Any intellectual or industrial property rights, as well as other exclusive rights on software or technical features related to our application, are owned by us and/or our licensors.

Provided you comply with these terms, we grant you a revocable, non-exclusive, non-sublicensable, and non-transferable license to use the software and other technical features on our application for its intended purposes.

This license does not give you any rights to access, use, or share the original source code. All techniques, algorithms, and procedures in the software and related documentation are the sole property of us or our licensors.

All rights and licenses granted to you will immediately end if the agreement is terminated or expires.

Despite the above, under this license, you can download, install, use, and run the software on [number of devices] devices, as long as your devices are common and up-to-date with current technology and market standards.

We reserve the right to release updates and improvements to our application and its related software. You may need to download and install these updates to keep using them.

However, in order to get access to completely new versions or releases of the software you may need to purchase a separate license.

Notwithstanding the foregoing, you undertake to immediately delete any copies of the software upon the expiry of the license.

The software licensed will be valid and functional for 2 years since it has been made available to you, and in any case for the entire duration of the subscription, subject to the conditions of the agreement including, without limitation, any required updates. It is understood that the possible occurrence of errors and occasional technical faults is inherent to the nature of software. To the extent required under applicable law and/or the agreement, we commit to resolving possible defects and/or faults impairing the software's functionality during the validity period, unless these result from any improper or irregular use of the software, including (without limitation) your failure to implement any required updates.

LIABILITY AND INDEMNIFICATION

Note: This section covers the limits of your liability, your disclaimer of warranties, and the circumstances under which users agree to indemnify you. The correct wording varies significantly between the EU, the UK, and the US — each jurisdiction has its own requirements, and a clause written for one may not be valid in another. Tailor this section to the jurisdictions where your business operates and where your customers are based.

Indemnification

You agree to indemnify us and our affiliates, officers, directors, and employees from any claims or demands made by third parties due to or in connection with any culpable violation of these terms or third-party rights related to your use of the service to the extent allowed by law.

Limitation of liability

Unless explicitly stated otherwise and subject to applicable law, you cannot claim damages against us (or any individual or entity acting on our behalf).

However, this exclusion does not apply to damages affecting life, health, or physical integrity, damages arising from the breach of significant contractual obligations (such as those necessary to fulfill the contract's purpose), and/or damages resulting from intentional or gross negligence, provided that our application has been used appropriately and correctly by you.

Unless damages stem from intentional or gross negligence, or they impact life, health, or physical integrity, our liability is limited to typical and foreseeable damages at the time the contract was entered into.

COMMON PROVISIONS

No waiver

Our failure to assert any right or provision under these terms does not waive that right or provision. No waiver will constitute a continuing waiver of such term or any other term.

Service interruption

To maintain the best service level, we reserve the right to interrupt the service for maintenance, updates, or other changes, with appropriate notification.

We may suspend or discontinue the service within legal limits. If discontinued, we will assist you in withdrawing personal data and respect your rights regarding continued product use and compensation under applicable law.

The service may be unavailable due to events beyond our reasonable control, such as infrastructure breakdowns or blackouts.

Service reselling

You may not reproduce, duplicate, copy, sell, or exploit any part of our application without our express written permission, granted either directly or through a legitimate reselling program.

Privacy policy

For information on the use of personal data, you can refer to our application's privacy policy.

Intellectual property rights

Without prejudice to any more specific provisions in these terms, all intellectual property rights associated with our application, including copyrights, trademark rights, patent rights, and design rights, are exclusively owned by us or our licensors. These rights are protected by applicable laws and international treaties concerning intellectual property.

All trademarks, whether nominal or figurative, and any other marks, trade names, service marks, word marks, illustrations, images, or logos associated with our application, are and remain the exclusive property of us or our licensors. These are also protected by applicable laws and international treaties related to intellectual property.

Changes to the terms

We reserve the right to modify these terms at any time, informing you of any changes.

Such changes will only affect the relationship with you from the date communicated onwards.

Your continued use of the service will signify your acceptance of the revised terms. If you do not wish to be bound by the changes, you must stop using the service and terminate the agreement.

The applicable previous version will govern the relationship prior to your acceptance. You can obtain any previous version from us.

If legally required, we will notify you in advance of when the modified terms will take effect.

Assignment of contract

We reserve the right to transfer, assign, dispose of by novation, or subcontract any or all rights or obligations under these terms, considering your legitimate interests. Provisions about changes to these terms will apply accordingly.

You cannot assign or transfer your rights or obligations under these terms without our written permission.

Contact

All communications regarding the use of our application must be sent using the contact information provided in this document.

Severability

Invalidity or unenforceability of any provision under applicable law will not affect the validity of other provisions, which will remain in full force and effect.

Note: If you serve both EU and US users, you will need jurisdiction-specific severability language. EU law requires parties to seek an amicable replacement clause; US law allows courts to interpret invalid provisions to preserve original intent. Tailor this section to the jurisdictions where your business operates.

Governing law and jurisdiction

Note: Specify the country or state whose law governs these terms, and the courts that will have jurisdiction over any disputes. If you serve consumers in the EU, the UK, Switzerland, Norway, or Iceland, note that mandatory consumer protection rules in their country of residence may still apply regardless of your chosen governing law. UK consumers may bring proceedings in the courts of their home nation (England and Wales, Scotland, or Northern Ireland).

Surviving provisions

Our agreement will continue in effect until it is terminated by either our application or you. Upon termination, the provisions contained in this document that by their context are intended to survive termination or expiration will survive, including but not limited to the following:

- your grant of licenses under this document will survive indefinitely;
- your indemnification obligations will survive for a period of five years from the date of termination;
- the disclaimer of warranties and representations, and the stipulations under the section containing indemnity and limitation of liability provisions, will survive indefinitely.
