Paid Products

Some of the Products provided on KhojiForAgile, as part of the Service, are provided on the basis of payment.

The fees, duration and conditions applicable to the purchase of such Products are described below and in the dedicated sections of KhojiForAgile.

Product description

Prices, descriptions or availability of Products are outlined in the respective sections of KhojiForAgile and are subject to change without notice.

While Products on KhojiForAgile are presented with the greatest accuracy technically possible, representation on KhojiForAgile through any means (including, as the case may be, graphic material, images, colours, sounds) is for reference only and implies no warranty as to the characteristics of the purchased Product.

The characteristics of the chosen Product will be outlined during the purchasing process.

Purchasing process

Any steps taken from choosing a Product to order submission form part of the purchasing process.

The purchasing process includes these steps:

- Users must choose the desired Product and verify their purchase selection.
- After having reviewed the information displayed in the purchase selection, Users may place the order by submitting it.

Order submission

When the User submits an order, the following applies:

- The submission of an order determines contract conclusion and therefore creates for the User the obligation to pay the price, taxes and possible further fees and expenses, as specified on the order page.
- In case the purchased Product requires an action from the User, such as the provision of personal information or data, specifications or special wishes, the order submission creates an obligation for the User to cooperate accordingly.
- Upon submission of the order, Users will receive a receipt confirming that the order has been received.

All notifications related to the described purchasing process shall be sent to the email address provided by the User for such purposes.

Prices

Users are informed during the purchasing process and before order submission, about any fees, taxes and costs (including, if any, delivery costs) that they will be charged.

Prices on KhojiForAgile are displayed:

- either exclusive or inclusive of any applicable fees, taxes and costs, depending on the section the User is browsing.

Methods of payment

Information related to accepted payment methods are made available during the purchasing process.

Some payment methods may only be available subject to additional conditions or fees. In such cases related information can be found in the dedicated section of KhojiForAgile.

All payments are independently processed through third-party services. Therefore, KhojiForAgile does not collect any payment information – such as credit card details – but only receives a notification once the payment has been successfully completed.

If a payment through the available methods fails or is refused by the payment service provider, the Owner shall be under no obligation to fulfil the purchase order. If a payment fails or is refused, the Owner reserves

the right to claim any related expenses or damages from the User.

Retention of Product ownership

Until payment of the total purchase price is received by the Owner, any Products ordered shall not become the User's property.

Delivery

Deliveries are made to the address indicated by the User and in the manner specified in the order summary.

Upon delivery, Users must verify the content of the delivery and report anomalies without undue delay, using the contact details provided in this document or as described in the delivery note. Users may refuse to accept the parcel if visibly damaged.

Goods are delivered to the countries or territories specified in the relevant section of KhojiForAgile.

Delivery times are specified on KhojiForAgile or during the purchasing process.

Failed delivery

The Owner cannot be held responsible for delivery errors due to inaccuracies or incompleteness in the execution of the purchase order by the User, nor for any damages or delays after handover to the carrier if the latter is arranged by the User.

If the goods are not received or collected at the time or within the deadline specified, the goods will be returned to the Owner, who will contact the User to schedule a second delivery attempt or to agree on the future course of action.

Unless otherwise agreed, any delivery attempt starting from the second shall be at the User's expense.

Contract duration

Trial period

Users have the option to test KhojiForAgile or selected Products during a limited and non-renewable trial period, at no cost. Some features or functions of KhojiForAgile may not be available to Users during the trial period.

Further conditions applicable to the trial period, including its duration, will be specified on KhojiForAgile.

The trial period shall automatically convert into the equivalent paid Product, unless the User cancels the purchase before the trial period expires.

Subscriptions

Subscriptions allow Users to receive a Product continuously or regularly over time. Details regarding the type of subscription and termination are outlined below.

Fixed-term subscriptions

Paid fixed-term subscriptions start on the day the payment is received by the Owner and last for the subscription period chosen by the User or otherwise specified during the purchasing process.

Once the subscription period expires, the Product shall no longer be accessible.

Automatic renewal of fixed-term subscriptions

Subscriptions are automatically renewed through the payment method that the User chose during purchase.

The renewed subscription will last for a period equal to the original term.

The User shall receive a reminder of the upcoming renewal with reasonable advance, outlining the procedure to be followed in order to cancel the automatic renewal.

Termination

Recurring subscriptions may be terminated at any time by sending a clear and unambiguous

termination notice to the Owner using the contact details provided in this document, or – if applicable – by using the corresponding controls inside KhojiForAgile.

If the notice of termination is received by the Owner before the subscription renews, the termination shall take effect as soon as the current period is completed.

Exception for Consumers based in Germany

However, regardless of the above, if the User is based in Germany and qualifies as a Consumer, the following applies:

At the end of the initial term, subscriptions are automatically extended for an unlimited period, unless the User terminates before the end of such term.

The fee due upon extension will be charged on the payment method that the User chose during purchase.

After extension, the subscription will last for an indefinite period and may be terminated monthly.

The User shall receive a reminder of the upcoming unlimited extension with reasonable advance, outlining the procedure to be followed in order to prevent the extension or terminate the subscription thereafter.

Termination

Extended subscriptions may be terminated at any time by sending a clear and unambiguous termination notice to the Owner using the contact details provided in this document, or – if applicable – by using the corresponding controls inside KhojiForAgile.

If the notice of termination is received by the Owner by the end of the current month, the subscription shall expire at the end of such month.

User rights

Right of withdrawal

Unless exceptions apply, the User may be eligible to withdraw from the contract within the period specified below (generally 14 days), for any reason and without justification. Users can learn more about the withdrawal conditions within this section.

Who the right of withdrawal applies to

Unless any applicable exception is mentioned below, Users who are European Consumers are granted a statutory cancellation right under EU rules, to withdraw from contracts entered into online (distance contracts) within the specified period applicable to their case, for any reason and without justification.

Users that do not fit this qualification, cannot benefit from the rights described in this section.

Exercising the right of withdrawal

To exercise their right of withdrawal, Users must send to the Owner an unequivocal statement of their intention to withdraw from the contract.

To this end, Users may use the model withdrawal form available from within the “definitions” section of this document. Users are, however, free to express their intention to withdraw from the contract by making an unequivocal statement in any other suitable way. In order to meet the deadline within which they can exercise such right, Users must send the withdrawal notice before the withdrawal period expires.

When does the withdrawal period expire?

Effects of withdrawal

Users who correctly withdraw from a contract will be reimbursed by the Owner for all payments made to the Owner, including, if any, those covering the costs of delivery.

However, any additional costs resulting from the choice of a particular delivery method other than the least expensive type of standard delivery offered by the Owner, will not be reimbursed.

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User's decision to withdraw from the contract. Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

UK User rights

Right to cancel

Unless exceptions apply, Users who are Consumers in the United Kingdom have a legal right of cancellation under UK law and may be eligible to withdraw from contracts made online (distance contracts) within the period specified below (generally 14 days), for any reason and without justification.

Users that do not qualify as Consumers, cannot benefit from the rights described in this section. Users can learn more about the cancellation conditions within this section.

Exercising the right to cancel

To exercise their right to cancel, Users must send to the Owner an unequivocal statement of their intention to withdraw from the contract. To this end, Users may use the model withdrawal form available from within the "definitions" section of this document. Users are, however, free to express their intention to withdraw from the contract by making an unequivocal statement in any other suitable way. In order to meet the deadline within which they can exercise such right, Users must send the withdrawal notice before the cancellation period expires. When does the cancellation period expire?

- **Regarding the purchase of goods**, the cancellation period expires 14 days after the day on which the User or a third party – other than the carrier and designated by the User – takes physical possession of the goods.
- **Regarding the purchase of several goods ordered together** but delivered separately or in case of purchase of a single good consisting of multiple lots or pieces delivered separately, the cancellation period expires 14 days after the day on which the User or a third party – other than the carrier and designated by the User – acquires physical possession of the last good, lot or piece.

Effects of cancellation

Users who correctly withdraw from a contract will be reimbursed by the Owner for all payments made to the Owner, including, if any, those covering the costs of delivery.

However, any additional costs resulting from the choice of a particular delivery method other than the least expensive type of standard delivery offered by the Owner, will not be reimbursed.

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User's decision to withdraw from the contract. Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

...on the purchase of physical goods

Unless the Owner has offered to collect the goods, Users shall send back the goods or hand them over to the Owner, or to a person authorized by the latter to receive the goods, without undue delay and in any event within 14 days from the day on which they communicated their decision to withdraw from the contract.

The deadline is met if the goods are handed to the carrier, or otherwise returned as indicated above, before the expiration of the 14-days-period for returning the goods. The reimbursement may be withheld until reception of the goods, or until Users have supplied evidence of having returned the goods, whichever is the earliest.

Users shall only be liable for any diminished value of the goods resulting from the handling of the goods outside of that which is necessary to establish their nature, characteristics and functioning.

The costs of returning the goods are borne by the User.

Brazilian User rights

Right of Regret

Unless an applicable exception is stated below, Users who are Consumers in Brazil have a legal right of regret under Brazilian law. This means that the Consumer has the right to withdraw from contracts made online (distance contracts or any contract signed away from business premises) within seven (7) days of the date the contract was entered into or the receipt of the product or service, for any reason and without justification. Users that do not qualify as Consumers, cannot benefit from the rights described in this section. The right of regret may be exercised by the Consumer via contact channels listed at the beginning of this Document and in accordance with the guidelines in this Section.

Exercising the right of regret

To exercise their right of regret, Users must send to the Owner an unequivocal statement of their intention to withdraw from the contract. To this end, Users may use the model withdrawal form available from within the “definitions” section of this document. Users are, however, free to express their intention to withdraw from the contract by making an unequivocal statement in any other suitable way. In order to meet the deadline within which they can exercise such right, Users must send the regret notice before the regret period expires. When does the regret period expire?

Effects of regret

Users who correctly withdraw from a contract will be reimbursed by the Owner for all payments made to the Owner, including, if any, those covering the costs of delivery.

However, any additional costs resulting from the choice of a particular delivery method other than the least expensive type of standard delivery offered by the Owner, will not be reimbursed.

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User’s decision to withdraw from the contract or the actual return of the product, whichever occurs later. Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

Guarantees

Legal guarantee of conformity for goods under EU law

Under EU law, for a minimum period of 2 years after delivery, traders guarantee the conformity of the goods they sell. This means that traders must ensure that the goods purchased have the promised quality, or the quality that can be reasonably expected, functionality or characteristics for at least two years after they’ve been delivered to the purchaser.

Where Users qualify as European Consumers, the legal guarantee of conformity for goods applies to the items available on KhojiForAgile in accordance with the laws of the country of their habitual residence.

National laws of such country may grant such Users broader rights.

Consumers who do not qualify as European may benefit from legal guarantee of conformity rights in accordance with the legislation of the country of their habitual residence.

Conformity to contract for Consumers in the United Kingdom

Users in the United Kingdom qualifying as Consumers have a right to receive goods that are in conformity with the contract.

Legal guarantee of conformity for goods for Consumers in Brazil

The legal guarantee applicable to goods sold by KhojiForAgile (both physical and digital) complies with the following terms, according to the Consumer Protection Code:

- non-durable goods shall have a thirty-day (30 day) guarantee; and
- durable goods shall have a ninety-day (90 day) guarantee.

The warranty period starts from the date of goods delivery.

The warranty is not applicable in cases of misuse, natural events or if it has been subjected to any maintenance other than that provided by KhojiForAgile.

The warranty may be claimed through the contact channels provided by KhojiForAgile. The Owner shall bear the costs of shipping the goods for technical assessment, if necessary.

The Owner, at its own discretion, may also offer a contractual warranty in addition to the legal warranty. The

regulations applicable to contractual warranties can be found in the specifications provided by KhojiForAgile. If no such information is provided, only the statutory provisions shall apply.

Liability and indemnification

Unless otherwise explicitly stated or agreed with Users, the Owner's liability for damages in connection with the execution of the Agreement shall be excluded, limited and/or reduced to the maximum extent permitted by applicable law.

Australian Users

Limitation of liability

Nothing in these Terms excludes, restricts or modifies any guarantee, condition, warranty, right or remedy which the User may have under the Competition and Consumer Act 2010 (Cth) or any similar State and Territory legislation and which cannot be excluded, restricted or modified (non-excludable right). To the fullest extent permitted by law, our liability to the User, including liability for a breach of a non-excludable right and liability which is not otherwise excluded under these Terms of Use, is limited, at the Owner's sole discretion, to the re-performance of the services or the payment of the cost of having the services supplied again.

US Users

Disclaimer of Warranties

KhojiForAgile is provided strictly on an "as is" and "as available" basis. Use of the Service is at Users' own risk. To the maximum extent permitted by applicable law, the Owner expressly disclaims all conditions, representations, and warranties — whether express, implied, statutory or otherwise, including, but not limited to, any implied warranty of merchantability, fitness for a particular purpose, or non-infringement of third-party rights. No advice or information, whether oral or written, obtained by user from owner or through the Service will create any warranty not expressly stated herein.

Without limiting the foregoing, the Owner, its subsidiaries, affiliates, licensors, officers, directors, agents, co-branders, partners, suppliers and employees do not warrant that the content is accurate, reliable or correct; that the Service will meet Users' requirements; that the Service will be available at any particular time or location, uninterrupted or secure; that any defects or errors will be corrected; or that the Service is free of viruses or other harmful components. Any content downloaded or otherwise obtained through the use of the Service is downloaded at users own risk and users shall be solely responsible for any damage to Users' computer system or mobile device or loss of data that results from such download or Users' use of the Service.

The Owner does not warrant, endorse, guarantee, or assume responsibility for any product or service advertised or offered by a third party through the Service or any hyperlinked website or service, and the Owner shall not be a party to or in any way monitor any transaction between Users and third-party providers of products or services.

The Service may become inaccessible or it may not function properly with Users' web browser, mobile device, and/or operating system. The owner cannot be held liable for any perceived or actual damages arising from Service content, operation, or use of this Service.

Federal law, some states, and other jurisdictions, do not allow the exclusion and limitations of certain implied warranties. The above exclusions may not apply to Users. This Agreement gives Users specific legal rights, and Users may also have other rights which vary from state to state. The disclaimers and exclusions under this agreement shall not apply to the extent prohibited by applicable law.

Limitations of liability

To the maximum extent permitted by applicable law, in no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for

- **any indirect, punitive, incidental, special, consequential or exemplary damages, including without limitation damages for loss of profits, goodwill, use, data or other intangible losses, arising out of or relating to the use of, or inability to use, the Service; and**
- **any damage, loss or injury resulting from hacking, tampering or other unauthorised access**

- or use of the Service or User account or the information contained therein;
- any errors, mistakes, or inaccuracies of content;
- personal injury or property damage, of any nature whatsoever, resulting from User access to or use of the Service;
- any unauthorised access to or use of the Owner's secure servers and/or any and all personal information stored therein;
- any interruption or cessation of transmission to or from the Service;
- any bugs, viruses, trojan horses, or the like that may be transmitted to or through the Service;
- any errors or omissions in any content or for any loss or damage incurred as a result of the use of any content posted, emailed, transmitted, or otherwise made available through the Service; and/or
- the defamatory, offensive, or illegal conduct of any User or third party. In no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for any claims, proceedings, liabilities, obligations, damages, losses or costs in an amount exceeding the amount paid by User to the Owner hereunder in the preceding 12 months, or the period of duration of this agreement between the Owner and User, whichever is shorter.

This limitation of liability section shall apply to the fullest extent permitted by law in the applicable jurisdiction whether the alleged liability is based on contract, tort, negligence, strict liability, or any other basis, even if company has been advised of the possibility of such damage.

Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, therefore the above limitations or exclusions may not apply to User. The terms give User specific legal rights, and User may also have other rights which vary from jurisdiction to jurisdiction. The disclaimers, exclusions, and limitations of liability under the terms shall not apply to the extent prohibited by applicable law.

Indemnification

The User agrees to defend, indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees harmless from and against any and all claims or demands, damages, obligations, losses, liabilities, costs or debt, and expenses, including, but not limited to, legal fees and expenses, arising from

- User's use of and access to the Service, including any data or content transmitted or received by User;
- User's violation of these terms, including, but not limited to, User's breach of any of the representations and warranties set forth in these terms;
- User's violation of any third-party rights, including, but not limited to, any right of privacy or intellectual property rights;
- User's violation of any statutory law, rule, or regulation;
- any content that is submitted from User's account, including third party access with User's unique username, password or other security measure, if applicable, including, but not limited to, misleading, false, or inaccurate information;
- User's willful misconduct; or
- statutory provision by User or its affiliates, officers, directors, agents, co-branders, partners, suppliers and employees to the extent allowed by applicable law.

Common provisions

No Waiver

The Owner's failure to assert any right or provision under these Terms shall not constitute a waiver of any such right or provision. No waiver shall be considered a further or continuing waiver of such term or any other term.

Service interruption

To ensure the best possible service level, the Owner reserves the right to interrupt the Service for maintenance, system updates or any other changes, informing the Users appropriately.

Within the limits of law, the Owner may also decide to suspend or discontinue the Service altogether. If the Service is discontinued, the Owner will cooperate with Users to enable them to withdraw Personal Data or information and will respect Users' rights relating to continued product use and/or compensation, as provided for by applicable law.

Additionally, the Service might not be available due to reasons outside the Owner's reasonable control, such as "force majeure" events(infrastructural breakdowns or blackouts etc.).

Service reselling

Users may not reproduce, duplicate, copy, sell, resell or exploit any portion of KhojiForAgile and of its Service without the Owner's express prior written permission, granted either directly or through a legitimate reselling program.

Privacy policy

To learn more about the use of their Personal Data, Users may refer to the privacy policy of KhojiForAgile.

Intellectual property rights

Without prejudice to any more specific provision of these Terms, any intellectual property rights, such as copyrights, trademark rights, patent rights and design rights related to KhojiForAgile are the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties relating to intellectual property.

All trademarks — nominal or figurative — and all other marks, trade names, service marks, word marks, illustrations, images, or logos appearing in connection with KhojiForAgile are, and remain, the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties related to intellectual property.

Changes to these Terms

The Owner reserves the right to amend or otherwise modify these Terms at any time. In such cases, the Owner will appropriately inform the User of these changes.

Such changes will only affect the relationship with the User from the date communicated to Users onwards.

The continued use of the Service will signify the User's acceptance of the revised Terms. If Users do not wish to be bound by the changes, they must stop using the Service and may terminate the Agreement.

The applicable previous version will govern the relationship prior to the User's acceptance. The User can obtain any previous version from the Owner.

If legally required, the Owner will notify Users in advance of when the modified Terms will take effect.

Assignment of contract

The Owner reserves the right to transfer, assign, dispose of by novation, or subcontract any or all rights or obligations under these Terms, taking the User's legitimate interests into account. Provisions regarding changes of these Terms will apply accordingly.

Users may not assign or transfer their rights or obligations under these Terms in any way, without the written permission of the Owner.

Contacts

All communications relating to the use of KhojiForAgile must be sent using the contact information stated in this document.

Severability

Should any provision of these Terms be deemed or become invalid or unenforceable under applicable law, the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions, which shall remain in full force and effect.

US Users

Any such invalid or unenforceable provision will be interpreted, construed and reformed to the extent reasonably required to render it valid, enforceable and consistent with its original intent. These Terms constitute the entire Agreement between Users and the Owner with respect to the subject matter hereof, and supersede all other communications, including but not limited to all prior agreements, between the parties with respect to such subject matter. These Terms will be enforced to the fullest extent permitted by law.

EU Users

Should any provision of these Terms be or be deemed void, invalid or unenforceable, the parties shall do their best to find, in an amicable way, an agreement on valid and enforceable provisions thereby substituting the void, invalid or unenforceable parts.

In case of failure to do so, the void, invalid or unenforceable provisions shall be replaced by the applicable statutory provisions, if so permitted or stated under the applicable law.

Without prejudice to the above, the nullity, invalidity or the impossibility to enforce a particular provision of these Terms shall not nullify the entire Agreement, unless the severed provisions are essential to the Agreement, or of such importance that the parties would not have entered into the contract if they had known that the provision would not be valid, or in cases where the remaining provisions would translate into an unacceptable hardship on any of the parties.

Governing law

These Terms are governed by the law of the place where the Owner is based, as disclosed in the relevant section of this document, without regard to conflict of laws principles.

Prevalence of national law

However, regardless of the above, if the law of the country that the User is located in provides for a higher applicable consumer protection standard, such higher standards shall prevail.

Exception for Consumers in Brazil

If the User qualifies as a Consumer in Brazil and the product and/or service is commercialised in Brazil, Brazilian law will apply.

Venue of jurisdiction

The exclusive competence to decide on any controversy resulting from or connected to these Terms lies with the courts of the place where the Owner is based, as displayed in the relevant section of this document.

Exception for Consumers in Europe

The above does not apply to any Users that qualify as European Consumers, nor to Consumers based in the United Kingdom, Switzerland, Norway or Iceland.

Exception for Consumers in Brazil

The above does not apply to Users in Brazil that qualify as Consumers.

Dispute resolution

Amicable dispute resolution

Users may bring any disputes to the Owner who will try to resolve them amicably.

The User may submit the complaint including a brief description and if applicable, the details of the related order, purchase, or account, to the Owner's email address specified in this document.

The Owner will process the complaint without undue delay and within 2 days of receiving it.

Online dispute resolution for Consumers
