- After having reviewed the information displayed in the purchase selection, Users may place the order by submitting it.

- In case the purchased Product requires an action from the User, such as the provision of personal information or data, specifications or special wishes, the order submission creates an obligation for the User to cooperate accordingly.
- Upon submission of the order, Users will receive a receipt. Unless stated otherwise in the relevant communication, the aforementioned receipt merely indicates reception of the order and does not constitute acceptance of the order.

The rejection of an order shall not entitle the User to bring any claim against the Owner, including compensation for damages.

All notifications related to the described purchasing process shall be sent to the email address provided by the User for such purposes.

## Prices

Users are informed during the purchasing process and before order submission, about any fees, taxes and costs (including, if any, delivery costs) that they will be charged.

Unless any applicable exception is mentioned below, Users who are European Consumers are granted a statutory withdrawal right under EU rules, to withdraw from contracts entered into online (distance contracts) within the specified period applicable to their case, for any reason and without justification.

Users that do not fit this qualification, cannot benefit from the rights described in this section. The Consumer shall only be liable to the Seller for any diminution in the value of the goods resulting from handling the goods in a manner other than that necessary

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User’s decision to withdraw from the contract. Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. ### ...on the purchase of services

Where a User exercises the right of withdrawal after having requested that the service be performed before the withdrawal period expires, the User shall pay to the Owner an amount which is in proportion to the part of service provided.

Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

**...on the purchase of services**

## **Guarantees**

### **Legal guarantee of conformity for Digital Products under EU law**

Under EU law, for a minimum period of 2 years from delivery or, in case of Digital Products supplied continuously for more than 2 years for the entire supply period, traders guarantee conformity of the Digital Products they provide to Consumers.

Where Users qualify as European Consumers, the legal guarantee of conformity applies to the Digital Products available on CampusCISO in accordance with the laws of the country of their habitual residence.

National laws of such country may grant Users broader rights.

## **Legal guarantee of conformity for services for Consumers in Brazil**

The legal guarantee applicable to services sold by CampusCISO complies with the following terms, according to the Consumer Protection Code:

- non-durable services shall have a thirty-day (30 day) guarantee; and
- durable services shall have a ninety-day (90 day) guarantee.

The warranty period starts from the end of the performance of services.

The warranty is not applicable in cases of service misuse, natural events or if it has been subjected to any maintenance other than that provided by CampusCISO.

The warranty may be claimed through the contact channels provided by CampusCISO. If applicable, the Owner shall bear the costs of shipping any goods for technical assessment. The Owner, at its own discretion, may also offer a contractual warranty in addition to the legal warranty.

The regulations applicable to contractual warranties can be found in the specifications provided by CampusCISO.

If no such information is provided, only the statutory provisions shall apply.

## **Money-back-guarantee for services**

Without prejudice to any applicable statutory rights, the Owner grants Users the right to cancel the purchase of a service they are unsatisfied with, and obtain a refund, within 30 days from the day on which the contract was entered into.

The Owner shall refund the price of the Product purchased using the same payment method as the original transaction.

In order to make use of this right, Users must send an unambiguous notice to the Owner. While a motivation is not required, Users are kindly asked to specify the reason why they are claiming the money-back-guarantee.

Upon receipt of such notice, the Owner will verify that all conditions applicable to the money-back-guarantee are fulfilled and, if so, refund the purchase price. In this case, Users will no longer have access to the purchased service.

The above does not affect the Users' rights to seek remedy free of charge in the event of a lack of conformity of the Product under applicable law.

## **After-sales assistance**

Users who have purchased products on CampusCISO may take advantage of the after-sales assistance services related to their purchase at no cost for the entire guarantee period by contacting the Owner at the contact details provided in this document.

## **Liability and indemnification**

Unless otherwise explicitly stated or agreed with Users, the Owner's liability for damages in connection with the execution of the Agreement shall be excluded, limited and/or reduced to the maximum extent permitted by applicable law.

### **Indemnification**

The User agrees to indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners and employees harmless from and against any claim or demand — including but not limited to lawyer's fees and costs — made by any third party due to or in relation with any culpable violation of these Terms, third-party rights or statutory provisions connected to the use of the Service by the User or its affiliates, officers, directors, agents, co-branders, partners and employees to the extent allowed by applicable law.

The above also applies to any claims exercised by third parties (including but not limited to the Owner's clients or customers) against the Owner related to Digital Products provided by the User such as, for instance, conformity claims.

### **Limitation of liability**

Unless otherwise explicitly stated and without prejudice to applicable law, Users shall have no right to claim damages against the Owner (or any natural or legal person acting on its behalf).

This does not apply to damages to life, health or physical integrity, damages resulting from the breach of material contractual obligations such as any obligation strictly necessary to achieve the purpose of the contract, and/or damages resulting from intent or gross negligence, as long as CampusCISO has been appropriately and correctly used by the User.

Unless damages have been caused by way of intent or gross negligence, or they affect life, health or physical integrity, the Owner shall only be liable to the extent of typical and foreseeable damages at the moment the contract was entered into.

Notwithstanding the above, the following limitation applies to all Users not qualifying as Consumers:

In any event of liability, the compensation may not exceed the total payments that have been, will be or would be received by the Owner from the User based on the contract over a period of 12 months, or the period of the duration of the Agreement, if shorter.

The Owner reserves the right to transfer, assign, dispose of by novation, or subcontract any or all rights or obligations under these Terms, taking the User's legitimate interests into account. Provisions regarding changes of these Terms will apply accordingly.

Users may not assign or transfer their rights or obligations under these Terms in any way, without the written permission of the Owner.

## **Contacts**

All communications relating to the use of CampusCISO must be sent using the contact information stated in this document.

## **Severability**

Should any provision of these Terms be deemed or become invalid or unenforceable under applicable law, the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions, which shall remain in full force and effect.

## **US Users**

Any such invalid or unenforceable provision will be interpreted, construed and reformed to the extent reasonably required to render it valid, enforceable and consistent with its original intent. These Terms constitute the entire Agreement between Users and the Owner with respect to the subject matter hereof, and supersede all other communications, including but not limited to all prior agreements, between the parties with respect to such subject matter. These Terms will be enforced to the fullest extent permitted by law.

## **EU Users**

Should any provision of these Terms be or be deemed void, invalid or unenforceable, the parties shall do their best to find, in an amicable way, an agreement on valid and enforceable provisions thereby substituting the void, invalid or unenforceable parts. In case of failure to do so, the void, invalid or unenforceable provisions shall be replaced by the applicable statutory provisions, if so permitted or stated under the applicable law.

Without prejudice to the above, the nullity, invalidity or impossibility to enforce a particular provision of these Terms shall not nullify the entire Agreement, unless the severed provisions are essential to the Agreement, or of such importance that the parties would not have entered into the contract if they had known that the provision would not be valid, or in cases where the remaining provisions would translate into an unacceptable hardship on any of the parties.

## **Governing law**

These Terms are governed by the law of the place where the Owner is based, as disclosed in the relevant section of this document, without regard to conflict of laws principles.

## **Prevalence of national law**

However, regardless of the above, if the law of the country that the User is located in provides for higher applicable consumer protection standards, such higher standards shall prevail.

## **Exception for Consumers in Switzerland**

If the User qualifies as a Consumer in Switzerland, Swiss law will apply.

## **Exception for Consumers in Brazil**

If the User qualifies as a Consumer in Brazil and the product and/or service is commercialized in Brazil, Brazilian law will apply.

## **Venue of jurisdiction**

The exclusive competence to decide on any controversy resulting from or connected to these Terms lies with the courts of the place where the Owner is based, as displayed in the relevant section of this document.

## **US Users**

**Each party specifically waives any right to trial by jury in any court in connection with any action or litigation. Any claims under these terms shall proceed individually and no party shall join in a class action or other proceeding with or on behalf of others.**

## **US Users**

### **Surviving provisions**

This Agreement shall continue in effect until it is terminated by either CampusCISO or the User. Upon termination, the provisions contained in these Terms that by their context are intended to survive termination or expiration will survive, including but not limited to the following:

- the User's grant of licenses under these Terms shall survive indefinitely;
- the User's indemnification obligations shall survive for a period of five years from the date of termination;
- the disclaimer of warranties and representations, and the stipulations under the section containing indemnity and limitation of liability provisions, shall survive indefinitely.

## **Accessibility**

The Owner is committed to making the content accessible to Users with disabilities. If Users have a disability and are unable to access any portion of CampusCISO due to their disability, they should give a notice including a detailed description of the issue encountered. If the issue is readily identifiable and resolvable in accordance with industry-standard information technology tools and techniques, the Owner commits to promptly address it.

## **Dispute resolution**

### **Amicable dispute resolution**

Users may bring any disputes to the Owner who will try to resolve them amicably.

While Users' right to take legal action shall always remain unaffected, in the event of any controversy regarding the use of CampusCISO or the Service, Users are kindly asked to contact the Owner at the contact details provided in this document.

The User may submit the complaint including a brief description and if applicable, the details of the related order, purchase, or account, to the Owner's email address specified in this document.

The Owner will process the complaint without undue delay and within 2 days of receiving it.

### **Online dispute resolution for Consumers**

The European Commission's Online Dispute Resolution (ODR) platform, previously available for alternative dispute resolutions that facilitated an out-of-court method for solving disputes related to and stemming from online sale and service contracts, has been officially discontinued as of 20 July 2025, following the adoption of [EU Regulation 2024/3228](#).

Although the platform is no longer available, Users are encouraged to reach out directly to the Owner to resolve any concerns or issues. Users are kindly asked to contact the Owner at the contact details provided in this document.
