The fees, duration and conditions applicable to the purchase of such Products are described below and in the dedicated sections of this Application.

Product description

Prices, descriptions or availability of Products are outlined in the respective sections of this Application and are subject to change without notice.

While Products on this Application are presented with the greatest accuracy technically possible, representation on this Application through any means (including, as the case may be, graphic material, images, colors, sounds) is for reference only and implies no warranty as to the characteristics of the purchased Product.

The characteristics of the chosen Product will be outlined during the purchasing process.

Purchasing process

Any steps taken from choosing a Product to order submission form part of the purchasing process.

The purchasing process includes these steps:

- Users must choose the desired Product and verify their purchase selection.
- After having reviewed the information displayed in the purchase selection, Users may place the order by submitting it.

When the User submits an order, the following applies:

- The submission of an order determines contract conclusion and therefore creates for the User the obligation to pay the price, taxes and possible further fees and expenses, as specified on the order page.
- In case the purchased Product requires an action from the User, such as the provision of personal information or data, specifications or special wishes, the order submission creates an obligation for the User to cooperate accordingly.
- Upon submission of the order, Users will receive a receipt confirming that the order has been received.

All notifications related to the described purchasing process shall be sent to the email address provided by the User for such purposes.

Prices

Users are informed during the purchasing process and before order submission, about any fees, taxes and costs (including, if any, delivery costs) that they will be charged.

Prices on this Application are displayed:

- either exclusive or inclusive of any applicable fees, taxes and costs, depending on the section the User is browsing.

Offers and discounts

The Owner or any Seller may offer discounts or provide special offers for the purchase of Products. Any such offer or discount shall always be subject to the eligibility criteria and the terms and conditions set out in the corresponding section of this Application.

Offers and discounts are always granted at the Owner's or Seller's sole discretion. Repeated or recurring offers or discounts create no claim/title or right that Users may enforce in the future. Depending on the case, discounts or offers shall be valid for a limited time only or while stocks last.

Coupons

Offers or discounts can be based on Coupons. If breach of the conditions applicable to Coupons occurs, the Owner or Seller can legitimately refuse to fulfill its contractual obligations and expressly reserves the right to take appropriate legal action to protect its rights and interests.

Notwithstanding the provisions below, any additional or diverging rules applicable to using the Coupon displayed in the corresponding information page or on the Coupon itself shall always prevail. Unless otherwise stated, these rules apply to the use of Coupons:

- Each Coupon is only valid when used in the manner and within the timeframe specified on the website and/or the Coupon;
- A Coupon may only be applied, in its entirety, at the actual time of purchase – partial use is not permitted;
- Unless otherwise stated, single-use Coupons may only be used once per purchase and therefore may only be applied a single time even in cases involving installment-based purchases;
- A Coupon cannot be applied cumulatively;
- The Coupon must be redeemed exclusively within the time specified in the offer. After this period, the Coupon will automatically expire, precluding any possibility for the User to claim the relevant rights, including cash-out;
- The User is not entitled to any credit/refund/compensation if there is a difference between the value of the Coupon and the redeemed value;
- The Coupon is intended solely for non-commercial use. Any reproduction, counterfeiting and commercial trade of the Coupon is strictly forbidden, along with any illegal activity related to the purchase and/or use of the Coupon.

Methods of payment

Information related to accepted payment methods is made available during the purchasing process.

Some payment methods may only be available subject to additional conditions or fees. In such cases related information can be found in the dedicated section of this Application.

All payments are independently processed through third-party services. Therefore, this Application does not collect any payment information – such as credit card details – but only receives a notification once the payment has been successfully completed. The User may read the privacy policy of this Application to learn more about the data processing and Users' rights regarding their data.

If a payment through the available methods fails or is refused by the payment service provider, the Owner shall be under no obligation to fulfill the purchase order. If a payment fails or is refused, the Owner reserves the right to claim any related expenses or damages from the User.

Authorization for future PayPal payment

If Users authorize the PayPal feature which allows future purchases, this Application will store an identification code linked to the Users' PayPal account. This will authorize this Application to automatically process payments for future purchases or recurring installments of past purchases.

This authorization can be revoked at any time, either by contacting the Owner or by changing the user settings offered by PayPal.

To access such purchases, Users must follow the instructions provided on the relevant online store (such as "Apple App Store" or "Google Play"), which may vary depending on the particular device in use.

Unless otherwise specified, purchases done via third-party online stores are also subject to such third-parties' terms and conditions, which, in case of any inconsistency or conflict, shall always prevail upon these Terms.

Users purchasing through such third-party online stores must therefore read such terms and conditions of sale carefully and accept them.

Retention of Product ownership

Until payment of the total purchase price is received by the Owner, any Products ordered shall not become the User's property.

Retention of usage rights

Users do not acquire any rights to use the purchased Product until the total purchase price is received by the Owner.

Delivery times are specified on this Application or during the purchasing process.

Failed delivery

The Owner cannot be held responsible for delivery errors due to inaccuracies or incompleteness in the execution of the purchase order by the User, nor for any damages or delays after handover to any carrier arranged by the User and not offered or recommended by the Owner.

If the goods are not received or collected at the time or within the deadline specified, the goods will be returned to the Owner, who will contact the User to schedule a second delivery attempt or to agree on the future course of action.

Unless otherwise agreed, any delivery attempt starting from the second shall be at the User's expense.

Delivery of digital content

Unless otherwise stated, digital content purchased on this Application is delivered via download on the device(s) chosen by Users.

The purchased service shall be performed or made available within the timeframe specified on this Application or as communicated before the order submission.

Term and termination

Subscriptions

Subscriptions allow Users to receive a Product continuously or regularly over time. Details regarding the type of subscription and termination are outlined below.

Open-ended subscriptions

Paid subscriptions begin on the day the payment is received by the Owner.

In order to maintain subscriptions, Users must pay the required recurring fee in a timely manner. Failure to do so may cause service interruptions.

Subscriptions handled via Apple Account

Users may subscribe to a Product using the Apple Account associated with their Apple App Store account by using the relevant process on this Application. When doing so, Users acknowledge and accept that

- any payment due shall be charged to their Apple Account;
- subscriptions are automatically renewed for the same duration unless the User cancels at least 24 hours before the current period expires;
- any and all fees or payments due for renewal will be charged within 24-hours before the end of the current period;
- subscriptions can be managed or cancelled in the Users' Apple App Store account settings.

The above shall prevail upon any conflicting or diverging provision of these Terms.

Termination by the User

Subscriptions may be terminated by sending a clear and unambiguous termination notice to the Owner using the contact details provided in this document, or — if applicable — by using the corresponding controls inside this Application.

Termination by the User of open-ended subscriptions

Open-ended subscriptions may be terminated at any time by sending a clear and unambiguous termination notice to the Owner using the contact details provided in this document, or — if applicable — by using the corresponding controls inside this Application.

Terminations shall take effect 15 days after the notice of termination has been received by the Owner.

User rights

Right of withdrawal

Unless exceptions apply, the User may be eligible to withdraw from the contract within the period specified below (generally 14 days), for any reason and without justification. Users can learn more about the withdrawal conditions within this section.

Who the right of withdrawal applies to

Unless any applicable exception is mentioned below, Users who are European Consumers are granted a statutory withdrawal right under EU rules, to withdraw from contracts entered into online (distance contracts) within the specified period applicable to their case, for any reason and without justification.

Users that do not fit this qualification, cannot benefit from the rights described in this section. The Consumer shall only be liable to the Seller for any diminution in the value of the goods resulting from handling the goods in a manner other than that necessary to acquaint him with the nature, characteristics and functionality of the goods.

Exercising the right of withdrawal

To exercise their right of withdrawal, Users must send to the Owner an unequivocal statement of their intention to withdraw from the contract.

To this end, Users may use the model withdrawal form available from within the “definitions” section of this document. Users are, however, free to express their intention to withdraw from the contract by making an unequivocal statement in any other suitable way. In order to meet the deadline within which they can exercise such right, Users must send the withdrawal notice before the withdrawal period expires.

When does the withdrawal period expire?

- **Regarding the purchase of goods**, the withdrawal period expires 14 days after the day on which the User or a third party – other than the carrier and designated by the User – takes physical possession of the goods.
- **Regarding the purchase of several goods ordered together** but delivered separately or in case of purchase of a single good consisting of multiple lots or pieces delivered separately, the withdrawal period expires 14 days after the day on which the User or a third party – other than the carrier and designated by the User – acquires physical possession of the last good, lot or piece.
- **Regarding the purchase of a service**, the withdrawal period expires 14 days after the day that the contract is entered into, unless the User has waived the withdrawal right.
- **In case of purchase of a digital content not supplied in a tangible medium**, the withdrawal period expires 14 days after the day that the contract is entered into, unless the User has waived the withdrawal right.

Effects of withdrawal

Users who correctly withdraw from a contract will be reimbursed by the Owner for all payments made to the Owner, including, if any, those covering the costs of delivery.

However, any additional costs resulting from the choice of a particular delivery method other than the least expensive type of standard delivery offered by the Owner, will not be reimbursed.

Such reimbursement shall be made without undue delay and, in any event, no later than 14 days from the day on which the Owner is informed of the User’s decision to withdraw from the contract. Unless otherwise agreed with the User, reimbursements will be made using the same means of payment as used to process the initial transaction. In any event, the User shall not incur any costs or fees as a result of such reimbursement.

...on the purchase of physical goods

Unless the Owner has offered to collect the goods, Users shall send back the goods or hand them over to the Owner, or to a person authorized by the latter to receive the goods, without undue delay and in any event within 14 days from the day on which they communicated their decision to withdraw from the contract.

The deadline is met if the goods are handed to the carrier, or otherwise returned as indicated above, before the expiration of the 14-days-period for returning the goods. The reimbursement may be withheld until reception of the goods, or until Users have supplied evidence of having returned the goods, whichever is the earliest.

Users shall only be liable for any diminished value of the goods resulting from the handling of the goods outside of that which is necessary to establish their nature, characteristics and functioning.

The costs of returning the goods are borne by the User.

...on the purchase of services

Where a User exercises the right of withdrawal after having requested that the service be performed before the withdrawal period expires, the User shall pay to the Owner an amount which is in proportion to the part of service provided.

Such payment shall be calculated based on the fee contractually agreed upon, and be proportional to the part of service provided until the time the User withdraws, compared with the full coverage of the contract.

Guarantees

Legal guarantee of conformity for goods under EU law

Under EU law, for a minimum period of 2 years from delivery, traders guarantee the conformity of the goods they sell to Consumers.

Where Users qualify as European Consumers, the legal guarantee of conformity for goods applies to the items available on this Application in accordance with the laws of the country of their habitual residence.

National laws of such country may grant Users broader rights.

Consumers who do not qualify as European may benefit from legal guarantee of conformity rights in accordance with the legislation of the country of their habitual residence.

Liability and indemnification

Indemnification

The User agrees to indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners and employees harmless from and against any claim or demand — including but not limited to lawyer's fees and costs — made by any third party due to or in relation with any culpable violation of these Terms, third-party rights or statutory provisions connected to the use of the Service by the User or its affiliates, officers, directors, agents, co-branders, partners and employees to the extent allowed by applicable law.

Limitation of liability

Unless otherwise explicitly stated and without prejudice to mandatory law, Users shall have no right to claim damages against the Owner (or any natural or legal person acting on its behalf).

This does not apply to damages to life, health or physical integrity, damages resulting from the breach of material contractual obligations such as any obligation strictly necessary to achieve the purpose of the contract, and/or damages resulting from intent or gross negligence, as long as this Application has been appropriately and correctly used by the User.

Unless damages have been caused by way of intent or gross negligence, or they affect life, health or physical integrity, the Owner shall only be liable to the extent of typical and foreseeable damages at the moment the contract was entered into.

Common provisions

No Waiver

The Owner's failure to assert any right or provision under these Terms shall not constitute a waiver of any such right or provision. No waiver shall be considered a further or continuing waiver of such term or any other term.

Service interruption

To ensure the best possible service level, the Owner reserves the right to interrupt the Service for maintenance, system updates or any other changes, informing the Users appropriately.

Within the limits of law, the Owner may also decide to suspend or discontinue the Service altogether. If the Service is discontinued, the Owner will cooperate with Users to enable them to withdraw personal data or information and will respect Users' rights relating to continued product use and/or compensation, as provided for by applicable law.

Additionally, the Service might not be available due to reasons outside the Owner's reasonable control, such as "force majeure" events (infrastructural breakdowns or blackouts etc.).

Service reselling

Users may not reproduce, duplicate, copy, sell, resell or exploit any portion of this Application and of its Service without the Owner's express prior written permission, granted either directly or through a legitimate reselling program.

Privacy policy

To learn more about the use of their personal data, Users may refer to the privacy policy of this Application.

Intellectual property rights

Without prejudice to any more specific provision of these Terms, any intellectual property rights, such as copyrights, trademark rights, patent rights and design rights related to this Application are the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties relating to intellectual property.

All trademarks — nominal or figurative — and all other marks, trade names, service marks, word marks, illustrations, images, or logos appearing in connection with this Application are, and remain, the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties related to intellectual property.

Changes to these Terms

The Owner reserves the right to amend or otherwise modify these Terms at any time. In such cases, the Owner will appropriately inform the User of these changes.

Such changes will only affect the relationship with the User from the date communicated to Users onwards.

The continued use of the Service will signify the User's acceptance of the revised Terms. If Users do not wish to be bound by the changes, they must stop using the Service and may terminate the Agreement.

The applicable previous version will govern the relationship prior to the User's acceptance. The User can obtain any previous version from the Owner.

If legally required, the Owner will notify Users in advance of when the modified Terms will take effect.

Assignment of contract

The Owner reserves the right to transfer, assign, dispose of by novation, or subcontract any or all rights or obligations under these Terms, taking the User's legitimate interests into account. Provisions regarding changes of these Terms will apply accordingly.

Users may not assign or transfer their rights or obligations under these Terms in any way, without the written permission of the Owner.

Contacts

All communications relating to the use of this Application must be sent using the contact information stated in this document.

Severability

Should any provision of these Terms be deemed or become invalid or unenforceable under applicable law, the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions, which shall remain in full force and effect.

US Users

Any such invalid or unenforceable provision will be interpreted, construed and reformed to the extent reasonably required to render it valid, enforceable and consistent with its original intent. These Terms constitute the entire Agreement between Users and the Owner with respect to the subject matter hereof, and supersede all other communications, including but not limited to all prior agreements, between the parties with respect to such subject matter. These Terms will be enforced to the fullest extent permitted by law.

EU Users

Should any provision of these Terms be or be deemed void, invalid or unenforceable, the parties shall do their best to find, in an amicable way, an agreement on valid and enforceable provisions thereby substituting the void, invalid or unenforceable parts. In case of failure to do so, the void, invalid or unenforceable provisions shall be replaced by the applicable statutory provisions, if so permitted or stated under the applicable law.

Without prejudice to the above, the nullity, invalidity or impossibility to enforce a particular provision of these Terms shall not nullify the entire Agreement, unless the severed provisions are essential to the Agreement, or of such importance that the parties would not have entered into the contract if they had known that the provision would not be valid, or in cases where the remaining provisions would translate into an unacceptable hardship on any of the parties.

Governing law

These Terms are governed by the law of the place where the Owner is based, as disclosed in the relevant section of this document, without regard to conflict of laws principles.

Prevalence of national law

However, regardless of the above, if the law of the country that the User is located in provides for higher applicable consumer protection standards, such higher standards shall prevail.

Venue of jurisdiction

The exclusive competence to decide on any controversy resulting from or connected to these Terms lies with the courts of the place where the Owner is based, as displayed in the relevant section of this document.

Exception for Consumers in Europe

The above does not apply to any Users that qualify as European Consumers, nor to Consumers based in the United Kingdom, Switzerland, Norway or Iceland.

Dispute resolution

Amicable dispute resolution

Users may bring any disputes to the Owner who will try to resolve them amicably.

While Users' right to take legal action shall always remain unaffected, in the event of any controversy regarding the use of this Application or the Service, Users are kindly asked to contact the Owner at the contact details provided in this document.

The User may submit the complaint including a brief description and if applicable, the details of the related order, purchase, or account, to the Owner's email address specified in this document.

The Owner will process the complaint without undue delay and within 5 days of receiving it.

Online dispute resolution for Consumers

The European Commission's Online Dispute Resolution (ODR) platform, previously available for alternative dispute resolutions that facilitated an out-of-court method for solving disputes related to and stemming from online sale and service contracts, has been officially discontinued as of 20 July 2025, following the adoption of [EU Regulation 2024/3228](#).

Although the platform is no longer available, Users are encouraged to reach out directly to the Owner to resolve any concerns or issues. Users are kindly asked to contact the Owner at the contact details provided in this document.
