users are informed during the purchasing process and before order submission, about any fees, taxes and costs (including, if any, delivery costs) that they will be charged.

Prices on this Website are displayed:

- either exclusive or inclusive of any applicable fees, taxes and costs, depending on the section the User is browsing.

Offers and discounts

The Owner may offer discounts or provide special offers for the purchase of Products. Any such offer or discount shall always be subject to the eligibility criteria and the terms and conditions set out in the corresponding section of this Website.

Offers and discounts are always granted at the Owner's sole discretion.

Repeated or recurring offers or discounts create no claim/title or right that Users may enforce in the future.

Depending on the case, discounts or offers shall be valid for a limited time only or while stocks last. If an offer or discount is limited by time, the time indications refer to the time zone of the Owner, as indicated in the Owner's location details in this document, unless otherwise specified.

Coupons

Offers or discounts can be based on Coupons.

If breach of the conditions applicable to Coupons occurs, the Owner can legitimately refuse to fulfill its contractual obligations and expressly reserves the right to take appropriate legal action to protect its rights and interests.

Notwithstanding the provisions below, any additional or diverging rules applicable to using the Coupon displayed in the corresponding information page or on the Coupon itself shall always prevail.

Unless otherwise stated, these rules apply to the use of Coupons:

- Each Coupon is only valid when used in the manner and within the timeframe specified on the website and/or the Coupon;
- A Coupon may only be applied, in its entirety, at the actual time of purchase – partial use is not permitted;
- Unless otherwise stated, single-use Coupons may only be used once per purchase and therefore may only be applied a single time even in cases involving installment-based purchases;
- A Coupon cannot be applied cumulatively;
- The Coupon must be redeemed exclusively within the time specified in the offer. After this period, the Coupon will automatically expire, precluding any possibility for the User to claim the relevant rights, including cash-out;
- The User is not entitled to any credit/refund/compensation if there is a difference between the value of the Coupon and the redeemed value;
- The Coupon is intended solely for non-commercial use. Any reproduction, counterfeiting and commercial trade of the Coupon is strictly forbidden, along with any illegal activity related to the purchase and/or use of the Coupon.

Methods of payment

Information related to accepted payment methods is made available during the purchasing process.

Some payment methods may only be available subject to additional conditions or fees. In such cases related information can be found in the dedicated section of this Website.

All payments are independently processed through third-party services. Therefore, this Website does not collect any payment information – such as credit card details – but only receives a notification once the payment has been successfully completed. The User may read the privacy policy of this Website to learn more about the data processing and Users' rights regarding their data.

If a payment through the available methods fails or is refused by the payment service provider, the Owner shall be under no obligation to fulfill the purchase order. If a payment fails or is refused, the Owner reserves the right to claim any related expenses or damages from the User.

Purchase via app store

This Website or specific Products available for sale on this Website must be purchased via a third-party app store. To access such purchases, Users must follow the instructions provided on the relevant online store (such as "Apple App Store" or "Google Play"), which may vary depending on the particular device in use.

Unless otherwise specified, purchases done via third-party online stores are also subject to such third-parties' terms and conditions, which, in case of any inconsistency or conflict, shall always prevail upon these Terms.

Users purchasing through such third-party online stores must therefore read such terms and conditions of sale carefully and accept them.

Retention of usage rights

Users do not acquire any rights to use the purchased Product until the total purchase price is received by the Owner.

Performance of services

The purchased service shall be performed or made available within the timeframe specified on this Website or as communicated before the order submission.

Users acknowledge and accept that in order to access the service, Users must employ legal, commonly used and up-to-date device(s) and/or software (including operating systems) that are consistent with current market-standards.

Users acknowledge and accept that the ability to use the services may be limited in time and space.

Term and termination

Subscriptions

Subscriptions allow Users to receive a Product continuously or regularly over time. Details regarding the type of subscription and termination are outlined below.

Trial period

Users have the option to test this Website or selected Products during a limited and non-renewable trial period, at no cost. Some features or functions of this Website may not be available to Users during the trial period.

Further conditions applicable to the trial period, including its duration, will be specified on this Website.

The trial period shall automatically convert into the equivalent paid Product, unless the User cancels the purchase before the trial period expires.

Fixed-term subscriptions

Paid fixed-term subscriptions start on the day the payment is received by the Owner and last for the subscription period chosen by the User or otherwise specified during the purchasing process.

Once the subscription period expires, the Product shall no longer be accessible.

Subscriptions handled via Apple Account

Users may subscribe to a Product using the Apple Account associated with their Apple App Store account by using the relevant process on this Website. When doing so, Users acknowledge and accept that

- any payment due shall be charged to their Apple Account;
- subscriptions are automatically renewed for the same duration unless the User cancels at least 24 hours before the current period expires;
- any and all fees or payments due for renewal will be charged within 24-hours before the end of the current period;
- subscriptions can be managed or cancelled in the Users' Apple App Store account settings.

The above shall prevail upon any conflicting or diverging provision of these Terms.

Automatic renewal of fixed-term subscriptions

Subscriptions are automatically renewed through the payment method that the User chose during purchase.

The renewed subscription will last for a period equal to the original term.

The User shall receive a reminder of the upcoming renewal with reasonable advance, outlining the procedure to be followed in order to cancel the automatic renewal.

Termination by the User

Subscriptions may be terminated by sending a clear and unambiguous termination notice to the Owner using the contact details provided in this document, or — if applicable — by using the corresponding controls inside this Website.

If the notice of termination is received by the Owner before the subscription renews, the termination shall take effect as soon as the current period is completed.

Exception for Consumers based in Germany

However, regardless of the above, if the User is based in Germany and qualifies as a Consumer, the following applies:

At the end of the initial term, subscriptions are automatically extended for an unlimited period, unless the User terminates before the end of such term.

The fee due upon extension will be charged on the payment method that the User chose during purchase.

After extension, the subscription will last for an indefinite period and may be terminated monthly.

The User shall receive a reminder of the upcoming unlimited extension with reasonable advance, outlining the procedure to be followed in order to prevent the extension or terminate the subscription thereafter.

Termination by the User

Extended subscriptions may be terminated at any time by sending a clear and unambiguous termination notice to the Owner using the contact details provided in this document, or — if applicable — by using the corresponding controls inside this Website.

If the notice of termination is received by the Owner by the end of the current month, the subscription shall expire at the end of such month.

Termination for cause and/or impossibility of performance

The Owner expressly reserves the right to terminate the contract effective immediately for cause and/or impossibility of performance — such as, for instance, orders from public authorities, breach against statutory law or infringement of third-party rights, actual or impending insolvency, inappropriate use of this Website.

In particular, the Owner may terminate the contract with immediate effect should the User be a sanctioned person or entity, or be based in a sanctioned territory designated by an authority that the Owner is directly or indirectly subject to.

Statutory rights of termination

Any mandatory statutory rights of termination set out by applicable law shall remain unaffected.

Provision of personal data

To access or receive some of the Products provided via this Website as part of the Service, Users may be required to provide their personal data as indicated on this Website. If the User withdraws consent to the processing of personal data required for the provision of the Service, the Owner reserves the right to terminate the contract with the User.

User rights

Right of withdrawal

Unless exceptions apply, the User may be eligible to withdraw from the contract within the period specified below (generally 14 days), for any reason and without justification. Users can learn more about the withdrawal conditions within this section.

Who the right of withdrawal applies to

Unless any applicable exception is mentioned below, Users who are European Consumers are granted a statutory withdrawal right under EU rules, to withdraw from contracts entered into online (distance contracts) within the specified period applicable to their case, for any reason and without justification.

Users that do not fit this qualification, cannot benefit from the rights described in this section. The Consumer shall only be liable to the Seller for any diminution in the value of the goods resulting from handling the goods in a manner other than that necessary to acquaint him with the nature, characteristics and functionality of the goods.

Exercising the right of withdrawal

To exercise their right of withdrawal, Users must send to the Owner an unequivocal statement of their intention to withdraw from the contract.

To this end, Users may use the model withdrawal form available from within the “definitions” section of this document. Users are, however, free to express their intention to withdraw from the contract by making an unequivocal statement in any other suitable way. In order to meet the deadline within which they can exercise such right, Users must send the withdrawal notice before the withdrawal period expires.

When does the withdrawal period expire?

- **Regarding the purchase of a service**, the withdrawal period expires 14 days after the day that the contract is entered into, unless the User has waived the withdrawal right.

Effects of withdrawal

Users who correctly withdraw from a contract will be reimbursed by the Owner for all payments made to the Owner, including, if any, those covering the costs of delivery.

However, any additional costs resulting from the choice of a particular delivery method other than the least expensive type of standard delivery offered by the Owner, will not be reimbursed.

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User's decision to withdraw from the contract. Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

...on the purchase of services

Where a User exercises the right of withdrawal after having requested that the service be performed before the withdrawal period expires, the User shall pay to the Owner an amount which is in proportion to the part of service provided.

Such payment shall be calculated based on the fee contractually agreed upon, and be proportional to the part of service provided until the time the User withdraws, compared with the full coverage of the contract.

UK User rights

Right to cancel

Unless exceptions apply, Users who are Consumers in the United Kingdom have a legal right of cancellation under UK law and may be eligible to withdraw from contracts made online (distance contracts) within the period specified below (generally 14 days), for any reason and without justification.

Users that do not qualify as Consumers, cannot benefit from the rights described in this section. Users can learn more about the cancellation conditions within this section.

Exercising the right to cancel

To exercise their right to cancel, Users must send to the Owner an unequivocal statement of their intention to withdraw from the contract. To this end, Users may use the model withdrawal form available from within the "definitions" section of this document. Users are, however, free to express their intention to withdraw from the contract by making an unequivocal statement in any other suitable way. In order to meet the deadline within which they can exercise such right, Users must send the withdrawal notice before the cancellation period expires.

When does the cancellation period expire?

- **Regarding the purchase of a service**, the cancellation period expires 14 days after the day that the contract is entered into, unless the User has waived the right to cancel.

Effects of cancellation

Users who correctly withdraw from a contract will be reimbursed by the Owner for all payments made to the Owner, including, if any, those covering the costs of delivery.

However, any additional costs resulting from the choice of a particular delivery method other than the least expensive type of standard delivery offered by the Owner, will not be reimbursed.

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User's decision to withdraw from the contract. Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

...on the purchase of services

Where a User exercises the right to cancel after having requested that the service be performed before the cancellation period expires, the User shall pay to the Owner an amount which is in proportion to the part of service provided.

Such payment shall be calculated based on the fee contractually agreed upon, and be proportional to the part of service provided until the time the User withdraws, compared with the full coverage of the contract.

Brazilian User rights

Right of regret

Unless an applicable exception is stated below, Users who are Consumers in Brazil have a legal right of regret under Brazilian law. This means that the Consumer has the right to withdraw from contracts made online (distance contracts or any contract signed away from business premises) within seven (7) days of the date the contract was entered into or the receipt of the product or service, for any reason and without justification. Users that do not qualify as Consumers, cannot benefit from the rights described in this section. The right of regret may be exercised by the Consumer via contact channels listed at the beginning of this document and in accordance with the guidelines in this section.

Exercising the right of regret

To exercise their right of regret, Users must send to the Owner an unequivocal statement of their intention to withdraw from the contract. To this end, Users may use the model withdrawal form available from within the “definitions” section of this document. Users are, however, free to express their intention to withdraw from the contract by making an unequivocal statement in any other suitable way. In order to meet the deadline within which they can exercise such right, Users must send the regret notice before the regret period expires. When does the regret period expire?

- **Regarding the purchase of a service**, the regret period expires seven (7) days after the day that the contract is entered into and only if the service has not yet been provided.

Effects of regret

Users who correctly withdraw from a contract will be reimbursed by the Owner for all payments made to the Owner, including, if any, those covering the costs of delivery.

However, any additional costs resulting from the choice of a particular delivery method other than the least expensive type of standard delivery offered by the Owner, will not be reimbursed.

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User’s decision to withdraw from the contract or the actual return of the product, whichever occurs later. Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

...on the purchase of services

Where a User exercises the right of regret after having requested that the service be performed before the regret period expires, the User shall pay to the Owner an amount which is in proportion to the part of the service provided.

Such payment shall be calculated based on the fee contractually agreed upon, and be proportional to the part of service provided until the time the User withdraws.

The warranty period starts from the end of the performance of services.

The warranty is not applicable in cases of service misuse, natural events or if it has been subjected to any maintenance other than that provided by this Website.

The warranty may be claimed through the contact channels provided by this Website. If applicable, the Owner shall bear the costs of shipping any goods for technical assessment. The Owner, at its own discretion, may also offer a contractual warranty in addition to the legal warranty.

The regulations applicable to contractual warranties can be found in the specifications provided by this Website.

If no such information is provided, only the statutory provisions shall apply.

Money-back-guarantee for services

Without prejudice to any applicable statutory rights, the Owner grants Users the right to cancel the purchase of a service they are unsatisfied with, and obtain a refund, within 15 days from the day on which the contract was entered into.

The Owner shall refund the price of the Product purchased using the same payment method as the original transaction. In order to make use of this right, Users must send an unambiguous notice to the Owner. While a motivation is not required, Users are kindly asked to specify the reason why they are claiming the money-back-guarantee.

Upon receipt of such notice, the Owner will verify that all conditions applicable to the money-back-guarantee are fulfilled and, if so, refund the purchase price. In this case, Users will no longer have access to the purchased service.

The above does not affect the Users' rights to seek remedy free of charge in the event of a lack of conformity of the Product under applicable law.

Liability and indemnification

Unless otherwise explicitly stated or agreed with Users, the Owner's liability for damages in connection with the execution of the Agreement shall be excluded, limited and/or reduced to the maximum extent permitted by applicable law.

Indemnification

The User agrees to indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners and employees harmless from and against any claim or demand — including but not limited to lawyer's fees and costs — made by any third party due to or in relation with any culpable violation of these Terms, third-party rights or statutory provisions connected to the use of the Service by the User or its affiliates, officers, directors, agents, co-branders, partners and employees to the extent allowed by applicable law.

The above also applies to any claims exercised by third parties (including but not limited to the Owner's clients or customers) against the Owner related to Digital Products provided by the User such as, for instance, conformity claims.

Limitation of liability

Unless otherwise explicitly stated and without prejudice to mandatory law, Users shall have no right to claim damages against the Owner (or any natural or legal person acting on its behalf).

This does not apply to damages to life, health or physical integrity, damages resulting from the breach of material contractual obligations such as any obligation strictly necessary to achieve the purpose of the contract, and/or damages resulting from intent or gross negligence, as long as this Website has been appropriately and correctly used by the User.

Unless damages have been caused by way of intent or gross negligence, or they affect life, health or physical integrity, the Owner shall only be liable to the extent of typical and foreseeable damages at the moment the contract was entered into.

In particular, within the limits stated above, the Owner shall not be liable for:

- damages or losses resulting from interruptions or malfunctions of this Website due to acts of force majeure, or unforeseen and unforeseeable events and, in any case, independent of the will and beyond the control of the Owner, such as, but not limited to, failures or disruptions of telephone or electrical lines, the Internet and / or other means of transmission, unavailability of websites, strikes, natural disasters, viruses and cyber attacks, interruptions in the delivery of products, third-party services or applications;
- any loss of business opportunities and any other loss, even indirect, that may be incurred by the User (such as, but not limited to, trading losses, loss of revenue, income, profits or anticipated savings, loss of contracts or business relationships, loss of reputation or goodwill, etc.);
- any losses that are not the direct consequence of a breach of the Terms by the Owner;

- any damage, prejudice or loss occurring due to viruses or other malware contained in or connected to files available for download from the internet or via this Website. Users are responsible for implementing sufficient security measures – such as anti-viruses and firewalls to prevent any such infection or attack and for securing backup copies of all data or information exchanged via or uploaded to this Website.

Australian Users

Limitation of liability

Nothing in these Terms excludes, restricts or modifies any guarantee, condition, warranty, right or remedy which the User may have under the Competition and Consumer Act 2010 (Cth) or any similar state and territory legislation and which cannot be excluded, restricted or modified (non-excludable right). To the fullest extent permitted by law, our liability to the User, including liability for a breach of a non-excludable right and liability which is not otherwise excluded under these Terms, is limited, at the Owner's sole discretion, to the re-performance of the services or the payment of the cost of having the services supplied again.

US Users

Disclaimer of Warranties

This Website is provided strictly on an “as is” and “as available” basis. Use of the Service is at Users’ own risk. To the maximum extent permitted by applicable law, the Owner expressly disclaims all conditions, representations, and warranties — whether express, implied, statutory or otherwise, including, but not limited to, any implied warranty of merchantability, fitness for a particular purpose, or non-infringement of third-party rights. No advice or information, whether oral or written, obtained by the User from the Owner or through the Service will create any warranty not expressly stated herein.

Without limiting the foregoing, the Owner, its subsidiaries, affiliates, licensors, officers, directors, agents, co-branders, partners, suppliers and employees do not warrant that the content is accurate, reliable or correct; that the Service will meet Users’ requirements; that the Service will be available at any particular time or location, uninterrupted or secure; that any defects or errors will be corrected; or that the Service is free of viruses or other harmful components. Any content downloaded or otherwise obtained through the use of the Service is downloaded at Users' own risk and Users shall be solely responsible for any damage to Users’ computer system or mobile device or loss of data that results from such download or Users’ use of the Service.

The Owner does not warrant, endorse, guarantee, or assume responsibility for any product or service advertised or offered by a third party through the Service or any hyperlinked website or service, and the Owner shall not be a party to or in any way monitor any transaction between Users and third-party providers of products or services.

The Service may become inaccessible or it may not function properly with Users’ web browser, mobile device, and/or operating system. The owner cannot be held liable for any perceived or actual damages arising from Service content, operation, or use of this Service.

Federal law, some states, and other jurisdictions, do not allow the exclusion and limitations of certain implied warranties. The above exclusions may not apply to Users. This Agreement gives Users specific legal rights, and Users may also have other rights which vary from state to state. The disclaimers and exclusions under this agreement shall not apply to the extent prohibited by applicable law.

Limitations of liability

To the maximum extent permitted by applicable law, in no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for:

- any indirect, punitive, incidental, special, consequential or exemplary damages, including without limitation damages for loss of profits, goodwill, use, data or other intangible losses, arising out of or relating to the use of, or inability to use, the Service; and
- any damage, loss or injury resulting from hacking, tampering or other unauthorized access or use of the Service or User account or the information contained therein;
- any errors, mistakes, or inaccuracies of content;
- personal injury or property damage, of any nature whatsoever, resulting from User access to or use of the Service;
- any unauthorized access to or use of the Owner’s secure servers and/or any and all personal information stored therein;
- any interruption or cessation of transmission to or from the Service;
- any bugs, viruses, trojan horses, or the like that may be transmitted to or through the Service;
- any errors or omissions in any content or for any loss or damage incurred as a result of the use of any content posted, emailed, transmitted, or otherwise made available through the Service; and/or
- the defamatory, offensive, or illegal conduct of any User or third party.

In no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for any claims, proceedings, liabilities, obligations, damages, losses or costs in an amount exceeding the amount paid by User to the Owner hereunder in the preceding 12 months, or the period of duration of this agreement between the Owner and User, whichever is shorter.

This limitation of liability section shall apply to the fullest extent permitted by law in the applicable jurisdiction whether the alleged liability is based on contract, tort, negligence, strict liability, or any other basis, even if the User has been advised of the possibility of such damage.

Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, therefore the above limitations or exclusions may not apply to the User. The terms give User specific legal rights, and User may also have other rights which vary from jurisdiction to jurisdiction. The disclaimers, exclusions, and limitations of liability under the terms shall not apply to the extent prohibited by applicable law.

Indemnification

The User agrees to defend, indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees harmless from and against any and all claims or demands, damages, obligations, losses, liabilities, costs or debt, and expenses, including, but not limited to, legal fees and expenses, arising from

- User's use of and access to the Service, including any data or content transmitted or received by User;
- User's violation of these terms, including, but not limited to, User's breach of any of the representations and warranties set forth in these terms;
- User's violation of any third-party rights, including, but not limited to, any right of privacy or intellectual property rights;
- User's violation of any statutory law, rule, or regulation;
- any content that is submitted from User's account, including third party access with User's unique username, password or other security measure, if applicable, including, but not limited to, misleading, false, or inaccurate information;
- User's willfull misconduct; or
- statutory provision by User or its affiliates, officers, directors, agents, co-branders, partners, suppliers and employees to the extent allowed by applicable law.

Common provisions

No Waiver

The Owner's failure to assert any right or provision under these Terms shall not constitute a waiver of any such right or provision. No waiver shall be considered a further or continuing waiver of such term or any other term.

Service interruption

To ensure the best possible service level, the Owner reserves the right to interrupt the Service for maintenance, system updates or any other changes, informing the Users appropriately.

Within the limits of law, the Owner may also decide to suspend or discontinue the Service altogether. If the Service is discontinued, the Owner will cooperate with Users to enable them to withdraw personal data or information and will respect Users' rights relating to continued product use and/or compensation, as provided for by applicable law.

Additionally, the Service might not be available due to reasons outside the Owner's reasonable control, such as "force majeure" events (infrastructural breakdowns or blackouts etc.).

Service reselling

Users may not reproduce, duplicate, copy, sell, resell or exploit any portion of this Website and of its Service without the Owner's express prior written permission, granted either directly or through a legitimate reselling program.

Privacy policy

To learn more about the use of their personal data, Users may refer to the privacy policy of this Website.

Intellectual property rights

Without prejudice to any more specific provision of these Terms, any intellectual property rights, such as copyrights, trademark rights, patent rights and design rights related to this Website are the exclusive property of the Owner or its licensors and are

subject to the protection granted by applicable laws or international treaties relating to intellectual property.

All trademarks — nominal or figurative — and all other marks, trade names, service marks, word marks, illustrations, images, or logos appearing in connection with this Website are, and remain, the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties related to intellectual property.

Changes to these Terms

The Owner reserves the right to amend or otherwise modify these Terms at any time. In such cases, the Owner will appropriately inform the User of these changes.

Such changes will only affect the relationship with the User from the date communicated to Users onwards.

The continued use of the Service will signify the User's acceptance of the revised Terms. If Users do not wish to be bound by the changes, they must stop using the Service and may terminate the Agreement.

The applicable previous version will govern the relationship prior to the User's acceptance. The User can obtain any previous version from the Owner.

If legally required, the Owner will notify Users in advance of when the modified Terms will take effect.

Assignment of contract

The Owner reserves the right to transfer, assign, dispose of by novation, or subcontract any or all rights or obligations under these Terms, taking the User's legitimate interests into account. Provisions regarding changes of these Terms will apply accordingly.

Users may not assign or transfer their rights or obligations under these Terms in any way, without the written permission of the Owner.

Contacts

All communications relating to the use of this Website must be sent using the contact information stated in this document.

Severability

Should any provision of these Terms be deemed or become invalid or unenforceable under applicable law, the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions, which shall remain in full force and effect.

US Users

Any such invalid or unenforceable provision will be interpreted, construed and reformed to the extent reasonably required to render it valid, enforceable and consistent with its original intent. These Terms constitute the entire Agreement between Users and the Owner with respect to the subject matter hereof, and supersede all other communications, including but not limited to all prior agreements, between the parties with respect to such subject matter. These Terms will be enforced to the fullest extent permitted by law.

EU Users

Should any provision of these Terms be or be deemed void, invalid or unenforceable, the parties shall do their best to find, in an amicable way, an agreement on valid and enforceable provisions thereby substituting the void, invalid or unenforceable parts. In case of failure to do so, the void, invalid or unenforceable provisions shall be replaced by the applicable statutory provisions, if so permitted or stated under the applicable law.

Without prejudice to the above, the nullity, invalidity or impossibility to enforce a particular provision of these Terms shall not nullify the entire Agreement, unless the severed provisions are essential to the Agreement, or of such importance that the parties would not have entered into the contract if they had known that the provision would not be valid, or in cases where the remaining provisions would translate into an unacceptable hardship on any of the parties.

Governing law

These Terms are governed by the law of the place where the Owner is based, as disclosed in the relevant section of this document, without regard to conflict of laws principles.

Prevalence of national law

However, regardless of the above, if the law of the country that the User is located in provides for higher applicable consumer protection standards, such higher standards shall prevail.

Exception for Consumers in Switzerland

If the User qualifies as a Consumer in Switzerland, Swiss law will apply.

Exception for Consumers in Brazil

If the User qualifies as a Consumer in Brazil and the product and/or service is commercialized in Brazil, Brazilian law will apply.

Venue of jurisdiction

The exclusive competence to decide on any controversy resulting from or connected to these Terms lies with the courts of the place where the Owner is based, as displayed in the relevant section of this document.

Exception for Consumers in Europe

The above does not apply to any Users that qualify as European Consumers, nor to Consumers based in the United Kingdom, Switzerland, Norway or Iceland.

Exception for Consumers in Brazil

The above does not apply to Users in Brazil that qualify as Consumers.

Accessibility

The Owner is committed to making the content accessible to Users with disabilities. If Users have a disability and are unable to access any portion of this Website due to their disability, they should give a notice including a detailed description of the issue encountered. If the issue is readily identifiable and resolvable in accordance with industry-standard information technology tools and techniques, the Owner commits to promptly address it.

Dispute resolution

Amicable dispute resolution

Users may bring any disputes to the Owner who will try to resolve them amicably.

While Users' right to take legal action shall always remain unaffected, in the event of any controversy regarding the use of this Website or the Service, Users are kindly asked to contact the Owner at the contact details provided in this document.

The User may submit the complaint to the Owner by using the dedicated section of this Website and following the instructions provided.

The Owner will process the request without undue delay and within 2 days of receiving it.

Online dispute resolution for Consumers

The European Commission's Online Dispute Resolution (ODR) platform, previously available for alternative dispute resolutions that facilitated an out-of-court method for solving disputes related to and stemming from online sale and service contracts, has been officially discontinued as of 20 July 2025, following the adoption of [EU Regulation 2024/3228](#).

Although the platform is no longer available, Users are encouraged to reach out directly to the Owner to resolve any concerns or issues. Users are kindly asked to contact the Owner at the contact details provided in this document.
