- any other related Agreement or legal relationship with the Owner

in a legally binding way. Capitalized words are defined in the relevant dedicated section of this document.

The User must read this document carefully.

Nothing in these Terms creates any relationship of employment, agency, or partnership between the involved parties.

This Application is provided by:

## Information about this Application

By subscribing to the "Crypto Go Wealth Accelerator" service provided by Tech Go Ltd — whether on a monthly or quarterly basis — you acknowledge and agree to the following terms and conditions.

The service includes access to the private paid Telegram channel, "Crypto Go Analysis". All content, materials, and information shared across our services—including but not limited to our website, Telegram channel, and any related communications or materials—are provided strictly for informational and educational purposes only. They do not constitute financial advice, investment recommendations, or an invitation to engage in any financial transactions.

Access to the private Telegram channel "Crypto Go Analysis", where subscribers receive 1 to 2 crypto signals per week, is granted through the purchase of the "Crypto Go Wealth Accelerator" under a monthly or quarterly plan. All plans renew automatically at the end of each billing period, unless cancelled. You may unsubscribe at any time, in which case your access will remain active until the end of the current subscription period.

The crypto signals are based on the Owner's personal research and opinions, providing a summary of the projects related to the recommended tokens or coins, links to valuable articles, an assessment of the positive, negative, and neutral aspects of the assets, wallet addresses of relevant smart money investors, the best CEXs or DEXs to buy the assets, and exit strategies.

Tech Go Ltd offers a 15-day money-back guarantee, applicable only if the Client does not receive at least one complete and profitable signal — including both entry and exit — within the first 15 days following the date of purchase of any subscription plan. A signal is considered profitable if it generates any positive return, regardless of the percentage. Once a profitable signal has been received within this period, the Client is no longer eligible for a refund. If no profitable signal is received within the first 15 days, the Client has an additional 15 days (i.e., until the 30th day from the date of purchase) to submit a refund request. Requests submitted after this 30-day period will be deemed ineligible and will not be processed. All refund requests must be submitted by email to [sales@thecryptogo.com](mailto:sales@thecryptogo.com), and processing times may take up to 30 business days. Refunds will not be issued for any reason other than those explicitly stated in these Terms and Conditions.

By purchasing the "Crypto Go Wealth Accelerator" service, the Client acknowledges that investments and speculations in cryptocurrencies, ETFs, and any other financial assets involve substantial risk. Tech Go Ltd cannot and does not guarantee profits, and the Client assumes full responsibility for any investment decisions made based on the provided information. The Client must conduct independent due diligence and agrees that their capital is at risk. The Owner shall not be held responsible for any financial losses resulting from the Client's investments or trading actions.

Payments for the service are non-refundable except in accordance with the 15-day money-back guarantee. The Client agrees not to share, distribute, or disclose any content, signals, or insights provided within the Telegram channel or associated materials to third parties. Any unauthorized sharing or distribution will result in the immediate termination of access without refund, and Tech Go Ltd reserves the right to take legal action for breaches of confidentiality.

Tech Go Ltd is not liable for any disruptions, delays, or unavailability of the service due to factors beyond its control, including but not limited to technical failures, force majeure events, or third-party restrictions. The Client agrees that Tech Go Ltd may

update these Terms and Conditions at any time, and continued use of the service after updates constitutes acceptance of the revised terms. It is the responsibility of the customer to review the terms periodically to stay informed of any updates.

By purchasing the service, the Client confirms that they have read, understood, and agreed to these Terms and Conditions, and waives any claims related to the modification, suspension, or termination of the service.

The fees, duration and conditions applicable to the purchase of such Products are described below and in the dedicated sections of this Application.

To purchase Products, the User must register or log into this Application.

## **Product description**

Prices, descriptions or availability of Products are outlined in the respective sections of this Application and are subject to change without notice.

While Products on this Application are presented with the greatest accuracy technically possible, representation on this Application through any means (including, as the case may be, graphic material, images, colors, sounds) is for reference only and implies no warranty as to the characteristics of the purchased Product.

The characteristics of the chosen Product will be outlined during the purchasing process.

## **Purchasing process**

Any steps taken from choosing a Product to order submission form part of the purchasing process.

The purchasing process includes these steps:

- Users must choose the desired Product and verify their purchase selection.
- After having reviewed the information displayed in the purchase selection, Users may place the order by submitting it.

## **Order submission**

When the User submits an order, the following applies:

- The submission of an order determines contract conclusion and therefore creates for the User the obligation to pay the price, taxes and possible further fees and expenses, as specified on the order page.
- In case the purchased Product requires an action from the User, such as the provision of personal information or data, specifications or special wishes, the order submission creates an obligation for the User to cooperate accordingly.
- Upon submission of the order, Users will receive a receipt confirming that the order has been received.

All notifications related to the described purchasing process shall be sent to the email address provided by the User for such purposes.

## **Prices**

Users are informed during the purchasing process and before order submission, about any fees, taxes and costs (including, if any, delivery costs) that they will be charged.

Prices on this Application are displayed:

- including all applicable fees, taxes and costs.

## **Offers and discounts**

The Owner may offer discounts or provide special offers for the purchase of Products. Any such offer or discount shall always be subject to the eligibility criteria and the terms and conditions set out in the corresponding section of this Application.

Offers and discounts are always granted at the Owner's sole discretion.

Repeated or recurring offers or discounts create no claim/title or right that Users may enforce in the future.

Depending on the case, discounts or offers shall be valid for a limited time only or while stocks last. If an offer or discount is limited by time, the time indications refer to the time zone of the Owner, as indicated in the Owner's location details in this document, unless otherwise specified.

## **Coupons**

Offers or discounts can be based on Coupons.

If breach of the conditions applicable to Coupons occurs, the Owner can legitimately refuse to fulfill its contractual obligations and expressly reserves the right to take appropriate legal action to protect its rights and interests.

Notwithstanding the provisions below, any additional or diverging rules applicable to using the Coupon displayed in the corresponding information page or on the Coupon itself shall always prevail.

Unless otherwise stated, these rules apply to the use of Coupons:

- Each Coupon is only valid when used in the manner and within the timeframe specified on the website and/or the Coupon;
- A Coupon may only be applied, in its entirety, at the actual time of purchase – partial use is not permitted;
- Unless otherwise stated, single-use Coupons may only be used once per purchase and therefore may only be applied a single time even in cases involving installment-based purchases;
- A Coupon cannot be applied cumulatively;
- The Coupon must be redeemed exclusively within the time specified in the offer. After this period, the Coupon will automatically expire, precluding any possibility for the User to claim the relevant rights, including cash-out;
- The User is not entitled to any credit/refund/compensation if there is a difference between the value of the Coupon and the redeemed value;
- The Coupon is intended solely for non-commercial use. Any reproduction, counterfeiting and commercial trade of the Coupon is strictly forbidden, along with any illegal activity related to the purchase and/or use of the Coupon.

## **Methods of payment**

Information related to accepted payment methods is made available during the purchasing process.

Some payment methods may only be available subject to additional conditions or fees. In such cases related information can be found in the dedicated section of this Application.

All payments are independently processed through third-party services. Therefore, this Application does not collect any payment information – such as credit card details – but only receives a notification once the payment has been successfully completed. The User may read the privacy policy of this Application to learn more about the data processing and Users' rights regarding their data.

If a payment through the available methods fails or is refused by the payment service provider, the Owner shall be under no obligation to fulfill the purchase order. If a payment fails or is refused, the Owner reserves the right to claim any related expenses or damages from the User.

## **Virtual Currency for exclusive use inside this Application**

On this Application certain payments may be made using a Virtual Currency. Unless otherwise stated, such Virtual Currency is not tradable, exchangeable or redeemable against any traditional currency, any other open digital currency, goods or any other values.

By purchasing Virtual Currency, Users acknowledge and understand that it may only be used within this Application for the purposes expressly authorized by the Owner within the framework of its Services. Users also acknowledge and agree that they may not transfer, purchase, sell, or exchange such Virtual Currency outside of the Service.

Accordingly, Users may not sublicense, trade, sell or attempt to sell Virtual Currency for money, or exchange Virtual Currency for value of any kind outside of the dedicated offering provided by the Owner through this Application. Any such prohibited use or transaction shall be considered null and void and could result in legal action being taken against the User.

In case of contract or account termination for any cause attributable to the User, any and all unused Virtual Currency shall be forfeited and no refund shall be granted.

## **Retention of usage rights**

Users do not acquire any rights to use the purchased Product until the total purchase price is received by the Owner.

## **Performance of services**

The purchased service shall be performed or made available within the timeframe specified on this Application or as communicated before the order submission.

## **Term and termination**

### **Subscriptions**

Subscriptions allow Users to receive a Product continuously or regularly over time. Details regarding the type of subscription and termination are outlined below.

### **Fixed-term subscriptions**

Paid fixed-term subscriptions start on the day the payment is received by the Owner and last for the subscription period chosen by the User or otherwise specified during the purchasing process.

Once the subscription period expires, the Product shall no longer be accessible.

### **Automatic renewal of fixed-term subscriptions**

**Subscriptions are automatically renewed through the payment method that the User chose during purchase.**

**The renewed subscription will last for a period equal to the original term.**

### **Termination by the User**

**Subscriptions may be terminated by sending a clear and unambiguous termination notice to the Owner using the contact details provided in this document, or — if applicable — by using the corresponding controls inside this Application.**

**If the notice of termination is received by the Owner before the subscription renews, the termination shall take effect as soon as the current period is completed.**

## **Liability and indemnification**

Unless otherwise explicitly stated or agreed with Users, the Owner's liability for damages in connection with the execution of the Agreement shall be excluded, limited and/or reduced to the maximum extent permitted by applicable law.

### **Indemnification**

The User agrees to indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners and employees harmless from and against any claim or demand — including but not limited to lawyer's fees and costs — made by any third party due to or in relation with any culpable violation of these Terms, third-party rights or statutory provisions connected to the use of the Service by the User or its affiliates, officers, directors, agents, co-branders, partners and employees to the extent allowed by applicable law.

### **Limitation of liability**

Unless otherwise explicitly stated and without prejudice to mandatory law, Users shall have no right to claim damages against the Owner (or any natural or legal person acting on its behalf).

This does not apply to damages to life, health or physical integrity, damages resulting from the breach of material contractual obligations such as any obligation strictly necessary to achieve the purpose of the contract, and/or damages resulting from intent or gross negligence, as long as this Application has been appropriately and correctly used by the User.

Unless damages have been caused by way of intent or gross negligence, or they affect life, health or physical integrity, the Owner shall only be liable to the extent of typical and foreseeable damages at the moment the contract was entered into.

In particular, within the limits stated above, the Owner shall not be liable for:

- damages or losses resulting from interruptions or malfunctions of this Application due to acts of force majeure, or unforeseen and unforeseeable events and, in any case, independent of the will and beyond the control of the Owner, such as, but not limited to, failures or disruptions of telephone or electrical lines, the Internet and / or other means of transmission, unavailability of websites, strikes, natural disasters, viruses and cyber attacks, interruptions in the delivery of products, third-party services or applications;
- any loss of business opportunities and any other loss, even indirect, that may be incurred by the User (such as, but not limited to, trading losses, loss of revenue, income, profits or anticipated savings, loss of contracts or business relationships, loss of reputation or goodwill, etc.);
- any losses that are not the direct consequence of a breach of the Terms by the Owner;
- any damage, prejudice or loss occurring due to viruses or other malware contained in or connected to files available for download from the internet or via this Application. Users are responsible for implementing sufficient security measures — such as anti-viruses and firewalls to prevent any such infection or attack and for securing backup copies of all data or information exchanged via or uploaded to this Application.

Notwithstanding the above, the following limitation applies to all Users other than Natural Persons:

In any event of liability, the compensation may not exceed the total payments that have been, will be or would be received by the Owner from the User based on the contract over a period of 12 months, or throughout the duration of the Agreement, if shorter.

## **Australian Users**

### **Limitation of liability**

Nothing in these Terms excludes, restricts or modifies any guarantee, condition, warranty, right or remedy which the User may have under the Competition and Consumer Act 2010 (Cth) or any similar state and territory legislation and which cannot be excluded, restricted or modified (non-excludable right). To the fullest extent permitted by law, our liability to the User, including liability for a breach of a non-excludable right and liability which is not otherwise excluded under these Terms, is limited, at the Owner's sole discretion, to the re-performance of the services or the payment of the cost of having the services supplied again.

## **US Users**

### **Disclaimer of Warranties**

**This Application is provided strictly on an "as is" and "as available" basis. Use of the Service is at Users' own risk. To the maximum extent permitted by applicable law, the Owner expressly disclaims all conditions, representations, and warranties — whether express, implied, statutory or otherwise, including, but not limited to, any implied warranty of merchantability, fitness for a particular purpose, or non-infringement of third-party rights. No advice or information, whether oral or written, obtained by the User from the Owner or through the Service will create any warranty not expressly stated herein.**

**Without limiting the foregoing, the Owner, its subsidiaries, affiliates, licensors, officers, directors, agents, co-branders, partners, suppliers and employees do not warrant that the content is accurate, reliable or correct; that the Service will meet Users' requirements; that the Service will be available at any particular time or location, uninterrupted or secure; that any defects or errors will be corrected; or that the Service is free of viruses or other harmful components. Any content downloaded or otherwise obtained through the use of the Service is downloaded at Users' own risk and Users shall be solely responsible for any damage to Users' computer system or mobile device or loss of data that results from such download or Users' use of the Service.**

**The Owner does not warrant, endorse, guarantee, or assume responsibility for any product or service advertised or offered by a third party through the Service or any hyperlinked website or service, and the Owner shall not be a party to or in any way monitor any transaction between Users and third-party providers of products or services.**

**The Service may become inaccessible or it may not function properly with Users' web browser, mobile device, and/or operating system. The owner cannot be held liable for any perceived or actual damages arising from Service content, operation, or use of this Service.**

**Federal law, some states, and other jurisdictions, do not allow the exclusion and limitations of certain implied warranties. The above exclusions may not apply to Users. This Agreement gives Users specific legal rights, and Users may also have other rights which vary from state to state. The disclaimers and exclusions under this agreement shall not apply to the extent prohibited by applicable law.**

### **Limitations of liability**

**To the maximum extent permitted by applicable law, in no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for:**

- any indirect, punitive, incidental, special, consequential or exemplary damages, including without limitation damages for loss of profits, goodwill, use, data or other intangible losses, arising out of or relating to the use of, or inability to use, the Service; and
- any damage, loss or injury resulting from hacking, tampering or other unauthorized access or use of the Service or User account or the information contained therein;
- any errors, mistakes, or inaccuracies of content;
- personal injury or property damage, of any nature whatsoever, resulting from User access to or use of the Service;
- any unauthorized access to or use of the Owner's secure servers and/or any and all personal information stored therein;
- any interruption or cessation of transmission to or from the Service;
- any bugs, viruses, trojan horses, or the like that may be transmitted to or through the Service;
- any errors or omissions in any content or for any loss or damage incurred as a result of the use of any content posted, emailed, transmitted, or otherwise made available through the Service; and/or
- the defamatory, offensive, or illegal conduct of any User or third party.

In no event shall the Owner, and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees be liable for any claims, proceedings, liabilities, obligations, damages, losses or costs in an amount exceeding the amount paid by User to the Owner hereunder in the preceding 12 months, or the period of duration of this agreement between the Owner and User, whichever is shorter.

This limitation of liability section shall apply to the fullest extent permitted by law in the applicable jurisdiction whether the alleged liability is based on contract, tort, negligence, strict liability, or any other basis, even if the User has been advised of the possibility of such damage.

Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, therefore the above limitations or exclusions may not apply to the User. The terms give User specific legal rights, and User may also have other rights which vary from jurisdiction to jurisdiction. The disclaimers, exclusions, and limitations of liability under the terms shall not apply to the extent prohibited by applicable law.

## **Indemnification**

The User agrees to defend, indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners, suppliers and employees harmless from and against any and all claims or demands, damages, obligations, losses, liabilities, costs or debt, and expenses, including, but not limited to, legal fees and expenses, arising from

- User's use of and access to the Service, including any data or content transmitted or received by User;
- User's violation of these terms, including, but not limited to, User's breach of any of the representations and warranties set forth in these terms;
- User's violation of any third-party rights, including, but not limited to, any right of privacy or intellectual property rights;
- User's violation of any statutory law, rule, or regulation;
- any content that is submitted from User's account, including third party access with User's unique username, password or other security measure, if applicable, including, but not limited to, misleading, false, or inaccurate information;
- User's willfull misconduct; or
- statutory provision by User or its affiliates, officers, directors, agents, co-branders, partners, suppliers and employees to the extent allowed by applicable law.

## **Common provisions**

### **No Waiver**

The Owner's failure to assert any right or provision under these Terms shall not constitute a waiver of any such right or provision. No waiver shall be considered a further or continuing waiver of such term or any other term.

### **Service interruption**

To ensure the best possible service level, the Owner reserves the right to interrupt the Service for maintenance, system updates or any other changes, informing the Users appropriately.

Within the limits of law, the Owner may also decide to suspend or discontinue the Service altogether. If the Service is discontinued, the Owner will cooperate with Users to enable them to withdraw personal data or information and will respect Users' rights relating to continued product use and/or compensation, as provided for by applicable law.

Additionally, the Service might not be available due to reasons outside the Owner's reasonable control, such as "force majeure" events (infrastructural breakdowns or blackouts etc.).

### **Service reselling**

Users may not reproduce, duplicate, copy, sell, resell or exploit any portion of this Application and of its Service without the Owner's express prior written permission, granted either directly or through a legitimate reselling program.

### **Privacy policy**

To learn more about the use of their personal data, Users may refer to the privacy policy of this Application.

### **Intellectual property rights**

Without prejudice to any more specific provision of these Terms, any intellectual property rights, such as copyrights, trademark rights, patent rights and design rights related to this Application are the exclusive property of the Owner or its licensors and are

subject to the protection granted by applicable laws or international treaties relating to intellectual property.

All trademarks — nominal or figurative — and all other marks, trade names, service marks, word marks, illustrations, images, or logos appearing in connection with this Application are, and remain, the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties related to intellectual property.

## **Changes to these Terms**

The Owner reserves the right to amend or otherwise modify these Terms at any time. In such cases, the Owner will appropriately inform the User of these changes.

Such changes will only affect the relationship with the User from the date communicated to Users onwards.

**The continued use of the Service will signify the User's acceptance of the revised Terms.** If Users do not wish to be bound by the changes, they must stop using the Service and may terminate the Agreement.

The applicable previous version will govern the relationship prior to the User's acceptance. The User can obtain any previous version from the Owner.

If legally required, the Owner will notify Users in advance of when the modified Terms will take effect.

## **Assignment of contract**

The Owner reserves the right to transfer, assign, dispose of by novation, or subcontract any or all rights or obligations under these Terms, taking the User's legitimate interests into account. Provisions regarding changes of these Terms will apply accordingly.

Users may not assign or transfer their rights or obligations under these Terms in any way, without the written permission of the Owner.

## **Contacts**

All communications relating to the use of this Application must be sent using the contact information stated in this document.

## **Severability**

Should any provision of these Terms be deemed or become invalid or unenforceable under applicable law, the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions, which shall remain in full force and effect.

## **US Users**

Any such invalid or unenforceable provision will be interpreted, construed and reformed to the extent reasonably required to render it valid, enforceable and consistent with its original intent. These Terms constitute the entire Agreement between Users and the Owner with respect to the subject matter hereof, and supersede all other communications, including but not limited to all prior agreements, between the parties with respect to such subject matter. These Terms will be enforced to the fullest extent permitted by law.

## **EU Users**

Should any provision of these Terms be or be deemed void, invalid or unenforceable, the parties shall do their best to find, in an amicable way, an agreement on valid and enforceable provisions thereby substituting the void, invalid or unenforceable parts. In case of failure to do so, the void, invalid or unenforceable provisions shall be replaced by the applicable statutory provisions, if so permitted or stated under the applicable law.

Without prejudice to the above, the nullity, invalidity or impossibility to enforce a particular provision of these Terms shall not nullify the entire Agreement, unless the severed provisions are essential to the Agreement, or of such importance that the parties would not have entered into the contract if they had known that the provision would not be valid, or in cases where the remaining provisions would translate into an unacceptable hardship on any of the parties.

## **Governing law**

These Terms are governed by the law of the place where the Owner is based, as disclosed in the relevant section of this document, without regard to conflict of laws principles.

## **Prevalence of national law**

However, regardless of the above, if the law of the country that the User is located in provides for higher applicable consumer protection standards, such higher standards shall prevail.

## **Venue of jurisdiction**

The exclusive competence to decide on any controversy resulting from or connected to these Terms lies with the courts of the place where the Owner is based, as displayed in the relevant section of this document.

### **Exception for Consumers in Europe**

The above does not apply to any Users that qualify as European Consumers, nor to Consumers based in the United Kingdom, Switzerland, Norway or Iceland.

### **US Users**

**Each party specifically waives any right to trial by jury in any court in connection with any action or litigation. Any claims under these terms shall proceed individually and no party shall join in a class action or other proceeding with or on behalf of others.**

### **UK Consumers**

Consumers based in England and Wales may bring legal proceedings in connection with these Terms in the English and Welsh courts. Consumers based in Scotland may bring legal proceedings in connection with these Terms in either the Scottish or the English courts. Consumers based in Northern Ireland may bring legal proceedings in connection with these Terms in either the Northern Irish or the English courts.

### **US Users**

### **Surviving provisions**

This Agreement shall continue in effect until it is terminated by either this Application or the User. Upon termination, the provisions contained in these Terms that by their context are intended to survive termination or expiration will survive, including but not limited to the following:

- the User's grant of licenses under these Terms shall survive indefinitely;
- the User's indemnification obligations shall survive for a period of five years from the date of termination;
- the disclaimer of warranties and representations, and the stipulations under the section containing indemnity and limitation of liability provisions, shall survive indefinitely.

## **Dispute resolution**

### **Amicable dispute resolution**

Users may bring any disputes to the Owner who will try to resolve them amicably.

While Users' right to take legal action shall always remain unaffected, in the event of any controversy regarding the use of this Application or the Service, Users are kindly asked to contact the Owner at the contact details provided in this document.

The User may submit the complaint including a brief description and if applicable, the details of the related order, purchase, or account, to the Owner's email address specified in this document.

The Owner will process the complaint without undue delay and within 14 days of receiving it.

### **Online dispute resolution for Consumers**

The European Commission's Online Dispute Resolution (ODR) platform, previously available for alternative dispute resolutions that facilitated an out-of-court method for solving disputes related to and stemming from online sale and service contracts, has been officially discontinued as of 20 July 2025, following the adoption of [EU Regulation 2024/3228](#).

Although the platform is no longer available, Users are encouraged to reach out directly to the Owner to resolve any concerns or issues. Users are kindly asked to contact the Owner at the contact details provided in this document.
